SUMMER 2022

FULL DAY PROGRAM AND INDIVIDUAL COURSES

SESSION 1	JUNE 6-10	SESSION 4	JULY 11-22
SESSION 2	JUNE 13-24	SESSION 5	JULY 25-AUGUST 5
SESSION 3	JUNE 27-JULY 8	SESSION 6	AUGUST 8-12

INZONE PROVIDES YOUR CHILDREN A SUMMER OF ADVENTURE AND LEARNING ON OUR CAMPUS

Designed to offer an incredible variety of indoor and outdoor activities, our personalized approach means you have choices. You choose the sessions and class times that fit your schedule, including before/after care and lunch options.

Educational

All InZone courses use the same labs and classrooms as adult credit students. Our activities are structured to provide an introduction to college life to prepare them for the future. Create your next invention using state-of-the-art equipment in our Makerspace, cook in our recently remodeled culinary kitchen, or engage in STEM activities in our specialized labs.

Fun

Treat your kids to fun activities and exploration. Avoid summer boredom with over 150 different courses in sports, art, cooking, music, design, and technology. Our courses are hands-on and interactive with small classroom sizes. Perform your favorite Broadway musical on our stage, make a comic book, or design your own video game!

Safe

We are committed to ensuring your child's safety. All instructors, aides and staff working directly with campers have passed a statewide criminal background check that meets highest expectations of child safety and leadership. Our student to adult ratio is 8:1.

Because scrapes, bumps, bruises happen when kids play and upset stomachs and dizziness occur in the heat, InZone has a professional nurse on site to tend to all campers.

Covid-19 Vaccination and Testing Information

At the time of the InZone catalog printing, Harper College is a mask recommended campus and vaccine mandates were being reconsidered. For the most recent information regarding Covid-19 protocols, please visit harpercollege.edu/inzone.

Why InZone?

InZone and InZone Junior Explorers are Harper College's summer camps for kids ages 6-14. Designed to offer an incredible variety of indoor and outdoor activities these camps provide countless opportunities to learn and have fun in an amazing campus experience.

Our personalized approach means you have choices. You choose the sessions and class times that fit your schedule, including before/after care and lunch options. Your excellent summer is definitely here.

Unique

With both enrichment and sports, our campers can learn about coding robots in the morning to cooking delicious cupcakes in the afternoon. Variety is the spice of life or at least the spice of InZone!

Flexible and Full of Options

InZone offers a summer jam-packed with fun. Explore, create, run, discover, jump, experience. Pick from a variety of courses, including Broadway singing, soccer, sewing, three-dimensional painting, website design, rocket building, writing and photography. It's your choice!

- **Classes** are offered: Monday – Friday, 9 a.m. – 4:00 p.m.
- **Before and After Care** is available: 7:30 a.m. – 5:30 p.m.
- **Lunch Options** include: a prepaid meal plan, brown bag or buy your own. Registration required. See page 3.

Come for one class, one session or the whole summer. Combine classes for a half-day or full-day of activities. Our Before and After Care gives you options to do what works best for your family.

Kid-friendly Fun

It's camp. How much more kid-friendly can you get? Relax, enjoy summer, have fun and meet new friends!

Who We Are

The InZone staff is passionate about providing a welcoming, safe camp that inspires and cultivates everyone's interests.

InZone instructors are teachers or professionals in their field. Program aides are college students who have participated in extensive orientation and training workshops, and many plan to pursue careers in education. The aides support instructors in creating an inclusive environment with opportunities for individualized instruction.

Employee Background Check

All InZone instructors and staff have passed a statewide criminal background check.

Before, During and After

InZone Before, During and After (Ages 6-14)

Before and After Care

Extend the fun with InZoners Before and After Care program. Organized activities will be provided under the supervision of InZone staff. Choose Before Care, After Care or both. Register for Before and After Care just as you register for other InZone programs. NOTE: Students will meet in the Foglia Foundation Health Recreation Center (Building M) for both programs. Staff will be on hand to provide help with scheduled program locations. No camp on June 20th or July 4th.

Ages 6-14

06/06-06/10	7:30 am-8:45 am	LPK0017-063	\$49.00

InZone Cafeteria Attendance

All InZone students NOT registering for the InZone Lunch Meal Plan MUST register for cafeteria attendance. This program provides InZone staff members an accurate enrollment number of which students will be eating lunch in the cafeteria during each scheduled session. NOTE: There is no registration fee for this class.

No camp on June 20th or July 4th.

Ages 6-14

06/06-06/10	12:05 pm-12:50 pm	LKD0146-028	\$0.00
06/13-06/24	12:05 pm-12:50 pm	LKD0146-029	\$0.00

Lunch Meal Plan

At the time of the InZone catalog going to print it has not been determined if the pre-paid lunch program will be offered during the summer of 2022. Please check harpercollege.edu/inzone for updates regarding the status of the Lunch Meal Plan or email inzone@harpercollege.edu

On-Campus Classes (Ages 6-8)

InZone Junior Explorers Camp (Ages 6-8)

Build and Program with Legos

In this exciting class the educators from Sylvan Learning will help you build Lego Robots and program them using Lego WeDo software. See your creation come alive, as you learn basic problem solving and coding skills to animate alligators, racing cars and more. If your child is new to Legos and Coding, or an experienced builder, the fun and learning are all rolled into one!

Ages 6-8

06/06-06/10	1:00 pm-4:00 pm	LKD0269-001	\$199.00
08/08-08/12	9:00 am-12:00 pm	LKD0269-002	\$199.00

Junior Explorers: Art and Engineering

This exciting new addition to the InZone program is designed for students 6-8 years of age and is intended to focus on the already established principles of the InZone camp for older students. Rooted in hands-on exploration students will participate in activities structured around engineering and art. The program will split each day with half of the time spent on each topic. This program will be housed in a specific location on campus and does not involve the students moving from building to building like the older InZone students. Students staying on campus during the lunch period will be walked by staff members to the designated lunch area. Kids are supervised during lunch and walked back to class if taking afternoon classes. New activities all summer long. No camp June 20th.

Ages 6-8

06/13-06/24	9:00 am-12:00 pm	LKD0270-001	\$275.00
07/25-08/05	9:00 am-12:00 pm	LKD0270-002	\$299.00

Junior Explorers: Recycled Art and Super Stories

Rooted in hands-on exploration students will participate in activities structured around recycled art and super storytelling. Recycled art will introduce students to the concept of upcycling while exploring ideas and projects that can be made with everyday items such as cups, water bottles, plastic, and cardboard. Super storytelling will focus on popular children's books as students read, write and create their own stories related to the books covered in class each day. The program will split each day with half of the time spent on each topic. This program will be housed in a specific location on campus and does not involve the students moving from building to building like the older InZone students. Students staying on campus during the lunch period will be walked by staff members to the designated lunch area. Kids are supervised during lunch and walked back to class if taking afternoon classes. New activities all summer long. No camp July 4th.

Ages 6-8

06/27-07/08	1:00 pm-4:00 pm	LKD0273-001	\$275.00
07/25-08/05	1:00 pm-4:00 pm	LKD0273-002	\$299.00

On-Campus Classes (Ages 8-14)

Junior Explorers: Art and Music

This exciting new addition to the InZone program is designed for students 6-8 years of age and is intended to focus on the already established principles of the InZone camp for older students. Rooted in hands-on exploration students will participate in activities structured around art and music. The program will split each day with half of the time spent on each topic. For the music portion of class students will use specialized, proprietary MusicStart keyboards to learn to play familiar tunes in a group setting by color, letter, and note matching while using problem-solving strategies. Prepare your student to learn any instrument with this strong fundamental based program. This program will be housed in a specific location on campus and does not involve the students moving from building to building like the older InZone students. Students staying on campus during the lunch period will be walked by staff members to the designated lunch area. Kids are supervised during lunch and walked back to class if taking afternoon classes. New activities all summer long. No camp on July 4th.

Ages 6-8
 06/27-07/08 9:00 am-12:00 pm LKD0271-001 \$275.00
 07/11-07/22 1:00 pm-4:00 pm LKD0271-002 \$299.00

Junior Explorers: STEAM and Lego Building

You will explore new concepts and learn through hands-on exploration by participating in activities structured around STEAM and Building with Legos in this exciting class. STEAM will bring together elements of science, art and math in a hands-on, action-packed environment. You will conduct experiments, play educational games, and unlock their creativity through building challenges and projects. Building with Legos will teach you to build Lego Robots and program them using Lego WeDo software. See your creation come alive as you learn basic problem solving and coding skills to animate alligators, racing cars and more. The program will split each day with half of the time spent on each topic. This program will be housed in a specific location on campus and does not involve the students moving from building to building like the older InZone students. Students staying on campus during the lunch period will be walked by staff members to the designated lunch area. Kids are supervised during lunch and walked back to class if taking afternoon classes. New activities all summer long. No camp June 20.

Ages 6-8
 06/13-06/24 1:00 pm-4:00 pm LKD0274-001 \$275.00
 07/11-07/22 9:00 am-12:00 pm LKD0274-002 \$299.00

Smart Start Art

Explore your artistic side with Smart Start Art from Afterschool Enrichment Solutions. It's a bird... it's a plane... it's a brand new superhero of your own design. Discover your creativity and imagination as an artist, developing fine motor skills, style, and vision as we explore different artistic techniques through a variety of inspiring projects. Sketch and draw, shade and color, cut, glue, fold... create. See your imagination come to life. Learn about great artists from throughout history and the present day, through a weekly featured artist and fun, exciting games. No experience necessary.

Ages 6-8
 06/06-06/10 9:00 am-12:00 pm LKD0268-003 \$179.00

Step Into STEAM

This exciting program from Afterschool Enrichment Solutions brings together elements of science, art and math in a hands-on, action-packed environment. You will conduct experiments, play educational games, and unlock their creativity through building challenges and projects. No experience necessary.

Ages 6-8
 08/08-08/12 1:00 pm-4:00 pm LKD0267-004 \$199.00

On-Campus Classes (Ages 8-14)

The Arts

Be Your Own Artist

As you develop your identity as an artist you must also become more versatile in your ability to draw, paint, sculpt and more. Your creativity emerges as you think about what you want to create and the techniques to use. We will discuss which forms of art are best for you to use on your projects. For online students only: Class will be closed on Wednesday evening the week before class begins. Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date.

Ages 8-11
 06/06-06/10 9:00 am-12:00 pm LKD0125-008 \$199.00

Clay Adventures

This class will focus on developing your creative side through the use of polymer clay. Using a hands-on approach, you will learn the art of layering colors with many different shapes to create animals, souvenirs, jewelry, and even famous characters from Minecraft and the Minions.

Ages 8-11
 06/06-06/10 1:00 pm-4:00 pm LKD0067-004 \$215.00

On-Campus Classes (Ages 8-14)

Clayology

Let your imagination run wild in this hands-on clay experience. By learning the hand-building techniques of clay sculpture, you will create your own art. You will also learn how clay is glazed and fired in this down and dirty clay class. Harper has a well outfitted three-dimensional art studio where you will make a music box, frame, mask and so much more. New activities and designs in each class.

No camp July 4th.

Ages 8-11

06/27-07/08	10:35 am-12:00 pm	LKD0011-027	\$199.00

Design the City of the Future

Design your ideal city of the future, including everything from buildings and areas where people live and work to the transportation systems and natural spaces. Using large flat panels, you will plan building zones, explore recreational areas, and create a grid system for the streets as you bring your vision to life. Work with scales and measurements and add color to your booming metropolis as your city comes alive. For Online Students Only: For this class you will need hot silicon glue gun and good scissors. They are not included in the supplies. You can buy at local stores such as Walmart, Hobby Lobby or Amazon. In this class we reuse empty boxes so please save your empty boxes. Learn how to reuse materials, stay green and help our planet. Class registration will be closed on Wednesday evening the week before class begins.

Ages 8-11

07/11-07/22	9:00 am-10:25 am	LKD0021-007	\$215.00
-------------	------------------	-------------	----------

Design Your Own Doll House

Have you dreamt of living in a castle or a modern luxury home? Design your dreams with us! This class provides the creative environment for you to flourish and learn more about planning and designing of home space, color schemes and different styles: contemporary, modern, and traditional. Students build a 3D-model doll house scaled for an eight-inch American Girl Doll. This is a great opportunity for students to develop spatial (3D) sensitivity. You will learn to manipulate and plan exterior and interior spaces as you unwind your imagination and have fun manipulating space. Each student works on his/her own unique Doll House. For online students only: Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date.

Ages 8-11

07/25-08/05	10:35 am-12:00 pm	LKD0042-006	\$215.00
-------------	-------------------	-------------	----------

Duct Tape Art

Tap into your creative side and let your imagination run wild in this fun class that uses duct type as the art medium. In this environment you will create such stand alone projects as jewelry, boats, animals and even Minecraft characters. Working with both 2D and 3D projects will you be simply amazed with what unleashing the power of duct tape can do. No camp June 20th.

Ages 8-11

06/13-06/24	1:00 pm-2:25 pm	LKD0054-006	\$199.00
-------------	-----------------	-------------	----------

My Dream Room: Designing Indoor Spaces

Interior design is about the spaces where you live, work, and play. Create a three-dimensional interior scale model of your dream room or fashion studio. Learn contemporary, modern or traditional styles that best fit your personality. You will work with scale and measurements, attend to color and detail, and use various mediums and materials. Note For Online Students Only: For this class you will need a hot silicon glue gun and good scissors (they are not included in the supplies) You can buy at store such as Walmart, Amazon etc. Registration will be closed on Wednesday evening prior the beginning of the class. Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class startdate. No camp July 4th.

Athletics/Sports

Basketball League and Game Play

Take it to the boards with 3-on-3, 4-on-4 and 5-on-5 team games. Daily instruction will center on team play, motion offense footwork and timing for jump shots, three-point shots and free throws. Players will change teams within their skill group. Open to any level of player.

Ages 8-14
08/08-08/12 1:00 pm-4:00 pm LPK0022-004 \$215.00

Basketball: Skills and Competition

This camp is perfect for players of any level. In this energetic camp, you will develop solid fundamental skills, including: footwork, stance, setting and using screens, passing and receiving, live ball moves, layups, shooting and game competition. Campers will be grouped according to their skill level and age. No camp July 4th.

Ages 8-14
06/27-07/08 1:00 pm-2:25 pm LPK0026-010 \$185.00
06/27-07/08 2:35 pm-4:00 pm LPK0026-011 \$185.00

☆ Special Camp ☆

Chicago Cubs Baseball Camp

It's the bottom of the ninth, bases are loaded, and you step up to the plate wearing the coveted blue and white uniform of the Chicago Cubs. No, it is not a dream. You are attending the Chicago Cubs Baseball Camp! The Cubs coaching staff will provide on-field instruction to build your skills, develop character and teamwork, and instill confidence. Best of all, you will receive exclusive access and privileges during the week, including Cubs player visits and autographs, an exclusive all-access VIP tour of Wrigley Field, an official Cubs uniform and an invitation to participate in the annual on-field Camper Parade during a Cubs home game at the end of the summer. Registration is online only at cubs.com/camps.

The cost for this camp is \$525.00, and registration is online only at cubs.com/camps. This is a one-week camp.

Ages 5-13
07/11-07/15 9:00 am-3:00 pm LPK0001-006

Esports: Game Play and Skill Development

Interested in learning about Esports? Always wondered about one of the fastest-growing sports in the world. If you want to learn and play some of the most popular classes in the world this is the class for you! We will be going over different games each day, giving you practical strategy, techniques and advice on how to improve! Most of these games will be on the PC but some like Rocket League and Overwatch may be played on the Xbox or Playstation. No camp June 20th.

Ages 11-14
06/13-06/24 9:00 am-10:25 am LPK0029-001 \$199.00
07/11-07-22 9:00 am-10:25 am LPK0029-002 \$215.00
08/08-08/12 9:00 am-12:00 pm LPK0029-003 \$215.00

Harper Coaches Baseball Camp

This specialized baseball camp will focus on essential skill development for all aspects of the game. Under the guidance of Harper's baseball coaching staff, this camp will emphasize hitting mechanics to become a better hitter and defensive skills to take your game to the next level. You will also receive instruction in bunting, base running, and sliding in addition to throwing and pitching. Players will be grouped according to age and ability. NOTE: Bring your own equipment and wear comfortable clothing. No class June 20th.

Ages 11-14
06/13-06/24 9:00 am-10:25 am LPK0010-004 \$199.00

On-Campus Classes (Ages 8-14)

Harper Coaches Basketball Camp: Boys

Basketball players are made in the off-season! Let the Harper College's basketball coaches help you become the best player you can be. This class will drill you on the basics and challenge you to reach your potential. You will work on fundamentals, including: ball handling, passing, shooting, footwork, and rebounding. You will participate in individual and group drills as well as game play between appropriate skill levels, finishing with a better understanding of how to be a well-rounded player. This camp is for all levels of player.

Ages 8-14

06/06-06/10	9:00 am-12:00 pm	LPK0006-007	\$215.00
07/11-07/22	2:35 pm-4:00 pm	LPK0006-008	\$215.00
07/25-08/05	10:35 am-12:00 pm	LPK0006-009	\$215.00

Harper Coaches Basketball Camp: Girls

Under the guidance of the Harper College's basketball coaching staff, you will develop the skills you need to take your game to the next level. You will learn the fundamentals of the game, including: ball handling, passing, shooting, footwork and rebounding. Drills will be individual and group-based, with game play between appropriate skill levels. This camp is for all levels of player. No camp June 20th.

Ages 8-14

06/13-06/24	10:35 am-12:00 pm	LPK0021-007	\$199.00
07/25-08/05	1:00 pm-2:25 pm	LPK0021-008	\$215.00

Harper Coaches Cross Country Camp

Are you planning on running cross country this fall at your school, or are you interested in learning the training techniques to become a distance runner? Under the guidance of the Head Coach of the Harper Cross Country team, you will develop proper training styles to get the most out of your running. This class is a perfect introduction for every level of runner. No experience necessary. You should wear comfortable shoes designed for running and appropriate clothes for exercise.

Ages 11-14

07/11-07/22	9:00 am-10:25 am	LPK0007-004	\$199.00
-------------	------------------	-------------	----------

Harper Coaches Softball Camp

With the help of Harper College softball coaches, you will develop the skills necessary to become a well-rounded softball player. Focus is on swing improvement, slap bunting, base running, lead-offs, and sliding. Drills based in defense and pitching will also be covered. Players are grouped according to age and ability. Bring your own glove and wear softball-appropriate clothing.

Ages 8-14

06/06-06/10	9:00 am-12:00 pm	LPK0009-006	\$215.00
07/25-08/05	9:00 am-10:25 am	LPK0009-007	\$215.00

Harper Coaches Track Camp

Directed by the five-time Men's National Championship-Winning Harper coaching staff, this camp will introduce you to a variety of events in track and field. You will learn about safety and proper techniques for engaging in shot put, discus, high jump, long jump and hurdles. No camp on June 20th or July 4th.

Ages 8-14

06/13-06/24	9:00 am-10:25 am	LPK0003-009	\$199.00
06/27-07/08	9:00 am-10:25 am	LPK0003-010	\$199.00

Harper Coaches Volleyball Camp

Learn from the College's volleyball coaching staff while you master or reinforce basic skills, team fundamentals and how to play at higher levels of competition. You'll practice serving, passing, defensive positioning, setting and attacking. Camp includes daily instruction on the court, along with game-like situations where you can apply the skills you are learning. This camp is for all levels of player. No camp on June 20th or July 4th.

Ages 8-14

06/13-06/24	1:00 pm-2:25 pm	LPK0020-007	\$199.00
06/27-07/08	10:35 am-12:00 pm	LPK0020-008	\$199.00
07/25-08/05	9:00 am-10:25 am	LPK0020-009	\$215.00

Harper Soccer Coaches Camp

This camp will encourage young and emerging players to develop their skills through the guidance of the Harper College women's soccer coaching staff. Participants will build the skills, tactics, and fundamentals needed to perform in matches and strengthen their overall game. This camp will include both offensive and defensive skill development. No camp on June 20th.

Ages 8-14

06/13-06/24	1:00 pm-2:25 pm	LPK0013-015	\$199.00
07/11-07/22	1:00 pm-2:25 pm	LPK0013-016	\$215.00
07/25-08/05	10:35 am-12:00 pm	LPK0013-017	\$215.00
08/08-08/12	9:00 am-12:00 pm	LPK0013-018	\$215.00

InZone Swim Camp

It is time to get in the water and be part of a swim camp designed to incorporate every level of swimmer. Beginner level swimmers will become more comfortable in the water by learning all the strokes and will develop some basic water safety skills. Swimmers with more advanced skills will work on competitive stroke techniques as well as improving your starts and turns. Water play and games will also be introduced throughout to enhance the experience. You will be grouped by swim level and work with specific swim instructors throughout the duration of the camp.

No camp on June 20th or July 4th.

Ages 8-14

06/13-06/24	1:00 pm-2:25 pm	LPK0019-020	\$185.00
06/13-06/24	2:35 pm-4:00 pm	LPK0019-021	\$185.00

Crafts

A Stitch in Time

Learn to sew a pair of shorts with an elastic waist. You will learn to measure yourself to get the right fit, lay out a simple pattern, pin and cut out fabric using the pattern, maintain a consistent seam allowance, make a casing, insert elastic, how to turn up and sew a hem, and so much more! All fabric and notions provided.

Ages 11-14

07/11-07/22	10:35 am-12:00 pm	LKD0260-001	\$215.00
-------------	-------------------	-------------	----------

Adventures in Knitting

With some sticks and string and a little know-how, you'll be knitting in no time! In this class you will learn about how yarn is created, supplies needed to begin your knitting journey, how to cast-on, knit, purl, and bind-off. At the beginning of the session, you will knit a practice square to learn the knit and purl stitches. Then you will learn to knit a cat hat! No camp on July 4th.

Ages 8-14

06/27-07/08	2:35 pm-4:00 pm	LKD0094-005	\$199.00
-------------	-----------------	-------------	----------

Book Club with Ms. Peg

Bring your favorite book and learn how to use a sewing machine to make a custom cloth cover that doubles as a pretty yet protective tote. Experiment with decorative stitches and new embellishment techniques while sewing beautiful bookmarks. We will also make a cup cozy to help keep your favorite beverage at the perfect temp while you lose yourself in the literature. All fabric provided.

Ages 11-14

07/25-08/05	2:35 pm-4:00 pm	LKD0262-001	\$215.00
-------------	-----------------	-------------	----------

Construct a Critter

Making your very own fabric stuffed animal will be a special unique addition to your collection. You will learn to sew on a sewing machine, follow pattern directions, and stuff your new little friend to chubby perfection. An assortment of fabric will be provided so each creation will be the only one of its kind. No camp on July 4th.

Ages 11-14

06/27-07/08	1:00 pm-2:25 pm	LKD0036-006	\$199.00
-------------	-----------------	-------------	----------

Ages 8-11

07/25-08/05	1:00 pm-2:25 pm	LKD0036-007	\$215.00
-------------	-----------------	-------------	----------

Craft Adventures

It is time to get creative. You will learn how to make hand-ons craft projects such as dolls made out of yarn, hand stitched adorable hair bowls and using sewing machines cute stuffed teddy bears. This and so much more in this exciting creative adventure.

Ages 8-11

07/11-07/22	1:00 pm-2:25 pm	LKD0266-001	\$215.00
-------------	-----------------	-------------	----------

Crochet Plushies

Do you know what is constantly trending on social media? It is crochet, yes crochet. Learning how to crochet is taking over TikTok and Instagram. Learn the basic stitches and create a cute, soft plushie to take home at the end of the week! No camp on July 4th.

Ages 8-14

06/27-07/08	10:35 am-12:00 pm	LKD0061-006	\$199.00
-------------	-------------------	-------------	----------

Fashion is the Passion

Do you dream of designing and making your own clothes? Develop the skills necessary to build your future as a fashion designer. Learn the principles of stretching and pattern-making, along with the special techniques the top designers use. You will have a wide variety of materials available to develop portfolios highlighting your creations. You will complete the class with a fashion show highlighting your designs. Basic sewing skills are preferred. The class starting June 27th will focus on dress making and the July 11th class will have designs based around shorts. No camp on July 4th.

Ages 8-11

06/27-07/08	2:35 pm-4:00 pm	LKD0183-007	\$199.00

-------------	-----------------	-------------	----------

On-Campus Classes (Ages 8-14)

Fun in the Sun

Sew a zippered pocket to a beach towel. Construct a window screen tote bag, and, if time permits, decorate a sun visor or flip flops you provide that will make you the envy of the beach or pool. No camp on July 4th.

Ages 8-11
06/27-07/08 10:35 am-12:00 pm LKD0121-005 \$199.00

It's High Tea Time

Revisit a genteel custom filled with the memory of treasured linens and tasty treats. Using a sewing machine, you will learn to sew a quilted placemat and an eco-friendly cloth napkin, a teapot cozy, and a hot pad, all suitable to set the perfect table for a dress-up tea party on our last day of class. Fabric and iced tea provided.

Ages 11-14
07/11-07/22 2:35 pm-4:00 pm LKD0261-001 \$215.00

Minecraft Pillows

It's time for true fans to take their fandom to another level. On a sewing machine, you will create your favorite Minecraft pillows. Prove your devotion by making a Creeper pillow, a TNT pillow, and maybe more. Bring your enthusiasm for Minecraft and be prepared for an experience you will be sharing with your family all summer long.

Ages 8-11
07/11-07/22 1:00 pm-2:25 pm LKD0111-005 \$215.00

Pamper Your Pets

Combine webbing, fabric, ribbon, and hardware while you make a boutique-style collar bandana, leash, and pet bowl placemat. You will learn to sew on a sewing machine while making these fun and easy projects for your canine or feline friends. If there is time, we will also make easy pet toys. Special dog- or cat-themed fabric is provided. No class on June 20th.

Ages 8-11
06/13-06/24 2:35 pm-4:00 pm LKD0070-005 \$199.00

Sew Comfy

Learn to sew an easy pair of shorts with an elastic waist. You will learn to measure yourself to get the right fit, layout a simple pattern, pin and cut out fabric using the pattern, maintain a consistent seam allowance, construct a casing, insert elastic, how to turn up and sew a hem, and so much more! All fabric and notions provided. No class on June 20th.

Ages 8-11
06/13-06/24 1:00 pm-2:25 pm LKD0165-005 \$199.00

Ages 11-14
06/13-06/24 10:35 am-12:00 pm LKD0165-007 \$199.00
07/25-08/05 10:35 am-12:00 pm LKD0165-006 \$215.00

Sleepover in Style

Learn to machine sew the ultimate pillowcase, tote and accessory bag, so you can party with unique style at your next overnighter. No one will mistake which things are yours with these coordinated items made with your signature fabric. You will choose your own fabric from the provided assortment. No camp July 4th.

Ages 8-11
06/27-07/08 2:35 pm-4:00 pm LKD0060-003 \$199.00

IDEAShop: Makerspace

NEW!

IDEAShop: AI and Mind in the Machine

Funded by a grant from the Fabricators and Manufacturers Association, in this high school aged program you will learn about the prevalence, applications, and potential for computers and artificial intelligence. You will gain an understanding of the importance and challenges of image analysis and build data sets to train machine learning algorithms. You will consolidate your knowledge by studying machine learning and augmented reality applications. From facial recognition to autonomous cars, you will discover that computers and artificial intelligence are everywhere around us!

Ages 11-14
08/01-08/05 9:00 am-12:00 pm LKD0251-002 \$179.00

IDEAShop: Arduino Programming

This exciting Arduino Programming Camp puts the tools and technology into the hands of middle schoolers. The students will learn programming, basic electronics, and engineering using the Arduino microcontroller. During the week-long day camp, students will work on various projects culminating in the build of an obstacle avoiding robot controlled by an Arduino microcontroller. Students will learn about product design careers in the electronics industry. The final day will be a demo day for campers to present their robot to fellow campers and their parents.

Ages 11-14
06/13-06/17 1:00 pm-4:00 pm LKD0253-001 \$179.00

IDEAShop: Arduino Programming Powered by TechGirlz

Funded by a grant from the Fabricators and Manufacturers Association, this exciting Arduino Programming Camp puts the tools and technology into the hands of middle school girls. The students will learn programming, basic electronics, and engineering using the Arduino microcontroller. During the week-long day camp, students will build an obstacle avoiding robot controlled by an Arduino microcontroller. Students will learn about product design careers in the electronics industry. The final day will be a demo day for campers to present their robot to fellow campers and their parents.

Girls Ages 11-14
07/18-07/22 9:00 am-4:00 pm LKD0248-002 \$249.00

On-Campus Classes (Ages 8-14)

IDEAShop: Become a Changemaker

Learn the critical skills and concepts that will empower you to make a lasting and positive difference in the world. Discover how other entrepreneurs used empathy, teamwork, leadership, innovation, and change making to turn their passions into organizations to solve problems. Develop your own concept to solve a problem and create a crowdfunding campaign to support it. Start down the path to becoming a social entrepreneur and change maker.

Ages 11-14

06/21-06/24 9:00 am-4:00 pm LKD0257-001 \$249.00

IDEAShop: Become an Entrepreneur Maker

Funded by a grant from the Fabricators and Manufacturers Association, this Entrepreneur Summer Camp puts tools and technology into the hands of middle-schoolers and lets them take the lead in creating new ideas and building their own businesses in a supportive, professional environment. During this week-long day camp, students will go from idea generation to presentation of their prototype and business plan under the guidance of experienced facilitators and developers. On the last day, we will invite parents and the local community to attend virtually as the students present their businesses to compete for a prize!

Ages 11-14

06/27-07/01 9:00 am-4:00 pm LKD0250-002 \$249.00

IDEAShop: Build Your Own 3D Printer

Have you ever dreamt of having your very own 3D printer? In this exciting class, you will build your own 3D printer from a kit and take it home when completed. Learn the fundamentals of how 3D printers work and the essentials of using CAD (computer-aided design). The first thing you print will be your own creation. A thorough discussion on the usage of your new printer and ways to upgrade it will be covered so you are comfortable using the machine once you have it at home.

Ages 11-14

06/27-07/01 9:00 am-12:00 pm LKD0077-005 \$349.00

08/08-08/12 9:00 am-12:00 pm LKD0077-006 \$349.00

IDEAShop: Coding with Drones

This exciting course will allow you to program fun and useful missions using block programming on a Tello drone. You will command the drone to perform a variety of different missions as you learn how to use geometry to determine the best angle to tilt the drone camera, how to loop commands, how to fly in a star pattern, how to take panoramas using the drone camera, and much more. Students will use drones during class times, but do not get to keep their own drones at the completion of the class. You will work in small groups on all projects.

Ages 11-14

07/05-07/08 9:00 am-12:00 pm LKD0180-014 \$215.00

IDEAShop: Engineering Explorers

This week-long camp for middle-schoolers, will dive into the engineering design process, career opportunities, basic 3D modeling software, 3D printing, programming, and machine learning. Students will learn to think and design like an engineer by utilizing the engineering process to design a roller coaster using pipe insulation, marbles, and objects within the room. Additional activities will include designing and printing a 3D model, creating wearable electronics, experimenting with machine learning/computer vision, and competing in engineering challenges. The IDEAShop Engineering Explorers camp is perfect for young and creative minds who have an interest in engineering.

Ages 11-14

06/06-06/10 9:00 am-4:00 pm LKD0252-001 \$299.00

IDEAShop: Girls in Engineering Powered by TechGirlz

Funded by a grant from the Fabricators and Manufacturers Association, this week-long camp for middle-school girls, will dive into the engineering design process, career opportunities, basic 3D modeling software, 3D printing, programming, and machine learning. Students will learn to think and design like an engineer by utilizing the engineering process to design a roller coaster using pipe insulation, marbles, and objects within the room. Additional activities will include designing and printing a 3D model, creating wearable electronics, and experimenting with machine learning/computer vision. The IDEAShop Girls in Engineering camp is perfect for young and creative minds who have interests in engineering.

Ages 11-14

07/11-07/15 9:00 am-4:00 pm LKD0249-002 \$249.00

IDEAShop: Introduction to Vex Robotics

Calling all young future engineers. In this limited enrollment camp students will learning the basics of mechanical, software, and electrical engineering in relation to building a programmable robot. Students will be presented with a series of challenges and then provided the parts, the tools and the electronics to design and build a robot to meet those challenges. Creativity coupled with basic engineering principles will provide the groundwork for future engineers to discover and nurture their love for robotics. Students will work in small groups of 2 or 3. The final class will include a Robotics competition showcasing the students work.

Ages 11-14

06/13-06/17 9:00 am-12:00 pm LKD0255-001 \$299.00

IDEAShop: Raspberry Pi Programming

Open-source computer hardware has democratized the design of electronic gadgets and gizmos and inspired a whole community of makers. The focus of the camp will be on building projects. Students will learn programming, basic electronics, and engineering using the Raspberry Pi embedded computer. The campers final project will be a mobile robot programmed to complete an autonomous task. The final day will be a demo and competition for campers to present their robot to fellow campers and their parents.

Ages 11-14

07/25-07/29 9:00 am-4:00 pm LKD0254-001 \$299.00

On-Campus Classes (Ages 8-14)

Kitchen Creations

Awesome Appetizers

Make your next party a spectacular one. Learn the tips and tricks to make the perfect appetizers for each gathering. Get ready to be creative and be the star chef of your party. Your guests will be begging for more. No camp on June 20th.

Ages 8-11	07/25-08/05	10:35 am-12:00 pm	LKD0124-015	\$215.00

Bake It, Take It

Get your apron ready and start baking up some fun in this kitchen experience. Learn all the tricks and techniques that chefs and bakers worldwide use to make cookies, cakes, pies and maybe even some bread. No need to pick a favorite because we will be trying them all. The best part is all the goodies you will take home with you to share with family and friends. No camp on June 20th.

Ages 8-11	07/11-07/22	2:35 pm-4:00 pm	LKD0141-015	\$215.00
Ages 11-14	06/13-06/24	2:35 pm-4:00 pm	LKD0141-014	\$199.00

Better Than Drive Thru

Derive even more satisfaction from fast food made by yourself. You will be making common fast food menu favorites including chicken strips, French fries, orange chicken, smoothies, meatball subs, Mexican pizza, hard and soft shell tacos, flame broiled burgers and pasta dishes. This fast food will introduce you to quick, easy recipes that will please the whole family. No camp July 4th.

Ages 11-14	06/27-07/08	2:35 pm-4:00 pm	LKD0159-007	\$199.00
------------	-------------	-----------------	-------------	----------

Bountiful Breakfasts

It has been said that breakfast is the important meal of the day. If that's the case than what a better way to expand what you love to eat in the morning. In this exciting class, you go from the same old cereal, toaster treats or microwave waffles to creations that will amaze your family and friends and have taste buds screaming for more. New recipes each year. No camp on June 20th.

Ages 8-11	06/13-06/24	9:00 am-10:25 am	LKD0127-016	\$199.00
Ages 11-14	07/11-07/22	9:00 am-10:25 am	LKD0127-017	\$215.00

**NEW RECIPES
EACH SUMMER!**

Chef's Challenge

Think you have the skills to be a top chef? Then take the challenge. Class focus will be on cooking, food preparation and presentation. You will work in small groups on recipes during the week and on the last day a challenge between groups will determine who will win the coveted InZone Chefs of the Future award. Groups will be judged on topics discussed throughout the session.

Ages 11-14	07/25-08/05	2:35 pm-4:00 pm	LKD0138-008	\$215.00
------------	-------------	-----------------	-------------	----------

Cookies, Bars and Breads

It is time to bake up a storm in the hands on cooking class. You will be amazed with the variety of beautiful baked goods created in such a small amount of time. This exploration into the world of baking will take you on a journey of sweet and savory baked goods to taste and enjoy. No camp on June 20th.

Ages 8-11	06/13-06/24	1:00 pm-2:25 pm	LKD0160-012	\$199.00
Ages 11-14	07/25-08/05	9:00 am-10:25 am	LKD0160-013	\$215.00

Cupcake Canvas

As you let your imagination run wild, the amazing cupcake will be your canvas. You will create beautiful works of art using icing, cookies and many candy flavors. You will be creating flowers, animals, and small displays to celebrate holidays, birthdays and more. No camp July 4th.

Ages 8-11	07/25-08/05	1:00 pm-2:25 pm	LKD0128-018	\$215.00
Ages 11-14	06/27-07/08	1:00 pm-2:25 pm	LKD0128-017	\$199.00

From My Head To-ma-toes

Experience and prepare delicious vegetarian and nourishing vegan recipes that will impress your family with meals everyone will love. Learn to cook easy and delicious breakfasts, fast lunches, dinners and desserts in small groups as you complete the recipe of the day. Vegan items are vegetarian, dairy free and does not include animal by-products. Vegan students will have slight alterations to some of the vegetarian recipes that will be prepared.

Ages 8-14	07/11-07/22	10:35 am-12:00 pm	LKD0161-007	\$215.00
-----------	-------------	-------------------	-------------	----------

Holiday Treats

The holidays are a special time of year and the food of each one is what makes them special. Come celebrate the holidays and learn recipes that will make each family gathering one to remember. No camp July 4th.

Ages 8-11	06/06-06/10	1:00 pm-4:00 pm	LKD0129-014	\$215.00
Ages 11-14	06/27-07/08	9:00 am-10:25 am	LKD0129-015	\$199.00

On-Campus Classes (Ages 8-14)

Kitchen Clash

Participants in this fun, but competitive class will be divided into groups. Each group will receive a different recipe for the same dish. When all the groups have cooked their dishes, we will have a tasting review. The winning recipes will be compiled into a recipe book that each student will receive at the end of the class. Competitions may include chili, spaghetti sauce, and macaroni and cheese cook-offs. No camp July 4th.

Ages 8-11				
06/27-07/08	10:35 am-12:00 pm	LKD0015-011		\$199.00
Ages 11-14				
06/06-06/10	9:00 am-12:00 pm	LKD0015-010		\$215.00

Pasta Power

Smash the thought that pasta for dinner always has to mean spaghetti and red sauce. You will conquer incredible pasta dishes that incorporate a variety of ingredients and are out of this world delicious!

Ages 8-11				
07/11-07/22	1:00 pm-2:25 pm	LKD0130-008		\$215.00

Math, Science and Games

A Matter Of Chemistry

Elephant Toothpaste? Bath Bombs? What do these have to do with Chemistry? Chemistry is about relationships that matter. Some matter plays nicely together while others create explosive pairings. You become the chemist mixing and measuring to explore physical and chemical reactions in the college chem lab what really causes that explosion? You will be the scientist experimenting with different amounts (variables) to find just the right reaction you like. We will (safely) explore the 4 states of matter (yes, there are really four!), as well as acids, bases, and design your own t-shirt using chemistry!

Ages 8-11				
07/11-07/22	9:00 am-10:25 am	LKD0023-008		\$215.00
Ages 11-14				
07/11-07/22	10:35 am-12:00 pm	LKD0023-009		\$215.00

All About Astronomy

Daylight is nice but the night sky can be amazing! Some things can be seen while the sun is up, but the really stellar objects are found after the sun goes down. We will learn how our solar system works and discover how to see other matter on a clear, dark night.

Ages 11-14				
07/11-07/22	1:00 pm-2:25 pm	LKD0140-006		\$215.00

Biotechnology

Many people may not realize our lives have improved because of biotechnology. We have new medicines, food, and alternative fuels because of work in the fields of biochemistry and bio-engineering. Lots of hands-on activities gets kids involved with the science behind this exciting and burgeoning field. We'll actually capture samples of DNA; learn about what goes into bio-robotic coding that is used to create new medicines; and make exciting chemical reactions that overlap with bio-engineering. Kids love the popular cryptography challenge! No camp July 4th.

Ages 11-14				
06/27-07/08	9:00 am-10:25 am	LKD0071-008		\$199.00
07/11-07/22	1:00 pm-2:25 pm	LKD0071-009		\$215.00

Bones and Blood

How many bones are there in your body? Why is your blood red? Why do you burp? What happens inside you when you get the flu? These are just a few of the questions you will be discovering the answers to in this exciting class. Join our team to discover how the human body is put together and how it works.

Ages 8-11				
07/11-07/22	2:35 pm-4:00 pm	LKD0126-005		\$215.00

Camp Ooey Gooey

Are we going to make slime? The answer is: Yes, but so much more! What students get is a whole bunch of science (chemistry, physics and biology) but think they are just playing! Decorate lab coats with chromatography; get into some biology outside and do a Make-n-Take using air plants; design t-shirts and painting with polymers, a liquid latex that results in the rubbery texture you see on t-shirts everywhere. This program is a real favorite. No camp July 4th.

Ages 8-11				
06/06-06/10	9:00 am-12:00 pm	LKD0034-009		\$215.00
06/27-07/08	2:35 pm-4:00 pm	LKD0034-011		\$199.00
Ages 11-14				
06/27-07/08	1:00 pm-2:25 pm	LKD0034-010		\$199.00

Checkmate Chess

Develop your intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Chess has been proven to enhance motivation, concentration, focus, social skills, and creativity. Each class will consist of a fun, interactive teaching period with the instructor and guided practice time where you can play against others in the class as you develop the skills to become a better overall chess player. Both beginner and experienced players are welcome and will learn under the guidance of an experienced Chess Scholars coach. No camp July 4th.

Ages 8-11				
06/27-07/08	2:35 pm-4:00 pm	LKD0038-022		\$199.00
07/25-08/05	10:35 am-12:00 pm	LKD0038-024		\$215.00
Ages 11-14				
06/27-07/08	1:00 pm-2:25 pm	LKD0038-021		\$199.00
07/25-08/05	9:00 am-10:25 am	LKD0038-023		\$215.00

On-Campus Classes (Ages 8-14)

Crime Scene to Courtroom: Order in the Court

Once the CSI team has collected the evidence and the police finish their investigation, it is time for the case to enter the judicial system. Learn what it is like to be a part of the proceedings through three different court cases designed to let you experience all the roles associated with a case. Take turns developing statements and arguments as a prosecutor or defense lawyer. Control the court events without bias as the elected judge. Be part of the jury to determine the verdict after all the forensic materials have been presented. Innocent or guilty? No camp July 4th.

Ages 11-14

06/27-07/08	1:00 pm-2:25 pm	LKD0059-009	\$199.00
08/08-08/12	1:00 pm-4:00 pm	LKD0059-010	\$215.00

Girls and STEM: Super STEM

You will be doing activities that demonstrate the high adventure of learning about STEM fields. Hands on activities will strengthen and encourage young girls to continue to go after challenges in math and science with stronger inquiry skills and confidence. This year we will be extracting DNA from strawberries and meeting a PhD student who uses this process in order to detect and treat cancer; design your own t-shirts and discover what that rubbery texture is creating the pictures and lettering. The objective is to develop a foundation of activities in biology, chemistry, and physics and how they apply to current technologies to improve our lives. No camp June 20th.

Ages 11-14

06/13-06/24	9:00 am-10:25 am	LKD0265-002	\$199.00
-------------	------------------	-------------	----------

CSI: Observe, Collect and Inspect

Crime Scene Investigation (CSI) combines the work of many professionals to ensure that all crime scene evidence is collected and no details are overlooked. The class studies professions such as K-9 units that do evidence searches, pathologists for fingerprint analysis, psychiatrists for human profiling, and many more. Learn skills in handwriting and shoe print analysis, and other evidence evaluation techniques as you and your classmates investigate to help process crime scenes in the Harper College Crime Lab. Crime scenes change each year. No camp June 20th.

Ages 11-14

06/13-06/24	2:35 pm-4:00 pm	LKD0136-011	\$199.00
07/25-08/05	1:00 pm-2:25 pm	LKD0136-012	\$199.00

Engineering Roller Coasters and Mag Lev Trains

Trains powered by magnets? Roller coasters and science? Yes! We take basic physics beginning with star attractions at amusement parks while having a ton of fun! Kids learn about important engineering careers and discover technologies that exist in our society to help deepen scientific skills! Students will take home their own mag-lev system. No camp June 20th.

Ages 11-14

06/13-06/24	10:35 am-12:00 pm	LKD0033-007	\$199.00
07/11-07/22	2:35 pm-4:00 pm	LKD0033-008	\$199.00

Engineering: Bridge Design

The professionals at Sylvan Learning will help you learn engineering basics like force, stress, tension, and compression while building seven different types of bridges. Incorporating key STEM and architecture concepts into the work, you will figure out what handles the most load and which bridge is right for different situations. In the process, you will learn how to create, design, brainstorm, collaborate, problem solve, and present your ideas to others.

Ages 8-11

07/25-08/05	1:00 pm-2:25 pm	LKD0065-003	\$215.00
-------------	-----------------	-------------	----------

Grand STEM Challenge: Renewable Energy

Sylvan Learning Center will be entering teams in a national competition called The Grand STEM Challenge. Students learn to solve real-world problems; just like engineers do! The challenge involves making a machine that uses a renewable energy source to lift an object from the floor to a higher level. As teams face the challenges of inventing, they will also learn about renewable energy and why it is so essential for a bright future. No camp June 20th.

Ages 8-11

06/13-06/24	2:35 pm-4:00 pm	LKD0064-007	\$199.00
08/08-08/12	1:00 pm-4:00 pm	LKD0064-008	\$215.00

Invention Convention

Think of your favorite thing to play with or activity to do. Wouldn't it be fun to find a way to make it better? Now is your chance to put those ideas to good use. Your idea could be the next big thing and make you millions! It all starts with a single new way of thinking. This class will tap your interests and skills to help you develop the big idea that could put you on the path to success! Your inventions could also help others in need as we explore making opportunities out of necessity. No camp June 20th.

Ages 8-11

06/13-06/24	1:00 pm-2:25 pm	LKD0041-005	\$199.00
-------------	-----------------	-------------	----------

Lego Bot Labs

In this exciting class the educators from Sylvan Learning will help you build Lego robots and program them using Lego WeDo software. Course includes 36 new builds, including both WeDo 1 and WeDo 2 kits and software. You can pick from Safari, Space and City themes, learning to build, program and problem solve while incorporating STEM concepts. If you are new to Lego and WeDo or an experienced builder, the fun and learning are all rolled into one.

Ages 8-11

06/06-06/10	9:00 am-12:00 pm	LKD0051-005	\$215.00
07/25-08/05	2:35 pm-4:00 pm	LKD0051-006	\$215.00

On-Campus Classes (Ages 8-14)

Lift Off Engineering

If you like blasting rockets into the air and parachutes floating to earth, then this class is for you! We will be working with many projectiles (safely!) and discovering the world of flying objects. You will build and test airplanes, rockets, rovers, hovercrafts and catapults to discover what makes a successful launch. You will also be part of a demo with model rockets outside as we find out about the physics behind the forces of flight. No camp July 4th.

Ages 8-11

06/06-06/10	1:00 pm-4:00 pm	LKD0020-007	\$215.00
06/27-07/08	10:35 am-12:00 pm	LKD0020-008	\$199.00

Math Edge

Become a Math Whiz and Master Problem Solver through challenging and kid-friendly activities. In partnership with Sylvan Learning, this class will help avoid the summer slide in math skills while challenging you to start next school year at a higher level. Math Edge kids increase confidence by building math proficiency and fluency, but also by becoming master problem solvers and independent thinkers. This five-step approach ensures that you will successfully master math concepts while developing self-learning techniques that drive independence. In addition, there are math challenges, puzzles and brainteasers that you work on in small groups to build problem solving, logic, reasoning and collaboration skills. Most importantly, we make it fun. Sylvan will gather parent input prior to the class to customize math topics based on that input.

Ages 8-11

07/11-07/22	2:35 pm-4:00 pm	LKD0044-012	\$215.00
07/25-08/05	10:35 am-12:00 pm	LKD0044-013	\$215.00

Pre-Algebra Edge

Sylvan Learning Center staff helps you build math proficiency and confidence by connecting algebra skills to real-life scenarios and applying skills to word problems. Topics include integers, variable expressions, inequalities, ratios/proportions and linear functions. Develop a stronger math base for middle and high school by reviewing pre-algebra and algebra concepts on a state of the art digital platform designed to engage and spark your algebra knowledge base. Sylvan will gather parent input prior to the class to customize math topics based on that input.

Ages 11-14

07/11-07/22	1:00 pm-2:25 pm	LKD0105-008	\$215.00
-------------	-----------------	-------------	----------

Step Into STEAM

This exciting program from Afterschool Enrichment Solutions brings together elements of science, art and math in a hands-on, action-packed environment. You will conduct experiments, play educational games, and unlock their creativity through building challenges and projects. No experience necessary.

Ages 8-11

06/06-06/10	9:00 am-12:00 pm	LKD0267-001	\$215.00
07/11-07/22	1:00 pm-2:25 pm	LKD0267-002	\$215.00
08/08-08/12	9:00 am-12:00 pm	LKD0267-003	\$215.00

Music

Classical Guitar Power - Training Level I

Classical Guitarists are the Jedi of Guitar playing. There is no more intense level of Guitar playing. It is the most physically, mentally, and if done correctly, spiritually demanding style of playing one can do on guitar. This class is an excellent intro into that realm for those who have at least one year of guitar study in any style. Basic techniques along with intensive training on those techniques, basic music theory, and introduction to the vast repertoire that spans centuries will get the student jump-started on an endeavor that can enrich the mind, body, and soul for a lifetime. No camp July 4th.

Ages 8-14

06/27-07/08	9:00 am-10:25 am	LMY0122-001	\$199.00
-------------	------------------	-------------	----------

Classical Guitar Power - Training Level II

This class is a continuation of the Classical Guitar Power - Training Level I. It's an excellent course for those who have at least one year of guitar study in any style. Advanced techniques and intensive training on those skills, more advanced music theory, and more in-depth explorations of the guitar's vast repertoire will get the student jump-started on an endeavor that can enrich the mind, body, and soul for a lifetime.

Ages 8-14

07/11-07/22	9:00 am-10:25 am	LMY0123-001	\$225.00
-------------	------------------	-------------	----------

Group Guitar for Beginners

Never played any instruments before? No worries. Played a little, but need a little more push? Join in! Learn basic picking, simple strumming skills, notation and chord charts, and basic right and left-hand techniques in a fun, relaxed, and supportive environment. You must have a guitar. No camp June 20th or July 4th.

Ages 8-14

06/13-06/24	9:00 am-10:25 am	LMY0039-027	\$179.00
06/13-06/24	1:00 pm-2:25 pm	LMY0039-028	\$179.00
06/27-07/08	2:35 pm-4:00 pm	LMY0039-029	\$179.00
07/11-07/22	9:00 am-10:25 am	LMY0039-030	\$199.00
07/11-07/22	1:00 pm-2:25 pm	LMY0039-031	\$199.00
07/25-08/05	10:35 am-12:00 pm	LMY0039-032	\$199.00

On-Campus Classes (Ages 8-14)

Group Guitar: Continuing

Continue learning the guitar and dig deeper into its repertoire. Your focus will be on enhancing playing techniques; developing listening skills, developing rhythmic accuracy, and learn new chord progressions. The group will expand the variety of genres covered in the beginners' class and add variations to what has already been learned. You must have a guitar (acoustic or electric) to enroll in this class.

An update will be provided regarding the ability to provide musical instruments for individuals that require this service.

No camp July 4th.

Ages 8-14

06/27-07/08	10:35 am-12:00 pm	LMY0040-010	\$179.00
07/11-07/22	10:35 am-12:00 pm	LMY0040-011	\$199.00
07/25-08/05	9:00 am-10:25 am	LMY0040-012	\$199.00

Group Piano for Beginners

Learn to play the piano! This class is designed for absolute beginners, and no piano or extra practice at home is needed. You will start at the very beginning and will have fun playing songs and lots of music games and activities every day. Instructional materials will be provided and it is strongly recommended for children to have a piano or keyboard at home (if instruction moves to an online platform then having a keyboard or piano is required). If you have always wanted to try the keyboard, now is the time!

No camp June 20th or July 4th.

Ages 8-14

06/13-06/24	9:00 am-10:25 am	LMY0041-023	\$179.00
06/13-06/24	10:35 am-12:00 pm	LMY0041-024	\$179.00
06/27-07/08	9:00 am-10:25 am	LMY0041-025	\$179.00
06/27-07/08	10:35 am-12:00 pm	LMY0041-026	\$179.00
07/11-07/22	10:35 am-12:00 pm	LMY0041-027	\$199.00
07/25-08/05	9:00 am-10:25 am	LMY0041-028	\$199.00

Group Piano: Continuing

Continue learning the piano and dig deeper into the classical repertoire. Enhance your playing technique; develop listening skills, rhythmic accuracy, and expression. The group will expand the repertoire it covered in the beginners

Ages 8-14

07/11-07/22	9:00 am-10:25 am	LMY0042-011	\$199.00
07/25-08/05	10:35 am-12:00 pm	LMY0042-012	\$199.00

Group Ukulele for Beginners

The ukulele, that lovable little four-stringed instrument, is everywhere in pop music today. From George Harrison to Train to Bruno Mars to Jason Mraz and Zoey Deschanel, we can't get enough! Learn to play the uke and get a great introduction to other fretted instruments including guitar, mandolin, and banjo. Students will enhance their playing technique; develop listening skills, rhythmic accuracy, and learn chord progressions. The group will cover a variety of genres that can range from country, folk, and blues to bluegrass. No experience required. An update will be provided regarding Harper's ability to provide musical instruments for individuals who require this service. No camp June 20th or July 4th.

Ages 8-14

06/13-06/24	2:35 pm-4:00 pm	LMY0032-019	\$179.00
06/27-07/08	9:00 am-10:25 am	LMY0032-020	\$179.00
07/11-07/22	10:35 am-12:00 pm	LMY0032-021	\$199.00
07/25-08/05	1:00 pm-2:25 pm	LMY0032-022	\$199.00

Make Music on Your Computer I

Learn how a song evolves from an idea into a hit. You will learn the basic elements of music production for Rock, Country, Dance, Hip Hop or Pop styles. Hands-on activities will help you build your own song from the very beginning. Using loops, samples, MIDI, audio and music technology you will learn to use the tools that craft a hit song. Create beats from scratch and add your own unique melodies and sounds. No previous music experience required. This is for anyone who wants to learn about making music using computers. No camp June 20th or July 4th.

Ages 11 to 16

06/13-06/24	2:35 pm-4:00 pm	LMY0034-015	\$199.00
06/27-07/08	1:00 pm-2:25 pm	LMY0034-016	\$199.00
07/11-07/22	1:00 pm-2:25 pm	LMY0034-017	\$225.00
07/25-08/05	1:00 pm-2:25 pm	LMY0034-018	\$225.00

Make Music on Your Computer II

Want to quickly get up to speed with Apple music-creation software? You do not need any musical training to record your songs. You will only need a few minutes to start using the GarageBand program. Begin with an overview of the software interface and then cover topics such as looping, MIDI tracks, and recording real instruments. You will learn how to assemble components, mix your songs, and export them to iTunes. Students will have an opportunity to go deeper into song creation, work on music for video, make original loops, harmony with chords, and other advanced techniques. Students must have taken Make Music on Your Computer I, or have equivalent experience. No camp July 4th.

Ages 11-16

06/27-07/08	2:35 pm-4:00 pm	LMY0054-006	\$199.00
07/25-08/05	2:35 pm-4:00 pm	LMY0054-007	\$225.00

Music Fun, Activities and Games

This class will be invigorating and exciting, with students on their feet playing a variety of music games and having fun while learning the basics of music! We will cover theory concepts such as Rhythm, Staff Notes, Intervals, Music Alphabet Sequencing, Music Terms, Composers, and more! No previous musical experience is necessary.

Ages 8-11

07/11-07/22	1:00 pm-2:25 pm	LMY0060-010	\$199.00
-------------	-----------------	-------------	----------

Rock and Roll Camp

Jamming with professional band members, performers, and songwriters playing some of the greatest Rock and Roll songs of the last 40 years. This is a once-in-a-lifetime opportunity to jam, practice, and perform. You will spend 10 days learning the likes of iconic artists. The song selection will be customized to your playing level and will be pulled from multiple genres. We will finish the course with a performance at Harper. Get ready to hit the stage and perform some of the most iconic rock anthems. No camp July 4th.

Ages 8-14

06/27-07/08	1:00 pm-2:25 pm	LMY0050-005	\$199.00

On-Campus Classes (Ages 8-14)

Sing with Me: Modern Broadway Songs

Do you love *The Lightning Thief*, *Hamilton*, *Wicked* and *Six*? Do you dream of one day singing on Broadway? Then join us for a week of vocal training and Broadway fun. Students will work on 16 bars of an audition song, along with daily technique and activities. Students need no previous experience but should be comfortable singing on screen in class. Use some of your summer brushing up your singing skills in this fun week-long course.

Ages 11-14
07/25-08/05 1:00 pm-2:25 pm LMY0103-003 \$199.00

Sing with Me: Disney Songs

Do you love to sing? Join us for a week of songs, trivia, games and fun! We will discover the history behind our favorite songs and learn some hidden gems that may become new favorites. You will sing with simple sheet music, sing-along videos and even a Disney Karaoke party. No previous music instruction needed, but students who can read music may be given more challenging material. So, if you love the music of *COCO*, *Zombies*, *Moana*, *Cinderella*, *Soul*, *Descendants*, *Aladdin*, *The Princess and the Frog*, or ANY of the great songs in the Disney universe, come join us and sing along! No camp June 20th or July 4th.

Ages 11-14
06/13-06/24 1:00 pm-2:25 pm LMY0102-003 \$179.00
06/27-07/08 1:00 pm-2:25 pm LMY0102-004 \$179.00
07/11-07/22 1:00 pm-2:25 pm LMY0102-005 \$199.00

Solo Singing: Pop and Rock

If you love to sing with the radio and want to improve your pop or rock voice, this course was developed just for you! We will study proper technique and presentation as it applies to modern popular singing. Learn to increase your volume and range, try your hand at folk/country/hip hop fusion songs and prepare a solo for our final showcase. We will present a concert of solos with a group song or two added for fun.

Ages 11-14
07/25-08/05 2:35 pm-4:00 pm LMY0035-004 \$199.00

Songwriting for Teens

Dig into the craft and artistry of songwriting using piano/keyboard or string instruments and singing to develop your own songs. You will focus on contemporary music, including folk and blues elements, the basis for pop, hip-hop, country, and jazz. Each day, your instructor will give individual guidance as you listen and study great songs from these traditions. Then, you will create and record your compositions, assisted by a professional sound engineer. Perform your own or other student's work at the end of the course. Students should play a piano/keyboard or chordal instrument and be familiar with traditional music notation or tablature. Ages exceptions are made based on experience. Please contact 847-925-6659 for more details.

Ages 13-16
07/11-07/22 9:00 am-10:25 am LMY0051-004 \$225.00

Vocal Technique for Singers

Many singers want to improve but do not know where to start. In this course we will focus on technique and building strength through exercises and good practice. Each student will work on 2 pieces over the length of the course; one of your choice, one instructor choice. We will discuss the best ways to learn a new song, practice and perform to the best of ability, culminating in a live virtual recital on our last day. If voice lessons are on your to-do list but you are not sure where to start, join us. No camp June 20th or July 4th.

Ages 11-14
06/13-06/24 10:35 am-12:00 pm LMY0105-002 \$179.00
06/27-07/08 10:35 am-12:00 pm LMY0105-003 \$179.00
07/11-07/22 10:35 am-12:00 pm LMY0105-004 \$199.00
07/25-08/05 10:35 am-12:00 pm LMY0105-005 \$199.00

Stage/Sound/Screen

Film Acting Camp-Quiet on the Set

This extensive program will teach you all aspects of film production taught by professionals, where everyone will get in front of the camera to star in a short film, and go behind the scenes to find out what movie-making is all about. Learn about script creation, acting on film, and all the preproduction activities of a working set, including camera techniques, on-location shooting, wardrobe, make-up and editing. All participants will have roles based on their preferences. Either on film, behind the scenes and in most cases both. Experience and learn everything from producing and directing to acting. All students will receive a copy of the movie and if allowed we will premiere the film at Harper College for family and friends after editing is finished. No camp June 20th or July 4th.

Ages 8-14
06/13-07/08 9:00 am-12:00 pm LKD0025-005 \$479.00
07/25-08/12 9:00 am-12:00 pm LKD0025-006 \$399.00

On-Campus Classes (Ages 8-14)

Improv Games

Ever play an old game a new way, with your own rules or no rules? Sometimes we have the most fun when we think out of the box and let our imaginations run wild. That is improv! Improv lets you live in the moment, and it can be very funny to see what comes next. Develop your improv skills through fun techniques and games. No camp June 20th.

Ages 8-14
06/13-06/24 1:00 pm-2:25 pm LKD0016-015 \$185.00
07/11-07/22 10:35 am-12:00 pm LKD0016-016 \$199.00

Making Documentary Films

This 2 week course dives into the world of documentaries and how to capture the real life stories of real people like you. This class will specifically document the experiences that kids have in the InZone program. You will learn film production from professionals as you move around the campus filming InZone classes. You will learn to create a storyboard and receive tips on how to conduct good interviews. You will be involved in all the pre-production activities of a working set including camera techniques and on-location shooting. All participants will participate in a variety of roles both on and off camera ranging from producing and directing to acting and editing. At the end of class, we will premiere the completed film at Harper for family, friends and the public. NOTE: While the goal is to premiere the film the last week of InZone, if more editing is required, we will show it at a later date. No camp July 4th.

Ages 8-14
06/27-07/08 1:00 pm-4:00 pm LKD0147-007 \$299.00
07/25-08/05 1:00 pm-4:00 pm LKD0147-008 \$325.00

Stand Up and Sketch Comedy Creation

Comedy comes in many forms and this class will highlight and develop two of the most common. Throughout this course you will learn how to find comedy in everyday life and work on comedy sketches and stand-up comedy routines. You will create a comedy routine with the help of the teachers that best fits your voice.

Learn to spot the set-up and the punch line. Modeled (loosely) on the Drybar social media platform you will learn that good comedy is built from experiences, is smart and a good comic can develop material that is from the most random of subjects and be enjoyable for all. Sketch work will be solo and in teams. You will learn how to put skits together, timing and how to deliver the line that will have everyone laughing and wondering what you are going to say next. No camp June 20th.

Ages 8-14
06/13-06/24 2:35 pm-4:00 pm LKD0224-007 \$185.00
07/11-07/22 9:00 am-10:25 am LKD0224-008 \$199.00

Stars of the Stage

This 2 week program will help you fully experience every element of creating a theatrical project. Start by learning the language of theater, from the basics like stage right and stage left to more advanced concepts like arc of the narrative and raising the stakes. Utilizing a collection of short plays, you will participate in an audition, a blocking rehearsal and a technical rehearsal. The result will be a performance of live theater to share what you have learned over the course of the class.

Ages 8-14
07/11-07/22 1:00 pm-4:00 pm LKD0027-007 \$325.00

Tech Knowledgey

3D Printing and Harry Potter

Take your love of Harry Potter to a whole new level when you learn the basics of 3D printing while completing Harry Potter themed projects. You will learn to use Computer Aided Design (CAD) to create and print 3D objects right before your eyes. Projects include Wands, a Deathly Hallows necklace, a Time Turner, and various Hogwarts house items. In addition, your Harry Potter themed activities will include a potions lesson and a Quidditch match. No class June 20th.

Ages 11-14
07/11-07/22 9:00 am-10:25 am LKD0091-005 \$249.00

3D Printing Puzzles and Escape Room

Begin your exploration into the world of 3D printing through activities based around exciting 3D printed projects including brain teaser puzzles and a marble maze. You will be also be challenged to complete an instructor made escape room and work in teams to create your own escape room.

Ages 11-14
07/11-07/22 10:35 am-12:00 pm LKD0152-005 \$249.00

3D Printing Through Stem

Get a great introduction to the exciting world of 3D printing by learning how to use the TinkerCAD computer-aided-design (CAD) system to create and print 3D, kid-friendly projects. Explore the world of science and engineering with hands on STEM projects including Pokémon and Minecraft characters which you'll take home. No camp June 20th.

Ages 11-14
06/13-06/24 10:35 am-12:00 pm LKD0074-006 \$225.00
07/25-08/05 9:00 am-10:25 am LKD0074-007 \$249.00

Adventures In Robot Building

The staff at Robot City Workshop return to lead you through this intense robotic adventure. Learn the basics of electronics and mechanical science, from gears and motors to the types of energy used to power robots. This year will feature a number of all newest programmable STEM robots for children that will allow students to play and learn at the same time such as the Edison, Smart Cleaner Robot and featuring Cam Robot are just a sample of the robotics projects. You will build multiple robots related science, technology and mechanics and STEM arts that you get to take them home for further experimentation. No camp July 4th.

Ages 8-11
06/06-06/10 1:00 pm-4:00 pm LKD0017-013 \$299.00
06/27-07/08 9:00 am-10:25 am LKD0017-014 \$275.00
07/11-07/22 10:35 am-12:00 pm LKD0017-015 \$299.00

On-Campus Classes (Ages 8-14)

Build a Website with Google Sites

Learn the basics of website building (without code) using Google sites. Collaboratively create engaging, high-quality sites for your family, class, project or event. Hands-on practice in building sites that look great on every screen, from desktop to smartphone, all without learning design software or programming.

Ages 11-14

06/13-06/24 9:00 am-10:25 am LKD0211-006 \$199.00

Code Breakers

Calling all future coders, programmers, and designers! Learn the basics of coding languages like HTML, JavaScript, and CSS through a series of web projects and design challenges each day and be on your way to becoming the next tech star! Whether you want to be a silicon valley CEO or the high school student who just made \$1 million dollars for programming in her bedroom, this course has the essentials you need to begin your journey. Projects will be available on a Black Rocket website to share with friends and family. Returning students can create more advanced projects that build on previous years. For Online Students Only: Compatible with MAC, Windows and Chrome OS. This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

No class June 20th.

Ages 8-11

06/13-06/24 10:35 am-12:00 pm LKD0235-011 \$199.00

Ages 11-14

06/13-06/24 9:00 am-10:25 am LKD0235-010 \$199.00

Coding and Game Design

You will learn the basics of programming, creating your own characters, animated stories and apps using Tynker technology. You will build skills in problem solving, logic, physics, storytelling and design in a hands-on, fun environment. Collaborating with the instructor and other students, you will strengthen communication skills and make new friends who share similar interests.

No camp July 4th.

Ages 8-11

06/27-07/08 1:00 pm-2:25 pm LKD0043-012 \$199.00

Coding: Animation Studio

The Sylvan Learning Center teachers will help you create animated cartoons just like the pros. Learn the basics of animation as you draw your own characters and bring them to life through coding. You will use visual programming to control the speed and type of animation as you add animals, dragons, monsters and avatars to your projects. Create animated games, cartoon strips, music videos and interactive worlds to share with friends. No coding experience required.

Ages 8-11

07/11-07/22 9:00 am-10:25 am LKD0154-011 \$215.00

Coding: Augmented Reality

The staff with Sylvan Learning Center will help your child learn Augmented Reality: a way to extend coding beyond the screen. Using motion recognition, physics and special effects, you will discover how to use the webcam to build interactive experiences that blend the real and virtual world. Physically stand in front of the camera and participate in games thru movement as you build and play games like Human Pong, Brick Breaker and Fruit Ninja.

No camp June 20th or July 4th.

Ages 11-14

06/13-06/24 10:35 am-12:00 pm LKD0153-006 \$199.00

06/27-07/08 2:35 pm-4:00 pm LKD0153-007 \$199.00

Computer Gaming with Block-Based Coding

In this course, you will learn the basics of block-based coding. Using Scratch for CS First by Google, you will use block-based programming language to create your own interactive stories, games, and animations and in the process, learn important computational concepts and problem-solving strategies. This course is taught by an authorized Google for Education Certified Trainer.

No camp July 4th.

Ages 11-14

06/27-07/08 9:00 am-10:25 am LKD0264-001 \$199.00

Creative Coding

Go beyond the coding basics and incorporate sound, animation and drawing into your game creations. You will develop creativity and problem solving skills just like coders do in the real world. Staff from Sylvan Learning bring their expertise to take you into the world of coding. No camp June 20th.

Ages 8-11

06/13-06/24 9:00 am-10:25 am LKD0050-008 \$199.00

07/11-07/22 10:35 am-12:00 pm LKD0050-009 \$215.00

Design a Mario Kart Style Game

On your mark, get set, create! Blast off in making your first 3D Mario Kart; and Crash Team Racing style game! Design your own tracks and customize your karts and characters. Using a professional 3D game development software, students will combine their creations into their own kart racing game that they can play with friends and family at home. Students can participate in eSports League races against other schools across the country with a chance to have their tracks featured in the Black Rocket master build of the game! Student projects will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. For online students only: This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date. No camp June 20th.

Ages 8-11

08/08-08/12 9:00 am-12:00 pm LKD0205-014 \$215.00

Ages 11-14

06/13-06/24 2:35 pm-4:00 pm LKD0205-013 \$199.00

On-Campus Classes (Ages 8-14)

Esports Apprentice: Streamers and Gamers

Whether you want to be the next pro gamer, streamer, or game-caster this course will teach you the basics to get started! No longer just a hobby, eSports is the fastest growing career for the next generation. Over 400 million people watched YouTube videos and Twitch streams of video game competitions this year alone! In this course, you will develop competitive game-play skills in Black Rocket's new eSports App, learn how to produce commentary for live tournaments, use professional streaming software, and most importantly practice online safety. You will gain full access to the eSports App and a video of the class tournament with commentary. Videos will not be broadcast publicly but will be shared with all students in the class. For Online Students Only: This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date. No camp July 4th.

Ages 8-11	06/27-07/08	2:35 pm-4:00 pm	LKD0169-018	\$199.00
Ages 11-14	07/11-07/22	1:00 pm-2:25 pm	LKD0169-019	\$215.00

Innovative Robot Building

The robot revolution has arrived from the future, and generations of artists and engineers must be prepared! Explore robotics Led by the Robot City Workshop staff, learn the concepts of electricity, mechanics, sensors, programming, and how to apply them artistically while building Do-It-Yourself robot kits you get to take home! This year will feature a number of all newest interactive educational robots such as Edison, Moto Bot and the Chain Robot is just a sample of the robotics projects. You will build multiple robots related to science, technology and mechanics and STEM arts that you get to take them home for further experimentation. No camp July 4th.

Ages 11-14	06/27-07/08	10:35 am-12:00 pm	LKD0048-012	\$275.00
	07/11-07/22	9:00 am-10:25 am	LKD0048-013	\$299.00
	08/08-08/12	9:00 am-12:00 pm	LKD0048-014	\$299.00

JavaScript Developer Jam

Learn programming tools so powerful they seem like magic! Start off by learning an array of core programming concepts with JavaScript by experimenting in a series of digital challenges. Start with programming your first animated memes, then tackle more advanced skills such as interactive 3D experiences and game creation. Projects will be available on a password protected Black Rocket website to share with friends and family. Compatible with MAC, Windows and Chrome OS.

Ages 8-11	07/25-08/05	2:35 pm-4:00 pm	LKD0236-012	\$215.00
Ages 11-14	07/25-08/05	1:00 pm-2:25 pm	LKD0236-011	\$215.00

Let's Code It: Create a Website

Plan a future business and create a website for it! Will you own a cupcake shop? Publicize a tour for your rock band? Start an animal rescue? The sky's the limit! Whatever you choose, you're probably going to need a website. Learn the ins and outs of designing your own corner of the internet using a variety of website building tools, including a basic introduction to html. Elements of creative writing and design combined with the fun of creating your own personal website make this class a can't-miss. Each student will receive an award on the last day of the session, and will have the opportunity to earn Code Belts to demonstrate their learned skills!

Ages 8-11	07/11-07/22	1:00 pm-2:25 pm	LKD0197-013	\$215.00
Ages 11-14	06/06-06/10	1:00 pm-4:00 pm	LKD0197-011	\$215.00
	07/11-07/22	10:35 am-12:00 pm	LKD0197-012	\$215.00

Let's Code It: Digital Design

You will have a blast in this exciting new STEM based program. Our innovative approach to coding is sure to spark your interest in computer science. This fun-filled curriculum is designed around the block-based system called Scratch and stresses critical thinking, creativity, confidence, teamwork, and problem solving skills. Class topics will include video game design, loops, control structures, conditional expressions, control statements, object-oriented design concepts, data structures, and variables as well as mathematical expressions. No camp June 20th.

Ages 8-11	07/11-07/22	9:00 am-10:25 am	LKD0066-012	\$215.00
Ages 11-14	06/13-06/24	10:35 am-12:00 pm	LKD0066-011	\$199.00

Make Your First Fortnite Style Video Game

Fans of Fortnite we need you! Instead of playing the game, design your own. Using a professional 3D game development software, build levels and assets inspired by popular battle royale games like Fortnite. This course includes cartoonish action and battle sequences. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Please note, this class uses Fortnite for inspiration, but you will not be playing Fortnite as part of the curriculum. No camp July 4th.

Ages 11-14	06/27-07/08	10:35 am-12:00 pm	LKD0168-022	\$199.00
------------	-------------	-------------------	-------------	----------

On-Campus Classes (Ages 8-14)

Make Your First Video Game

If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2D platformer game. Conceptualization, play experience, level design, graphics, sounds, and simple coding are just some of the concepts that we'll explore. No prior experience necessary, just a desire to have fun. Student projects will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers. Returning students can create more advanced projects that build on previous years. Compatible with Windows OS only. For online students only: This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 11-14
08/08-08/12 1:00 pm-4:00 pm LKD0237-010 \$215.00

Maker Missions: Explore Science

Sylvan Learning Center staff will help to introduce you to the makerspace phenomenon. Learn to create, tinker, and explore new concepts with cool materials. You will go on three Maker-Missions to explore the scientific concepts behind flight, forces, electricity, air, and magnetism — all to inspire your own creativity!

Ages 8-11
06/06-06/10 1:00 pm-4:00 pm LKD0102-007 \$215.00
06/13-06/24 1:00 pm-2:25 pm LKD0102-008 \$199.00

Minecraft Modders

Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mod! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Your projects will be available on a Black Rocket website to share with friends and family. For online students only: to access their project at home students must own a PC/MAC version of Minecraft. Tablet, phone, or game console versions of Minecraft are not compatible. Students will work in teams for most of the program. This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 11-14
07/11-07/22 10:35 am-12:00 pm LKD0046-018 \$215.00

Minecraft: Redstone Engineers

Create the next popular animated Minecraft video on YouTube! Practice the same skills professionals at Pixar and Disney Animation Studios use. Discover the process of keyframing and tweening, how to use it to bring your own animated stories to life, and how to publish your content on YouTube. Student projects will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Mac users can play their project at home, but will not be able to edit the project without a PC. Returning students can create more advanced projects that build on previous years. For online students only: This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 8-11
06/06-06/10 1:00 pm-4:00 pm LKD0204-013 \$215.00

Pokémon: Mastering the Card Game

Almost every kid has collected Pokémon Cards" at some point, but few actually know how to play the game the cards are based on. This class will provide a fun environment where you will learn the basics of game play, get tips and strategies for deck building, and compete in friendly competitions with other students for small prizes and bragging rights. The goal of this class is to enlighten kids with a fun, robust, and already popular game; while also promoting healthy and respectful competition. Pokémon cards will be supplied during class, but you are encouraged to bring your own collection as well.

Ages 8-14
07/11-07/22 1:00 pm-2:25 pm LKD0018-014 \$199.00
07/11-07/22 2:35 pm-4:00 pm LKD0018-015 \$199.00
08/08-08/12 1:00 pm-4:00 pm LKD0018-016 \$199.00

Python Coding

Sylvan Learning Center staff will introduce you to Python syntax and programming logic as you solve fun puzzles, build your own projects and stories, and create a portfolio of Python games, including Connect 4, Snake and Tetris. By learning Python, you get a taste of what people who code for a living use in the real world. No camp July 4th.

Ages 11-14
06/27-07/08 9:00 am-10:25 am LKD0104-015 \$199.00
07/25-08/05 9:00 am-10:25 am LKD0104-016 \$215.00

Python Coding: The Next Level

Sylvan Learning Center staff will challenge coders who have been exposed to Python before, moving into arrays, algorithms, math operators and functions. With hands-on coding practice, students learn to design, build, and debug programs, and independently solve advanced coding challenges. No camp July 4th.

Ages 11-14
06/27-07/08 10:35 am-12:00 pm LKD0193-006 \$199.00
08/08-08/12 9:00 am-12:00 pm LKD0193-007 \$215.00

Python Programmers

Want to learn the world's fastest-growing programming language favored by Google, NASA, YouTube, and the CIA? Learn how to code with Python to create engaging apps and games. Each lesson takes you step-by-step on a programming path that will let you challenge friends with fun content you create from start to finish! Returning students can create more advanced projects that build on previous years. For online students only: course is compatible with MAC, Windows and Chrome OS. This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

On-Campus Classes (Ages 8-14)

Roblox Makers

Unlock the power of ROBLOX Studio, the world creation tool used by real-world ROBLOX developers. Learn how to build 3D models and create an adventure in your ROBLOX world. Bring characters to life with unique animations you design. Student-created projects will be available on a password protected Black Rocket website to share with friends and family. You will work in pairs or teams for most of the program. No camp July 4th.

Ages 8-11	07/11-07/22	2:35 pm-4:00 pm	LKD0171-022	\$215.00
Ages 11-14	06/27-07/08	9:00 am-10:25 am	LKD0171-021	\$199.00

Roblox: Coders and Entrepreneurs

Discover how to code in the Lua language while playing and designing worlds in ROBLOX, an online universe where you can create anything you dream of. This class combines game design concepts, coding, and fun. Young entrepreneurs will also learn how to navigate the Roblox fast growing marketplace to publish their games. Games will be available on a password protected Black Rocket website to share with friends and family. You will work in pairs or teams for most of the program. No camp June 20th or July 4th.

Ages 8-11	06/27-07/08	1:00 pm-2:25 pm	LKD0086-019	\$199.00
Ages 11-14	06/13-06/24	1:00 pm-2:25 pm	LKD0086-018	\$199.00

Virtual Reality: The Future is Now

Embark on an EPIC adventure in virtual reality! In this cutting-edge class, you will learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. Students taking this class in-person will receive their own VR cardboard headset. For online students: A cardboard VR headset is optional for this course. Students may take the class without a headset, or use any headset that works with a mobile phone. VR projects will be available on a password protected Black Rocket website to share with friends and family.

Ages 8-11	07/25-08/05	9:00 am-10:25 am	LKD0087-019	\$215.00
Ages 11-14	07/25-08/05	10:35 am-12:00 pm	LKD0087-020	\$215.00

The World Around Us

American Sign Language

Imagine that you are working in a school, hospital, or court and helping people by translating between two languages. Interpreters do this each day. This class uses interactive activities to teach you how to communicate using American Sign Language, the sixth-most used language in the U.S.A. with more than a million users. You will be introduced to Deaf culture as you learn the alphabet and more than 250 ASL signs. No camp June 20th.

Ages 8-14	06/13-06/24	1:00 pm-2:25 pm	LKD0003-008	\$199.00
	07/25-08/05	2:35 pm-4:00 pm	LKD0003-009	\$215.00

American Sign Language Expressive

The goal of class is to get you to become more fluid in signing. Previous introduction to American Sign Language is helpful, especially in the area of the alphabet, numbers, and greetings. You will increase speed in fingerspelling and concentrate on expressive and receptive skills while communicating with American Sign Language as each of us explains what we have done in the past day and see stories, as well. You will leave with more comfort socializing with people who regularly use ASL. This is a great course to follow LKD0010 American Sign Language. No camp July 4th.

Ages 8-14	06/27-07/08	2:35 pm-4:00 pm	LKD0189-006	\$199.00
-----------	-------------	-----------------	-------------	----------

Amigos Spanish

Learning Spanish is as easy as uno, dos, tres! In Amigos Spanish you will learn the vocabulary basics of self, family life, numbers, colors, shapes, greetings, days of the week and more with an experienced instructor. We will be singing, playing games, and counting our way towards learning the Spanish Language. No camp June 20th.

Ages 8-11	06/13-06/24	9:00 am-10:25 am	LKD0242-005	\$199.00
	07/11-07/22	2:35 pm-4:00 pm	LKD0242-006	\$215.00

Exploring the World of Manufacturing

The Exploring the World of Manufacturing class will introduce you to everything the field of manufacturing encompasses. Dividing time between the classroom, fabrication lab and select field trips, you will be exposed to techniques and skills needed to take an idea from conception through pricing and marketing. Projects will be driven through machinery available in the fabrication lab.

Ages 11-14	07/25-08/05	9:00 am-12:00 pm	LKD0275-001	\$275.00
------------	-------------	------------------	-------------	----------

On-Campus Classes (Ages 8-14)

Japanese I

Learn the unique language of the Far East. Through the use of games, video, origami and calligraphy, immerse yourself in a culture based on ancient tradition. For some extra fun, you will earn classroom yen, the Harper version of Japanese currency, and experience a Japanese shopping event like you might find on the streets of Tokyo. No camp July 4th.

Ages 11-14
06/27-07/08 10:35 am-12:00 pm LKD0137-007 \$185.00
07/11-07/22 1:00 pm-2:25 pm LKD0137-008 \$199.00

Youth Firefighter Academy

Start learning about the skills needed in the areas of local fire, rescue, and emergency medical services first-responder organizations in a safe, educational, and fun way. Your hands-on experience with fire and emergency equipment will develop skills that might develop your interest in a career in the field. But even if it does not, learning about emergency services is an extremely beneficial way to learn how to handle critical situations and contribute to your local community.

Ages 11-14
06/06-06/10 9:00 am-12:00 pm LKD0272-001 \$215.00

Writing and Stories

Fantasy Fiction

Do you like to escape into magical worlds with fantastic characters and breathtaking creatures? Have you ever thought about writing your own stories rooted in the world of fantasy? If so, then this class is for you. Focusing on the master writers in this genre, you will learn about story development, create a journal and write your own stories using fantasy elements. In a world you create, the possibilities are endless. No camp June 20th.

Ages 11-14
06/13-06/24 10:35 am-12:00 pm LKD0093-004 \$199.00

Harry Potter: First Year

First Year students! Pack your bags and head to Platform 9 $\frac{3}{4}$ for a trip to Hogwarts. Put on the sorting hat and become part of the Gryffindor, Ravenclaw, Hufflepuff or Slytherin house. Focusing on all the books in J.K. Rowling's popular Harry Potter series, we will play games, make crafts and participate in fun science projects to keep your magic skills in order.

Ages 8-11
06/13-06/24 9:00 am-10:25 am LKD0010-005 \$199.00

Harry Potter: Second Year

As a Second Year Hogwarts student, you will sew a wizard hat, create a wizard chess set, start Quidditch practice and make your own Nimbus 2009. You will also attend classes, including The Care and Handling of Magical Creatures (with an introduction to Pygmy Puffs) and Potions and Transfiguration. Watch out! The traditional competition for the House Cup gets a bit more difficult. No camp June 20th.

Ages 8-14
06/13-06/24 1:00 pm-2:25 pm LKD0052-005 \$199.00

Harry Potter: Seventh Year and Beyond

For Harry Potter FAN-atics who have read ALL the books, this is THE class! How did J.K. Rowling create the world of Harry Potter? What message does Ms. Rowling want us to get from the series? Has Harry Potter had an impact on our society? Watch an interview with the author, discuss the archetypes in her stories and learn the legends, myths and reality behind them. We will also try knitting house book scarves and stylizing our favorite Dumbledore quote, suitable for framing! No camp July 4th.

Ages 8-14
06/27-07/08 1:00 pm-2:25 pm LKD0143-003 \$199.00

Harry Potter: Storytelling and RPG

Delve into the world of Harry Potter with this pen and paper game. Learn the basic rules of roleplaying, while writing one shot adventures that take place in the Wizarding World. You will learn the art of story-telling, create unique characters, and play through their adventures!

Ages 8-14
06/06-06/10 9:00 am-12:00 pm LKD0245-002 \$199.00

Harry Potter: Third Year

Third Year Hogwarts students create spell books to use in class and house badges. They also get to write for the wizarding newspaper (The Daily Prophet), finger-knit house book scarves, and attend classes like Advanced Care of Magical Creatures and The History of Hogwarts and Divination. The competition for the House Cup rivals the Triwizard tournament in difficulty! No camp July 4th.

Ages 8-14
06/27-07/08 9:00 am-10:25 am LKD0144-005 \$199.00

On the Case: Detective Fiction

If bumps in the night, missing jewelry, or false suspects and crazy plot twists has you donning your best hat and searching for your spyglass, then this class is for you. Learn about different types of crime stories and the detectives who solve them. Then, try your hand at solving a few whodunits yourself. Play a game of Clue and create mysteries for your family and friends to solve!

Ages 11-14
06/06-06/10 1:00 pm-4:00 pm LKD0092-005 \$215.00

Percy Jackson and the Olympians

Welcome to Camp Half-Blood! Enter the world of Rick Riordan's Percy Jackson & the Olympians book series, where you will make your very own Riptide sword, play capture the flag, eat blue food, go on an InZone Quest and make Harper College safe from Cronus and his followers. Return to the real world with your own Camp Half-Blood bead necklace! NOTE: This course is inspired by the characters and events in the Percy Jackson & the Olympian series by Rick Riordan but are not endorsed by the author or publisher.

Ages 8-14
06/13-06/24 2:35 pm-4:00 pm LKD0002-004 \$199.00

On-Campus Classes (Ages 14-17)

Debate Camp

Debate, and especially the ability to communicate effectively to an informed audience, is a basic requirement in all academic disciplines. Whether you have no experience or are a seasoned veteran, you will benefit from becoming a better debater. This camp is an immersive experience that cannot be duplicated in the regular high school year. You will develop skills in goal development, event instruction, critical thinking, research expectations, case writing with individualized instructor revisions, block writing, responsive activities, tournament preparation, and competitive practice.

Harper Debate Camp 2022 covers:

- Analysis of burdens of proof
- Elements of an argument
- Providing and refuting claims
- Effective legislation
- Credibility and bias in research
- Listening and note taking
- Effective organization
- Strategic questioning
- Enhancing message with delivery

Our instructors are Illinois Congressional Debate Association (ICDA) coaches. ICDA will provide a partial scholarship to ICDA members who complete the camp.

Register online at ce.harpercollege.edu

Ages 14-17
07/18-07/22 10:45 am-3:30 pm LHS0002-006 \$249.00

IDEAShop: Makerspace

IDEAShop: AI At The Edge

The world is awash in data. Billions of mobile phones and IoT sensors generate massive amounts of data daily. Edge computing takes the power of AI directly to those devices at its source, instead of in the cloud or data center, to make decisions in real time. In this hands-on course, learn how real-world machine learning, and computer vision applications derive actionable insights using the industry-leading nVIDIA Jetson embedded platform directly from your desktop.

Ages 14-17
08/01-08/05 1:00 pm-5:00 pm LKD0258-001 \$275.00

IDEAShop: Autonomous Robotics

AI is enabling new applications that were previously considered science fiction. Learn hands-on how AI powers machines to power JetBot robotic car to complete autonomous tasks. Learn the algorithms that drive the self-driving cars of today and tomorrow.

Ages 14-17
08/08-08/12 1:00 pm-5:00 pm LKD0259-001 \$299.00

IDEAShop: Computer Vision and Image Processing

This exciting course introduces you to the visual world behind the lens of a digital camera. You will develop working applications in the cloud and on the nVIDIA Jetson platform using the Python programming language and powerful software packages including OpenCV, scikit-image, scikit-learn, and more. Each day, you will learn a new topic, achieve learning milestones, and complete coding challenges.

Ages: 14-17
07/25-07/29 1:00 pm-5:00 pm LMK0041-002 \$299.00

IDEAShop: Design and Build Open-Source 3D Printers

In this fast-paced and jam-packed camp, you will learn skills in digital fabrication, materials selection, 3D model design, and model preparation for 3D printing, but you will also learn so much more. You will learn how to design and build 3D printers and CNC machines from scratch by building your very own open-source 3D printer. Discover how the mechanical inner workings of the frame, motion system, motors, electronics, and firmware work in concert to enable your printer produce amazing parts. At the end of the camp, you will not only go home with a 3D printer, but with the knowledge of how to fix it, maintain it, upgrade it, or even build an entirely new printer of your own design. The ability to use hand tools like screwdrivers and pliers is required for this camp.

Ages 14-17
06/21-06/24 9:00 am-4:00 pm LKD0256-001 \$449.00

Online Classes (Ages 8-14)

Tech Knowledgey

3D Game Design with Unity

Are you ready to take your game design skills to another level? With Unity, an industry-grade design software, aspiring game designers will learn level editing, 3D modeling, impactful gameplay creation, as well as how to utilize scripts and variables. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Returning students can create more advanced projects that build on previous years. This requires a 64-bit operating system. Compatible with MAC and Windows OS only.

Ages 8-11				
08/01-08/05	12:00pm-2:30 pm	LKD0221-008		\$169.00
Ages 11-14				
08/01-08/05	8:30 am-11:00 am	LKD0221-007		\$169.00

Code Breakers

Calling all future coders, programmers, and designers! Learn the basics of coding languages like HTML, JavaScript, and CSS through a series of web projects and design challenges each day and be on your way to becoming the next tech star! Whether you want to be a silicon valley CEO or the high school student who just made \$1 million dollars for programming in her bedroom, this course has the essentials you need to begin your journey. Projects will be available on a Black Rocket website to share with friends and family. Returning students can create more advanced projects that build on previous years. For Online Students Only: Compatible with MAC, Windows and Chrome OS. This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

No class June 20th.

Ages 8-11				
06/13-06/17	8:30 am-11:00 am	LKD0235-006		\$169.00
07/25-07/29	12:00 pm-2:30 pm	LKD0235-009		\$169.00
Ages 11-14				
06/13-06/17	12:00 pm-2:30 pm	LKD0235-007		\$169.00
07/25-07/29	8:30 am-11:00 am	LKD0235-008		\$169.00

Code Your Own Adventure

Watch as the characters in your imagination come to life in this unique course that blends classic storytelling with animation techniques and coding. Start with a concept, design the characters, and choose not just one ending, but many! Learn how to create your own text-based adventure games with variables, conditional logic, images, HTML, CSS, and JavaScript. Students will work in pairs or teams for most of the program. This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 8-11				
07/18-07/22	12:00 pm-2:30 pm	LKD0088-011		\$169.00

Inventor League: Prototyping for the Future

Become an inventor of the future! Learn rapid prototyping and problem solving as you conceptualize and design a product to solve a critical global issue. Each day begins with inspirational profiles of young inventors, such as the eleven year old who coded a robot to find victims of natural disasters. Next, research a problem to tackle in medicine, architecture, the environment, or a topic of your choosing. Once your vision is complete learn how to draft 2D designs, create 3D models, and develop a website to pitch your ideas to the class. Student projects will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program.

Ages 11-14				
07/11-07/15	12:00 pm-2:30 pm	LKD0206-011		\$169.00

JavaScript Developer Jam

Learn programming tools so powerful they seem like magic! Start off by learning an array of core programming concepts with JavaScript by experimenting in a series of digital challenges. Start with programming your first animated memes, then tackle more advanced skills such as interactive 3D experiences and game creation. Projects will be available on a password protected Black Rocket website to share with friends and family. Compatible with MAC, Windows and Chrome OS.

Ages 8-11				
06/27-07/01	8:30 am-11:00 am	LKD0236-008		\$169.00
08/08-08/12	8:30 am-11:00 am	LKD0236-010		\$169.00
Ages 11-14				
06/27-07/01	12:00 pm-2:30 pm	LKD0236-009		\$169.00

Make Your First Fortnite Style Video Game

Fans of Fortnite we need you! Instead of playing the game, design your own. Using a professional 3D game development software, build levels and assets inspired by popular battle royale games like Fortnite. This course includes cartoonish action and battle sequences. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Please note, this class uses Fortnite for inspiration, but you will not be playing Fortnite as part of the curriculum.

Ages 8-11				
07/05-07/08	12:00 pm-2:30 pm	LKD0168-021		\$169.00
Ages 11-14				
07/05-07/08	8:30 am-11:00 am	LKD0168-020		\$169.00

Make Your First Video Game

If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2D platformer game. Conceptualization, play experience, level design, graphics, sounds, and simple coding are just some of the concepts that we'll explore. No prior experience necessary, just a desire to have fun. Student projects will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers. Returning students can create more advanced projects that build on previous years. Compatible with Windows OS only. For online students only: This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 8-11				
06/27-07/01	12:00 pm-2:30 pm	LKD0237-008		\$169.00
08/08-08/12	12:00 pm-2:30 pm	LKD0237-009		\$169.00
Ages 11-14				
06/27-07/01	8:30 am-11:00 am	LKD0237-007		\$169.00

Online Classes (Ages 8-14)

Minecraft Designers

If you love the game Minecraft and always wanted to design your own world, this class is for you! Learn how to create a custom map, the basics of creating 3D models using a new software to design your very own objects, how to build with Redstone and Command blocks, and create custom textures for you to import at home or share with friends. Students must own a Java version of Minecraft to access their projects at home. Tablet, phone, and game console versions of Minecraft are not compatible. Parent email address is required to use 3D modeling software. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years.

Ages 8-11

08/01-08/05 8:30 am-11:00 am LKD0207-004 \$169.00

Minecraft Modders

Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mod! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Your projects will be available on a Black Rocket website to share with friends and family. For online students only: to access their project at home students must own a PC/MAC version of Minecraft.

Tablet, phone, or game console versions of Minecraft are not compatible. Students will work in teams for most of the program. This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 8-11

06/06-06/10 8:30 am-11:00 am LKD0046-014 \$169.00

07/18-07/22 12:00 pm-2:30 pm LKD0046-017 \$169.00

Ages 11-14

06/06-06/10 12:00 pm-2:30 pm LKD0046-015 \$169.00

07/18-07/22 8:30 am-11:00 am LKD0046-016 \$169.00

Minecraft: Redstone Engineers

Create the next popular animated Minecraft video on YouTube! Practice the same skills professionals at Pixar and Disney Animation Studios use. Discover the process of keyframing and tweening, how to use it to bring your own animated stories to life, and how to publish your content on YouTube. Student projects will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Mac users can play their project at home, but will not be able to edit the project without a PC. Returning students can create more advanced projects that build on previous years. For online students only: This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 8-11

06/13-06/17 12:00 pm-2:30 pm LKD0204-011 \$169.00

07/25-07/29 8:30 am-11:00 am LKD0204-012 \$169.00

Ages 11-14

06/13-06/17 8:30 am-11:00 am LKD0204-010 \$169.00

Python Programmers

Want to learn the world's fastest-growing programming language favored by Google, NASA, YouTube, and the CIA? Learn how to code with Python to create engaging apps and games. Each lesson takes you step-by-step on a programming path that will let you challenge friends with fun content you create from start to finish! Returning students can create more advanced projects that build on previous years. For online students only: course is compatible with MAC, Windows and Chrome OS. This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 8-11

07/11-07/15 8:30 am-11:00 am LKD0085-021 \$169.00

Ages 11-14

08/01-08/05 12:00 pm-2:30 pm LKD0085-022 \$169.00

Roblox Makers

Unlock the power of ROBLOX Studio, the world creation tool used by real-world ROBLOX developers. Learn how to build 3D models and create an adventure in your ROBLOX world. Bring characters to life with unique animations you design. Student-created projects will be available on a password protected Black Rocket website to share with friends and family. You will work in pairs or teams for most of the program. Online students only: This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 8-11

06/06-06/10 12:00 pm-2:30 pm LKD0171-018 \$169.00

07/11-07/15 8:30 am-11:00 am LKD0086-016 \$169.00

Online Classes (Ages 8-14)

Video Game Animation

Take your game design skills to the next level by creating and animating your own character sprites, objects, and backgrounds. Start with a name, develop the character's personality, signature moves, special powers, and a storyline. Finish with a fully animated character to be used in your very own game. Students do not need any prior experience in game design, animation, or sketching. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers only. You will work in pairs or teams for most of the program. This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 11-14
07/25-07/29 12:00 pm-2:30 pm LKD0170-006 \$169.00

YouTube® Content Creators

Find your voice and leave your mark on the world! Whether you are six or sixty, it's time to start a career as the next YouTube star. Explore the variety of content and personalities that exist on YouTube and how to find your own niche. Learn the Dos and Don'ts of the platform and how to practice good digital citizenship. Develop your on-camera presence, your own channel branding, and professional editing skills. Take home a plan for launching your own channel with the content created in class! Student projects will be available on a password protected Black Rocket website to share with friends and family. A webcam is required for this course. Compatible with MAC and Windows OS only.

Ages 8-11
07/05-07/08 8:30 am-11:00 am LKD0220-016 \$149.00

07/05-07/08 12:00 pm-2:30 pm LKD0220-017 \$149.00

YouTube® FX Masters

In the digital age, nothing is impossible! Become a master of illusion by learning the techniques used by Hollywood masters to create FX magic. Whether you want to enhance your YouTube videos or create a cool scene to amaze your friends; this class teaches the tools you need. Experiment with visual effects as you learn the dynamics of camera angles, editing, graphic layering, and sound effects. Then watch as your new creations take your channel content to the next level! This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 8-11

The Arts

Design the City of the Future

Design your ideal city of the future, including everything from buildings and areas where people live and work to the transportation systems and natural spaces. Using large flat panels, you will plan building zones, explore recreational areas, and create a grid system for the streets as you bring your vision to life. Work with scales and measurements and add color to your booming metropolis as your city comes alive. For Online Students Only: For this class you will need hot silicon glue gun and good scissors. They are not included in the supplies. You can buy at local stores such as Walmart, Hobby Lobby or Amazon. In this class we reuse empty boxes so please save your empty boxes. Learn how to reuse materials, stay green and help our planet. Class will be closed on Wednesday evening the week before class begins.

Ages 8-14
07/11-07/22 9:00 am-10:25 am LKD0021-008 \$215.00

Design Your Own Doll House

Have you dreamt of living in a castle or a modern luxury home? Design your dreams with us! This class provides the creative environment for you to flourish and learn more about planning and designing of home space, color schemes and different styles: contemporary, modern, and traditional. Students build a 3D-model doll house scaled for an eight-inch American Girl Doll. This is a great opportunity for students to develop spatial (3D) sensitivity. You will learn to manipulate and plan exterior and interior spaces as you unwind your imagination and have fun manipulating space. Each student works on his/her own unique Doll House. For online students only: Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date.

Ages 8-14
07/25-08/05 10:35 am-12:00 pm LKD0042-007 \$215.00

Fantastic Beasts and How To Make Them, Year 1

Journey across the earth and discover magical beasts of myth, legend and imagination. The beasts we will focus on come from the textbooks, Care of Magical Creatures and The Monster Book of Monsters. As a 'First Year', these particular creatures are reasonably small, however, if you are allergic to pixie dandruff or niffler fur you may just want to drink some potion before class begins. For Online Students Only: Class registration will be closed on Wednesday evening the week before class begins. Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date. No camp June 20th.

Ages 8-14
06/13-06/24 1:00 pm-2:25 pm LKD0155-007 \$185.00

Online Classes (Ages 8-14)

Fantastic Beasts and How To Make Them, Year 3

Our adventure across the world continues with magical beasts of myth, legend and imagination. Since you have survived this far with all your body parts reattached, we have borrowed textbooks from Hogwarts's restricted section of the library, none of which can be mentioned at this time because of Mr. Filch may be lurking outside the keyhole. In this class the beasts and the creations get bigger, much much bigger. For Online Students Only: Class registration will be closed on Wednesday evening the week before class begins. Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date.

Ages 8-14
07/11-07/22 2:35 pm-4:00 pm LKD0156-006 \$199.00

Into The Magical Wild

Another hero of the Second Wizarding War, Neville destroyed the 7th The Sword of Gryffindor later becoming an Auror Into The Magical Wild and Getting out Alive! Students who faint easily or are afflicted with arachnophobia are not recommended to take this class. For Online Students Only: Class registration will be closed on Wednesday evening the week before class begins. Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date. No camp June 20th.

Ages 8-14
06/13-06/24 2:35 pm-4:00 pm LKD0201-007 \$185.00
07/25-08/05 1:00 pm-2:25 pm LKD0201-008 \$199.00

My Dream Room: Designing Indoor Spaces

Interior design is about the spaces where you live, work, and play. Create a three-dimensional interior scale model of your dream room or fashion studio. Learn contemporary, modern or traditional styles that best fit your personality. You will work with scale and measurements, attend to color and detail, and use various mediums and materials. Note For Online Students Only: For this class you will need a hot silicon glue gun and good scissors (they are not included in the supplies) You can buy at a store such as Walmart, Amazon etc. Registration will be closed on Wednesday evening prior the beginning of the class. Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date. No camp July 4th.

Ages 8-14
06/27-07/08 10:35 am-12:00 pm LKD0028-013 \$199.00

Optical Illusions and Deception

Fool the eyes trick the brain! An art class where we'll explore different types of illusions from across the world, how why they work in two-dimensional and three-dimensional formats. Students will learn how to create their own illusions. For Online Students Only: Class registration will be closed on Wednesday evening the week before class begins. Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date.

Ages 8-14
07/11-07/22 1:00 pm-2:25 pm LKD0202-007 \$199.00
07/25-08/05 2:35 pm-4:00 pm LKD0202-008 \$199.00

Young Architects: Frank Lloyd Wright

Focusing on the works of legendary architect Frank Lloyd Wright as an inspiration, you will build a three-dimensional scale model of the interior and exterior of your very own home. This will be a great opportunity to develop spatial sensitivity while learning to work with scales and measurements. You will develop your plan using different color schemes, media and materials. For online students only: Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date. No camp June 20th.

Ages 8-14
06/13-06/24 9:00 am-10:25 am LKD0058-012 \$199.00
07/25-08/05 9:00 am-10:25 am LKD0058-014 \$215.00

Young Architects: Glass House

Focusing on the works of legendary glass house architect Ludwig Mies van der Rohe as inspiration, you will build a three-dimensional scale model of the interior and exterior of your very own home. This will be a great opportunity to develop spatial sensitivity while learning to work with scales and measurements. You will develop your plan using different color schemes, media, and materials. Glass will not be used on the projects. For online students only: Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date.

Ages 11-14
07/11-07/22 10:35 am-12:00 pm LKD0080-009 \$215.00

Young Architects: Lake House

Focusing on modern architectural design as inspiration, you will build a three-dimensional scale model of the interior and exterior of your very own home near a lake. This will be a great opportunity to develop spatial sensitivity while learning to work with scales and measurements. You will develop your plan using different color schemes, media, and materials. For online students only: Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date. No camp June 20th.

Ages 11-14
06/13-06/24 10:35 am-12:00 pm LKD0079-006 \$199.00

Young Architects: Vila Victoria

In this architectural class, you will design very colorful and exotic houses as you learn how to turn the organic tradition into a mother accent in your interior and exterior/outdoor space. You will gain new skills while building modern and exotic houses that will incorporate the beauty of tropical flora and South African traditional patterns. For online students only: Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date.

No camp July 4th.

Ages 8-11
06/27-07/08 9:00 am-10:25 am LKD0173-007 \$199.00

Program Details

THE BASICS

Welcome!

After registering for InZone, visit harpercollege.edu/inzone and download your InZone Welcome Packet. The packet includes a welcome letter, waivers, and a lunch menu if offered. The 2022 packet will be available by May 25. Questions? Email khahn@harpercollege.edu or inzone@harpercollege.edu.

Location

All programs begin at Harper College's main campus at 1200 West Algonquin Road in Palatine.

Drop-Off/Pick-Up

Drop-Off/Pick-Up Site and Procedure

InZone's **only designated and supervised drop-off/pick-up site is in the circular drive, in front of the Student Center (Building A)**, accessible from the Algonquin Road entrance.

Drop-off/Pick-Up Times

For safety reasons, children are not to be on campus unless accompanied by an adult or registered for InZone programs. Additionally, Harper College policy states that students cannot be on campus more than 15 minutes prior to their first class, and they must be picked up within 15 minutes after dismissal of their class.

Late Pick-Up Procedure and Offenses

Participants not picked up will be escorted to After Care in Building M, and remain until a parent/guardian comes in to pick him/her up. **NOTE: Repeated late pick-up offenses will result in termination from InZone without a refund.**

Avoid late pick-up issues! For your convenience, supervised Before and After Care is available.

Inclement Weather Policy

During inclement weather, InZone staff will coordinate with the Harper College Police to ensure the safety of your child. In situations of heavy rain, lightning and severe storms, staff will move children to the safest possible location according to the guidelines of the Harper Police Department. When these situations occur during pick-up time, the InZone program will be in lock-down mode inside of the Student Center, Building A or the Foglia Foundation Health and Recreation Center, Building M if the student is in a sports program. We ask that during these situations parents come into the building to pick up their children. Children will not be released outside during lock-down mode without a guardian present. There will be designated staff members near the pick-up location to provide information during these situations.

KEEPING YOU SAFE AND IN TOUCH

Safety: Program Aides Lead

We are committed to creating a positive experience for all students, and your child's safety is our number one concern. InZone program aides are at the forefront of keeping your child safe and happy during camp. Encouraging your child to take questions, concerns or problems to an aide and to look to aides for instructions will help us better meet your child's needs.

Harper College is an open campus during the summer. To maintain the safety of your children, InZone aides are strategically placed around campus to monitor InZone students as they travel between classes, during drop-off and pick-up, and alongside instructors during classes. All aides are easy to spot! Look for their official InZone t-shirts and identification badges.

Contact Information

Help us keep in touch! Make sure we have your current email address and phone numbers. Call 847.925.6300 to update.

Emergency Text Alerts

In the event of a campus emergency, it is vital that we contact you as quickly as possible. Sign-up for Harper Emergency Text Alerts by visiting getrave.com/login/harpercollege, to receive real-time information, in a text message, sent to your cell phone.

- Your name and phone number will not be shared outside of this system.
- Participation is voluntary and open to the public.
- You can cancel the service at any time.
- The service is free. (Consult your cell phone carrier. Standard message rates may apply.)
- Questions about Emergency Text Alerts? Contact the Student Service Desk.
- Emergency updates are also communicated via Harper College's general phone number 847.925.6000 and notices on harpercollege.edu.

POLICIES TO HELP US HELP YOU

Ages

Students must be **eight years old before September 1, 2022 in order to participate in InZone**. The InZone curriculum is designed to be age-appropriate. It is the responsibility of a parent or guardian to ensure that his or her child is placed in an age-appropriate class. Select courses are open to students younger or older than InZone's standard 8-14 range. **Children must turn six years old by September 1, 2022 in order to participate in the InZone Junior Explorers Camps.**

Program Details

Class Capacity and Cancellations

In keeping with our mission to provide individualized instruction, InZone enrollment is limited to maintain our **8:1 ratio of kids to adults**. As a non-profit organization whose programs are self-supporting, InZone also requires a minimum number of enrolled students in order to run a class. To avoid inconvenience to students, InZone staff will cancel a course with low enrollment one full week in advance of the start date and offer students alternate classes, or a full refund. Avoid disappointment and register early!

Release Waiver: Required for Every Camper

All campers must submit a signed InZone Medical and Student Conduct Waiver before attending any InZone programs. After you have registered for at least one InZone 2022 program, scan the QR code below to complete the InZone Waiver. The InZone waiver will also be sent as part of the InZone Welcome Packet and emailed separately to the student's email address upon request. For additional waivers, please contact us at inzone@harpercollege.edu or call 847.925.6876

Scan me to submit an InZone waiver.

Absences and Extended Illnesses

Attendance is taken daily in all programs. If your child will be absent, call: **847.925.6941** or email: **inzone@harpercollege.edu**. Parents should report absences no later than one hour before the start of a program. Calls will be made to parents for any unreported absences. **There will be no make-up classes or prorated refunds for missed classes.**

Medication / Special Health Needs

Please let us know in advance if your student requires medication during InZone programs. Call 847.925.6454 after May 25 or email inzone@harpercollege.edu to notify us and obtain further information.

Students with Disabilities

In accord with federal and state law, Harper College makes every effort to provide reasonable accommodations to qualifying students with disabilities. To inquire about the process for receiving accommodations for InZone, please contact Access & Disability Services (ADS) to schedule an InZone intake appointment at 847.925.6266 voice or 866.327.1630 videophone. An ADS staff member will review medical and/or educational documentation and discuss with students and parents what possible accommodations may be reasonable. Personal services such as restroom assistance, support with mobility around campus, or direct one-to-one supervision are not provided. On rare occasions, it may be determined that requests for accommodation within InZone cannot be met if they pose a serious health or safety risk, or significantly alter the intent of the course or program. For additional information, contact ADS at 847.925.6266 voice or 866.327.1630 videophone, or Continuing Education at 847.925.6300.

Tax Credit

An employed parent or legal guardian may qualify for a tax credit for child care/dependent care for his/her child who attends InZone programs. As the law has specific regulations, interested parents will need to consult their tax advisor for details. Our Federal Tax ID number is 36-2582782.

We are not responsible for lost or stolen items

GET TO KNOW INZONE

Virtual Information Sessions

Interested in finding out what the InZone program has to offer? Attend a virtual information session to learn more about the camp and get all your questions answered.

- Tuesday, March 15, 6 p.m.
- Thursday, April 14, 6 p.m.
- Tuesday, May 17, 6 p.m.
- Wednesday, June 29, 6 p.m.

Campus Orientation Tours

New families and campers are encouraged to attend an orientation tour. An InZone representative will give an overview of the program and look at the campus facilities that make InZone a great educational and fun experience for children. Tours meet in building Z, Room Z102. Parking available in Lot 3.

- Wednesday, June 1, 6 p.m.
- Tuesday, June 7, 6 p.m.

Scan me to RSVP or visit harpercollege.edu/inzone

COVID-19 VACCINATION AND TESTING INFORMATION

For the most up to date information regarding Covid-19 protocols, please visit harpercollege.edu/advisory. Any changes to our protocols and procedures will be listed there.

Covid Vaccination Site

Students can obtain Pfizer or Moderna COVID-19 vaccinations free of charge at the NCH Outpatient Care Center located on the Harper campus. For more information visit the site below: <https://www.harpercollege.edu/advisory/vaccine.php>

Covid Testing

At the time of printing this catalog, free Covid-19 testing is available in the Health and Recreation Center, Building M, Room M2012. Convenient parking is located in lot 1. Results may take longer than normal due to the increase in cases and demand for testing.

Free COVID testing is available five days a week:

7 a.m. - 5 p.m. Monday
8 a.m. - 5 p.m. Tuesday-Friday
Hours subject to change.

Planning Guide

This Planning Guide lists all programs and course numbers except: Before/After Care, Lunch Meal Plan, Cafeteria Attendance, and most programs not held during standard InZone course times. **All IDEAShop Makerspace classes are one week, see page 9 and 10 for scheduling options.**

Course numbers for Before/After Care, Lunch Meal Plan and Cafeteria Attendance are listed on the Worksheet following the Planning Guide. Course numbers are required for registration.

Download this guide and worksheet at harpercollege.edu/inzone.

INZONE 2022

How to Register Online

1. Visit harpercollege.edu/inzone, select your course and click 'add to cart'
2. At checkout, log into the student portal or create a new account. Note: each child that participates in InZone will need their own unique email address.
3. Provide payment and complete checkout
4. You will receive a confirmation email with details
5. Enjoy your class!

We're Ready to Assist You

Available Monday through Friday, 8:30 am – 4:30 pm

Chat: ce.harpercollege.edu

Email: ce@harpercollege.edu

Phone: 847.925.6300

Get to Know InZone

Virtual Information Sessions

Interested in finding out what the InZone program has to offer? Attend a virtual information session to learn more about the camp and get all your questions answered.

Tuesday, March 15, 6 p.m.

Tuesday, May 17, 6 p.m.

Thursday, April 14, 6 p.m.

Wednesday, June 29, 6 p.m.

Campus Orientation Tours

New families and campers are encouraged to attend an orientation tour. An InZone representative will give an overview of the program and look at the campus facilities that make InZone a great educational and fun experience for children.

Wednesday, June 1, 6 p.m.

**Tours meet in Building Z,
Room Z102. (Parking in Lot 3)**

Tuesday, June 7, 6 p.m.

Save \$10 Off Each Class When You Register by April 15

Take advantage of the InZone early registration period by using the coupon code “inzone2022” to save \$10 on each InZone class (tuition only). This coupon code is available to use through April 15, 2022 and is not valid with other discounts. In the shopping cart, for each class you intend to register, find the “apply a discount” box, select Coupon Code Discount, and type inzone2022 as the coupon code. The discount will be calculated automatically. Discount does not apply to lunch meal plan.
