

InZone 2024 Lunch Program Information

The 2024 InZone program will be starting soon. In advance, we wanted to share an important update to the lunch program for this summer. The cafeteria where the students would normally purchase lunch will be under renovation and closed until the fall semester.

Due to the construction, the following adjustments have been implemented and students will have the option to purchase lunch this summer. Information below will outline the process for purchasing lunch Monday-Thursday on campus and a separate procedure for ordering lunch for all Fridays throughout the InZone schedule.

All students eating lunch as part of the InZone program will still be using the seating area on the 1st floor of building A.

Purchasing lunch Monday-Thursday:

- On the 2nd floor of building A, there will be a staffed kiosk (A236) that will be serving food from 10am-2pm.
- Guest restaurants will be on campus Monday-Wednesday offering a variety of hot food options, prices will vary.
- They will also have a 'kids meal' available to purchase that will be smaller portions and at a discounted price.
- Thursday Food Option: Students can pre-order 6" Subway sandwiches. If you are interested in purchasing Subway on a Thursday, please click on the below link for additional information. Students must place an order by Tuesday at 12:00pm to receive a sandwich on Thursday.

https://harpercollege.formstack.com/forms/inzone_subway_order_form

Options include turkey, ham, or veggie

- There will not be any hot food options on Thursdays.
- The kiosk will also have snacks and drinks for sale.
- Lunch may be purchased using cash, debit or SoGo Cash Cards. SoGo Cash Cards work like a debit card where money can be added to the card and used to purchase lunch.
- SoGo Cash Cards will be available at the parent orientation meetings or on campus during the program dates. Ask an InZone staff member if you would like a card while on campus.
- InZone Program Aides will be positioned on the 2nd floor of building A to assist students purchasing food. Students will purchase food and will then be guided down to the 1st floor where seating is available. Students do not need to go to the seating area prior to getting in the line to purchase food.
- Students not purchasing food will go directly to the InZone seating area on the 1st floor of the cafeteria.
- Scan the QR code below for information regarding what restaurants will be serving lunch on campus.

InZone Friday Lunch:

- The Harper cafeteria is closed on Fridays in the summer and will not be providing food service.
- Lou Malnati's thin crust pizzas, a drink and dessert will be available for those that sign up for the InZone Friday Lunch.
- Only students registered for the specific date of Friday lunch will be allowed this option.
- Please register by 11am on the Wednesday prior to make sure we can process an accurate order. Students should register for each Friday that they wish to take advantage of this lunch option.
- Students registered for Friday lunch should line-up where the InZone staff is set up in the cafeteria on the 1st floor and will provide their name to staff prior to be served.
- Click on the link for more information and to register for the Friday lunch option:

InZone Cafeteria Attendance:

All students that will be eating lunch as part of the InZone program should be signed up for the free InZone Cafeteria Program. Register here for the section of the program that corresponds with the dates of the classes they will be taking.

<https://ce.harpercollege.edu/search/publicCourseSearchDetails.do?method=load&courseId=203860>

InZone students can bring their own lunch. The program does not provide refrigeration. Students that bring their own lunch will go directly to the InZone seating area on the 1st floor of the cafeteria.

Additional information about the InZone program will be provided soon as part of the InZone Welcome Packet.

Please contact inzone@harpercollege.edu with questions.
