# SUMMER 2023

**FULL DAY PROGRAM  
AND INDIVIDUAL COURSES**

SESSION 1 .....JUNE 5-9

SESSION 2 .....JUNE 12-23

SESSION 3 .....JUNE 27-JULY 8

SESSION 4 ..... JULY 10-21

SESSION 5 .....JULY 24-AUGUST 4

SESSION 6 ..... AUGUST 7-11

# INZONE PROVIDES YOUR CHILDREN A SUMMER OF ADVENTURE AND LEARNING ON OUR CAMPUS.

Designed to offer an incredible variety of indoor and outdoor activities, our personalized approach means you have choices. You choose the sessions and class times that fit your schedule, including before/aftercare and lunch options.

## Educational

All InZone courses use the same labs and classrooms as adult credit students. Our activities are structured to provide an introduction to college life to prepare them for the future. Create your next invention using state-of-the-art equipment in our Makerspace, cook in our culinary kitchens, or engage in STEM activities in our specialized labs.

## Fun

Treat your kids to fun activities and exploration. Avoid summer boredom with over 150 different courses in sports, art, cooking, music, design, and technology. Our courses are hands-on and interactive with small classroom sizes. Perform your favorite Broadway musical on our stage, make a comic book, or design your own video game!

## Safe

We are committed to ensuring your child's safety. All instructors and staff working directly with campers have passed a statewide criminal background check. Meets highest expectations of child safety and leadership. Our student to adult ratio is 8:1.

“ INZONE WAS A WONDERFUL EXPERIENCE FOR MY CHILD – HE FORMED FRIENDSHIPS WITH STUDENTS WHO SHARED SIMILAR INTERESTS, HAD LEARNING EXPERIENCES NOT LIKELY TO HAPPEN IN TRADITIONAL CLASSROOMS, AND DISCOVERED NEW WAYS OF ENCOUNTERING THE WORLD. ”

- CASSANDRA O.

# Why InZone?

InZone and InZone Junior Explorers are Harper College's summer camps for kids ages 6-14. Designed to offer an incredible variety of indoor and outdoor activities these camps provide countless opportunities to learn and have fun in an amazing campus experience.

Our personalized approach means you have choices. You choose the sessions and class times that fit your schedule, including before/after care and lunch options. Your excellent summer is definitely here.

## Unique

With both enrichment and sports, our campers can learn about coding robots in the morning to baking delicious cupcakes in the afternoon. Variety is the spice of life or at least the spice of InZone!

## Flexible and Full of Options

InZone offers a summer jam-packed with fun. Explore, create, run, discover, jump, experience. Pick from a variety of courses, including Broadway singing, soccer, sewing, three-dimensional painting, website design, rocket building, writing and photography. It's your choice!

- **Classes** are offered: Monday – Friday, 9 a.m. – 4:00 p.m.
- **Before and After Care** is available: 7:30 a.m. – 5:30 p.m.
- **Lunch Options** include: brown bag or buy your own.  
Registration required. See page 3.

Come for one class, one session or the whole summer. Combine classes for a half-day or full-day of activities. Our Before and After Care gives you options to do what works best for your family.

## Kid-friendly Fun

It's camp. How much more kid-friendly can you get?  
Relax, enjoy summer, have fun and meet new friends!

## Who We Are

The InZone staff is passionate about providing a welcoming, safe camp that inspires and cultivates everyone's interests.

InZone instructors are teachers or professionals in their field. Program aides are college students who have participated in extensive orientation and training workshops, and many plan to pursue careers in education. The aides support instructors in creating an inclusive environment with opportunities for individualized instruction.

## Employee Background Check

All InZone instructors and staff have passed a statewide criminal background check.

# Before, During and After

## InZone Before, During and After (Ages 6-14)

### Before and After Care

Extend the fun with InZoners Before and After Care program. Organized activities will be provided under the supervision of InZone staff. Choose Before Care, After Care or both. Register for Before and After Care just as you register for other InZone programs.

NOTE: Students will meet in the Foglia Foundation Health Recreation Center (Building M) for both programs. Staff will be on hand to provide help with scheduled program locations.

No camp on June 19th or July 4th.

Ages 6-14

06/05-06/09	7:30 am-8:45 am	LPK0017-075	\$55.00

08/07-08/11	4:10 pm-5:30 pm	LPK0017-087	\$55.00

### InZone Cafeteria Attendance

The Cockrell Dining Hall will be serving food Monday-Thursday in the summer. The InZone program is working to determine if any lunch options will be available on Friday to students. Check [harpercollege.edu/inzone](http://harpercollege.edu/inzone) for updates. All InZone students staying on campus for lunch MUST register for InZone cafeteria attendance. This program provides InZone staff members an accurate number of students expected to be in the cafeteria during each scheduled session. Register for each cafeteria attendance course ID below that corresponds with the dates your children will be attending the InZone program. NOTE: There is no registration fee for this class and only applies to students eating lunch on campus.

No camp on June 19th or July 4th.

Ages 6-14

06/05-06/09	12:05 pm-12:50 pm	LKD0146-034	\$0.00
06/12-06/23	12:05 pm-12:50 pm	LKD0146-035	\$0.00

08/07-08/11	12:05 pm-12:50 pm	LKD0146-039	\$0.00

### InZone Lunch Options

There will be two lunch options available for students eating lunch in the Cockrell Dining Hall while participating in the InZone program.

Option #1: students may bring their own lunch. InZone does not provide refrigeration and students will carry their lunch with them.

Option #2: students may purchase lunch in the Cockrell Dining Hall. An example of menu items includes hamburgers, chicken sandwiches, sub sandwiches, salads, drinks, desserts and more. A menu will be posted online at [harpercollege.edu/inzone](http://harpercollege.edu/inzone) in early May. Students may purchase lunch using cash or a Sodexo Cash Card. Sodexo Cash Cards are available from InZone staff members or by emailing [inzone@harpercollege.edu](mailto:inzone@harpercollege.edu).

Lunch is supervised by InZone staff and assistance is available for students needing help navigating the cafeteria when purchasing their own food.

# On-Campus Classes (Ages 6-8)

## InZone Junior Explorers Camp (Ages 6-8)

### Junior Explorers: Art and Music

This exciting new addition to the InZone program is designed for students 6-8 years of age and is intended to focus on the already established principles of the InZone camp for older students. Rooted in hands-on exploration students will participate in activities structured around art and music. The program will split each day with half of the time spent on each topic. For the music portion of class students will use specialized, proprietary Music Start keyboards to learn to play familiar tunes in a group setting by color, letter, and note matching while using problem-solving strategies. Prepare your student to learn any instrument with this strong fundamental based program.

Ages 6-8, no class on July 4

06/26-07/07 1:00 pm-4:00 pm LKD0271-005 \$299.00

Ages 6-8

07/10-07/21 9:00 am-12:00 pm LKD0271-006 \$335.00

### Junior Explorers: Art and You

Come explore how art and meditation can coexist with the use of various art mediums such as clay and color pencils. You will also explore how art is used in different cultures to help with wellness and mindfulness. Learn how art can help create spaces to relax, focus and encourages a creative mind.

Ages 6-8

08/07-08/11 9:00 am-12:00 pm LKD0279-003 \$225.00

### Junior Explorers: STEAM and Lego Building

You will explore new concepts and learn through hands-on exploration by participating in activities structured around STEAM and Building with Legos in this exciting class. STEAM will bring together elements of science, art and math in a hands-on, action-packed environment. You will conduct experiments, play educational games, and unlock their creativity through building challenges and projects. Building with Legos will teach you to build Lego Robots and program them using Lego WeDo software. See your creation come alive as you learn basic problem solving and coding skills to animate alligators, racing cars and more. The program will split each day with half of the time spent on each topic. New activities all summer long.

Ages 6-8, no class June 19

06/12-06/23 9:00 am-12:00 pm LKD0274-003 \$299.00

Ages 6-8

07/10-07/21 1:00 pm-4:00 pm LKD0274-004 \$335.00

# On-Campus Classes (Ages 6-14)

## Junior Explorers: STEM and Adventures in Art

This exciting new addition to the InZone program is designed for students 6-8 years of age and is intended to focus on the already established principles of the InZone camp for older students. Rooted in hands-on exploration students will participate in activities structured around STEM and art.

Ages 6-8, no class July 4

06/26-07/07 9:00 am-12:00 pm LKD0304-001 \$315.00

## Junior Explorers: Step Into STEAM

This exciting program from Afterschool Enrichment Solutions brings together elements of science, art and math in a hands-on, action-packed environment. You will conduct experiments, play educational games, and unlock their creativity through building challenges and projects. No experience necessary.

Ages 6-8

06/05-06/09 1:00 pm-4:00 pm LKD0267-006 \$225.00

07/24-08/04 1:00 pm-4:00 pm LKD0267-008 \$315.00

## Smart Start Art

Explore your artistic side with Smart Start Art from Afterschool Enrichment Solutions. Strap on your backpack as we take a virtual trip around the world and encounter international art! Discover your creativity and imagination as an artist, developing fine motor skills, style, and vision as we explore different artistic techniques through a variety of inspiring projects. Sketch and draw, shade and color, cut, glue, fold... create! See your imagination come to life! Learn about great artists from throughout history and the present day, through a weekly featured artist and fun, exciting games. No experience necessary.

Ages 6-8

06/05-06/09 9:00 am-12:00 pm LKD0268-006 \$210.00

## Travel Adventures

Have you always wanted to learn more about the Hawaiian Islands? Well, then this class is for you. Get your passport ready and join us for an adventure to Hawaii. We will pack our suitcase, have tickets in hand and set off on our learning adventure flight. As tourists, we will discover more about the island, the climate, activities, popular foods that are grown in this tropical environment. Through art and science discovery we will dive into learning and create items that you might find on this island including volcano creation and have a variety of art experiences. We will wrap up our adventures with a luau party at the end of our week together.

Ages 6-8

08/07-08/11 1:00 pm-4:00 pm LKD0300-001 \$209.00

## Travel Adventures and Games Galore

This combination class will have you learning about all the exciting things that make up the Hawaiian islands such as the climate and popular foods that are grown in this tropical environment. The second half of class will have us playing and enjoying games of all kinds including group games and board games. Some will take place indoors and others will be outdoors. We will discover our new favorites and at the end of the class we will use our creativity and a wide variety of materials to create games of our own.

Ages 6-8, no class June 19

06/12-06/23 1:00 pm-4:00 pm LKD0301-001 \$315.00

Ages 6-8

07/24-08/04 9:00 am-12:00 pm LKD0301-002 \$335.00

## Arts

### 2-D Mixed Media

Do you enjoy painting and being creative but also like to have fun and experiment with art? Come discover the possibilities with mixed media. Imaginations at work creating 2-D pieces incorporating painting, drawing, collage, and more.

Ages 8-11

06/05-06/09 9:00 am-12:00 pm LKD0281-001 \$225.00

Ages 11-14

07/10-07/21 2:35 pm-4:00 pm LKD0281-002 \$225.00

### A Brush with the Masters

Art is a great way to express ideas, emotions or send a message. We explore styles like cubism and pointillism from some great European artists including art from Ukraine pysanki decorating that uses wax resist on eggs! We will also focus on some modern artists. You will be encouraged to try all the styles but can also focus on what inspires you.

Ages 8-11

07/24-08/04 10:35 am-12:00 pm LKD0286-001 \$225.00

Ages 11-14

07/24-08/04 1:00 pm-2:25 pm LKD0286-002 \$225.00

# On-Campus Classes (Ages 6-14)

## Adobe for Artists, the Youth Version

This course will help you acquire the knowledge and practical skills that you will need to utilize digital art software to create artwork in a digital environment. It focuses on discovering art elements and design principles while using Adobe software. It will also explore current and past trends in design. Learn to create digital images and graphics that express your artistic thoughts. Such skills can help you conquer challenges and enhance your message. In Photoshop, learn how to use brushes, color pickers, and layers, skills necessary for photo editing, manipulation, and digital composition. You will develop vector illustrations with Adobe Illustrator and layout concepts in Adobe InDesign and create professional presentations. The course gives the right tools and techniques to start with digital artwork. All artists and enthusiasts ages 11-14 are welcome.

Ages 11-14  
07/10-07/21 10:35 am-12:00 pm LMY0126-001 \$225.00

## Art and You

Come explore how art and meditation can coexist with the use of various art mediums such as clay and color pencils. You will also explore how art is used in different cultures to help with wellness and mindfulness. Learn how art can help create spaces to relax, focus and encourages a creative mind.

Ages 11-14  
07/10-07/21 9:00 am-10:25 am LKD0279-001 \$225.00

Ages 8-11  
07/24-08/04 9:00 am-10:25 am LKD0279-002 \$225.00

Ages 6-8  
08/07-08/11 9:00 am-12:00 pm LKD0279-003 \$225.00

## Be Your Own Artist

As you develop your identity as an artist you must also become more versatile in your ability to draw, paint, sculpt and more. Your creativity emerges as you think about what you want to create and the techniques to use. We will discuss which forms of art are best for you to use on your projects.

Ages 8-11, no class June 19  
06/12-06/23 10:35 am-12:00 pm LKD0125-011 \$229.00

## Clay Adventures

This class will focus on developing your creative side through the use of polymer clay. Using a hands-on approach, you will learn the art of layering colors with many different shapes to create animals, souvenirs, jewelry, and even famous characters from Minecraft and the Minions.

Ages 8-11  
06/05-06/09 1:00 pm-4:00 pm LKD0067-006 \$249.00

## Clayology

Let your imagination run wild in this hands-on clay experience. By learning the hand-building techniques of clay sculpture, you will create your own art. You will also learn how clay is glazed and fired in this down and dirty clay class. Harper has a well outfitted three-dimensional art studio where you will make a music box, frame, mask and so much more. New activities and designs in each class.

Ages 8-11  
07/10-07/21 10:35 am-12:00 pm LKD0011-033 \$225.00

Ages 11-14  
07/10-07/21 1:00 pm-2:25 pm LKD0011-034 \$225.00

07/24-08/04 10:35 am-12:00 pm LKD0011-035 \$225.00

Ages 8-11  
07/24-08/04 1:00 pm-2:25 pm LKD0011-036 \$225.00

## Comic Book Creations

Do Wolverine or Batman inspire you to create a comic book series of your own? Join the pros! Develop your own characters and stories as you learn composition rules, the importance of detail, and the techniques of line, perspective and balance used in the graphic novel world of comic books. Learn to draw movements using watercolors, color pencils, ink pens and more. Basic drawing skills and previous figure drawing are helpful, but not required.

Ages 8-11, No class June 19  
06/12-06/23 1:00 pm-2:25 pm LKD0132-016 \$229.00

Ages 11-14, No class July 4  
06/26-07/07 2:35 pm-4:00 pm LKD0132-017 \$229.00

## Design Your Own Doll House

Have you dreamt of living in a castle or a modern luxury home? Design your dreams with us! This class provides the creative environment for you to flourish and learn more about planning and designing of home space, color schemes and different styles: contemporary, modern, and traditional. Students build a 3D-model doll house scaled for an eight-inch American Girl Doll. This is a great opportunity for students to develop spatial (3D) sensitivity. You will learn to manipulate and plan exterior and interior spaces as you unwind your imagination and have fun manipulating space. Each student works on his/her own unique Doll House. For online students only: Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date.

Ages 8-11  
07/10-07/21 9:00 am-10:25 am LKD0042-008 \$249.00

# On-Campus Classes (Ages 6-14)

## Spin Off

Are you ready to get behind the wheel? The pottery wheel that is. This class is a perfect introduction to wheel throwing and the pottery you can make when using this equipment. Learn to throw bowls and pots in the amazing hands-on class. Go beyond hand building and develop your advanced clay techniques.

Ages 11-14, no class June 19

06/12-06/23	9:00 am-10:25 am	LKD0024-013	\$209.00
-------------	------------------	-------------	----------

Ages 11-14

07/10-07/21	9:00 am-10:25 am	LKD0024-014	\$225.00
-------------	------------------	-------------	----------

07/24-08/04	9:00 am-10:25 am	LKD0024-015	\$225.00
-------------	------------------	-------------	----------

## Young Architects: Frank Lloyd Wright

Focusing on the works of legendary architect Frank Lloyd Wright as an inspiration, you will build a three-dimensional scale model of the interior and exterior of your very own home. This will be a great opportunity to develop spatial sensitivity while learning to work with scales and measurements. You will develop your plan using different color schemes, media and materials. For online students only: Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date.

Ages 8-11, no class July 4

06/26-07/07	9:00 am-10:25 am	LKD0058-015	\$229.00
-------------	------------------	-------------	----------

## Young Architects: Glass House

Focusing on the works of legendary glass house architect Ludwig Mies van der Rohe as inspiration, you will build a three-dimensional scale model of the interior and exterior of your very own home. This will be a great opportunity to develop spatial sensitivity while learning to work with scales and measurements. You will develop your plan using different color schemes, media, and materials. Glass will not be used on the projects. For online students only: Login information for this online class will be emailed a few days prior to the start date. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date.

Ages 11-14, no class July 4

06/26-07/07	10:35 am-12:00 pm	LKD0080-010	\$229.00
-------------	-------------------	-------------	----------

## Athletics/Sports

### Basketball League and Game Play

Take it to the boards with 3-on-3, 4-on-4 and 5-on-5 team games. Daily instruction will center on team play, motion offense footwork and timing for jump shots, three-point shots and free throws. Players will change teams within their skill group. Open to any level of player.

Ages 8-14

08/07-08/11	1:00 pm-4:00 pm	LPK0022-005	\$225.00
-------------	-----------------	-------------	----------

### Basketball: Skills and Competition

This camp is perfect for players of any level. In this energetic camp, you will develop solid fundamental skills, including: footwork, stance, setting and using screens, passing and receiving, live ball moves, layups, shooting and game competition. Campers will be grouped according to their skill level and age.

Ages 8-14

07/24-08/04	10:35 am-12:00 pm	LPK0026-012	\$209.00
-------------	-------------------	-------------	----------

### ☆ Special Camp ☆

#### Chicago Cubs Baseball Camp

It is the bottom of the ninth, bases are loaded, and you step up to the plate wearing the coveted blue and white uniform of the Chicago Cubs. No, it is not a dream. You are attending the Chicago Cubs Baseball Camp! The Cubs coaching staff will provide on-field instruction to build your skills, develop character and teamwork, and instill confidence. Best of all, you will receive exclusive access and privileges during the week, including Cubs player visits and autographs, an exclusive all-access VIP tour of Wrigley Field, an official Cubs uniform and an invitation to participate in the annual on-field Camper Parade during a Cubs home game at the end of the summer. Registration is online only at [cubs.com/camps](https://cubs.com/camps).

*The cost for this camp is \$599.00, and registration is online only at [cubs.com/camps](https://cubs.com/camps). This is a one-week camp.*

Ages 5-13

07/10-07/14	9:00 am-3:00 pm	LPK0001-007	
-------------	-----------------	-------------	--

# On-Campus Classes (Ages 8-14)

## Flag Football

This camp will focus on the fundamentals that are essential to become a highly skilled player in flag football or transitioning to putting the pads on. This innovative camp will teach the basics of playing quarterback, wide receiver, tight end, offensive and defensive lines, and special teams. Skill based drills and play will be organized on age and ability.

Ages 8-14, no class June 19

06/12-06/23	9:00 am-10:25 am	LPK0002-003	\$209.00
-------------	------------------	-------------	----------

Ages 8-14

07/24-08/04	9:00 am-10:25 am	LPK0002-004	\$225.00
-------------	------------------	-------------	----------

## Harper Coaches Basketball Camp

Basketball players are made in the off-season! Let the Harper College's basketball coaches help you become the best player you can be. This class will drill you on the basics and challenge you to reach your potential. You will work on fundamentals, including: ball handling, passing, shooting, footwork, and rebounding. You will participate in individual and group drills as well as game play between appropriate skill levels, finishing with a better understanding of how to be a well-rounded player. This camp is for all levels of player.

Ages 8-14

06/05-06/09	9:00 am-12:00 pm	LPK0006-011	\$225.00
-------------	------------------	-------------	----------

Ages 8-14, no class July 4

06/26-07/07	9:00 am-10:25 am	LPK0006-012	\$209.00
-------------	------------------	-------------	----------

Ages 8-14

07/24-08/04	1:00 pm-2:25 pm	LPK0006-013	\$225.00
-------------	-----------------	-------------	----------

## Harper Coaches Basketball Camp: Girls

Under the guidance of the Harper College's basketball coaching staff, you will develop the skills you need to take your game to the next level. You will learn the fundamentals of the game, including: ball handling, passing, shooting, footwork and rebounding. Drills will be individual and group-based, with game play between appropriate skill levels. This camp is for all levels of player.

Ages 8-14, no class June 19

06/12-06/23	1:00 pm-2:25 pm	LPK0021-009	\$209.00
-------------	-----------------	-------------	----------

Ages 8-14, no class July 4

06/26-07/07	10:35 am-12:00 pm	LPK0021-010	\$209.00
-------------	-------------------	-------------	----------

## Harper Coaches Cross Country Camp

Are you planning on running cross country this fall at your school, or are you interested in learning the training techniques to become a distance runner? Under the guidance of the Men's National Championship-Winning Head Coach of the Harper Cross Country team, you will develop proper training styles to get the most out of your running. This class is a perfect introduction for every level of runner. No experience necessary. You should wear comfortable shoes designed for running and appropriate clothes for exercise.

Ages 11-14, no class July 4

07/10-07/21	9:00 am-10:25 am	LPK0007-005	\$209.00
-------------	------------------	-------------	----------

## Harper Coaches Soccer Camp

This camp will encourage young and emerging players to develop their skills through the guidance of the Harper College Women's Soccer coaching staff. Participants will build the skills, tactics, and fundamentals needed to perform in matches and strengthen their overall game. This camp will include both offensive and defensive skill development.

Ages 8-14, no class June 19

06/12-06/23	1:00 pm-2:25 pm	LPK0013-019	\$209.00
-------------	-----------------	-------------	----------

Ages 8-14

07/24-08/04	1:00 pm-2:25 pm	LPK0013-020	\$225.00
-------------	-----------------	-------------	----------

08/07-08/11	9:00 am-12:00 pm	LPK0013-021	\$225.00
-------------	------------------	-------------	----------

## Harper Coaches Track Camp

Directed by the five-time Men's National Championship-Winning Harper coaching staff, this camp will introduce you to a variety of events in track and field. You will learn about safety and proper techniques for engaging in shot put, discus, high jump, long jump and hurdles.

Ages 8-14, no class June 19

06/12-06/23	9:00 am-10:25 am	LPK0003-011	\$209.00
-------------	------------------	-------------	----------

Ages 8-14, no class July 4

06/26-07/07	9:00 am-10:25 am	LPK0003-012	\$209.00
-------------	------------------	-------------	----------

## Harper Coaches Volleyball Camp

Learn from the College's volleyball coaching staff while you master or reinforce basic skills, team fundamentals and how to play at higher levels of competition. You'll practice serving, passing, defensive positioning, setting and attacking. Camp includes daily instruction on the court, along with game-like situations where you can apply the skills you are learning. This camp is for all levels of player.

Ages 8-14, no class June 19

06/12-06/23	10:35 am-12:00 pm	LPK0020-011	\$209.00
-------------	-------------------	-------------	----------

Ages 8-14, no class July 4

06/26-07/07	1:00 pm-2:25 pm	LPK0020-012	\$209.00
-------------	-----------------	-------------	----------

Ages 8-14

07/24-08/04	9:00 am-10:25 am	LPK0020-013	\$209.00
-------------	------------------	-------------	----------

# On-Campus Classes (Ages 8-14)

## InZone Swim Camp

It is time to get in the water and be part of a swim camp designed to incorporate every level of swimmer. Beginner level swimmers will become more comfortable in the water by learning all the strokes and will develop some basic water safety skills. Swimmers with more advanced skills will work on competitive stroke techniques as well as improving your starts and turns. Water play and games will also be introduced throughout to enhance the experience. You will be grouped by swim level and work with specific swim instructors throughout the duration of the camp.

Ages 8-14, no class June 19

06/12-06/23	1:00 pm-2:25 pm	LPK0019-028	\$209.00
06/12-06/23	2:35 pm-4:00 pm	LPK0019-029	\$209.00

Ages 8-14, no class July 4

06/26-07/07	1:00 pm-2:25 pm	LPK0019-030	\$209.00
06/26-07/07	2:35 pm-4:00 pm	LPK0019-031	\$209.00

Ages 8-14

07/10-07/21	1:00 pm-2:25 pm	LPK0019-032	\$225.00
07/10-07/21	2:35 pm-4:00 pm	LPK0019-033	\$225.00
07/24-08/04	1:00 pm-2:25 pm	LPK0019-034	\$225.00
07/24-08/04	2:35 pm-4:00 pm	LPK0019-035	\$225.00

## Multi-Sports and Game Play

This is the perfect class to get involved in a variety of different sports activities. Activities will be determined by the interest of the group and input from the instructors and will include kickball, dodgeball, basketball, soccer, flag football, pickleball and many other activities. Emphasis will be on participating in fun group activities while learning and playing. Activities will be inside and outside for this program.

Ages 8-14

06/05-06/09	1:00 pm-4:00 pm	LPK0015-037	\$199.00
-------------	-----------------	-------------	----------

Ages 8-14, no class June 19

06/12-06/23	2:35 pm-4:00 pm	LPK0015-038	\$185.00
-------------	-----------------	-------------	----------

Ages 8-14, no class July 4

06/26-07/07	1:00 pm-2:25 pm	LPK0015-039	\$185.00
06/26-07/07	2:35 pm-4:00 pm	LPK0015-040	\$185.00

Ages 8-14

07/10-07/21	1:00 pm-2:25 pm	LPK0015-041	\$199.00
07/24-08/04	2:35 pm-4:00 pm	LPK0015-042	\$199.00

## Pickleball

Pickleball has quickly become one of the fastest growing sports and this is your chance to learn the game and develop your skills in this fun, competitive sport that combines aspects of tennis, badminton and ping-pong. Learn the rules of the game, how to keep score and play as a single or double in the exciting new indoor camp. All pickleball equipment is provided.

Ages 8-14, no class July 4

06/26-07/07	10:35 am-12:00 pm	LPK0030-001	\$209.00
-------------	-------------------	-------------	----------

Ages 8-14

07/24-08/04	2:35 pm-4:00 pm	LPK0030-002	\$225.00
08/07-08/11	1:00 pm-4:00 pm	LPK0030-003	\$225.00

## Tennis

It is time to hit the courts! Tennis camp is taught using a multi-level teaching format that works with all levels to provide a skill based program designed to increase knowledge of the game and improve the skills of all players. Students are placed in a groups based on ability level. NOTE: All students must provide their own racquets and proper footwear for class. Tennis balls are provided.

Ages 8-14, no class June 19

06/12-06/23	9:00 am-10:25 am	LPK0014-025	\$199.00
-------------	------------------	-------------	----------

Ages 8-14, no class June 19

06/12-06/23	10:35 am-12:00 pm	LPK0014-026	\$199.00
-------------	-------------------	-------------	----------

Ages 8-14

07/10-07/21	9:00 am-10:25 am	LPK0014-027	\$215.00
07/10-07/21	10:35 am-12:00 pm	LPK0014-028	\$215.00
07/24-08/04	9:00 am-10:25 am	LPK0014-029	\$215.00
07/24-08/04	10:35 am-12:00 pm	LPK0014-030	\$215.00

## Crafts

### Construct a Critter

Making your very own fabric stuffed animal will be a special unique addition to your collection. You will learn to sew on a sewing machine, follow pattern directions, and stuff your new little friend to chubby perfection. An assortment of fabric will be provided so each creation will be the only one of its kind.

Ages 8-14

07/10-07/21	10:35 am-12:00 pm	LKD0036-008	\$225.00
-------------	-------------------	-------------	----------

### Crochet Spa Day

Do you know what is constantly trending on social media? It is crochet, yes crochet. Learning how to crochet is taking over TikTok and Instagram. Learn the basic stitches and create a washcloth and soap cozy for an at home spa day. You will also make a sugar scrub to go with your spa day sets!

Ages 8-14, no class July 4

06/26-07/07	1:00 pm-2:25 pm	LKD0061-007	\$209.00
-------------	-----------------	-------------	----------

# On-Campus Classes (Ages 8-14)

## Denim Do Over

Turn trash to treasure as we keep old jeans out of the landfill and repurpose them. You learn to operate a sewing machine and then you will make a purse from the top of a pair of jeans. If time permits, a chic frayed edge jeans patch pillow with built in pockets.

Ages 8-14

07/24-08/04 1:00 pm-2:25 pm LKD0291-001 \$225.00

## Fashion is the Passion

Do you dream of designing and making your own clothes? Develop the skills necessary to build your future as a fashion designer. Learn the principles of stretching and pattern-making, along with the special techniques the top designers use. You will have a wide variety of materials available to develop portfolios highlighting your creations. You will complete the class with fashion show highlighting your designs. Section 010 of this class will focus on skirt design. Skirts are elegant, comfy and so fun to make. Section 011 of this class will be designed around the creation of shorts. Create your own version of this fashion design standard.

Ages 8-11, no class June 19

06/12-06/23 2:35 pm-4:00 pm LKD0183-010 \$229.00

Ages 11-14, no class July 4

06/26-07/07 1:00 pm-2:25 pm LKD0183-011 \$229.00

## Fun in the Sun

Sew a zippered pocket to a beach towel. Construct a window screen tote bag, and, if time permits, decorate a sun visor or flip flops you provide that will make you the envy of the beach or pool.

Ages 8-11, No class July 4

06/26-07/07 10:35 am-12:00 pm LKD0121-006 \$209.00

## Knitting Accessories

Learn how to knit and cast-on while you develop your hand-eye coordination as you create accessories to wear such as a belt or fingerless gloves. All yarn, needles, and simple accessory patterns will be provided.

Ages 8-14, No class June 19

06/12-06/23 2:35 pm-4:00 pm LKD0094-006 \$209.00

## Pamper Your Pets

Combine webbing, fabric, ribbon, and hardware while you make a boutique-style collar bandana, leash, and pet bowl placemat. You will learn to sew on a sewing machine while making these fun and easy projects for your canine or feline friends. If there is time, we will also make easy pet toys. Special dog- or cat-themed fabric is provided.

Ages 8-14

07/10-07/21 1:00 pm-2:25 pm LKD0070-006 \$225.00

## Pillow Power

Pillows are a great way to add comfort and to spice up a room's decor. Make fun pillows featuring trendy techniques from a variety of provided fabrics while you learn to sew on a sewing machine.

Ages 8-14

07/24-08/04 2:35 pm-4:00 pm LKD0131-003 \$225.00

## Sew Comfy

Learn to sew an easy pair of shorts with an elastic waist. You will learn to measure yourself to get the right fit, layout a simple pattern, pin and cut out fabric using the pattern, maintain a consistent seam allowance, construct a casing, insert elastic, how to turn up and sew a hem, and so much more! All fabric and notions provided.

Ages 11-14, no class July 4

06/26-07/07 2:35 pm-4:00 pm LKD0165-008 \$209.00

Ages 8-11

07/24-08/04 10:35 am-12:00 pm LKD0165-009 \$225.00

## Sew Patriotic

Learn to sew a garland of fun pennant flags and a special tote bag to carry supplies to a picnic, parade, or fireworks display all sewn by you as you learn to operate a sewing machine. If there is time, you could also sew a cushion to sit upon and watch the festivities in comfort. All fabric is provided.

Ages 8-14, no class July 4th

06/26-07/07 1:00 pm-2:25 pm LKD0047-004 \$209.00

## You are the Star

Create your own star themed bedroom accessories while you learn to sew on a sewing machine. Planned projects include a decorative star garland, a sleep eye mask, and a fancy pillowcase. Star themed fabric is provided.

Ages 8-14

07/10-07/21 2:35 pm-4:00 pm LKD0292-001 \$225.00

# On-Campus Classes (Ages 8-14)

## IDEAShop: Makerspace

### IDEAShop: AI Explorations

Funded by a grant from the Fabricators and Manufacturing Association, learn about how artificial intelligence is changing the world we live in! Explore the topics of facial recognition, natural language processing, and speech recognition. Gain hands-on experience using Teachable Machine, Semantris, Autodraw, and other online tools to learn about machine learning, and learn basic programming in Python. Have fun learning how AI robots use machine learning technology and interact with chatbots.

Ages 11-14, no class June 19  
06/12-06/23 9:00 am-10:25 am LKD0251-003 \$189.00

Ages 11-14, no class June 19  
06/12-06/23 10:35 am-12:00 pm LKD0251-004 \$189.00

### IDEAShop: Arduino Programming

This exciting Arduino Programming Camp puts the tools and technology into the hands of middle schoolers. You will learn programming, basic electronics, and engineering using the Arduino microcontroller. Work on various projects culminating in the build of an obstacle avoiding robot controlled by an Arduino microcontroller. You will learn about product design careers in the electronics industry. The final day will be a demo day for campers to present their robot to fellow campers and their parents.

Ages 11-14  
07/31-08/04 1:00 pm-4:00 pm LKD0253-004 \$225.00

### IDEAShop: Arduino Programming Powered by TechGirlz

Funded by a grant from the Fabricators and Manufacturers Association, this exciting Arduino Programming Camp puts the tools and technology into the hands of middle school girls. The students will learn programming, basic electronics, and engineering using the Arduino microcontroller. During the week-long day camp, students will build an obstacle avoiding robot controlled by an Arduino microcontroller. Students will learn about product design careers in the electronics industry. The final day will be a demo day for campers to present their robot to fellow campers and their parents.

Girls Ages 11-15, no class July 4  
06/26-07/07 9:00 am-12:00 pm LKD0248-003 \$249.00

### IDEAShop: Become an Entrepreneur Maker

Funded by a grant from the Fabricators and Manufacturers Association, this Entrepreneur Summer Camp puts tools and technology into the hands of middle-schoolers and lets them take the lead in creating new ideas and building their own businesses in a supportive, professional environment. During this weeklong day camp, students will go from idea generation to presentation of their prototype and business plan under the guidance of experienced facilitators and developers. On the last day, we will invite parents and the local community to attend virtually as the students present their businesses to compete for a prize!

Ages 11-15  
06/26-06/30 9:00 am-4:00 pm LKD0250-003 \$275.00

### IDEAShop: Build A BattleBot and Rumble

Funded by a grant from the Fabricators and Manufacturing Association, do you love the TV show BattleBots? Would you love to get a start in combat robotics? You will build your very own plastic 1-pound Antweight or 150g combat robot. You will use 3D modeling software to design the robot chassis and structural components, then use a 3D printer to print your designs in plastic. In addition, you will build your own remote-control electronics with DC motors, speed controllers, a battery, and a radio control transmitter and receiver. Finally, you will assemble, test, and compete with your robot against others in a friendly tournament. We will practice engineering design and iteration, 3D computer modeling, 3D printing, soldering, tool use, mechanical testing, and electronics troubleshooting. Cost of the camp includes a robot to take home.

Ages 11-14  
06/12-06/23 1:00 pm-4:00 pm LKD0287-001 \$325.00

### IDEAShop: Build Your Own 3D Printer

Have you ever dreamt of having your very own 3D printer? In this exciting class, you will build your own 3D printer from a kit and take it home when completed. Learn the fundamentals of how 3D printers work and the essentials of using CAD (computer-aided design). The first thing you print will be your own creation. A thorough discussion on the usage of your new printer and ways to upgrade it will be covered so you are comfortable using the machine once you have it at home.

Ages 11-14  
06/26-06/30 1:00 pm-4:00 pm LKD0077-009 \$375.00  
08/07-08/11 9:00 am-12:00 pm LKD0077-010 \$375.00

### IDEAShop: Coding with Drones

This exciting course will allow you to program fun and useful missions using block programming on a Tello drone. You will command the drone to perform a variety of different missions as you learn how to use geometry to determine the best angle to tilt the drone camera, how to loop commands, how to fly in a star pattern, how to take panoramas using the drone camera, and much more. Students will use drones during class times, but do not get to keep their own drones at the completion of the class. You will work in small groups on all projects.

Ages 11-14, no class July 4  
07/03-07/07 1:00 pm-4:00 pm LKD0180-016 \$209.00

Ages 11-14  
07/31-08/04 9:00 am-12:00 pm LKD0180-017 \$225.00

# On-Campus Classes (Ages 8-14)

## IDEAShop: Engineering Explorers

This week-long camp for middle-schoolers, will dive into the engineering design process, career opportunities, basic 3D modeling software, 3D printing, programming, and machine learning. Students will learn to think and design like an engineer by utilizing the engineering process to design a roller coaster using pipe insulation, marbles, and objects within the room. Additional activities will include designing and printing a 3D model, creating wearable electronics, experimenting with machine learning/computer vision, and competing in engineering challenges. The IDEAShop Engineering Explorers camp is perfect for young and creative minds who have an interest in engineering.

Ages 11-14  
06/05-06/09 9:00 am-4:00 pm LKD0252-002 \$325.00

## IDEAShop: Girls in Engineering Powered by TechGirlz

Funded by a grant from the Fabricators and Manufacturers Association, this week-long camp for middle-school girls, will dive into the engineering design process, career opportunities, basic 3D modeling software, 3D printing, programming, and machine learning. Students will learn to think and design like an engineer by utilizing the engineering process to design a roller coaster using pipe insulation, marbles, and objects within the room. Additional activities will include designing and printing a 3D model, creating wearable electronics, and experimenting with machine learning/computer vision. The IDEAShop Girls in Engineering camp is perfect for young and creative minds who have interests in engineering.

Ages 11-14  
07/10-07/21 1:00 pm-4:00 pm LKD0249-004 \$275.00

## IDEAShop: IoT, The Internet of Things

Funded by a grant from the Fabricators and Manufacturing Association, ever wonder how smart thermostats, smart doorbells, or other smart home devices work? We live in an expanding world of connected devices. The Internet of Things, or IoT, is the billions of physical devices around the world that are now connected to the internet, collecting and sharing data. Thanks to cheap processors and wireless networks, anything with a sensor can become part of the IoT. Everything is going online, including homes, cars, people, medical devices, even farming equipment. In this camp, students will explore example IoT applications and design and build their own connected device.

Ages 11-14, no class June 19  
06/12-06/23 9:00 am-12:00 pm LKD0288-001 \$249.00

## IDEAShop: Raspberry Pi Programming

Funded by a grant from the Fabricators and Manufacturing Association, open-source computer hardware has democratized the design of electronic gadgets and gizmos and inspired a whole community of makers. The focus of the camp will be on building projects. Students will learn programming, basic electronics, and engineering using the Raspberry Pi embedded computer.

Ages 11-14  
07/24-07/28 9:00 am-4:00 pm LKD0254-003 \$275.00

## IDEAShop: The Vex Robot Olympics

Funded by a grant from the Fabricators and Manufacturing Association, welcome to the Robot Olympics! Campers will explore VEX (IQ or V5) by working in groups to build and code their robots to compete in various Robot Olympic Events. Campers will begin by building the Autopilot and using the remote control to play robot soccer against other teams. They will then explore more complex coding and construction to build a Clawbot and code it to compete in the Robot Olympics! Campers learn lifelong skills in teamwork, leadership, and communication, as they go for the gold in Robot Olympics camp.

Ages 11-14  
07/10-07/21 9:00 am-12:00 pm LKD0290-001 \$275.00

**NEW RECIPES  
EACH SUMMER!**

## Kitchen Creations

### Awesome Appetizers

Make your next party a spectacular one. Learn the tips and tricks to make the perfect appetizers for each gathering. Get ready to be creative and be the star chef of your party. Your guests will be begging for more.

Ages 8-11, no class June 19  
06/12-06/23 10:35 am-12:00 pm LKD0124-017 \$209.00

Ages 11-14, no class July 4  
06/26-07/07 9:00 am-10:25 am LKD0124-018 \$209.00

### Bake It, Take It

Get your apron ready and start baking up some fun in this kitchen experience. Learn all the tricks and techniques that chefs and bakers worldwide use to make cookies, cakes, pies and maybe even some bread. No need to pick a favorite because we will be trying them all. The best part is all the goodies you will take home with you to share with family and friends.

Ages 8-11, no class June 19  
06/12-06/23 2:35 pm-4:00 pm LKD0141-016 \$209.00

Ages 11-14  
07/24-08/04 10:35 am-12:00 pm LKD0141-017 \$225.00

# On-Campus Classes (Ages 8-14)

## Better Than Drive Thru

Derive even more satisfaction from fast food made by yourself. You will be making common fast food menu favorites including chicken strips, French fries, orange chicken, smoothies, meatball subs, Mexican pizza, hard and soft shell tacos, flame broiled burgers and pasta dishes. This fast food will introduce you to quick, easy recipes that will please the whole family.

Ages 8-11, no class July 4

06/26-07/07 1:00 pm-2:25 pm LKD0159-010 \$209.00

Ages 11-14

07/10-07/21 2:35 pm-4:00 pm LKD0159-011 \$225.00

## Bountiful Breakfasts

It has been said that breakfast is the important meal of the day. If that's the case than what a better way to expand what you love to eat in the morning. In this exciting class, you go from the same old cereal, toaster treats or microwave waffles to creations that will amaze your family and friends and have taste buds screaming for more. New recipes each year.

Ages 11-14, no class June 19

06/12-06/23 9:00 am-10:25 am LKD0127-018 \$209.00

Ages 8-11

07/24-08/04 9:00 am-10:25 am LKD0127-019 \$225.00

## Chef's Challenge

Think you have the skills to be a top chef? Then take the challenge. Class focus will be on cooking, food preparation and presentation. You will work in small groups on recipes during the week and on the last day a challenge between groups will determine who will win the coveted InZone Chefs of the Future award. Groups will be judged on topics discussed throughout the session.

Ages 11-14

07/24-08/04 2:35 pm-4:00 pm LKD0138-009 \$225.00

## Cookies, Bars and Breads

It is time to bake up a storm in this hands on cooking class. You will amazed with the variety of beautiful baked goods created in such a small amount of time. This exploration into the world of baking will take you on a journey of sweet and savory baked goods to taste and enjoy.

Ages 8-11

07/10-07/21 9:00 am-10:25 am LKD0160-015 \$225.00

## Cupcake Canvas

As you let your imagination run wild, the amazing cupcake will be your canvas. You will create beautiful works of art using icing, cookies and many candy flavors. You will be creating flowers, animals, and small displays to celebrate holidays, birthdays and more.

Ages 11-14

07/10-07/21 10:35 am-12:00 pm LKD0128-020 \$225.00

Ages 8-11

07/24-08/04 1:00 pm-2:25 pm LKD0128-021 \$225.00

## From My Head To-ma-toes

Experience and prepare delicious vegetarian and nourishing vegan recipes that will impress your family with meals everyone will love. Learn to cook easy and delicious breakfasts, fast lunches, dinners and desserts in small groups as you complete the recipe of the day. Vegan items are vegetarian, dairy free and does not include animal by-products. Vegan students will have slight alterations to some of the vegetarian recipes that will be prepared.

Ages 11-14

07/10-07/21 1:00 pm-2:25 pm LKD0161-008 \$225.00

## Holiday Treats

The holidays are a special time of year and the food of each one is what makes them special. Come celebrate the holidays and learn recipes that will make each family gathering one to remember. Have fun while celebrating Valentine's Day, Cinco de Mayo, 4th of July and more.

Ages 8-11, no class July 4

06/26-07/07 2:35 pm-4:00 pm LKD0129-016 \$209.00

## Kitchen Clash

Participants in this fun, but competitive class will be divided into groups. Each group will receive a different recipe for the same dish. When all the groups have cooked their dishes, we will have a tasting review. The winning recipes will be compiled into a recipe book that each student will receive at the end of the class. Competitions may include chili, spaghetti sauce, and macaroni and cheese cook-offs.

Ages 11-14, no class June 19

06/12-06/23 1:00 pm-2:25 pm LKD0015-012 \$209.00

## Pasta Power

Smash the thought that pasta for dinner always has to mean spaghetti and red sauce. You will conquer incredible pasta dishes that incorporate a variety of ingredients and are out of this world delicious!

Ages 11-14, no class on July 4

06/26-07/07 10:35 am-12:00 pm LKD0130-009 \$209.00

# On-Campus Classes (Ages 8-14)

## Math, Science and Games

### A Matter Of Chemistry

Elephant Toothpaste? Bath Bombs? What do these have to do with Chemistry? Chemistry is about relationships that matter. Some matter plays nicely together while others create explosive pairings. You become the chemist mixing and measuring to explore physical and chemical reactions in the college chem lab. What really causes that explosion? You will be the scientist experimenting with different amounts (variables) to find just the right reaction you like. We will (safely) explore the 4 states of matter (yes, there are really four!), as well as acids bases, and design your own t-shirt using chemistry!

Ages 11-14

07/10-07/21 10:35 am-12:00 pm LKD0023-010 \$225.00

Ages 8-11

07/10-07/21 1:00 pm-2:25 pm LKD0023-011 \$225.00

### All About Astronomy

Daylight is nice but the night sky can be amazing! Some things can be seen while the sun is up, but the really stellar objects are found after the sun goes down. We will learn how our solar system works and discover how to see other matter on a clear, dark night.

Ages 11-14

07/24-08/04 1:00 pm-2:25 pm LKD0140-007 \$225.00

### Biotechnology

Many people may not realize our lives have improved because of biotechnology. We have new medicines, food, and alternative fuels because of work in the fields of biochemistry and bio-engineering. Lots of hands-on activities gets kids involved with the science behind this exciting and burgeoning field. We'll actually capture samples of DNA; learn about what goes into bio-robotic coding that is used to create new medicines; and make exciting chemical reactions that overlap with bio-engineering. Kids love the popular cryptography challenge!

Ages 11-14, no class July 4

06/26-07/07 10:35 am-12:00 pm LKD0071-010 \$209.00

### Bones and Blood

How many bones are there in your body? Why is your blood red? Why do you burp? What happens inside you when you get the flu? These are just a few of the questions you will be discovering the answers to in this exciting class. Join our team to discover how the human body is put together and how it works.

Ages 8-11

07/10-07/21 2:35 pm-4:00 pm LKD0126-006 \$225.00

### Building Self-Awareness Through STEM

Self-awareness is a skill vital to student success. This class will help to develop this trait and show you how awareness can become one your strongest allies for those interested in subjects related to STEM. This one-week camp session will shine light on issues that some students may face regarding appearance. With STEM experiments focused on skin and hair, you will learn the biology and chemistry involved in skin and hair products while making your very own to take home throughout the week.

Ages 8-11

06/05-06/09 9:00 am-12:00 pm LKD0298-001 \$225.00

### Camp Ooey Gooey

Are we going to make slime? The answer is: Yes, but so much more! What students get is a whole bunch of science (chemistry, physics and biology) but think they are just playing! Decorate lab coats with chromatography; get into some biology outside and do a Make-n-Take using air plants; design t-shirts and painting with polymers, a liquid latex that results in the rubbery texture you see on t-shirts everywhere. This program is a real favorite.

Ages 8-11

06/05-06/09 9:00 am-12:00 pm LKD0034-013 \$225.00

Ages 11-14, no class July 4

06/26-07/07 1:00 pm-2:25 pm LKD0034-014 \$209.00

### Checkmate Chess

Develop your intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Chess has been proven to enhance motivation, concentration, focus, social skills, and creativity. Each class will consist of a fun, interactive teaching period with the instructor and guided practice time where you can play against others in the class as you develop the skills to become a better overall chess player. Both beginner and experienced players are welcome and will learn under the guidance of an experienced Chess Scholars coach.

Ages 8-14, no class July 4

06/26-07/07 1:00 pm-2:25 pm LKD0038-025 \$209.00

06/26-07/07 2:35 pm-4:00 pm LKD0038-026 \$209.00

Ages 8-14

07/10-07/21 9:00 am-10:25 am LKD0038-027 \$225.00

07/10-07/21 10:35 am-12:00 pm LKD0038-028 \$225.00

# On-Campus Classes (Ages 8-14)

## Crime Scene to Courtroom: Order in the Court

Once the CSI team has collected the evidence and the police finish their investigation, it is time for the case to enter the judicial system. Learn what it is like to be a part of the proceedings through three different court cases designed to let you experience all the roles associated with a case. Take turns developing statements and arguments as a prosecutor or defense lawyer. Control the court events without bias as the elected judge. Be part of the jury to determine the verdict after all the forensic materials have been presented. Innocent or guilty?

Ages 11-14, no class June 19  
06/12-06/23 1:00 pm-2:25 pm LKD0059-011 \$209.00

Ages 11-14  
08/07-08/11 1:00 pm-4:00 pm LKD0059-012 \$225.00

## CSI: Observe, Collect and Inspect

Crime Scene Investigation (CSI) combines the work of many professionals to ensure that all crime scene evidence is collected and no details are overlooked. The class studies professions such as K-9 units that do evidence searches, pathologists for fingerprint analysis, psychiatrists for human profiling, and many more. Learn skills in handwriting and shoe print analysis, and other evidence evaluation techniques as you and your classmates investigate to help process crime scenes in the Harper College Crime Lab. Crime scenes change each year.

Ages 11-14  
06/05-06/09 1:00 pm-4:00 pm LKD0136-013 \$225.00

Ages 11-14, no class July 4  
06/26-07/07 1:00 pm-2:25 pm LKD0136-014 \$209.00

Ages 11-14  
07/24-08/04 2:35 pm-4:00 pm LKD0136-015 \$225.00

## Engineering: Bridge Design

The professionals at Sylvan Learning will help you learn engineering basics like force, stress, tension, and compression while building seven different types of bridges. Incorporating key STEM and architecture concepts into the work, you will figure out what handles the most load and which bridge is right for different situations. In the process, you will learn how to create, design, brainstorm, collaborate, problem solve, and present your ideas to others.

Ages 8-11  
06/05-06/09 9:00 am-12:00 pm LKD0065-004 \$225.00

Ages 8-11, no class July 4  
06/26-07/07 1:00 pm-2:25 pm LKD0065-005 \$209.00

Ages 8-11  
07/24-08/04 2:35 pm-4:00 pm LKD0065-006 \$225.00

## Exploring Planet Earth

We pack art, science, outdoor games, and activities during this session focusing on mysteries of the planet and creating ways to tell others about these fantastic findings. You will get introduced to various ideas about ecosystems and biodiversity; animals and their changing environments, and ways that people tell others about it. Projects are chosen by personal interest.

Ages 8-11, no class June 19  
06/12-06/23 10:35 am-12:00 pm LKD0285-001 \$209.00

Ages 11-14, no class July 4  
06/26-07/07 2:35 pm-4:00 pm LKD0285-002 \$209.00

## Food Science

Food is part of our everyday lives as well as science. This one-week camp session gives students exposure to food science through unique experimentation. STEM experiments will focus on the science of candy making, the oxidation of fruits and vegetables, extracting DNA from fruit, pH scale, and chemistry behind beverages.

Ages 11-14  
08/07-08/11 9:00 am-12:00 pm LKD0299-001 \$225.00

## Grand STEM Challenge: Renewable Energy

Sylvan Learning Center will be entering teams in a national competition called The Grand STEM Challenge. Students learn to solve real-world problems; just like engineers do! The challenge involves making a machine that uses a renewable energy source to lift an object from the floor to a higher level. As teams face the challenges of inventing, they will also learn about renewable energy and why it is so essential for a bright future.

Ages 8-11  
08/07-08/11 9:00 am-12:00 pm LKD0064-009 \$225.00

## Lego Bot Labs

In this exciting class the educators from Sylvan Learning will help you build Lego robots and program them using Lego WeDo software. Course includes 36 new builds, including both WeDo 1 and WeDo 2 kits and software. You can pick from Safari, Space and City themes, learning to build, program and problem solve while incorporating STEM concepts. If you are new to Lego and WeDo or an experienced builder, the fun and learning are all rolled into one.

Ages 8-11  
06/05-06/09 1:00 pm-4:00 pm LKD0051-007 \$225.00

Ages 8-11, no class July 4  
06/26-07/07 2:35 pm-4:00 pm LKD0051-008 \$209.00

Ages 8-11  
07/24-08/04 10:35 am-12:00 pm LKD0051-009 \$225.00

## Lift Off Engineering

If you like blasting rockets into the air and parachutes floating to earth, then this class is for you! We will be working with many projectiles (safely!) and discovering the world of flying objects. You will build and test airplanes, rockets, rovers, hovercrafts and catapults to discover what makes a successful launch. You will also be part of a demo with model rockets outside as we find out about the physics behind the forces of flight.

Ages 8-11  
06/05-06/09 1:00 pm-4:00 pm LKD0020-010 \$225.00

Ages 8-11, no class June 19  
06/12-06/23 1:00 pm-2:25 pm LKD0020-011 \$209.00

# On-Campus Classes (Ages 6-14)

## Math Edge

Become a Math Whiz and Master Problem Solver through challenging and kid-friendly activities. In partnership with Sylvan Learning, this class will help avoid the summer slide in math skills while challenging you to start next school year at a higher level. Math Edge kids increase confidence by building math proficiency and fluency, and also by becoming master problem solvers and independent thinkers. This five-step approach ensures that you will successfully master math concepts while developing self-learning techniques that drive independence. In addition, there are math challenges, puzzles and brainteasers that you work on in small groups to build problem solving, logic, reasoning and collaboration skills. Most importantly, we make it fun. Sylvan will gather parent input prior to the class to customize math topics based on that input.

Ages 8-11

07/10-07/21	9:00 am-10:25 am	LKD0044-014	\$225.00
07/24-08/04	9:00 am-10:25 am	LKD0044-015	\$225.00

## Pokémon: Mastering the Card Game

Almost every kid has collected "Pokémon Cards" at some point, but few actually know how to play the game the cards are based on. This class will provide a fun environment where you will learn the basics of gameplay, get tips and strategies for deck building, and compete in friendly competitions with other students for small prizes and bragging rights. The goal of this class is to enlighten kids with a fun, robust, and already popular game; while also promoting healthy and respectful competition. Pokémon cards will be supplied during class, but you are encouraged to bring your own collection as well.

Ages 8-14

07/10-07/21	1:00 pm-2:25 pm	LKD0018-017	\$209.00
07/10-07/21	2:35 pm-4:00 pm	LKD0018-018	\$209.00
08/07-08/11	1:00 pm-4:00 pm	LKD0018-019	\$209.00

## Pre-Algebra Edge

Sylvan Learning Center staff helps you build math proficiency and confidence by connecting algebra skills to real-life scenarios and applying skills to word problems. Topics include integers, variable expressions, inequalities, ratios/proportions and linear functions. Develop a stronger math base for middle and high school by reviewing pre-algebra and algebra concepts on a state of the art digital platform designed to engage and spark your algebra knowledge base. Sylvan will gather parent input prior to the class to customize math topics based on that input.

Ages 11-14

07/10-07/21	10:35 am-12:00 pm	LKD0105-009	\$225.00

## Theme Park Engineering

Trains powered by magnets? Roller coasters and science? Yes! We take basic physics beginning with star attractions at amusement parks while having a ton of fun! Kids learn about important engineering careers and discover technologies that exist in our society to help deepen scientific skills! Students will take home their own mag-lev system.

Ages 8-11, no class June 19

06/12-06/23	9:00 am-10:25 am	LKD0033-009	\$209.00
-------------	------------------	-------------	----------

## Music

## Broadway Musicals

This course will cover the most influential musicals of the 20th and 21st Century and how they influenced the musicals of today. We will learn the roles and jobs that work together to create a production and try our hands at playwriting and design. In addition, each student will choose to present either a report on a favorite musical and/or a solo performance of a song from a show. The presentations will be viewed by the class on our final day.

Ages 8-14, no class July 4

06/26-07/07	1:00 pm-2:25 pm	LMY0037-023	\$189.00
07/10-07/21	1:00 pm-2:25 pm	LMY0037-024	\$199.00

## Bucket Drumming

Group bucket drumming classes are designed to be a fun way to explore a variety of rhythms from around the world. You can expand your musical abilities through rhythmic games, listening, playing pieces, and hands-on drills. You will develop a basic understanding of various rhythm patterns as well as the basic, related terminology. The main instrument used will be a bucket, and instruments will be provided. No experience is necessary to participate. Elliott Ross, instructor

# On-Campus Classes (Ages 8-14)

## Build Your Electric Guitar

Build your own electric guitar under direct supervision of a professional artist. You will learn how to build, setup, and adjust your guitar. Save hundreds of dollars in future repair costs! This is how this works, you must purchase a kit from [www.solomusicgear.com](http://www.solomusicgear.com) and bring it over on the first day of class; make sure that the kit you purchase is unfinished. Paint materials, tools and cases will be provided as well as a guitar tool-kit that you'll get to keep.

Ages 11-14, no class June 19

06/12-06/23 9:00 am-10:25 am LMY0033-002 \$255.00

## Group Guitar for Beginners

Never played any instruments before? No worries. Played a little, but need a little more push? Join in! Learn basic picking, simple strumming skills, notation and chord charts, and basic right and left-hand techniques in a fun, relaxed, and supportive environment. You must have a guitar. Elliott Ross, instructor

Ages 8-14, no class June 19

06/12-06/23 1:00 pm-2:25 pm LMY0039-034 \$189.00

Ages 8-14, no class June 19

06/12-06/23 9:00 am-10:25 am LMY0039-035 \$189.00

Ages 8-14, no class July 4

06/26-07/07 9:00 am-10:25 am LMY0039-036 \$189.00

Ages 8-14

07/10-07/21 10:35 am-12:00 pm LMY0039-037 \$199.00

07/24-08/04 9:00 am-10:25 am LMY0039-038 \$199.00

## Group Guitar: Continuing

Continue learning the guitar and dig deeper into its repertoire. Your focus will be on enhancing playing techniques; developing listening skills, developing rhythmic accuracy, and learn new chord progressions. The group will expand the variety of genres covered in the beginners' class and add variations to what has already been learned.

Elliott Ross, instructor

Ages 8-14, no class July 4

06/26-07/07 10:35 am-12:00 pm LMY0040-013 \$189.00

Ages 8-14

07/10-07/21 2:35 pm-4:00 pm LMY0040-015 \$199.00

Ages 8-14

07/24-08/04 10:35 am-12:00 pm LMY0040-014 \$199.00

## Group Piano for Beginners

Learn to play the piano! This class is designed for absolute beginners, and no piano or extra practice at home is needed. You will start at the very beginning and will have fun playing songs and lots of music games and activities every day. Instructional materials will be provided and it is strongly recommended for children to have a piano or keyboard at home (If instruction moves to an online platform then having a keyboard or piano is required). If you have always wanted to try the keyboard, now is the time!

Ages 8-14, no class June 19

06/12-06/23 9:00 am-10:25 am LMY0041-029 \$189.00

06/12-06/23 10:35 am-12:00 pm LMY0041-030 \$189.00

Ages 8-14, no class July 4

06/26-07/07 10:35 am-12:00 pm LMY0041-031 \$189.00

Ages 8-14

07/24-08/04 9:00 am-10:25 am LMY0041-033 \$199.00

## Group Piano: Continuing

Continue learning the piano and dig deeper into the classical repertoire. Enhance your playing technique; develop listening skills, rhythmic accuracy, and expression. The group will expand the repertoire it covered in the beginner class; add variations to what has already been learned; and will continue playing music games and learning new fun songs. Piano books are provided and you will have your own piano and headset. If possible, children should have a piano or keyboard at home for practicing.

Ages 8-14

07/10-07/21 9:00 am-10:25 am LMY0042-013 \$199.00

07/24-08/04 10:35 am-12:00 pm LMY0042-014 \$199.00

## Group Ukulele for Beginners

The ukulele, that lovable little four-stringed instrument, is everywhere in pop music today. From George Harrison to Train to Bruno Mars to Jason Mraz and Zooey Deschanel, we cannot get enough! Learn to play the uke and get a great introduction to other fretted instruments including guitar, mandolin, and banjo. Students will enhance their playing technique; develop listening skills, rhythmic accuracy, and learn chord progressions. The group will cover a variety of genres that can range from country, folk, and blues to bluegrass. No experience required. An update will be provided regarding the ability for Harper to provide musical instruments for individuals who require this service.

Ages 8-14, no class June 19

06/12-06/23 10:35 am-12:00 pm LMY0032-023 \$189.00

07/10-07/21 9:00 am-10:25 am LMY0032-024 \$199.00

# On-Campus Classes (Ages 8-14)

## Latin and African Drumming

Learn to combine movement and rhythm taking a deep cultural dive into the drumming styles of Latin America and Africa. Students will learn traditional instruments from West Africa, Caribbean, and South America, while learning to sing and play in small groups. We will focus on percussive techniques and rhythms, this course is a great tool for social and artistic expression. Instruments will be provided for the whole duration of the course, no experience necessary.

Ages 8-14, no class June 19

06/12-06/23 1:00 pm-2:25 pm LMY0129-001 \$189.00

## Make Music on Your Computer I

Learn how a song evolves from an idea into a hit. You will learn the basic elements of music production for Rock, Country, Dance, Hip Hop or Pop styles. Hands-on activities will help you build your own song from the very beginning. Using loops, samples, MIDI, audio and music technology you will learn to use the tools that craft a hit song. Create beats from scratch and add your own unique melodies and sounds. No previous music experience required. This is for anyone who wants to learn about making music using computers.

Ages 11 to 15, no class June 19

06/12-06/23 1:00 pm-2:25 pm LMY0034-019 \$199.00

Ages 11 to 15, no class July 4

06/26-07/07 1:00 pm-2:25 pm LMY0034-020 \$199.00

Ages 11 to 15

07/10-07/21 1:00 pm-2:25 pm LMY0034-021 \$225.00

## Make Music on Your Computer II

Want to quickly get up to speed with Apple music-creation software? You do not need any musical training to record your songs. You will only need a few minutes to start using the GarageBand program. Begin with an overview of the software interface and then cover topics such as looping, MIDI tracks, and recording real instruments. You will learn how to assemble components, mix your songs, and export them to iTunes. Students will have an opportunity to go deeper into song creation, work on music for video, make original loops, harmony with chords, and other advanced techniques. Students must have taken Make Music on Your Computer I, or have equivalent experience.

Ages 11-15, no class July 4

06/26-07/07 2:35 pm-4:00 pm LMY0054-008 \$199.00

Ages 11-15

07/10-07/21 2:35 pm-4:00 pm LMY0054-009 \$225.00

## Music Fun, Activities and Games

This class will be invigorating and exciting, with students on their feet playing a variety of music games and having fun while learning the basics of music! We will cover theory concepts such as Rhythm, Staff Notes, Intervals, Music Alphabet Sequencing, Music Terms, Composers, and more! No previous musical experience is necessary.

Ages 8-11

07/10-07/21 10:35 am-12:00 pm LMY0060-011 \$199.00

## Rock and Roll Camp

Jamming with professional band members, performers, and songwriters playing some of the greatest Rock and Roll songs of the last 40 years. This is a once-in-a-lifetime opportunity to jam, practice, and perform. You will spend 10 days learning the likes of iconic artists. The song selection will be customized to your playing level and will be pulled from multiple genres. We will finish the course with a performance at Harper. Get ready to hit the stage and perform some of the most iconic rock anthems.

Ages 8-14, no class July 4

06/26-07/07 1:00 pm-2:25 pm LMY0050-006 \$250.00

## Sing with Me: Disney Songs

Do you love to sing? Join us for a week of songs, trivia, games and fun! We will discover the history behind our favorite songs and learn some "hidden gems" that may become new favorites. You will sing with simple sheet music, sing-along videos and even a Disney Karaoke party. No previous music instruction needed, but students who can read music may be given more challenging material. So, if you love the music of COCO, Zombies, Moana, Cinderella, Soul, Descendants, Aladdin, The Princess and the Frog, or ANY of the great songs in the Disney universe, come join us and sing along!

Ages 11-14, no class July 4

06/26-07/07 10:35 am-12:00 pm LMY0102-007 \$189.00

07/10-07/21 10:35 am-12:00 pm LMY0102-008 \$199.00

## Songwriting for Teens

Dig into the craft and artistry of songwriting using piano/keyboard or string instruments and singing to develop your own songs. You will focus on contemporary music, including folk and blues elements, the basis for pop, hip-hop, country, and jazz. Each day, your instructor will give individual guidance as you listen and study great songs from these traditions. Then, you will create and record your compositions, assisted by a professional musician. Perform your own or other students' work at the end of the course. Students should play a piano/keyboard or chordal instrument and be familiar with traditional music notation or tablature. Ages exceptions are made based on experience. Please contact 847-925-6659 for more details. Elliott Ross, instructor

Ages 13-16

07/10-07/21 1:00 pm-2:25 pm LMY0051-005 \$225.00

## Summer Band

Calling all brass and woodwind instrumentalists at the junior high school level to join our summer band. We'll emphasize fun as you explore various types of music to build your repertoire while learning more about what your instruments can do. There will be a short recital at the end of the session. Students must bring their own instruments.

Ages 11-14, no class June 19

06/12-06/23 10:35 am-12:00 pm LMY0052-004 \$189.00

## The Choral Experience

Do you love singing in choirs? This is the course for you! During this 2-week session we will work on different choral warmups, talk about music theory, and learn a couple of choral songs as a group. At the end of the 2-week session, we will host a mini in-class concert for family and friends!

Ages 8-14

07/10-07/21 1:00 pm-2:25 pm LMY0127-001 \$199.00

# On-Campus Classes (Ages 8-14)

## Vocal Technique for Singers

Many singers want to improve but do not know where to start. In this course we will focus on technique and building strength through exercises and good practice. Each student will work on 2 pieces over the length of the course; one of your choice, one instructor choice. We will discuss the best ways to learn a new song, practice and perform to the best of ability, culminating in a live virtual recital on our last day. If voice lessons are on your to-do list but you are not sure where to start, join us.

Ages 11-14

07/10-07/21 10:35 am-12:00 pm LMY0105-006 \$199.00

## Stage/Sound/Screen

### Film Acting Camp-Quiet on the Set

This extensive program will teach you all aspects of film production taught by professionals, where everyone will get in front of the camera to star in a short film, and go behind the scenes to find out what movie-making is all about. Learn about script creation, acting on film, and all the preproduction activities of a working set, including camera techniques, on-location shooting, wardrobe, make-up and editing. All participants will have roles based on their preferences. Either on film, behind the scenes and in most cases both. Experience and learn everything from producing and directing to acting. All students will receive a copy of the movie and if allowed we will premiere the film at Harper College for family and friends after editing is finished.

Ages 8-14, no class June 19

06/12-07/07 9:00 am-12:00 pm LKD0025-007 \$499.00

Ages 8-14

07/24-08/11 9:00 am-12:00 pm LKD0025-008 \$425.00

## Improv Games

Ever play an old game a new way, with your own rules or no rules? Sometimes we have the most fun when we think out of the box and let our imaginations run wild. That is improv! Improv lets you live in the moment, and it can be very funny to see what comes next. Develop your improv skills through fun techniques and games.

Ages 8-14, no class June 19

06/12-06/23 1:00 pm-2:25 pm LKD0016-017 \$199.00

Ages 8-14

07/10-07/21 9:00 am-10:25 am LKD0016-018 \$215.00

## Making Documentary Films

This 2 week course dives into the world of documentaries and how to capture the real life stories of real people like you. This class will specifically document the experiences that kids have in the InZone program. You will learn film production from professionals as you move around the campus filming InZone classes. You will learn to create a storyboard and receive tips on how to conduct good interviews. You will be involved in all the pre-production activities of a working set including camera techniques and on-location shooting. All participants will participate in a variety of roles both on and off camera ranging from producing and directing to acting and editing. At the end of class, we will premiere the completed film at Harper for family, friends and the public. NOTE: While the goal is to premiere the film the last week of InZone, if more editing is required, we will show it at a later date.

Ages 8-14

07/10-07/21 1:00 pm-4:00 pm LKD0147-009 \$349.00

## Stand Up and Sketch Comedy Creation

Comedy comes in many forms and this class will highlight and develop two of the most common. Throughout this course you will learn how to find comedy in everyday life and work on comedy sketches and stand-up comedy routines. You will create a comedy routine with the help of the teachers that best fits your voice. Learn to spot the set-up and the punch line. Modeled (loosely) on the Drybar social media platform you will learn that good comedy is built from experiences, is smart and a good comic can develop material that is from the most random of subjects and be enjoyable for all. Sketch work will be solo and in teams. You will learn how to put skits together, timing and how to deliver the line that will have everyone laughing and wondering what you are going to say next.

Ages 8-14, no class on June 19

06/12-06/23 2:35 pm-4:00 pm LKD0224-009 \$199.00

Ages 8-14

07/10-07/21 10:35 am-12:00 pm LKD0224-010 \$215.00

## Stars of the Stage

This 2 week program will help you fully experience every element of creating a theatrical project. Start by learning the language of theater, from the basics like stage right and stage left to more advanced concepts like arc of the narrative and raising the stakes. Utilizing a collection of short plays, you will participate in an audition, a blocking rehearsal and a technical rehearsal. The result will be a performance of live theater to share what you have learned over the course of the class.

Ages 8-14, no class July 4

06/26-07/07 1:00 pm-4:00 pm LKD0027-008 \$329.00

# On-Campus Classes (Ages 8-14)

## Stories, Writing and the World

### American Sign Language

Imagine that you are working in a school, hospital, or court and helping people by translating between two languages. Interpreters do this each day. This class uses interactive activities to teach you how to communicate using American Sign Language, the sixth-most used language in the U.S.A. with more than a million users. You will be introduced to Deaf culture as you learn the alphabet and more than 250 ASL signs.

Ages 8-14, no class June 19

06/12-06/23 2:35 pm-4:00 pm LKD0003-010 \$199.00

Ages 8-14

07/10-07/21 1:00 pm-2:25 pm LKD0003-011 \$209.00

### American Sign Language Continued

The goal of class is to get you to become more fluid in signing. Previous introduction to American Sign Language is helpful, especially in the area of the alphabet, numbers, and greetings. You will increase speed in fingerspelling and concentrate on expressive and receptive skills while communicating with American Sign Language as each of us explains what we have done in the past day and see stories, as well. You will leave with more comfort socializing with people who regularly use ASL. This is a great course to follow LKD0003 American Sign Language.

Ages 8-14, no class July 4

06/26-07/07 2:35 pm-4:00 pm LKD0189-007 \$199.00

### Fantasy Fiction

Do you like to escape into magical worlds with fantastic characters and breathtaking creatures? Have you ever thought about writing your own stories rooted in the world of fantasy? If so, then this class is for you. Focusing on the master writers in this genre, you will learn about story development, create a journal and write your own stories using fantasy elements. In a world you create, the possibilities are endless.

Ages 11-14

06/05-06/09 9:00 am-12:00 pm LKD0093-005 \$225.00

### Harry Potter: First Year

First Year students! Pack your bags and head to Platform 9¾ for a trip to Hogwarts. Put on the sorting hat and become part of the Gryffindor, Ravenclaw, Hufflepuff or Slytherin house. Focusing on all the books in J.K. Rowling's popular Harry Potter series, we will play games, make crafts and participate in fun science projects to keep your magic skills in order.

Ages 8-14, no class June 19

06/12-06/23 10:35 am-12:00 pm LKD0010-006 \$209.00

### Harry Potter: Second Year

As a Second Year Hogwarts student, you will sew a wizard hat, create a wizard chess set, start Quidditch practice and make your own Nimbus 2009. You will also attend classes, including The Care and Handling of Magical Creatures (with an introduction to Pygmy Puffs) and Potions and Transfiguration. Watch out! The traditional competition for the House Cup gets a bit more difficult.

Ages 8-14, no class June 19

06/12-06/23 1:00 pm-2:25 pm LKD0052-006 \$209.00

### Harry Potter: Seventh Year and Beyond

For Harry Potter FAN-atics who have read ALL the books, this is THE class! How did J.K. Rowling create the world of Harry Potter? What message does Ms. Rowling want us to get from the series? Has Harry Potter had an impact on our society? Watch an interview with the author, discuss the archetypes in her stories and learn the legends, myths and reality behind them. We will also try knitting house book scarves and stylizing our favorite Dumbledore quote, suitable for framing!

Ages 8-14, no class July 4

06/26-07/07 10:35 am-12:00 pm LKD0143-004 \$209.00

### Harry Potter: Storytelling and RPG

Delve into the world of Harry Potter with this pen and paper game. Learn the basic rules of roleplaying, while writing one shot adventures that take place in the Wizarding World. You will learn the art of story-telling, create unique characters, and play through their adventures!

Ages 8-14

06/05-06/09 1:00 pm-4:00 pm LKD0245-003 \$225.00

### Harry Potter: Third Year

Third Year Hogwarts students create spell books to use in class and house badges. They also get to write for the wizarding newspaper (The Daily Prophet), finger-knit house book scarves, and attend classes like Advanced Care of Magical Creatures and The History of Hogwarts and Divination. The competition for the House Cup rivals the Tri-wizard tournament in difficulty!

Ages 8-14, no class July 4

06/26-07/07 9:00 am-10:25 am LKD0144-006 \$209.00

# On-Campus Classes (Ages 8-14)

## Japanese I

Learn the unique language of the Far East. Through the use of games, video, origami and calligraphy, immerse yourself in a culture based on ancient tradition. For some extra fun, you will earn classroom yen, the Harper version of Japanese currency, and experience a Japanese shopping event like you might find on the streets of Tokyo.

Ages 11-14, no class July 4  
06/26-07/07 10:35 am-12:00 pm LKD0137-009 \$199.00  
Ages 11-14  
07/10-07/21 9:00 am-10:25 am LKD0137-010 \$209.00

## Model United Nations

Become one of the 400,000 students around the world in Model United Nations! Assume the role of an ambassador and represent your country to solve current world issues. Throughout the week students will research a world problem, develop solutions, and negotiate consensus with their peers. This program teaches teens and tweens core skills such as research, writing, public speaking, problem solving, and conflict resolution. Model UN alumni have gone on to become supreme court justices, world leaders, lawyers, and business professionals. No prior experience is needed.

Ages 11-14, no class July 4  
06/26-07/07 10:35 am-12:00 pm LKD0297-001 \$209.00  
Ages 11-14  
07/24-08/04 1:00 pm-2:25 pm LKD0297-002 \$225.00

## On the Case: Detective Fiction

If bumps in the night, missing jewelry, or false suspects and crazy plot twists has you donning your best hat and searching for your spyglass, then this class is for you. Learn about different types of crime stories and the detectives who solve them. Then, try your hand at solving a few whodunits yourself. Play a game of Clue and create mysteries for your family and friends to solve!

Ages 11-14, no class June 19  
06/12-06/23 9:00 am-10:25 am LKD0092-006 \$209.00

## Percy Jackson and the Olympians

Welcome to Camp Half-Blood! Enter the world of Rick Riordan's Percy Jackson & the Olympians book series, where you will make your very own Riptide sword, play capture the flag, eat blue food, go on an InZone Quest and make Harper College safe from Cronus and his followers. Return to the real world with your own Camp Half-Blood bead necklace! NOTE: This course is inspired by the characters and events in the Percy Jackson & the Olympian series by Rick Riordan but are not endorsed by the author or publisher.

Ages 8-14, no class July 4  
06/26-07/07 2:35 pm-4:00 pm LKD0002-005 \$209.00

## Poetry Jam Slam, the Youth Version

Poetry can be seen as a way to express yourself creatively without judgement. This course will expand on writing creatively during class on topics of interest and give youth writers an opportunity to openly recite their work. This course will explore different poetry styles while challenging the writers to step outside of their comfort zone to allow the creativity to flow naturally. The course is designed to explore self-creations and the love for creativity.

Ages 11-14, no class June 19  
06/12-06/23 1:00 pm-2:25 pm LMY0125-001 \$189.00  
07/10-07/21 1:00 pm-2:25 pm LMY0125-002 \$199.00

## Tech Knowledgey

### 3D Printing and Harry Potter

Take your love of Harry Potter to a whole new level when you learn the basics of 3D printing while completing Harry Potter themed projects. You will learn to use Computer Aided Design (CAD) to create and print 3D objects right before your eyes. Projects include Wands, a Deathly Hallows necklace, a Time Turner, and various Hogwarts house items. In addition, your Harry Potter themed activities will include a potions lesson and a Quidditch match.

Ages 11-14  
07/24-08/04 9:00 am-10:25 am LKD0091-006 \$259.00

### 3D Printing Holiday Fun

Are the holidays your favorite time of year? If so, learning about 3D printing and creating some holiday themed projects that could include ornaments, a light up tree, gnomes and snowman are sure to get you hoping the winter holidays would get here as soon as possible.

Ages 11-14  
07/10-07/21 9:00 am-10:25 am LKD0278-001 \$259.00

### 3D Printing Puzzles and Escape Room

Begin your exploration into the world of 3D printing through activities based around exciting 3D printed projects including brain teaser puzzles and a marble maze. You will be also be challenged to complete an instructor made escape room and work in teams to create your own escape room.

Ages 11-14, no class June 19  
06/12-06/23 9:00 am-10:25 am LKD0152-006 \$249.00  
Ages 11-14  
07/10-07/21 10:35 am-12:00 pm LKD0152-007 \$259.00

### 3D Printing Through Stem

Get a great introduction to the exciting world of 3D printing by learning how to use the TinkerCAD computer-aided-design (CAD) system to create and print 3D, kid-friendly projects. Explore the world of science and engineering with hands on STEM projects including Pokémon and Minecraft characters which you'll take home.

Ages 11-14, no class on June 19  
06/12-06/23 10:35 am-12:00 pm LKD0074-008 \$249.00  
Ages 11-14

# On-Campus Classes (Ages 8-14)

## Advance to Real World Coding with Python

You will learn Python from Sylvan Learning teachers utilizing the award winning Tynker platform. There are 3 Levels: 1) Python Fundamentals, 2) Advanced Python Concepts and 3) Coding Proficiency. We have over 150 lessons, all taught in a fun, immersive setting. Coding skills include Python syntax, I/O, math functions, conditional statements, loops and many more. We will place students based on coding experience and parent input gathered prior to the class, as well as a placement assessment tool. Students can take multiple sessions of this class and can continue working on the Tynker platform after the class.

Ages 11-14, no class June 19				
06/12-06/23	2:35 pm-4:00 pm	LKD0303-001	\$209.00

## Battle Royale Gamers

Fans of Fortnite and Rumbleverse, we need YOU! Instead of just playing a multiplayer game, develop your own with Unity, a professional 3D game development software. Design your own unique magical level, build 3D models, and cast spells with custom-created wands. At the end of the week, all student created maps are combined into a master game where you will battle to become the last wizard standing. Compete against other schools across the country in our Esports League, with the possibility of having your map included in the live game. Student-created games will be available on a password protected Black Rocket website to share with friends and family.

## Coding Fundamentals with Block Coding

You will learn coding from Sylvan teachers utilizing the award winning Tynker platform. There are 3 Levels: 1) Programming Basics, 2) Create with Code, and 3) Advanced Proficiency. We have over 150 lessons, all taught in a visual, kid-friendly way. Coding skills include sequencing, pattern recognition, loops, conditional logic and many more. We will place students based on coding experience and parent input gathered prior to the class, as well as a placement assessment tool. Students can take multiple sessions of this class and can continue working on the Tynker platform after the class.

Ages 8-11, no class June 19				
06/12-06/23	1:00 pm-2:25 pm	LKD0302-001	\$209.00	
Ages 8-11, no class July 4

## Cyber Spies

With the worlds increased reliance on digital data, cyber security is more important than ever! In this class you are all that stands between a group of international hackers launching cyber attacks and world peace. Through a series of challenges, students will learn to apply tools used by professional digital forensics teams to crack codes and use encryption. Working in teams you will collect clues, recover lost data, and explore the tools of the trade to become the next great cyber spy!

Ages 8-11, no class on June 19

## Innovative Robot Building

The robot revolution has arrived from the future, and generations of artists and engineers must be prepared! Explore robotics Led by the Robot City Workshop staff, learn the concepts of electricity, mechanics, sensors, programming, and how to apply them artistically while building Do-It-Yourself robot kits you get to take home! This year will feature a number of all new interactive educational robots such as Edison, Moto Bot and the Chain Robot are just a sample of the robotics projects. You will build multiple robots related to science, technology and mechanics and STEM arts that you get to take them home for further experimentation.

# On-Campus Classes (Ages 8-14)

## Let's Code It: Create a Website

Plan a future business and create a website for it! Will you own a cupcake shop? Publicize a tour for your rock band? Start an animal rescue? The sky's the limit! Whatever you choose, you're probably going to need a website. Learn the ins and outs of designing your own corner of the internet using a variety of website building tools, including a basic introduction to HTML. Elements of creative writing and design combined with the fun of creating your own personal website make this class a can't-miss. Each student will receive an award on the last day of the session, and will have the opportunity to earn Code Belts to demonstrate their learned skills!

Ages 11-14, no class June 19

06/12-06/23	10:35 am-12:00 pm	LKD0197-014	\$209.00
07/24-08/04	1:00 pm-2:25 pm	LKD0197-015	\$209.00

## Let's Code It: Digital Design

You will have a blast in this exciting new STEM based program. Our innovative approach to coding is sure to spark your interest in computer science. This fun-filled curriculum is designed around the block-based system called Scratch and stresses critical thinking, creativity, confidence, teamwork, and problem solving skills. Class topics will include video game design, loops, control structures, conditional expressions, control statements, object-oriented design concepts, data structures, and variables as well as mathematical expressions.

Ages 11-14, no class June 19

06/12-06/23	9:00 am-10:25 am	LKD0066-015	\$209.00

## Make Your First Video Game

If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2D platformer game. Conceptualization, play experience, level design, graphics, sounds, and simple coding are just some of the concepts that we'll explore. No prior experience necessary, just a desire to have fun. Student projects will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers. Returning students can create more advanced projects that build on previous years. Compatible with Windows OS only. For online students only: This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 8-11

08/07-08/11	9:00 am-12:00 pm	LKD0237-011	\$225.00
-------------	------------------	-------------	----------

## Minecraft Modders

Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mod! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Your projects will be available on a Black Rocket website to share with friends and family. For online students only: to access their project at home students must own a PC/MAC version of Minecraft. Tablet, phone, or game console versions of Minecraft are not compatible. Students will work in teams for most of the program. This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 11-14

07/10-07/21	10:35 am-12:00 pm	LKD0046-021	\$225.00
-------------	-------------------	-------------	----------

Ages 8-11

07/24-08/04	2:35 pm-4:00 pm	LKD0046-022	\$225.00

## Minecraft: Redstone Engineers

Create the next popular animated Minecraft video on YouTube! Practice the same skills professionals at Pixar and Disney Animation Studios use. Discover the process of keyframing and tweening, how to use it to bring your own animated stories to life, and how to publish your content on YouTube. Student projects will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program. Mac users can play their project at home, but will not be able to edit the project without a PC. Returning students can create more advanced projects that build on previous years. For online students only: This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 8-14

06/05-06/09	9:00 am-12:00 pm	LKD0204-016	\$225.00

## Python Programmers

Want to learn the world's fastest-growing programming language favored by Google, NASA, YouTube, and the CIA? Learn how to code with Python to create engaging apps and games. Each lesson takes you step-by-step on a programming path that will let you challenge friends with fun content you create from start to finish! Returning students can create more advanced projects that build on previous years. For online students only: course is compatible with MAC, Windows and Chrome OS. This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 11-14

07/10-07/21	9:00 am-10:25 am	LKD0085-027	\$225.00
-------------	------------------	-------------	----------

## Racing Games with Unity

On your marks, get set, create! Blast off in making your first 3D Mario Kart; and Crash Team Racing; style game! Design your own tracks and customize your karts and characters. Using Unity, a professional 3D game development software, students will combine their creations into their own kart racing game that they can play with friends and family at home. Students can participate in Esports League races against other schools across the country with a chance to have their tracks featured in the Black Rocket master.

Ages 8-11, no class June 19

06/26-07/07	9:00 am-10:25 am	LKD0171-026	\$209.00
-------------	------------------	-------------	----------

# On-Campus Classes (Ages 8-14)

## Roblox: Coders and Entrepreneurs

Discover how to code in the Lua language while playing and designing worlds in ROBLOX, an online universe where you can create anything you dream of. This class combines game design concepts, coding, and fun. Young entrepreneurs will also learn how to navigate the Roblox fast growing marketplace to publish their games. Games will be available on a password protected Black Rocket website to share with friends and family. You will work in pairs or teams for most of the program. For Online Students Only: This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 8-11, no class July 4

06/26-07/07 1:00 pm-2:25 pm LKD0086-020 \$209.00

## Virtual Reality: The Future is Now

Embark on an EPIC adventure in virtual reality! In this cutting-edge class, you will learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. Students taking this class in-person will receive their own VR cardboard headset. VR projects will be available on a password protected Black Rocket website to share with friends and family.

Ages 11-14

07/24-08/04 9:00 am-10:25 am LKD0087-022 \$225.00

Ages 8-11

07/24-08/04 10:35 am-12:00 pm LKD0087-023 \$225.00

## YouTube Content Creators

Find your voice and leave your mark on the world! Whether you are six or sixteen, it is time to start a career as the next YouTube star. Explore the variety of content and personalities that exist on YouTube and how to find your own niche. Learn what is acceptable on the platform and how to practice good digital citizenship. Develop your on-camera presence, your own channel branding, and professional editing skills. Take home a plan for launching your own channel with the content created in class! Student projects will be available on a password protected Black Rocket website to share with friends and family.

Ages 8-11

07/10-07/21 2:35 pm-4:00 pm LKD0220-018 \$225.00

## YouTube FX Masters

In the digital age, nothing is impossible! Become a master of illusion by learning the techniques used by Hollywood masters to create FX magic. Whether you want to enhance your YouTube videos or create a cool scene to amaze your friends; this class teaches the tools you need. Experiment with visual effects as you learn the dynamics of camera angles, editing, graphic layering, and sound effects. Then watch as your new creations take your channel content to the next level! Student projects are available on a password protected Black Rocket website to share with friends and family. Online Students Only, a Webcam is required for the class. Directions for online students will be emailed in advance of the start date.

Ages 8-11

08/07-08/11 1:00 pm-4:00 pm LKD0239-009 \$225.00

# Tech Knowledge Online

## Cloud Gamers: Mobile App Development

Cloud gaming is the way of the future. Build games you can play everywhere and anywhere using a web-based development tool. Learn in-demand skills like programming events and coding controls for a touch screen or keyboard and mouse. Finish by personalizing levels and characters with your own design. Now you are ready to upload your games to the Black Rocket cloud arcade and play on any mobile device or computer. Games can easily be shared with friends and family. For online students only: This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 8-11

06/05-06/09 8:30 am-11:00 am LKD0293-001 \$179.00

Ages 11-14

06/05-06/09 12:00 pm-2:30 pm LKD0293-002 \$179.00

07/17-07/21 8:30 am-11:00 am LKD0293-003 \$179.00

Ages 8-11

07/17-07/21 12:00 pm-2:30 pm LKD0293-004 \$179.00

## JavaScript Developer Jam

Learn programming tools so powerful they seem like magic! Start off by learning an array of core programming concepts with JavaScript by experimenting in a series of digital challenges. Start with programming your first animated memes, then tackle more advanced skills such as interactive 3D experiences and game creation. Projects will be available on a password protected Black Rocket website to share with friends and family. Compatible with MAC, Windows and Chrome OS.

Ages 11-14

06/26-06/30 8:30 am-11:00 am LKD0236-013 \$179.00

Ages 8-11

06/26-06/30 12:00 pm-2:30 pm LKD0236-014 \$179.00

# Online Classes (Ages 8-14)

## Minecraft Designers

If you love the game Minecraft and always wanted to design your own world, this class is for you! Learn how to create a custom map, the basics of creating 3D models using a new software to design your very own objects, how to build with Redstone and Command blocks, and create custom textures for you to import at home or share with friends. Students must own a Java version of Minecraft to access their projects at home. Tablet, phone, and game console versions of Minecraft are not compatible. Parent email address is required to use 3D modeling software. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years. This online program is taught by the staff at Black Rocket Productions. Login information will be emailed a few days prior to the start date.

Ages 11-14

# On-Campus Classes (Ages 14-17)

## ACT/SAT Practice Test

In this three-hour prerequisite class, students take a full-length ACT or SAT practice exam to establish their baseline score. Sylvan analyzes the score, reviews the results with students and parents, and makes recommendations about preparation options. If a student would like to take both the ACT and SAT in a Practice 101 class, they should enroll in two separate ACT/SAT Practice 101 classes. Students must complete a Practice 101 class to be eligible to enroll in an ACT or SAT Exam Prep course. Classes may meet at Sylvan Centers in Schaumburg or Lake Zurich. Discount codes do not apply to this course.

Ages 14-17

06/17	10:00 am-1:00 pm	LAS0003-078	\$20.00
06/18	10:00 am-1:00 pm	LAS0003-079	\$20.00
06/24	10:00 am-1:00 pm	LAS0003-080	\$20.00
06/25	10:00 am-1:00 pm	LAS0003-081	\$20.00

## Debate Camp

Debate, and especially the ability to communicate effectively to an informed audience, is a basic requirement in all academic disciplines. Whether you have no experience or are a seasoned veteran, you will benefit from becoming a better debater. This camp is an immersive experience that cannot be duplicated in the regular high school year. You will develop skills in goal development, event instruction, critical thinking, research expectations, case writing with individualized instructor revisions, block writing, responsive activities, tournament preparation, and competitive practice.

Ages 14-17

07/24-07/28 10:45 am-3:30 pm LHS0002-007 \$275.00

## High School Jazz Improvisation Workshop

The 6-weeks long Jazz Improvisation workshop is devised as an introductory study to entry-level students of jazz. Young musicians will have the opportunity to develop and improve their improvisational abilities through the study of standard jazz repertoire. Topics include swing, blues, ii-V progression, rhythm changes, modes, form, transcription, ensemble playing, critical listening, theoretical concepts, and historical figures in jazz. It is assumed that the students have no prior exposure to the jazz art form but are familiar with rudimentary concepts of music theory and have basic intermediate knowledge of their instruments. The four hours a week that the students will spend with the instructor are adequate time to introduce them to these concepts in a lecture/rehearsal setting and then showcase the newly acquired skills in a final performance.

Ages 14-17

06/12-07/24 7:00 pm-9:00 pm LMY0062-003 \$425.00

## Sylvan ACT Exam Prep

It's proven that students can increase their ACT scores in a matter of weeks. Harper partners with Sylvan Learning to offer the ACT exam prep on the College campus. With small group instruction, practice tests, and the SylvanPrep online tool, students cover all areas of the ACT exam. Sylvan guarantees increased scores when students attend a minimum of 80% of scheduled in-class time and complete eight hours of online instruction. Students are awarded six complimentary hours of Sylvan instruction if they do not meet this goal. Prerequisite: LAS 0003 ACT/SAT Practice 101. Discount codes do not apply to this course.

Ages 14-17

07/09-08/20 2:00pm-6:00 pm LAS0001-026 \$589.00

## Sylvan SAT Exam Prep

It's proven that students can increase their SAT scores in a matter of weeks. Harper partners with Sylvan Learning to offer the SAT exam prep on the College campus. With small group instruction, practice tests, and the SylvanPrep online tool, students cover all areas of the SAT exam. Sylvan guarantees increased scores when students attend a minimum of 80% of scheduled in-class time and complete eight hours of online instruction. Students are awarded six complimentary hours of Sylvan instruction if they do not meet this goal. Prerequisite: LAS 0003, ACT/SAT Practice 101. Discount codes do not apply to this course.

Ages 14-17

07/09-08/20 2:00 pm-6:00 pm LAS0002-023 \$589.00

# Program Details

## THE BASICS

---

### Welcome!

After registering for InZone, visit [harpercollege.edu/inzone](http://harpercollege.edu/inzone) and download your InZone Welcome Packet. The packet includes a welcome letter, waivers, and lunch options for 2023. The packet will be available online by May 15 and emailed prior to the start of program.

Questions? Email [inzone@harpercollege.edu](mailto:inzone@harpercollege.edu).

### Contact Information

Help us keep in touch! Make sure we have your current email address and phone numbers. Call 847.925.6300 to update.

### Location

All programs begin at Harper College's main campus at 1200 West Algonquin Road in Palatine.

### Drop-Off/Pick-Up

#### Drop-Off/Pick-Up Site and Procedure

**InZone's only designated and supervised drop-off/pick-up site is in the circular drive, in front of the Student Center (Building A), accessible from the Algonquin Road entrance.**

#### Drop-off/Pick-Up Times

For safety reasons, children are not to be on campus unless accompanied by an adult or registered for InZone programs. Additionally, Harper College policy states that students cannot be on campus more than 15 minutes prior to their first class, and they must be picked up within 15 minutes after dismissal of their class.

### Late Pick-Up Procedure and Offenses

Participants not picked up will be escorted to After Care in Building M, and remain until a parent/guardian comes in to pick him/her up. **NOTE: Repeated late pick-up offenses will result in termination from InZone without a refund.**

Avoid late pick-up issues! For your convenience, supervised Before and After Care is available.

### Inclement Weather Policy

During inclement weather, InZone staff will coordinate with the Harper College Police to ensure the safety of your child. In situations of heavy rain, lightning and severe storms, staff will move children to the safest possible location according to the guidelines of the Harper Police Department. When these situations occur during pick-up time, the InZone program will be in lock-down mode inside of the Student Center, Building A or the Foglia Foundation Health and Recreation Center, Building M if the student is in a sports program. We ask that during these situations parents come into the building to pick up their children. Children will not be released outside during lock-down mode without a guardian present. There will be designated staff members near the pick-up location to provide information during these situations.

## KEEPING YOU SAFE AND IN TOUCH

---

### Safety: Program Aides Lead

We are committed to creating a positive experience for all students, and your child's safety is our number one concern. InZone program aides are at the forefront of keeping your child safe and happy during camp. Encouraging your child to take questions, concerns or problems to an aide and to look to aides for instructions will help us better meet your child's needs.

Harper College is an open campus during the summer. To maintain the safety of your children, InZone aides are strategically placed around campus to monitor InZone students as they travel between classes, during drop-off and pick-up, and alongside instructors during classes. All aides are easy to spot! Look for their official InZone t-shirts and identification badges.

### Emergency Text Alerts

In the event of a campus emergency, it is vital that we contact you as quickly as possible. Sign-up for Harper Emergency Text Alerts by visiting [getrave.com/login/harpercollege](http://getrave.com/login/harpercollege), to receive real-time information, in a text message, sent to your cell phone.

- Your name and phone number will not be shared outside of this system.
- Participation is voluntary and open to the public.
- You can cancel the service at any time.
- The service is free. (Consult your cell phone carrier. Standard message rates may apply.)
- Questions about Emergency Text Alerts? Contact the Student Service Desk.
- Emergency updates are also communicated via Harper College's general phone number 847.925.6000 and notices on [harpercollege.edu](http://harpercollege.edu).

## POLICIES TO HELP US HELP YOU

---

### Ages

Students must be **eight years old before September 1, 2023 in order to participate in InZone programs for students 8-14 years old.** The InZone curriculum is designed to be age-appropriate. It is the responsibility of a parent or guardian to ensure that his or her child is placed in an age-appropriate class. Select courses are open to students younger or older than InZone's standard 8-14 range. **Children must turn six years old by September 1, 2023 in order to participate in the InZone Junior Explorers Camps for students 6-8 years old.**

### Class Capacity and Cancellations

In keeping with our mission to provide individualized instruction, InZone enrollment is limited to maintain our **8:1 ratio of kids to adults.** As a non-profit organization whose programs are self-supporting, InZone also requires a minimum number of enrolled students in order to run a class. To avoid inconvenience to students, InZone staff will cancel a course with low enrollment one full week in advance of the start date and offer students alternate classes, or a full refund. Avoid disappointment and register early!

# Program Details

## Release Waiver: Required for Every Camper

**All campers must submit a signed InZone Medical and Student Conduct Waiver before attending any InZone programs.** After you have registered for at least one InZone 2023 program, scan the QR code below to complete the InZone Waiver. The InZone waiver will also be sent as part of the InZone Welcome Packet and emailed separately to the student's email associated with the account used for registration. For additional waivers, please contact us at [inzone@harpercollege.edu](mailto:inzone@harpercollege.edu) or call 847.925.6876.

Scan me to submit  
an InZone waiver.

## GET TO KNOW INZONE

### Campus Orientation Tours

Families and students new to the InZone program are encouraged to attend an orientation tour. Returning families are also welcome to join us. An InZone representative will give an overview of the program and tour the campus facilities that make InZone a great educational and fun experience. Tours meet in building Z, Room Z102. Parking available in Lot 3.

- Wednesday, May 31, 6 pm
- Tuesday, June 6, 6 pm
- Wednesday, June 28, 6 pm

Scan me to RSVP or  
visit [harpercollege.edu/inzone](http://harpercollege.edu/inzone)

## Absences and Extended Illnesses

Attendance is taken daily in all programs. If your child will be absent, call: **847.925.6941** or email: **[inzone@harpercollege.edu](mailto:inzone@harpercollege.edu)**. Parents should report absences no later than one hour before the start of a program. Calls will be made to parents for any unreported absences. **There will be no make-up classes or prorated refunds for missed classes.**

## Medication / Special Health Needs

Please let us know in advance if your student requires medication during InZone programs. Call 847.925.6454 after May 24 or email [inzone@harpercollege.edu](mailto:inzone@harpercollege.edu) to notify us and obtain further information.

## Students with Disabilities

In accord with federal and state law, Harper College makes every effort to provide reasonable accommodations to qualifying students with disabilities. To inquire about the process for receiving accommodations for InZone, please contact Access & Disability Services (ADS) to schedule an InZone intake appointment at 847.925.6266 voice or 866.327.1630 videophone. An ADS staff member will review medical and/or educational documentation and discuss with students and parents what possible accommodations may be reasonable. Personal services such as restroom assistance, support with mobility around campus, or direct one-to-one supervision are not provided. On rare occasions, it may be determined that requests for accommodation within InZone cannot be met if they pose a serious health or safety risk, or significantly alter the intent of the course or program. For additional information, contact ADS at 847.925.6266 voice or 866.327.1630 videophone, or Continuing Education at 847.925.6300.

## Tax Credit

An employed parent or legal guardian may qualify for a tax credit for child care/dependent care for his/her child who attends InZone programs. As the law has specific regulations, interested parents will need to consult their tax advisor for details. Our Federal Tax ID number is 36-2582782.

**We are not responsible for lost or stolen items**

# Planning Guide

This Planning Guide lists all programs and course numbers except: Before/After Care, Lunch Meal Plan, Cafeteria Attendance, and most programs not held during standard InZone course times. **IDEAShop Makerspace classes vary in length between one and two weeks throughout the entire summer. Check the planning guide for scheduling options for these classes.**

Course numbers for Before/After Care and Cafeteria Attendance are listed on the Worksheet following the Planning Guide. Course numbers are required for registration.

Download this guide and worksheet at [harpercollege.edu/inzone](http://harpercollege.edu/inzone).

## Harper College Main Campus

1200 West Algonquin Road  
Palatine, Illinois 60067  
847.925.6300

See inside front cover for a schedule of free tours to help you become familiar with our campus.

## Save \$10 Off Each Class When You Register by April 16

Take advantage of the InZone early registration period by using the coupon code “inzone2023” to save \$10 on each InZone class. This coupon code is available to use through April 16, 2023 and is not valid with other discounts. In the shopping cart, for each class you intend to register, find the “apply a discount” box, select Coupon Code Discount, and type inzone2023 as the coupon code. The discount will be calculated automatically.

### InZone is on Facebook

Hey parents! Like the Harper College InZone Facebook page and stay up to date with everything InZone. View photos and videos of classes in action, connect with other InZone families, and share our page with friends, relatives and your kids.
