Dear Parents and Guardians,

The 2019 Harper College InZone Program is getting ready to kick off next week! We are excited that you have registered your child for some of our exciting programs this summer.

A few important program notes for 2019 include:

- The Pick-up and Drop-off location this year is at the circle drive in front of Building A straight ahead after turning onto campus from Algonquin Rd. This is the designated location for all classes with the exception of fishing, tennis and track where it is acceptable to drop off with the instructor. Program Aides are positioned throughout campus before class and during any transition period to guide students to their destinations. Parents are welcome to personally escort their child to the class location. However, to do this all vehicles must be parked in a parking lot and not along the curb. If your child is new to campus and needs assistance to class, please ask a staff member at the drop off location and we will provide assistance.
- The newly renovated Harper Health and Recreation Center (Building M) is open for business. We look forward to using this amazing facility for all our inside sports and pool programs as well as Before and After Care programming. Drop off for classes in building M will occur in the same drop off as the other classes on campus, but parents are encouraged to pull up closer to building M which is right near the circle area
- Parents are responsible for timely pick-up arrangements each day. Please note that Harper College policy specifies that children of all ages must be supervised at all times. Children are not to be on campus unless accompanied by an adult or registered for InZone programs. Before and After Care is available for morning or afternoon supervision.
- To keep parents updated throughout the summer, InZone uses Instagram and Facebook. Search for Harper College InZone on each social media platform to get signed up. We will be updating the pages with pictures, videos and program related information throughout the summer.

Waivers

All campers must have a signed release form returned to InZone prior to the start date of a class in order to participate. The waivers are sent out electronically to the parent email account on file. If you have not received a waiver yet, please contact us by email at inzone@harpercollege.edu or call 847.925.6454.

Attendance

Attendance is taken daily in all of our programs. Parents should report absences by 9:15 a.m. Calls will be made to parents for any unreported absences.

Please contact Grace Haffner at 847.925.6941 or email either of these addresses: ghaffner@harpercollege.edu; inzone@harpercollege.edu if your child will be absent. Advance notification of absences is acceptable and encouraged.

Inclement Weather Policy

During inclement weather InZone staff will coordinate with the Harper College Police to ensure the safety of your child. In situations of heavy rain, lightning, and severe storms staff will move children to the safest possible location according to the guidelines of the Harper Police Department. When these situations occur during pick up time, the InZone program will be in lock-down mode inside of Building A or Building M.

Both locations are near the pick-up area. We ask that during these situations parents come into the building to pick up their children. Children will not be released outside during lock-down mode without a guardian present.

Lunch Options

InZone offers three lunch options at the main campus.

- Bring a lunch (refrigeration is not available)
- Register for the pre-paid meal plan. For more information about the pre-paid meal plan, see page 21 of the catalog or online at harpercollege.edu/inzone. The 2019 pre-paid menu is attached with this letter and is subject to change.
- Bring money (recommended \$6.00-\$10.00) to purchase a daily lunch in the cafeteria.
- Pick up a personal cafeteria debit card and add funds for your child to use in the cafeteria or download the bite app and add funds for usage in the cafeteria. Ask an InZone staff member for assistance if interested.
- All lunch supervision is free regardless of meal choice.

We look forward to a great summer with your children here at InZone!!!
