SUMMER 2024

FULL DAY PROGRAM AND INDIVIDUAL COURSES

SESSION 1 ....JUNE 3–7	SESSION 4 .... JULY 8–19
SESSION 2 .... JUNE 10–21	SESSION 5 ....JULY 22–AUGUST 2
SESSION 3 ....JUNE 24–JULY 5	SESSION 6 .... AUGUST 5–9

INZONE PROVIDES YOUR CHILDREN A SUMMER OF ADVENTURE AND LEARNING ON OUR CAMPUS.

Designed to offer an incredible variety of indoor and outdoor activities, our personalized approach means you have choices. You choose the sessions and class times that fit your schedule, including before/aftercare and lunch options.

Educational

All InZone courses use the same labs and classrooms as adult credit students. Our activities are structured to provide an introduction to college life to prepare them for the future. Create your next invention using state-of-the art equipment in our Makerspace, cook in our culinary kitchens, or engage in STEM activities in our specialized labs.

Fun

Treat your kids to fun activities and exploration. Avoid summer boredom with over 150 different courses in sports, art, cooking, music, design, and technology. Our courses are hands-on and interactive with small classroom sizes. Perform your favorite Broadway musical on our stage, make a comic book, or design your own video game!

Safe

We are committed to ensuring your child's safety. All instructors and staff working directly with campers have passed a statewide criminal background check. Meets highest expectations of child safety and leadership. Our student to adult ratio is 8:1.

> " MY CHILDREN LOOK FORWARD TO GOING TO CAMP EVERYDAY AND ALWAYS CAME HOME WITH GREAT STORIES OF WHAT THEY LEARNED AND HOW THEY ENJOYED THEIR EXPERIENCE! "
>
> – AUSTIN K.

Why InZone?

InZone and InZone Junior Explorers are Harper College's summer camps for kids ages 6-14. Designed to offer an incredible variety of indoor and outdoor activities these camps provide countless opportunities to learn and have fun in an amazing campus experience.

Our personalized approach means you have choices. You choose the sessions and class times that fit your schedule, including before/after care and lunch options. Your excellent summer is definitely here.

Unique
With both enrichment and sports, our campers can learn about coding robots in the morning to baking delicious cupcakes in the afternoon. Variety is the spice of life or at least the spice of InZone!

Flexible and Full of Options
InZone offers a summer jam-packed with fun. Explore, create, run, discover, jump, experience. Pick from a variety of courses, including music, cooking, AI, art and sculpture, pickleball, mindfulness and leadership and so much more! It's your choice!

- **Classes** are offered: Monday – Friday, 9 a.m. – 4:00 p.m.
- **Before and After Care** is available: 7:30 a.m. – 5:30 p.m.
- **Lunch Options** include: brown bag or buy your own. Registration required. See page 2.

Come for one class, one session or the whole summer. Combine classes for a half-day or full-day of activities. Our Before and After Care gives you options to do what works best for your family.

Kid-friendly Fun
It's camp. How much more kid-friendly can you get? Relax, enjoy summer, have fun and meet new friends!

Who We Are
The InZone staff is passionate about providing a welcoming, safe camp that inspires and cultivates everyone's interests.

InZone instructors are teachers or professionals in their field. Program aides are college students who have participated in extensive orientation and training workshops, and many plan to pursue careers in education. The aides support instructors in creating an inclusive environment with opportunities for individualized instruction.

Employee Background Check
All InZone instructors and staff have passed a statewide criminal background check.

Before, During and After

Before, During and After Care (Ages 6-14)

Before and After Care

Extend the fun with InZoners Before and After Care program. Organized activities will be provided under the supervision of InZone staff. Choose Before Care, After Care or both. Register for Before and After Care just as you register for other InZone programs. NOTE: Students will meet in the Foglia Foundation Health Recreation Center (Building M) for both programs. Staff will be on hand to provide help with scheduled program locations

No camp on June 19th or July 4th.

Ages 6-14
06/03-06/07	7:30 am-8:45 am	LPK0017-088	$59.00
06/03-06/07	4:05 pm-5:30 pm	LPK0017-089	$59.00

Ages 6-14, no class June 19
06/10-06/21	7:30 am-8:45 am	LPK0017-090	$99.00
06/10-06/21	4:05 pm-5:30 pm	LPK0017-091	$99.00

Ages 6-14, no class July 4
06/24-07/05	7:30 am-8:45 am	LPK0017-092	$99.00
06/24-07/05	4:05 pm-5:30 pm	LPK0017-093	$99.00
07/08-07/19	7:30 am-8:45 am	LPK0017-094	$110.00
07/08-07/19	4:05 pm-5:30 pm	LPK0017-095	$110.00

Ages 6-14
07/22-08/02	7:30 am-8:45 am	LPK0017-096	$110.00
07/22-08/02	4:05 pm-5:30 pm	LPK0017-097	$110.00
08/05-08/09	7:30 am-8:45 am	LPK0017-098	$59.00
08/05-08/09	4:05 pm-5:30 pm	LPK0017-099	$59.00

InZone Lunch Options

The cafeteria will be under renovation in 2024. Purchased lunch options are being determined and will be updated online at harpercollege.edu/inzone and through email to registered participants. Students are allowed to bring their own lunch.

InZone Cafeteria Attendance

Students that will be staying on campus during the lunch period need to sign up for the Cafeteria Attendance program.

No camp on June 19th or July 4th.

Ages 6-14
06/03-06/07	12:05 pm-12:50 pm	LKD0146-040	$0.00

Ages 6-14, no class June 19
06/10-06/21	12:05 pm-12:50 pm	LKD0146-041	$0.00

Ages 6-14, no class July 4
06/24-07/05	12:05 pm-12:50 pm	LKD0146-042	$0.00

Ages 6-14
07/08-07/19	12:05 pm-12:50 pm	LKD0146-043	$0.00
07/22-08/02	12:05 pm-12:50 pm	LKD0146-044	$0.00
08/05-08/09	12:05 pm-12:50 pm	LKD0146-045	$0.00

On-Campus Classes
(Ages 6-8)

InZone Junior Explorers Camp (Ages 6-8)

Crazy Circuits and Raising Minions Project

The first week of this class will focus on circuits and electronic projects. Instructors from Afterschool Enrichment Solutions will guide you through core concepts of electrical engineering with hands-on projects and experiments to explore how electricity is part of our daily lives. The second week will take you into the world of Minions. You will master drawing, painting, and cutting skills designed to develop 3D sensitivity through projects that will foster creativity by drawing and sculpting these lovable characters.

Ages 6-8, no class July 4
06/24-07/05	9:00 am-12:00 pm	LKD0346-001	$299.00

Creating Art: Pond Habitats

Focusing on living creators in and around the pond, you will foster your creativity through activities and projects based around drawing, painting, cutting and developing 3D sensitivity. Love turtles, toads, frogs and more? Then this is the class for you.

Ages 6-8
06/03-06/07	1:00 pm-4:00 pm	LKD0324-001	$225.00

Design Your Own Coloring Book Adventure

In this inventive class, you will embark on a 'Design Your Own Coloring Book Adventure.' Daily, you will brainstorm and suggest unique coloring page themes. These ideas are then brought to life using AI technology, creating custom coloring pages. Each subsequent day, you will color your creations, infusing mindfulness practices into art sessions. This cycle nurtures creativity, introduces basic AI understanding, and promotes a calm, focused mindset.

Ages 6-8
08/05-08/09	1:00 pm-4:00 pm	LKD0343-001	$199.00

Little Inventors: Create Your Own Coloring Book

This class combines the playful and interactive topics of imagination, storytelling and designing your own coloring book. Designed to spark imagination and creativity in young learners, you will focus on storytelling, basic problem-solving, and simple design principles, encouraging you to think of new ideas and bring them to life through drawings and narratives. The designing your own coloring book element of this class will focus on brainstorming and unique coloring page themes. Ideas are then brought to life using AI technology, creating custom coloring pages. Each subsequent day, you color your own creations, infusing mindfulness practices into their art sessions. This cycle nurtures creativity, introduces basic AI understanding, and promotes a calm, focused mindset.

Ages 6-8, no class on June 19
06/10-06/21	1:00 pm-4:00 pm	LKD0334-001	$315.00

> " InZone is the highlight of her summer. Everyday she has a smile from ear to ear when I pick her up.
>
> When I ask her how her day was, she would always reply, something to the effect of "AWESOME, MOM!" "
>
> –Jenna N.

Junior Explorers: Art and Music

This exciting new addition to the InZone program is designed for students 6-8 years of age and is intended to focus on the already established principles of the InZone camp for older students. Rooted in hands-on exploration students will participate in activities structured around art and music. The program will split each day with half of the time spent on each topic. For the music portion of class students will use specialized, proprietary Music Start keyboards to learn to play familiar tunes in a group setting by color, letter, and note matching while using problem-solving strategies. Prepare your student to learn any instrument with this strong fundamental based program. This program will be housed in a specific location on campus and does not involve the students moving from building to building like the older InZone students. Students staying on campus during the lunch period will be walked by staff members to the designated lunch area. Kids are supervised during lunch and walked back to class if taking afternoon classes. New activities all summer long.

Ages 6-8
07/08-07/19   9:00 am-12:00 pm   LKD0271-007 $339.00

Junior Explorers: STEAM and Lego Building

You will explore new concepts and learn through hands-on exploration by participating in activities structured around STEAM and Building with Legos in this exciting class. STEAM will bring together elements of science, art and math in a hands-on, action-packed environment. You will conduct experiments, play educational games, and unlock their creativity through building challenges and projects. Building with Legos will teach you to build Lego Robots and program them using Lego WeDo software. See your creation come alive as you learn basic problem solving and coding skills to animate alligators, racing cars and more. The program will split each day with half of the time spent on each topic. This program will be housed in a specific location on campus and does not involve the students moving from building to building like the older InZone students. Students staying on campus during the lunch period will be walked by staff members to the designated lunch area. Kids are supervised during lunch and walked back to class if taking afternoon classes. New activities all summer long.

Ages 6-8, no class July 4
06/24-07/05   1:00 pm-4:00 pm   LKD0274-005 $299.00
Ages 6-8
07/22-08/02   9:00 am-12:00 pm   LKD0274-006 $339.00

Let's Build Crazy Circuits and Play

You will design, build, and test various circuits and electronic projects. Instructors will guide you through core concepts of electrical engineering, introducing them to circuits and electrical components. Focusing on hands-on projects and experiments to explore how electricity is part of our daily lives. The play and active part of this class will introduce cooperative activities designed to build agility, balance and self-confidence through inside and outside play.

Ages 6-8
07/22-08/02   1:00 pm-4:00 pm   LKD0345-001 $339.00

Let's Build, Let's Play

This exciting class will be split between engineering and play concepts designed to fill the day with fun and educational projects. Working with chain-reaction machines featuring levers, pulleys, and other simple machines. Concepts will be introduced and reinforced through hands-on, innovative lessons. When the class transitions to active class time we will introduce exciting warm-up games, popular team exercises and cooperative activities using both inside and outside space. Learn about the value of exercise, teamwork and good sportsmanship and be ready for our Olympics Extravaganza at the end of the session! No experience necessary.

Ages 6-8, no class June 19
06/10-06/21   9:00 am-12:00 pm   LKD0344-001 $299.00
Ages 6-8
07/08-07/19   1:00 pm-4:00 pm   LKD0344-002 $339.00

Let's Build It: Chain Reactions

The ball rolls down the ramp, turns the switch, that moves the post, that activates the zip-line, that knocks the ball down the ramp and into the goal! In this STEAM program, students will be building Rube Goldberg "Mouse Trap" chain-reaction machines featuring levers, pulleys, and other simple machines. Engineering and physics concepts will be introduced and reinforced through hands-on, innovative lessons and creative play time. Problem solving skills and teamwork will be put to the test as the complexity of the projects increases from week to week. On the final class, there will be a building competition, how many contraptions can you connect in chain reaction? No previous experience is necessary, just a desire to learn and build..

Ages 6-8, no class June 19
08/05-08/09   9:00 am-12:00 pm   LKD0200-002 $199.00

The Do Good Movement

The Do Good Movement is focused on promoting self-awareness, self-regulation, philanthropic stewardship, and social-emotional learning through a yoga foundation. You will benefit from this program by learning tools to help relieve stress and anxiety in and out of the classroom as well as create strong minds and bodies through movement and meditation. This class is designed to help you learn the foundations of mindfulness and develop an understanding of how yoga really helps improve a connection to mind, body and the world around them. Wear comfortable clothes.

Ages 6-8
06/03-06/07   9:00 am-12:00 pm   LKD0330-001 $199.00

Arts

2-D Mixed Media

Do you enjoy painting and being creative but also like to have fun and experiment with art? Come discover the possibilities with mixed media. Imaginations at work creating 2-D pieces incorporating painting, drawing, collage, and more.

Ages 8-11
| 07/08-07/19 | 9:00 am-10:25 am | LKD0281-003 | $225.00 |

Ages 11-14
| 07/08-07/19 | 10:35 am-12:00 pm | LKD0281-004 | $225.00 |

A Brush with the Masters

Learn new skills such as cubism, pointillism, and Ukrainian Egg decorating all while having free studio space and encouragement to create your own thing. We think art should be a fun exploration into some masters and their contributions to the art world but, more importantly, nurture YOUR creative side as well!

Ages 8-14, no class June 19
| 06/10-06/21 | 1:00 pm-2:25 pm | LKD0286-003 | $215.00 |

Adobe for Artists, the Youth Version

This course will help you acquire the knowledge and practical skills that you will need to utilize digital art software to create artwork in a digital environment. It focuses on discovering art elements and design principles while using Adobe software. It will also explore current and past trends in design. Learn to create digital images and graphics that express your artistic thoughts. Such skills can help you conquer challenges and enhance your message. In Photoshop, learn how to use brushes, color pickers, and layers, skills necessary for photo editing, manipulation, and digital composition. You will develop vector illustrations with Adobe Illustrator and layout concepts in Adobe InDesign and create professional presentations. The course gives the right tools and techniques to start with digital artwork. All artists and enthusiasts ages 11-14 are welcome. Minimum 4, Maximum 12

Ages 11-14, no class June 19
| 06/10-06/21 | 1:00 pm-2:25 pm | LMY0126-002 | $249.00 |

Be Your Own Artist

As you develop your identity as an artist you must also become more versatile in your ability to draw, paint, sculpt and more. Your creativity emerges as you think about what you want to create and the techniques to use. We will discuss which forms of art are best for you to use on your projects.

Ages 8-11, no class June 19
| 06/10-06/21 | 9:00 am-10:25 am | LKD0125-012 | $229.00 |

Clayology

Let your imagination run wild in this hands-on clay experience. By learning the hand-building techniques of clay sculpture, you will create your own art. You will also learn how clay is glazed and fired in this down and dirty clay class. Harper has a well outfitted three-dimensional art studio where you will make a music box, frame, mask and so much more. New activities and designs in each class.

Ages 8-11
| 07/08-07/19 | 10:35 am-12:00 pm | LKD0011-037 | $225.00 |

Ages 11-14
| 07/08-07/19 | 1:00 pm-2:25 pm | LKD0011-038 | $225.00 |
| 07/22-08/02 | 10:35 am-12:00 pm | LKD0011-039 | $225.00 |

Ages 8-11
| 07/22-08/02 | 1:00 pm-2:25 pm | LKD0011-040 | $225.00 |

Design the City of the Future

Design your ideal city of the future, including everything from buildings and areas where people live and work to the transportation systems and natural spaces. Using large flat panels, you will plan building zones, explore recreational areas, and create a grid system for the streets as you bring your vision to life. Work with scales and measurements and add color to your booming metropolis as your city comes alive.

Ages 8-11, no class June 19
| 06/10-06/21 | 10:35 am-12:00 pm | LKD0021-009 | $229.00 |

Design Your Own Doll House

Have you dreamt of living in a castle or a modern luxury home? Design your dreams with us! This class provides the creative environment for you to flourish and learn more about planning and designing of home space, color schemes and different styles: contemporary, modern, and traditional. Students build a 3D-model doll house scaled for an eight-inch American Girl Doll. This is a great opportunity for students to develop spatial (3D) sensitivity. You will learn to manipulate and plan exterior and interior spaces as you unwind your imagination and have fun manipulating space. Each student works on his/her own unique Doll House. All supplies are provided for this class and information related to supply pick up will be determined and shared closer to the class start date.

Ages 8-11
| 07/22-08/02 | 10:35 am-12:00 pm | LKD0042-009 | $249.00 |

Digital Animation

You will build fundamental digital animation skills and foster your creativity while exploring the world of digital art. Create several animations, build web applications, and enhance your work by learning how to add animated symbols and build in navigational templates. All animated projects include work with Timeline, layers, tools, symbols, simple action scripts, and your overall imagination.

Ages 11-14, no class July 4
06/24-07/05   1:00 pm-2:25 pm   LKD0022-010 $229.00

Ages 8-11, no class July 4
06/24-07/05   2:35 pm-4:00 pm   LKD0022-011 $229.00

Digital Art

In this class, you will build fundamental Adobe Photoshop skills and foster your creativity while exploring the world of digital art. All Art projects will include work with layers, filters, effects, brush settings, and your overall imagination.

Ages 11-14
06/03-06/07   9:00 am-12:00 pm   LKD0323-001 $249.00

Drawing for Fun

Art can bring your imagination to life and this is the class that will teach you how. Step by step lessons will help you learn how to draw all kinds of 3-D objects, create crazy characters, landscapes, and people. Focus will be on pencil line drawing with some value and shading.

Ages 8-11, no class on June 19
06/10-06/21   2:35 pm-4:00 pm   LKD0283-003 $215.00

Experiments in Creativity

This class is all about experimenting in a fun and creative way. No experience in art required. Want to make a print using photoreactive dye or find out what happens when you use shaving cream and paint? How about what can you do when floating ink on the waters surface? Come join in the fun of the creative process and see what will happen!

Ages 8-11, no class June 19
06/10-06/21   1:00 pm-2:25 pm   LKD0321-001 $215.00

Ages 11-14
07/08-07/19   2:35 pm-4:00 pm   LKD0321-002 $225.00

Introduction to Digital Art and Photo Manipulation

The course provides an introduction to digital art and photo manipulation techniques. Students will explore fundamental concepts, tools, and techniques of digital imaging, including digital painting, drawing, 3D modeling, and photo manipulation. The course covers topics such as the artistic process, digital editing tools, design elements, and principles. Students will also learn to use computers, digital cameras, and editing software to create digital artworks. Minimum 4, Maximum 12

Ages 11-14, no class June 19
06/10-06/21   10:35 am-12:00 pm   LMY0236-001 $215.00

Ages 11-14
07/08-07/19   1:00 pm-2:25 pm   LMY0236-002 $225.00

Introduction to Photography

This beginner digital photography course tailored for kids ages 8-14 will teach camera controls, basics of photography, lighting, composition, and color. In this fun class, learn to create amazing photographs, beginning with a flashback through photo history and the work of famous photographers. We will explore how to choose the best settings on the cameras, and explore and discover how to compose and create unique images using camera angles and the zoom. Participants must bring a digital camera, tablet, or camera phone. Students will be able to do photo shoot assignments during class at different locations on campus and be able to show their work during in class critique sessions.
Minimum 4, Maximum 12

Ages 11-14, no class June 19
06/10-06/21   9:00 am-10:25 am   LMY0055-023 $215.00

Ages 11-14
07/08-07/19   2:35 pm-4:00 pm   LMY0055-024 $225.00

iPhone Photography

We can now take high quality photos on your smartphone and edit them on the same device. But what is the secret to taking great pictures with your smartphone? In this course, you will learn about Settings on any smartphone you have. You will learn about setting the camera's focus, using gridlines, negative space, perspectives, reflections, use of natural light, and the do's and don'ts. One thing that we suggest is to consider buying a mobile tripod.

Ages 11-14
07/08-07/19   9:00 am-10:25 am   LMY0235-001 $225.00
07/08-07/19   10:35 am-12:00 pm   LMY0235-002 $225.00

My Dream Room: Designing Indoor Spaces

Interior design is about the spaces where you live, work, and play. Create a three-dimensional interior scale model of your dream room or fashion studio. Learn contemporary, modern or traditional styles that best fit your personality. You will work with scale and measurements, attend to color and detail, and use various mediums and materials.

Ages 8-11, no class July 4
06/24-07/05   9:00 am-10:25 am   LKD0028-017 $229.00

Origami

In this exciting class you will learn the art of traditional Japanese origami and transform your art from a flat sheet of paper into a finished sculpture. You will create a variety of crafts, some of which include animals and traditional greeting cards.

Ages 8-14
06/03-06/07   9:00 am-12:00 pm   LKD0139-016 $215.00

Ages 8-14, no class June 19
06/10-06/21   10:35 am-12:00 pm   LKD0139-017 $205.00

Ages 8-14, no class July 4
06/24-07/05   9:00 am-10:25 am   LKD0139-018 $205.00

On-Campus Classes (Ages 8-14)

Plaster Projects and Sculpture

In this class you will create beautiful plaster sculptures and plaster wall tiles. For the wall tiles, you will create an impression in clay and then cast in plaster to create a 2-D tile. For the plaster sculpture, you will carve the plaster creating negative space within the form to produce an abstract sculpture.

Ages 11-14
08/05-08/09   9:00 am-12:00 pm   LKD0320-001 $225.00

Ages 8-11
08/05-08/09   1:00 pm-4:00 pm   LKD0320-002 $225.00

Printmaking

Curious about creating block prints, monoprints, stamps, and gelli-plate prints! Would you like to design a t-shirt, fabric, or art for your wall. Some prints you can make again and again and keep your stamps. Use them for more than just ink too! You can create a personalized stamp for sealing with wax or using with clay, so many possibilities.

Ages 11-14, no class June 19
06/10-06/21   9:00 am-10:25 am   LKD0280-004 $215.00

Ages 8-11, no class June 19
06/10-06/21   10:35 am-12:00 pm   LKD0280-005 $215.00

Spin Off

Are you ready to get behind the wheel? This class is a perfect introduction to wheel throwing and the pottery you can make when using this equipment. Learn to throw bowls and pots in the amazing hands-on class. Go beyond hand building and develop your advanced clay techniques.

Ages 11-14, no class on June 19
06/10-06/21   9:00 am-10:25 am   LKD0024-016 $215.00

Ages 11-14
07/08-07/19   9:00 am-10:25 am   LKD0024-017 $225.00
07/22-08/02   9:00 am-10:25 am   LKD0024-018 $225.00

Young Architects: Casa Moderna

This class will focus on new concepts of modern interior and exterior design. You will learn fundamental principles in designing indoor and outdoor spaces while designing their own Casa Moderna 3D project.

Ages 8-11
07/08-07/19   10:35 am-12:00 pm   LKD0325-001 $249.00

Young Architects: Frank Lloyd Wright

Focusing on the works of legendary architect Frank Lloyd Wright as an inspiration, you will build a three-dimensional scale model of the interior and exterior of your very own home. This will be a great opportunity to develop spatial sensitivity while learning to work with scales and measurements. You will develop your plan using different color schemes, media and materials.

Ages 8-11
07/08-07/19   9:00 am-10:25 am   LKD0058-016 $249.00

Young Architects: Glass House

Focusing on the works of legendary glass house architect Ludwig Mies van der Rohe as inspiration, you will build a three-dimensional scale model of the interior and exterior of your very own home. This will be a great opportunity to develop spatial sensitivity while learning to work with scales and measurements. You will develop your plan using different color schemes, media, and materials. Glass will not be used on the projects.

Ages 11-14, no class July 4
06/24-07/05   10:35 am-12:00 pm   LKD0080-011 $229.00

Young Architects: Kitchen Design

In this creative art class, you will focus on designing the heart of each home, the kitchen. Design your dream kitchen and use your skills to bring your wonderful vision to life. Do you want a breakfast bar, an island, a walk-in pantry? Let your imagination create your perfect kitchen.

Ages 8-11
07/22-08/02   9:00 am-10:25 am   LKD0326-001 $249.00

Athletics/Sports

Basketball: Skills and Competition

This camp is perfect for players of any level. In this energetic camp, you will develop solid fundamental skills, including: footwork, stance, setting and using screens, passing and receiving, live ball moves, layups, shooting and game competition. Campers will be grouped according to their skill level and age.

Ages 8-14
07/08-07/19   2:35 pm-4:00 pm   LPK0026-013 $209.00

☆ *Special Camp* ☆
Chicago Cubs Baseball Camp

It is the bottom of the ninth, bases are loaded, and you step up to the plate wearing the coveted blue and white uniform of the Chicago Cubs. No, it is not a dream. You are attending Chicago Cubs Baseball Summer Camp! The Cubs Camp coaching staff will provide on-field, fast-paced instruction and gameplay to build your skills, develop character and teamwork, and instill confidence. Best of all, you will receive exclusive access and privileges during the week, including a Cubs Alumni player visit, and an official Cubs uniform. Registration is online only at cubs.com/camps.

The cost for this camp is $499.00, and registration is online only at cubs.com/camps. This is a one-week camp.

Ages 5-13
07/08-07/12   9:00 am-3:00 pm   LPK0001-008

Harper Coaches Basketball Camp

Basketball players are made in the off-season! Let the Harper College's basketball coaches help you become the best player you can be. This class will drill you on the basics and challenge you to reach your potential. You will work on fundamentals, including: ball handling, passing, shooting, footwork, and rebounding. You will participate in individual and group drills as well as game play between appropriate skill levels, finishing with a better understanding of how to be a well-rounded player. This camp is for all levels of player.

Ages 8-14
06/03-06/07   9:00 am-12:00 pm   LPK0006-014 $225.00

Ages 8-14, no class July 4
06/24-07/05   10:35 am-12:00 pm   LPK0006-015 $215.00

Ages 8-14
07/22-08/02   1:00 pm-2:25 pm   LPK0006-016 $225.00

" Both boys LOVED the basketball coach in the boy's basketball camp. They said he taught them more skills than any previous basketball coach through the park district and Fremd camp. "

-Ann S.

Harper Coaches Basketball Camp: Girls

Under the guidance of the Harper College's basketball coaching staff, you will develop the skills you need to take your game to the next level. You will learn the fundamentals of the game, including: ball handling, passing, shooting, footwork and rebounding. Drills will be individual and group-based, with game play between appropriate skill levels. This camp is for all levels of player.

Ages 8-14, no class June 19
06/10-06/21   1:00 pm-2:25 pm   LPK0021-011 $215.00

Ages 8-14, no class July 4
06/24-07/05   9:00 am-10:25 am   LPK0021-012 $215.00

Ages 8-14
07/22-08/02   9:00 am-10:25 am   LPK0021-013 $225.00

On-Campus Classes (Ages 8-14)

Harper Coaches Cross Country Camp

Are you planning on running cross country this fall at your school, or are you interested in learning the training techniques to become a distance runner? Under the guidance of the National Championship-Winning Head Coach of the Harper Cross Country team, you will develop proper training styles to get the most out of your running. This class is a perfect introduction for every level of runner. No experience necessary. You should wear comfortable shoes designed for running and appropriate clothes for exercise.

Ages 11-14
| 07/08-07/19 | 9:00 am-10:25 am | LPK0007-006 | $225.00 |

Harper Coaches Soccer Camp

This camp will encourage young and emerging players to develop their skills through the guidance of the Harper College women's soccer coaching staff. Participants will build the skills, tactics, and fundamentals needed to perform in matches and strengthen their overall game. This camp will include both offensive and defensive skill development.

Ages 8-14, no class June 19
| 06/10-06/21 | 1:00 pm-2:25 pm | LPK0013-022 | $215.00 |

Ages 8-14
| 07/22-08/02 | 1:00 pm-2:25 pm | LPK0013-023 | $225.00 |
| 08/05-08/09 | 9:00 am-12:00 pm | LPK0013-024 | $225.00 |

Harper Coaches Track Camp

Directed by the five-time Men's National Championship-Winning Harper coaching staff, this camp will introduce you to a variety of events in track and field. You will learn about safety and proper techniques for engaging in shot put, discus, high jump, long jump and hurdles.

Ages 8-14, no class on 6/19
| 06/10-06/21 | 9:00 am-10:25 am | LPK0003-013 | $215.00 |

Ages 8-14, no class on July 4
| 06/24-07/05 | 9:00 am-10:25 am | LPK0003-014 | $215.00 |

Harper Coaches Volleyball Camp

Learn from the College's volleyball coaching staff while you master or reinforce basic skills, team fundamentals and how to play at higher levels of competition. You'll practice serving, passing, defensive positioning, setting and attacking. Camp includes daily instruction on the court, along with game-like situations where you can apply the skills you are learning. This camp is for all levels of player.

Ages 8-14, no class June 19
| 06/10-06/21 | 10:35 am-12:00 pm | LPK0020-014 | $215.00 |

Ages 8-14, no class July 4
| 06/24-07/05 | 1:00 pm-2:25 pm | LPK0020-015 | $209.00 |

Ages 8-14
| 07/22-08/02 | 10:35 am-12:00 pm | LPK0020-016 | $225.00 |

InZone Swim Camp

It is time to get in the water and be part of a swim camp designed to incorporate every level of swimmer. Beginner level swimmers will become more comfortable in the water by learning all the strokes and will develop some basic water safety skills. Swimmers with more advanced skills will work on competitive stroke techniques as well as improving your starts and turns. Water play and games will also be introduced throughout to enhance the experience. You will be grouped by swim level and work with specific swim instructors throughout the duration of the camp.

Ages 8-14, no class June 19
| 06/10-06/21 | 1:00 pm-2:25 pm | LPK0019-036 | $215.00 |
| 06/10-06/21 | 2:35 pm-4:00 pm | LPK0019-037 | $215.00 |

Ages 8-14, no class July 4
| 06/24-07/05 | 1:00 pm-2:25 pm | LPK0019-038 | $215.00 |
| 06/24-07/05 | 2:35 pm-4:00 pm | LPK0019-039 | $215.00 |

Ages 8-14
07/08-07/19	1:00 pm-2:25 pm	LPK0019-040	$225.00
07/08-07/19	2:35 pm-4:00 pm	LPK0019-041	$225.00
07/22-08/02	1:00 pm-2:25 pm	LPK0019-042	$225.00
07/22-08/02	2:35 pm-4:00 pm	LPK0019-043	$225.00

Multi-Sports and Game Play

This is the perfect class to get involved in a variety of different sports activities. Activities will be determined by the interest of the group and input from the instructors and will include kickball, dodgeball, basketball, soccer, flag football and many other activities. Emphasis will be on participating in fun group activities while learning and playing. Activities will be inside and outside for this program.

Ages 8-14
| 06/03-06/07 | 1:00 pm-4:00 pm | LPK0015-043 | $199.00 |

Ages 8-14, no class June 19
| 06/10-06/21 | 9:00 am-10:25 am | LPK0015-044 | $189.00 |
| 06/10-06/21 | 2:35 pm-4:00 pm | LPK0015-045 | $189.00 |

Ages 8-14, no class July 4
| 06/24-07/05 | 2:35 pm-4:00 pm | LPK0015-046 | $189.00 |

Ages 8-14

Crafts

Construct a Critter

A fabric softie you make yourself will be a unique addition to your menagerie or to give as a gift. Accomplish this while you will learn to sew on a sewing machine, follow pattern directions and stuff your new little friend to chubby perfection. Assorted fabrics will be provided so each creation can be unique.

Ages 8-11, no class July 4
| 06/24-07/05 | 10:35 am-12:00 pm | LKD0036-009 | $215.00 |

Ages 11-14
| 07/08-07/19 | 2:35 pm-4:00 pm | LKD0036-010 | $225.00 |

Crochet Accessories

Learn the basic stitches while making several small projects from bracelets to a cell phone cozy. Crochet hooks, yarn, and pattern ideas will be provided.

Ages 8-14, no class June 19
| 06/10-06/21 | 1:00 pm-2:25 pm | LKD0309-001 | $215.00 |

Crochet Amigurumi

Amigurumi is the Japanese art of crocheting adorable stuffed animals and creatures. Learn the basic stitches to create a soft plushie and take it home at the end of class! Crochet hooks, yarn, and pattern ideas will be provided.

| 07/08-07/19 | 10:35 am-12:00 pm | LKD0095-005 | $225.00 |

Crochet Granny Squares

Level up your crochet skills and learn how to make a classic granny square. Combine your squares to make something new! Crochet hooks, yarn, and pattern ideas will be provided.

Ages 8-14, no class July 4
| 06/24-07/05 | 1:00 pm-2:25 pm | LKD0308-001 | $215.00 |

Design it, Draw it, Wear it

Want your very own drawings and designs on a backpack or shoes? Use fabric markers, paint pens, dye, patches, creative stitching, and more to embellish a pair of canvas shoes, canvas backpack, or bring in something of your own to style such as jeans, a sweatshirt, boots, etc. Instructor will send an email in advance of the class to help generate ideas.

Ages 8-11
| 06/03-06/07 | 9:00 am-12:00 pm | LKD0319-001 | $225.00 |

Ages 11-14
| 07/08-07/19 | 1:00 pm-2:25 pm | LKD0319-002 | $225.00 |

On-Campus Classes (Ages 8-14)

" My kids learned A LOT and had a ton of fun at InZone. I really appreciate the adult instructors as well as the younger aids. It's a great balance of fun, learning, creativity, freedom, and structure. "

-Jaden B.

Halloween Happening

Be ready for the Haunting Season by learning to operate a sewing machine to construct a spooky cape and a matching Trick-or-Treat bag. You will be the envy of all the ghouls. Themed novelty fabric provided.

Ages 8-14
07/22-08/02   2:35 pm-4:00 pm   LKD0314-001 $225.00

Magical Mending

This class is about learning to use a sewing machine as well as hand sewing to repair fabric items with decorative patches and embellishing with embroidery, buttons, and beads. When you learn to fix a rip in jeans or a favorite shirt it opens the opportunity to artfully change it, so it looks even better than before! You may bring from home a clean pair of shorts or a similar item that needs to be mended and/or spiced up a bit. A bucket hat and all other materials will be provided.

Ages 8-14
07/08-07/19   1:00 pm-2:25 pm   LKD0313-001 $225.00

Pamper Your Pets

Combine webbing, fabric, ribbon, and hardware while you make a boutique-style collar bandana, leash, and pet bowl placemat. You will learn to sew on a sewing machine while making these fun and easy projects for your canine or feline friends. If there is time, we will also make easy pet toys. Special dog- or cat-themed fabric is provided.

Ages 8-14, no class July 4
06/24-07/05   2:35 pm-4:00 pm   LKD0070-007 $215.00

Pillow Possibilities

Pillows are a great way to add comfort and to spice up a room's deacute;cor. Make fun pillows featuring trendy techniques from a variety of provided fabrics while you learn to sew on a sewing machine.

Ages 8-14
07/22-08/02   1:00 pm-2:25 pm   LKD0131-004 $225.00

Sew Comfy

Learn to sew an easy pair of shorts with an elastic waist. You will learn to measure yourself to get the right fit, layout a simple pattern, pin and cut out fabric using the pattern, maintain a consistent seam allowance, construct a casing, insert elastic, how to turn up and sew a hem, and so much more! All fabric and notions provided.

Ages 8-11
07/22-08/02   10:35 am-12:00 pm   LKD0165-010 $225.00

Sew Successful

Set yourself up for sewing success by staying organized. While you learn to use a sewing machine, you will make your own sewing basket and a matching pin cushion/scrap bag. Novel sewing themed fabric is provided.

Ages 11-14
07/08-07/19   10:35 am-12:00 pm   LKD0312-001 $225.00

Textile Stamping and Printing

Would you like to design a t-shirt, fabric curtains, or art for your wall. You use a variety of objects to create stamps for fabric. Both additive stamping with ink or dye, and subtractive methods with darker fabrics and bleach. Join us for a fantastic creative time.

Ages 11-14
06/03-06/07   1:00 pm-4:00 pm   LKD0322-001 $225.00

You are the Star

Create your own star themed bedroom accessories while you learn to sew on a sewing machine. Planned projects include a decorative star garland, a sleep eye mask, and a fancy pillowcase. Star themed fabric is provided.

Ages 8-14, no class July 4
06/24-07/05   1:00 pm-2:25 pm   LKD0292-002 $215.00

IDEAShop: Makerspace

IDEAShop: AI Explorations

Funded by a grant from the Fabricators and Manufacturing Association, learn about how artificial intelligence is changing the world we live in! Explore the topics of facial recognition, natural language processing, and speech recognition. Gain hands-on experience using Teachable Machine, Semantris, Autodraw, and other online tools to learn about machine learning, and learn basic programming in Python. Have fun learning how AI robots use machine learning technology and interact with chatbots.

Ages 11-14, no class June 19
06/10-06/21   9:00 am-10:25 am   LKD0251-005 $199.00
06/10-06/21   10:35 am-12:00 pm   LKD0251-006 $199.00

IDEAShop: Become an Entrepreneur Maker

Funded by a grant from the Fabricators and Manufacturers Association, this Entrepreneur Summer Camp puts tools and technology into the hands of middle-schoolers and lets them take the lead in creating new ideas and building their own businesses in a supportive, professional environment. During this weeklong day camp, students will go from idea generation to presentation of their prototype and business plan under the guidance of experienced facilitators and developers. On the last day, we will invite parents and the local community to attend virtually as the students present their businesses to compete for a prize!

Ages 11-15
07/22-08/02   1:00 pm-4:00 pm   LKD0250-004 $275.00

IDEAShop: Build A Battlebot and Rumble

Funded by a grant from the Fabricators and Manufacturing Association, do you love the TV show BattleBots? Would you love to get a start in combat robotics? You will build your very own plastic 1-pound Antweight or 150g combat robot. You will use 3D modeling software to design the robot chassis and structural components, then use a 3D printer to print your designs in plastic. In addition, you will build your own remote-control electronics with DC motors, speed controllers, a battery, and a radio control transmitter and receiver. Finally, you will assemble, test, and compete with your robot against others in a friendly tournament. We will practice engineering design and iteration, 3D computer modeling, 3D printing, soldering, tool use, mechanical testing, and electronics troubleshooting. Cost of the camp includes a robot to take home. NO EXPERIENCE NECESSARY.

Ages 11-14, no class June 19th
06/10-06/21   1:00 pm-4:00 pm   LKD0287-003 $325.00

IDEAShop: Build Your Own 3D Printer

Have you ever dreamt of having your very own 3D printer? In this exciting class, you will build your own 3D printer from a kit and take it home when completed. Learn the fundamentals of how 3D printers work and the essentials of using CAD (computer-aided design). The first thing you print will be your own creation.
A thorough discussion on the usage of your new printer and ways to upgrade it will be covered so you are comfortable using the machine once you have it at home.

Ages 11-14
07/08-07/19   1:00 pm-2:25 pm   LKD0077-012 $375.00
08/05-08/09   1:00 pm-4:00 pm   LKD0077-013 $375.00

IDEAShop: Engineering Explorers

This week-long camp for middle-schoolers, will dive into the engineering design process, career opportunities, basic 3D modeling software, 3D printing, programming, and machine learning. Students will learn to think and design like an engineer by utilizing the engineering process to design a roller coaster using pipe insulation, marbles, and objects within the room. Additional activities will include designing and printing a 3D model, creating wearable electronics, experimenting with machine learning/computer vision, and competing in engineering challenges. TheIDEAShop Engineering Explorers camp is perfect for young and creative minds who have an interest in engineering.

Ages 11-14
06/03-06/07   9:00 am-4:00 pm   LKD0252-003 $325.00

On-Campus Classes (Ages 8-14)

IDEAShop: Program Self-Driving Cars and Robots

The future of Artificial Intelligence has arrived. Gain hands-on experience programming self-driving mini cars using the Python programming language. Learn how generative AI tools like ChatGPT work and how to use them. Interact with robots to learn about sensors, data, and machine learning. Explore the positive and negative societal impacts of AI. Discover innovative ways to use AI technology now and in the future! No experience necessary.

Ages 13-17, no class July 4
06/24-07/05   1:00 pm-4:00 pm   LKD0305-002 $249.00

IDEAShop: Raspberry Pi Programming

Open-source computer hardware has democratized the design of electronic gadgets and gizmos and inspired a whole community of makers. The focus of the camp will be on building projects. Students will learn programming, basic electronics, and engineering using the Raspberry Pi embedded computer. The camper's final project will be a mobile robot programmed to complete an autonomous task. The final day will be a demo and competition for campers to present their robot to fellow campers and their parents.

Ages 11-14
07/22-08/02   9:00 am-12:00 pm   LKD0254-004 $275.00

IDEAShop: The Vex Robot Olympics

Welcome to the Robot Olympics! Campers will explore VEX (IQ or V5) by working in groups to build and code their robots to compete in various Robot Olympic Events. Campers will begin by building the Autopilot and using the remote control to play robot soccer against other teams. They will then explore more complex coding and construction to build a Clawbot and code it to compete in the Robot Olympics! Campers learn lifelong skills in teamwork, leadership, and communication, as they go for the gold in Robot Olympics camp.

Ages 11-14
07/08-07/19   9:00 am-12:00 pm   LKD0290-002 $275.00

IDEAShop: Welcome to the World of Welding

This class will provide a basic understanding of welding processes and safety procedures. You will have a chance to not only learn about welding and manufacturing but also to experience the steps of creating and completing a project. The course will also cover topics like shop and industrial safety, hazards prevention, and structural welding basics. The goal of this camp is to provide an introduction to welding and shop safety, educate you on equipment, and provide step by step guidance on how things are created in the lab.

Ages 11-15
07/08-07/19   9:00 am-12:00 pm   LKD0347-001 $275.00

Better Than Drive Thru

Derive even more satisfaction from fast food made by yourself. You will be making common fast food menu favorites including chicken strips, French fries, orange chicken, smoothies, meatball subs, Mexican pizza, hard and soft shell tacos, flame broiled burgers and pasta dishes. This fast food will introduce you to quick, easy recipes that will please the whole family.

Ages 11-14, no class June 19
06/10-06/21   10:35 am-12:00 pm   LKD0159-012 $215.00
Ages 8-11
07/08-07/19   1:00 pm-2:25 pm   LKD0159-013 $225.00

Bountiful Breakfasts

Tired of the same old cereal, toaster treats or microwave waffles for breakfast? Take this class and amaze yourself with all the delicious and different breakfasts YOU create! Recipes and ingredient lists will be emailed a few days before the class start date.

Ages 8-11, no class July 4
06/24-07/05   9:00 am-10:25 am   LKD0127-020 $215.00
Ages 11-14
07/22-08/02   9:00 am-10:25 am   LKD0127-021 $215.00

Chef's Challenge

Think you have the skills to be a top chef? Then take the challenge! Class focus will be on cooking, food preparation and presentation. Kids will partner up and on the last day challenge the other groups to be awarded Chefs of the Future. Groups will be judged on topics covered throughout the session.

Ages 11-14
07/22-08/02   2:35 pm-4:00 pm   LKD0138-010 $225.00

Cookies, Bars and Breads

It is time to bake up a storm in the hands on cooking class. You will amazed with the variety of beautiful baked goods created in such a small amount of time. This exploration into the world of baking will take you on a journey of sweet and savory baked goods to taste and enjoy.

Ages 8-11, no class June 19
06/10-06/21   9:00 am-10:25 am   LKD0160-016 $215.00
Ages 11-14
07/08-07/19   2:35 pm-4:00 pm   LKD0160-017 $225.00

Cupcake Canvas

As you let your imagination run wild, the amazing cupcake will be your canvas. You will create beautiful works of art using icing, cookies and many candy flavors. You will be creating flowers, animals, and small displays to celebrate holidays, birthdays and more.

Ages 8-11, no class June 19
06/10-06/21   1:00 pm-2:25 pm   LKD0128-022 $215.00
Ages 11-14
07/22-08/02   10:35 am-12:00 pm   LKD0128-023 $225.00

From My Head To-ma-toes

Experience and prepare delicious vegetarian and nourishing vegan recipes that will impress your family with meals everyone will love. Learn to cook easy and delicious breakfasts, fast lunches, dinners and desserts in small groups as you complete the recipe of the day. Vegan items are vegetarian, dairy free and does not include animal by-products. Vegan students will have slight alterations to some of the vegetarian recipes that will be prepared.

Ages 11-14
07/08-07/19   10:35 am-12:00 pm   LKD0161-009 $225.00

Holiday Treats

The holidays are a special time of year and the food of each them is what makes them special. Come celebrate the holidays and learn recipes that will make each family gathering one to remember. Have fun while celebrating Valentine's Day, Cinco de Mayo, 4th of July and more. New recipes each year.

Ages 8-11, no class July 4
06/24-07/05   1:00 pm-2:25 pm   LKD0129-017 $215.00

Kitchen Clash

Participants in this fun, but competitive class will be divided into groups. Each group will receive a different recipe for the same dish. When all the groups have cooked their dishes, we will have a tasting review. The winning recipes will be compiled into a recipe book that each student will receive at the end of the class. Competitions may include chili, spaghetti sauce, and macaroni and cheese cook-offs.

Ages 11-14, no class June 19
06/10-06/21   2:35 pm-4:00 pm   LKD0015-013 $215.00

08/05-08/09   9:00 am-12:00 pm   LKD0015-014 $225.00

Leadership, Empowerment and Entrepreneurship

Creative Minds: Innovation and Vision

A unique course designed to inspire and equip students with brainstorming, prioritization, and team synergy techniques. Drawing from an entrepreneurial perspective, this class will blend elements of technology, creativity, innovation, and vision with meditation and mindfulness practices to enhance creative thinking and collaborative skills.

Ages 11-14, no class July 4
06/24-07/05   2:35 pm-4:00 pm   LKD0339-001 $215.00

Entrepreneurship: From Ideas to Action

A comprehensive two-week entrepreneurship program for students to learn about starting and running a business. The course includes interactive sessions on the entrepreneurial mindset, market research, business modeling, prototyping, financial literacy, and product pitching.

Ages 11-14, no class July 4
06/24-07/05   9:00 am-10:25 am   LKD0335-001 $215.00

Financial Literacy with Real World Applications

A Sylvan Learning team member will help you begin to understand the world of budgets, interest, credit, investments, debt, savings, taxes and more. Through games and other real world activities, you will learn confidence with money and become better prepared for upcoming experiences in high school, college and beyond.

Ages 11-14
07/08-07/19   1:00 pm-2:25 pm   LKD0329-001 $225.00

Reflection, Connection, and Renewal

This class is designed to help you reflect on the past year, form new connections, and share your experiences. You will utilize meditation and mindfulness techniques to facilitate personal growth, knowledge integration, a sense of accomplishment, friendship building, and a feeling of belonging as you transition into the summer period.

Ages 11-14
06/03-06/07   1:00 pm-4:00 pm   LKD0331-001 $225.00

Summer Reflections and Celebrations

A one-week program designed to celebrate the end of summer by reflecting on experiences, achievements, and growth. The program includes activities for you to showcase what you have learned, set future goals, and enjoy a sense of community and accomplishment.

Ages 11-14
08/05-08/09   9:00 am-12:00 pm   LKD0342-001 $225.00

The Do Good Movement

The Do Good Movement is focused on promoting self-awareness, self-regulation, philanthropic stewardship, and social-emotional learning through a yoga foundation. You will benefit from this program by learning tools to help relieve stress and anxiety in and out of the classroom as well as create strong minds and bodies through movement and meditation. This class is designed to help you learn the foundations of mindfulness and develop an understanding of how yoga really helps improve a connection to mind, body and the world around them. Wear comfortable clothes.

Ages 11-14
07/08-07/19   9:00 am-10:25 am   LKD0330-002 $225.00

Ages 8-11
07/08-07/19   10:35 am-12:00 pm   LKD0330-003 $225.00
07/22-08/02   9:00 am-10:25 am   LKD0330-004 $225.00

Ages 11-14
07/22-08/02   10:35 am-12:00 pm   LKD0330-005 $225.00

Young Investors and Entrepreneurs

Teach your kids the secrets of building financial wealth and security! Whether you want to build the next great American company, become a Wall Street tycoon, or be the millionaire next door by investing wisely - this camp is for you! In this course, you will learn the basics of investing in the stock market, the difference between assets and liabilities, the importance of diversification, and how to evaluate companies. You will also develop your own business plan and present your ideas to your peers to compete for their investments in a mock Shark Tank-style activity. Students will work in pairs or teams for most of the program.

Ages 11-14
07/08-07/19   10:35 am-12:00 pm   LKD0317-001 $225.00
07/22-08/02   2:35 pm-4:00 pm   LKD0317-002 $225.00

Youth Leadership and Empowerment

This intensive program will focus on developing leadership skills and empowering students to become confident, responsible, and proactive individuals. The course will cover key aspects of leadership, including communication, teamwork, problem-solving, and self-awareness.

Ages 11-14, no class June 19
06/10-06/21   9:00 am-10:25 am   LKD0332-001 $215.00

Youth Mindfulness and Leadership

This class combines mindfulness techniques with leadership skills development. It covers topics like meditation, managing anxiety, and building confidence for leadership. Additional topics include empathy, gratitude, self-reflection, personal growth, positive thinking, self-care, connection with nature, and community building

Ages 11-14
07/08-07/19   9:00 am-10:25 am   LKD0338-001 $225.00
" It was a great learning experience for our child, allowing him to take on responsibility for his day in a safe environment. "

-Owen D.

Math, Science and Games

A Matter Of Chemistry

Elephant Toothpaste? Bath Bombs? What do these have to do with Chemistry? Chemistry is about relationships that matter. Some matter plays nicely together while others create explosive pairings. You become the chemist mixing and measuring to explore physical and chemical reactions in the college chem lab what really causes that explosion? You will be the scientist experimenting with different amounts (variables) to find just the right reaction you like. We will (safely) explore the 4 states of matter (yes, there are really four!), as well as acids bases, and design your own t-shirt using chemistry!

Ages 11-14
07/08-07/19   10:35 am-12:00 pm   LKD0023-012 $225.00

Ages 8-11
07/08-07/19   1:00 pm-2:25 pm   LKD0023-013 $225.00

All About Astronomy

Daylight is nice but the night sky can be amazing! Some things can be seen while the sun is up, but the really stellar objects are found after the sun goes down. We will learn how our solar system works and discover how to see other matter on a clear, dark night.

Ages 11-14
07/22-08/02   1:00 pm-2:25 pm   LKD0140-008 $225.00

Biotechnology

Many people may not realize our lives have improved because of biotechnology. We have new medicines, food, and alternative fuels because of work in the fields of biochemistry and bio-engineering. Lots of hands-on activities gets kids involved with the science behind this exciting and burgeoning field. Werll actually capture samples of DNA; learn about what goes into bio-robotic coding that is used to create new medicines; and make exciting chemical reactions that overlap with bio-engineering. Kids love the popular cryptography challenge!

Ages 11-14, no class June 19
06/10-06/21   9:00 am-10:25 am   LKD0071-013 $215.00

Bones and Blood

How many bones are there in your body? Why is your blood red? Why do you burp? What happens inside you when you get the flu? These are just a few of the questions you will be discovering the answers to in this exciting class. Join our team to discover how the human body is put together and how it works.

Ages 8-11
07/08-07/19   2:35 pm-4:00 pm   LKD0126-007 $225.00

Camp Ooey Gooey

Are we going to make slime? The answer is: Yes, but so much more! What students get is a whole bunch of science (chemistry, physics and biology) but think they are just playing! Decorate lab coats with chromatography; get into some biology outside and do a Make-n-Take using air plants; design t-shirts and painting with polymers, a liquid latex that results in the rubbery texture you see on t-shirts everywhere. This program is a real favorite.

Ages 8-11
06/03-06/07   9:00 am-12:00 pm   LKD0034-015 $225.00

Ages 8-11, no class July 4
06/24-07/05   10:35 am-12:00 pm LKD0034-016 $215.00

Checkmate Chess

Develop your intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Chess has been proven to enhance motivation, concentration, focus, social skills, and creativity. Each class will consist of a fun, interactive teaching period with a live instructor and guided practice time where students can play remotely against other Chess Scholars students. Both beginner and experienced players are welcome and will learn under the guidance of an experienced Chess Scholars coach.

Ages 8-14, no class July 4
06/24-07/05   1:00 pm-2:25 pm   LKD0038-029 $215.00

Crime Scene to Courtroom: Order in the Court

Once the CSI team has collected the evidence and the police finish their investigation, it is time for the case to enter the judicial system. Learn what it is like to be a part of the proceedings through three different court cases designed to let you experience all the roles associated with a case. Take turns developing statements and arguments as a prosecutor or defense lawyer. Control the court events without bias as the elected judge. Be part of the jury to determine the verdict after all the forensic materials have been presented. Innocent or guilty?

On-Campus Classes (Ages 8-14)

CSI: Observe, Collect and Inspect

Crime Scene Investigation (CSI) combines the work of many professionals to ensure that all crime scene evidence is collected and no details are overlooked. The class studies professions such as K-9 units that do evidence searches, pathologists for fingerprint analysis, psychiatrists for human profiling, and many more. Learn skills in handwriting and shoe print analysis, and other evidence evaluation techniques as you and your classmates investigate to help process crime scenes in the Harper College Crime Lab. Crime scenes change each year.

Ages 11-14
| 06/03-06/07 | 1:00 pm-4:00 pm | LKD0136-016 | $225.00 |

Ages 11-14, no class July 4
| 06/24-07/05 | 1:00 pm-2:25 pm | LKD0136-017 | $215.00 |

Engineering: Bridge Design

The professionals at Sylvan Learning will help you learn engineering basics like force, stress, tension, and compression while building seven different types of bridges. Incorporating key STEM and architecture concepts into the work, you will figure out what handles the most load and which bridge is right for different situations. In the process, you will learn how to create, design, brainstorm, collaborate, problem solve, and present your ideas to others.

Ages 8-11, no class July 4
| 06/24-07/05 | 10:35 am-12:00 pm | LKD0065-007 | $215.00 |

Food Science

Food is part of our everyday lives as well as science. This one-week camp session gives students exposure to food science through unique experimentation. STEM experiments will focus on the science of candy making, the oxidation of fruits and vegetables, extracting DNA from fruit, pH scale, and chemistry behind beverages.

Grand STEM Challenge: Renewable Energy

Sylvan Learning Center will be entering teams in a national competition called The Grand STEM Challenge. Students learn to solve real-world problems; just like engineers do! The challenge involves making a machine that uses a renewable energy source to lift an object from the floor to a higher level. As teams face the challenges of inventing, they will also learn about renewable energy and why it is so essential for a bright future.

Ages 8-11
| 06/03-06/07 | 9:00 am-12:00 pm | LKD0064-010 | $225.00 |
| 08/05-08/09 | 9:00 am-12:00 pm | LKD0064-011 | $225.00 |

Lego Bot Labs

In this exciting class the educators from Sylvan Learning will help you build Lego robots and program them using Lego WeDo software. Course includes 36 new builds, including both WeDo 1 and WeDo 2 kits and software. You can pick from Safari, Space and City themes, learning to build, program and problem solve while incorporating STEM concepts. If you are new to Lego and WeDo or an experienced builder, the fun and learning are all rolled into one.

Ages 8-11
06/03-06/07	1:00 pm-4:00 pm	LKD0051-010	$225.00
07/08-07/19	10:35 am-12:00 pm	LKD0051-011	$225.00
07/22-08/02	2:35 pm-4:00 pm	LKD0051-012	$225.00

Let's Build It: Snap Circuits

Let's Build It: Snap Circuits is an exhilarating, cutting-edge area of engineering. In this unit, you will design, build, and test various circuits and electronic projects. Instructors will guide students through core concepts of electrical engineering, introducing them to circuits and electrical components. You will use hands-on projects and experiments to explore how electricity is part of our daily lives. No previous experience is necessary, just a desire to learn and build. Projects will include: a disc launcher, electronic games, musical instruments, alarms, and more, along with fun-filled class activities.

Ages 8-11, no class June 19
| 06/10-06/21 | 1:00 pm-2:25 pm | LKD0247-004 | $215.00 |

" My child had the best summer at InZone. While learning, she made friends, and all of the teachers were great. "

-Pedro S.

Lift Off Engineering

If you like blasting rockets into the air and parachutes floating to earth, then this class is for you. You will be making catapults, hover crafts, and testing airplane aerodynamics as well as comparing the Artemis missions to Apollo and NASAs James Webb Telescope; Europa Mission (to the moons of Jupiter) and so much more.

Ages 8-11
06/03-06/07   1:00 pm-4:00 pm   LKD0020-012 $225.00

Math Edge

Become a Math Whiz and Master Problem Solver through challenging and kid-friendly activities. In partnership with Sylvan Learning, this class will help avoid the summer slide in math skills while challenging you to start next school year at a higher level. Math Edge kids increase confidence by building math proficiency and fluency, but also by becoming master problem solvers and independent thinkers. This five-step approach ensures that you will successfully master math concepts while developing self-learning techniques that drive independence. In addition, there are math challenges, puzzles and brainteasers that you work on in small groups to build problem solving, logic, reasoning and collaboration skills. Most importantly, we make it fun. Sylvan will gather parent input prior to the class to customize math topics based on that input.

Ages 8-11
07/08-07/19   9:00 am-10:25 am   LKD0044-016 $225.00
07/22-08/02   10:35 am-12:00 pm   LKD0044-017 $225.00

Pokémon: Mastering the Card Game

Almost every kid has collected "Pokemon Cards" at some point, but few actually know how to play the game the cards are based on. This class will provide a fun environment where you will learn the basics of gameplay, get tips and strategies for deck building, and compete in friendly competitions with other students for small prizes and bragging rights. The goal of this class is to enlighten kids with a fun, robust, and already popular game; while also promoting healthy and respectful competition. Pokemon cards will be supplied during class, but you are encouraged to bring your own collection as well.

Ages 8-14, no class July 4
06/24-07/05   9:00 am-10:25 am   LKD0018-020 $205.00
06/24-07/05   10:35 am-12:00 pm   LKD0018-021 $205.00

Music

Beats and Jams: Digital Music Creators

Begin your rise to the top of the charts with digital music production! Just like today's top artists, you can design your own beats or remix a mashup of your favorite songs to become a digital composer and sound engineer. In this course, students will learn to produce digital music, record sound, make sound effects, and mix their own tracks. No prior music experience is necessary. Student-created soundtracks will be available on a password-protected website to share with friends and family. Students will work in pairs or teams for most of the program.

Ages 11-14, no class July 4
06/24-07/05   9:00 am-10:25 am   LKD0316-001 $215.00

Ages 8-11, no class July 4
06/24-07/05   1:00 pm-2:25 pm   LKD0316-002 $215.00

Broadway Musicals

This course will cover the most influential musicals of the 20th and 21st Century and how they influenced the musicals of today. We will learn the roles and jobs that work together to create a production and try our hands at playwriting and design. In addition, each student will choose to present either a report on a favorite musical and/or a solo performance of a song from a show. The presentations will be viewed by the class on our final day. Book and material are included in the price. Minimum 4, Maximum 12

Ages 11-14, no class June 19
06/10-06/21   9:00 am-10:25 am   LMY0037-026 $225.00

Ages 11-14, no class July 4
06/24-07/05   9:00 am-10:25 am   LMY0037-027 $225.00

Broadway Musicals: Continuing

You will continue exploring Broadway musicals and expand the repertoire to encompass more challenging songs and incorporate a higher level of expression. Through audio, video, theater games, movement, and live performance, this course will continue to enhance your vocal technique, stage experience, and confidence. You will present a performance for parents and friends during the last class session. Book and material are included in the price. Minimum 4, Maximum 12

Ages 11-14, no class July 4
06/24-07/05   10:35 am-12:00 pm   LMY0038-009 $225.00

Bucket Drumming

Group hand drumming classes are designed to be a fun way to explore a variety of rhythms from around the world. You can expand your musical abilities through rhythmic games, listening, playing pieces, and hands-on drills. You will develop a basic understanding of various rhythm patterns as well as the basic, related terminology. The main instrument used will be the West African djembe. Instruments will be provided. No experience is necessary to participate. Minimum 4, Maximum 12

Ages 8-11, no class June 19
06/10-06/21   10:35 am-12:00 pm   LMY0043-006 $189.00

Disney Singers

Sing along to your favorite Disney songs. This class will focus on music and incorporate dance from a variety of Disney movies. You will learn singing warm-ups, Kurwin hand-signs, solfeggio, basic note identification, rhythms, and simple dynamic markings through the use of hands-on activities and written work. By the end of the session, you will have the songs memorized and ready for performance. The book Disney Solos for Kids will be used for this course. A few additional songs from Disney's Frozen and Tangled will be learned as well! Book and material are included in the price. Minimum 4, Maximum 12

Ages 8-11
07/08-07/19   1:00 pm-2:25 pm   LMY0036-009 $249.00

Group Guitar for Beginners

Never played any instruments before? No worries. Played a little, but need a little more push? Join in! Learn basic picking, simple strumming skills, notation and chord charts, and basic right and left-hand techniques in a fun, relaxed, and supportive environment. You may bring their own guitar (acoustic or electric); otherwise, classical guitars will be provided for the duration of the course for no additional fee. Minimum 4, Maximum 10

Ages 8-14, no class June 19
06/10-06/21   1:00 pm-2:25 pm   LMY0039-039 $189.00
06/10-06/21   9:00 am-10:25 am   LMY0039-040 $189.00

Ages 8-14, no class July 4
06/24-07/05   9:00 am-10:25 am   LMY0039-042 $189.00

Ages 8-14
07/22-08/02   9:00 am-10:25 am   LMY0039-041 $199.00

Group Piano for Beginners

Learn to play the piano! This class is designed for absolute beginners, and no piano or extra practice at home is needed. You will start at the very beginning and will have fun playing songs and lots of music games and activities every day. Instructional materials will provided and it strongly recommended for children to have a piano or keyboard at home If you have always wanted to try the keyboard, now is the time! Minimum 4, Maximum 10

Ages 8-14, no class June 19
06/10-06/21   9:00 am-10:25 am   LMY0041-035 $189.00
Ages 8-14
07/08-07/19   9:00 am-10:25 am   LMY0041-036 $199.00

Group Piano: Continuing

Continue learning the piano and dig deeper into the classical repertoire. Enhance your playing technique; develop listening skills, rhythmic accuracy, and expression. The group will expand the repertoire it covered in the beginners

Ages 8-14
07/08-07/19   10:35 am-12:00 pm   LMY0042-016 $199.00
07/22-08/02   10:35 am-12:00 pm   LMY0042-015 $199.00

Group Ukulele for Beginners

The ukulele, that lovable little four-stringed instrument, is everywhere in pop music today. From George Harrison to Train to Bruno Mars to Jason Mraz and Zooey Deschanel, we can't get enough! Learn to play the uke and get a great introduction to other fretted instruments including guitar, mandolin, and banjo. Students will enhance their playing technique; develop listening skills, rhythmic accuracy, and learn chord progressions. The group will cover a variety of genres that can range from country, folk, and blues to bluegrass. No experience required and instruments will be provided for the whole duration of the course.
Minimum 4, Maximum 10

Ages 8-14
07/08-07/19   9:00 am-10:25 am   LMY0032-026 $199.00

Rap and Freestyle Masterclass

A two-week immersive course focused on the art of rap and freestyle. The first week is dedicated to writing and performing a rap song, and the second week explores freestyle rap and improvisation skills, culminating in a group cypher. Finding your voice and style, writing and performing lyrics, and developing stage presence.

Ages 11-14, no class July 4
06/24-07/05   1:00 pm-2:25 pm   LKD0337-001 $215.00
Ages 11-14
07/08-07/19   10:35 am-12:00 pm   LKD0337-002 $225.00

Rock and Roll Camp

Jamming with professional band members, performers, and songwriters playing some of the greatest Rock and Roll songs of the last 40 years. This is a once-in-a-lifetime opportunity to jam, practice, and perform. You will spend 10 days learning the likes of iconic artists. The song selection will be customized to your playing level and will be pulled from multiple genres. We will finish the course with a performance at Harper. Get ready to hit the stage and perform some of the most iconic rock anthems.
Minimum 4, Maximum 8

Ages 8-14, no class July 4
06/24-07/05   1:00 pm-2:25 pm   LMY0050-008 $249.00

Stage/Sound/Screen

Film Acting Camp-Quiet on the Set

This extensive program will teach you all aspects of film production taught by professionals, where everyone will get in front of the camera to star in a short film or go behind the scenes to find out what movie-making is all about. Learn about script creation, acting on film, and all the preproduction activities of a working set, including camera techniques, on-location shooting, wardrobe, make-up and editing. All participants will have roles based on their preferences. Either on film, behind the scenes and in most cases both. All students will receive a copy of the movie and if allowed we will premiere the film at Harper College for family and friends after editing is finished.

Ages 8-14, no class June 19 and July 4
06/10-07/05   9:00 am-12:00 pm   LKD0025-009 $499.00
Ages 8-14
07/08-08/02   9:00 am-12:00 pm   LKD0025-010 $549.00

Improv Games

Ever play an old game a new way, with your own rules or no rules? Sometimes we have the most fun when we think out of the box and let our imaginations run wild. That is improv! Improv lets you live in the moment, and it can be very funny to see what comes next. Develop your improv skills through fun techniques and games.

On-Campus Classes (Ages 8-14)

KidFlix: Short Film Writing Production Workshop

Be an Independent Filmmaker! Learn the craft of short filmmaking with creative friends in this immersive, team-based, two-week workshop. Throughout the first week, you will develop, write, rehearse, and plan an original three-minute short film with your crew. In week two, you will direct, shoot, and edit your film and present it for a parents-welcome screening on the last day. No prior film experience is required. Just participate, collaborate, and have fun producing your own no-budget movie! Minimum 6, Maximum 12

Ages 8-11, no class June 19
06/10-06/21   10:35 am-12:00 pm   LMY0233-001 $215.00

Ages 8-11
07/08-07/19   10:35 am-12:00 pm   LMY0233-002 $225.00

Making Documentary Films

Documentaries capture the real life stories of real people like you. This class will specifically document the experiences that kids have in the InZone program. You will learn to create a storyboard and receive tips on how to conduct good interviews. You will be involved in all the pre-production activities of a working set including camera techniques and on-location shooting. All participants will have a variety of roles both on and off camera ranging from producing and directing to acting and editing. At the end of class, we will premiere the completed film for family, friends and the public.

Ages 8-14
07/08-07/19   1:00 pm-4:00 pm   LKD0147-010 $349.00

Stand Up and Sketch Comedy Creation

Comedy comes in many forms and this class will highlight and develop two of the most common. You will earn how to find comedy in everyday life and work on comedy sketches and stand-up comedy routines. You will create a comedy routine with the help of the teachers that best fits your voice. Learn to spot the set-up and the punch line. Modeled (loosely) on the Drybar social media platform you will learn that comedy is built from experiences, is smart and a good comic can develop material that is from the most random of subjects and be enjoyable for all. Sketch work will be solo and in teams.

Ages 8-14, no class June 19
06/10-06/21   2:35 pm-4:00 pm   LKD0224-011 $215.00

Ages 8-14
07/22-08/02   1:00 pm-2:25 pm   LKD0224-012 $225.00

Stars of the Stage

Fully experience every element of creating a theatrical project. Start by learning the language of theater, from the basics like stage right and stage left to more advanced concepts like arc of the narrative and raising the stakes. Utilizing a collection of short plays, you will participate in an audition, a blocking rehearsal and a technical rehearsal. The result will be a performance of live theater to share what you have learned over the course of the class.

Ages 8-14, no class July 4
06/24-07/05   1:00 pm-4:00 pm   LKD0027-009 $329.00

Ages 8-14
08/05-08/09   9:00 am-4:00 pm   LKD0027-010 $329.00

TeenFlix: Short Film Writing Production Workshop

Be an Independent Filmmaker! Learn the craft of short filmmaking with creative friends in this immersive, team-based, two-week workshop. Throughout the first week, you will develop, write, rehearse, and plan an original three-minute short film with your crew. 07/08-07/19   1:00 pm-2:25 pm   LMY0234-002 $225.00

Stories, Writing and the World

American Sign Language

Imagine that you are working in a school, hospital, or court and helping people by translating between two languages. Interpreters do this each day. This class uses interactive activities to teach you how to communicate using American Sign Language, the sixth-most used language in the U.S.A. with more than a million users. You will be introduced to Deaf culture as you learn the alphabet and more than 250 ASL signs.

Ages 8-14, no class June 19
06/10-06/21   2:35 pm-4:00 pm   LKD0003-012 $215.00

Ages 8-14
07/08-07/19   1:00 pm-2:25 pm   LKD0003-013 $209.00

American Sign Language Continued

The goal of class is to get you to become more fluid in signing. Previous introduction to American Sign Language is helpful, especially in the area of the alphabet, numbers, and greetings. You will increase speed in fingerspelling and concentrate on expressive and receptive skills while communicating with American Sign Language as each of us explains what we have done in the past day and see stories, as well. You will leave with more comfort socializing with people who regularly use ASL. This is a great course to follow LKD0003 American Sign Language.

Ages 8-14, no class July 4
06/24-07/05   2:35 pm-4:00 pm   LKD0189-008 $215.00

Creative Writing and Storytelling

Designed to spark imagination and foster the art of storytelling among students. The program will explore creative writing techniques, story structure, character development, and various literary genres. It aims to encourage self-expression, creativity, and a love for literature.

Ages 11-14, no class June 19
06/10-06/21   10:35 am-12:00 pm   LKD0333-001 $215.00

Fantasy Novel Writing

Dive into the realm of myth and magic! Learn how to set-up and begin writing a fantasy novel. From character creation to world building, writing dialogue to planning scenes, all you will need to build your adventure is a pen and paper, and a whole lot of imagination.

Ages 11-14, No class June 19
06/10-06/21   2:35 pm-4:00 pm   LKD0093-006 $215.00

Harry Potter: First Year

First Year students! Pack your bags and head to Platform 9 ¾ for a trip to Hogwarts. Put on the sorting hat and become part of the Gryffindor, Ravenclaw, Hufflepuff or Slytherin house. Focusing on all the books in J.K. Rowling's popular Harry Potter series, we will play games, make crafts and participate in fun science projects to keep your magic skills in order.

Ages 8-14, no class June 19
06/10-06/21   9:00 am-10:25 am   LKD0010-007 $215.00

Harry Potter: Second Year

As a Second Year Hogwarts student, you will sew a wizard hat, create a wizard chess set, start Quidditch practice and make your own Nimbus 2009. You will also attend classes, including The Care and Handling of Magical Creatures (with an introduction to Pygmie Puffs) and Potions and Transfiguration. Watch out! The traditional competition for the House Cup gets a bit more difficult.

Ages 8-14, no class June 19
06/10-06/21   10:35 am-12:00 pm   LKD0052-007 $215.00

Harry Potter: Storytelling and RPG

Delve into the world of Harry Potter with this pen and paper game. Learn the basic rules of roleplaying, while writing one shot adventures that take place in the Wizarding World. You

Ages 8-14
06/03-06/07   9:00 am-12:00 pm   LKD0245-004 $225.00

Harry Potter: Third Year

Third Year Hogwarts students create spell books to use in class and house badges. They also get to write for the wizarding newspaper (The Daily Prophet), finger-knit house book scarves, and attend classes like Advanced Care of Magical Creatures and The History of Hogwarts and Divination. The competition for the House Cup rivals the Tri-wizard tournament in difficulty!

Ages 8-14, no class July 4
06/24-07/05   9:00 am-10:25 am   LKD0144-007 $215.00

Harry Potter: Year Four and Beyond

For Harry Potter FAN-atics who have read ALL the books, this is the class! How did J.K. Rowling create the world of Harry Potter? What message does Ms. Rowling want us to get from the series? Has Harry Potter had an impact on our society? Watch an interview with the author, discuss the archetypes in her stories and learn the legends, myths and reality behind them. We will also try knitting house book scarves and stylizing our favorite Dumbledore quote, suitable for framing!

Ages 8-14
07/08-07/19   9:00 am-10:25 am   LKD0143-005 $225.00

Japanese I

Learn the unique language of the Far East. Through the use of games, video, origami and calligraphy, immerse yourself in a culture based on ancient tradition. For some extra fun, you will earn classroom yen, the Harper version of Japanese currency, and experience a Japanese shopping event like you might find on the streets of Tokyo.

Ages 11-14, no class June 19
06/10-06/21   9:00 am-10:25 am   LKD0137-011 $205.00

Ages 11-14, no class July 4
06/24-07/05   10:35 am-12:00 pm   LKD0137-012 $205.00

Model United Nations

Become one of the 400,000 students around the world in Model United Nations! Assume the role of an ambassador and represent your country to solve current world issues. Throughout the week students will research a world problem, develop solutions, and negotiate consensus with their peers. This program teaches teens and tweens core skills such as research, writing, public speaking, problem solving, and conflict resolution. Model UN alumni have gone on to become supreme court justices, world leaders, lawyers, and business professionals. No prior experience is needed.

Ages 11-14, no class on July 4
06/24-07/05   10:35 am-12:00 pm   LKD0297-003 $215.00

Ages 11-14
07/22-08/02   1:00 pm-2:25 pm   LKD0297-004 $225.00

On-Campus Classes (Ages 8-14)

On the Case: Detective Fiction

If bumps in the night, missing jewelry, or false suspects and crazy plot twists has you donning your best hat and searching for your spyglass, then this class is for you. Learn about different types of crime stories and the detectives who solve them. Then, try your hand at solving a few whodunits yourself. Play a game of Clue and create mysteries for your family and friends to solve!

Ages 11-14
06/03-06/07   1:00 pm-4:00 pm   LKD0092-007 $225.00

Percy Jackson and the Olympians

Welcome to Camp Half-Blood! Enter the world of Rick Riordan's Percy Jackson & the Olympians book series, where you will make your very own Riptide sword, play capture the flag, eat blue food, go on an InZone Quest and make Harper College safe from Cronus and his followers. Return to the real world with your own Camp Half-Blood bead necklace! NOTE: This course is inspired by the characters and events in the Percy Jackson & the Olympian series by Rick Riordan but are not endorsed by the author or publisher.

Ages 8-14, no class July 4
06/24-07/05   2:35 pm-4:00 pm   LKD0002-006 $215.00

Science Fiction Short Story Writing

Explore strange new worlds, seek out new life and new civilizations, and boldly go where no one has gone before! You will learn what makes a fantastic science fiction story, design your own planet, and create short stories of exploration and wonder. Come join us as we delve into a universe of possibilities!

Ages 11-14, no class July 4
06/24-07/05   10:35 am-12:00 pm LKD0097-004 $215.00

> " After our son completed Harper's InZone classes, we noticed that he was motivated and excited for school to start and use all the knowledge he's learned over the summer. "

Tech Knowledgy

3D Printing and Aerospace Engineering

Get an introduction to 3D printing through a focus on aerospace engineering. Learn how to use TinkerCAD to design rockets, gliders, and hand helicopters. In addition, explore the concepts behind aerospace engineering with hands-on projects.

Ages 11-14
07/08-07/19   10:35 am-12:00 pm LKD0076-005 $259.00

3D Printing and Harry Potter

Take your love of Harry Potter to a whole new level when you learn the basics of 3D printing while completing Harry Potter themed projects. You will learn to use Computer Aided Design (CAD) to create and print 3D objects right before your eyes. Projects include Wands, a Deathly Hallows necklace, a Time Turner, and various Hogwarts house items. In addition, your Harry Potter themed activities will include a potions lesson and a Quidditch match.

Ages 11-14
07/22-08/02   9:00 am-10:25 am   LKD0091-007 $259.00

3D Printing Character Design

This class teaches you how to create Computer Aided Designs using TinkerCAD and then print them in 3D out of plastic right before your eyes. You will explore the exciting world of 3D Printing while making their favorite characters from pop culture including: Pokemon; Minecraft, Among Us, Sponge Bob, Harry Potter and more. Learn this easy-to-use software and create projects to turn dreams into a 3D reality.

Ages 11-14, no class June 19
06/10-06/21   10:35 am-12:00 pm LKD0310-001 $259.00

3D Printing Jewelry Making

You will learn how to create Computer Aided Designs using Tinker-CAD and then then print them in 3D out of plastic right before your eyes. In this class you will explore the exciting world of 3D Printing while making custom jewelry including ear rings, key chains, bracelets, necklaces and more. Learn this easy-to-use software and create projects to turn dreams into a 3D reality.

Ages 11-14
07/22-08/02   10:35 am-12:00 pm   LKD0311-001 $259.00

3D Printing Puzzles and Escape Room

Begin your exploration into the world of 3D printing through activities based around exciting 3D printed projects including brain teaser puzzles and a marble maze. You will be also be challenged to complete an instructor made escape room and work in teams to create your own escape room.

Ages 11-14, no class June 19
06/10-06/21   9:00 am-10:25 am   LKD0152-008 $249.00

3D Printing Through Stem

Get a great introduction to the exciting world of 3D printing by learning how to use the TinkerCAD computer-aided-design (CAD) system to create and print 3D, kid-friendly projects. Explore the world of science and engineering with hands on STEM projects including Pokémon and Minecraft characters which you'll take home.

Ages 11-14
06/03-06/07   9:00 am-12:00 pm   LKD0074-010 $259.00
07/08-07/19   9:00 am-10:25 am   LKD0074-011 $259.00

A.I. Adventures: Introduction to Machine Learning

Explore the world of artificial intelligence to design fully interactive games and experiences using cutting-edge technology. This program combines artificial intelligence with coding to create an unforgettable learning adventure. Students will construct machine learning models that use image and text recognition within block-based coding software to build a portfolio of projects. Student-created projects will be available on a password-protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program.

Ages 11-14
07/22-08/02   9:00 am-10:25 am   LKD0315-001 $225.00

Ages 8-11
07/22-08/02   10:35 am-12:00 pm   LKD0315-002 $225.00

Advance to Real World Coding with Python

You will learn Python from Sylvan Learning teachers utilizing the award winning Tynker platform. There are 3 Levels: 1) Python Fundamentals, 2) Advanced Python Concepts and 3) Coding Proficiency. We have over 150 lessons, all taught in a fun, immersive setting. Coding skills include Python syntax, I/O, math functions, conditional statements, loops and many more. We will place students based on coding experience and parent input gathered prior to the class, as well as a placement assessment tool. Students can take multiple sessions of this class and can continue working on the Tynker platform after the class.

Ages 11-14, no class July 4
06/24-07/05   9:00 am-10:25 am   LKD0303-005 $215.00

Ages 11-14
08/05-08/09   1:00 pm-4:00 pm   LKD0303-006 $225.00

Adventures In Robot Building

The staff at RobotCity Workshop return to lead you through this intense robotic adventure. Learn the basics of electronics and mechanical science, from gears and motors to the types of energy used to power robots. This year will feature a number of all newest programmable STEM robots for children that will allow students to play and learn at the same time such as the Edison, Smart Cleaner Robot and featuring Cam Robot are just a sample of the robotics projects. You will build multiple robots related science, technology and mechanics and STEM arts that you get to take them home for further experimentation.

Ages 8-11
06/03-06/07   9:00 am-12:00 pm   LKD0017-019 $315.00

Ages 8-11, no class July 4
06/24-07/05   10:35 am-12:00 pm   LKD0017-020 $299.00

Ages 8-11
07/22-08/02   9:00 am-10:25 am   LKD0017-021 $315.00

Coding Fundamentals with Block Coding

You will learn coding from Sylvan teachers utilizing the award winning Tynker platform. There are 3 Levels: 1) Programming Basics, 2) Create with Code, and 3) Advanced Proficiency. We have over 150 lessons, all taught in a visual, kid-friendly way. Coding skills include sequencing, pattern recognition, loops, conditional logic and many more. We will place students based on coding experience and parent input gathered prior to the class, as well as a placement assessment tool. Students can take multiple sessions of this class and can continue working on the Tynker platform after the class.

Ages 8-11, no class June 19

07/22-08/02   1:00 pm-2:25 pm   LKD0302-005 $225.00

Creative Coders: AI Art Generator

Explore the fusion of art and AI in this exciting course! You will use React and OpenAI to build unique AI art generator web page, creating and customizing art prompts for distinctive image and text outputs. Learn web development basics while unleashing creativity in designing a personal artistic style and interactive interface.

Ages 11-14
07/08-07/19   1:00 pm-2:25 pm   LKD0340-001 $225.00

On-Campus Classes (Ages 8-14)

Cyber Spies

With the worlds increased reliance on digital data, cyber security is more important than ever! In this class you are all that stands between a group of international hackers launching cyber attacks and world peace. Through a series of challenges, students will learn to apply tools used by professional digital forensics teams to crack codes and use encryption. Working in teams you will collect clues, recover lost data, and explore the tools of the trade to become the next great cyber spy!

Ages 8-11, no class on June 19
06/10-06/21   9:00 am-10:25 am   LKD0294-003 $215.00

06/24-07/05   2:35 pm-4:00 pm   LKD0294-004 $215.00

Design Sprint Challenge

A two-week intensive course introducing students to the concept and practice of design sprints, a method popularized in tech companies like Google and Facebook (Meta). The course aims to teach the fundamentals of design thinking and rapid prototyping in a hands-on, interactive environment. Week one Introduces the five phases of a design sprint: Understand, Diverge, Converge, Prototype, and Test. Week two applies the learned concepts in a practical design sprint challenge.

Ages 11-14, no class July 4
06/24-07/05   10:35 am-12:00 pm   LKD0336-001 $215.00

Exploring the Future of the Internet

A course aimed at demystifying Web 3.0, blockchain technology, and NFTs, designed to provide you with a foundational understanding of these emerging digital concepts. The program will explore how these technologies are shaping the future of digital interaction, finance, and art.

Ages 11-14
07/08-07/19   2:35 pm-4:00 pm   LKD0341-001 $225.00

Innovative Robot Building

The robot revolution has arrived from the future, and generations of artists and engineers must be prepared! Explore robotics Led by the RobotCity Workshop staff, learn the concepts of electricity, mechanics, sensors, programming, and how to apply them artistically while building Do-It-Yourself robot kits you get to take home! This year will feature a number of all newest interactive educational robots such as Edison, Moto Bot and the Chain Robot is just a sample of the robotics projects. You will build multiple robots related to science, technology and mechanics and STEM arts that you get to take them home for further experimentation.

Ages 11-14, no class July 4
06/24-07/05   9:00 am-10:25 am   LKD0048-018 $299.00
Ages 11-14
07/22-08/02   10:35 am-12:00 pm   LKD0048-019 $315.00
08/05-08/09   9:00 am-12:00 pm   LKD0048-020 $315.00

Let's Build It: Robotics

Enter into the fascinating world of robotics. In this exciting STEAM program, you will design, build and test your very own robots under the guidance of an experienced AES instructor. Projects include remote control cars, claws, cranes, crawlers, and battle bots. Educational components include gear ratios, mechanical design, electronics, and robotics engineering. No previous experience is necessary, just a desire to have fun, build, and learn.

Ages 8-11
06/03-06/07   1:00 pm-4:00 pm   LKD0246-004 $225.00
07/08-07/19   1:00 pm-2:25 pm   LKD0246-005 $225.00

Make Your First 3D Video Game

In this Black Rocket classic, you will go well beyond the limitations of the traditional 2D game design classes and create an immersive 3D world. Students will learn the physics behind 3D games, explore beginner event scripting, level design, controlling the flow of gameplay, and storytelling. Student projects will be available on a password-protected Black Rocket website to share with friends and family. Projects are only compatible with Windows devices. Students will work in pairs or teams for most of the program.

Ages 8-11
08/05-08/09   9:00 am-12:00 pm   LKD0318-001 $225.00
Ages 11-14
08/05-08/09   1:00 pm-4:00 pm   LKD0318-002 $225.00

Minecraft Modders

Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mod! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Your projects will be available on a Black Rocket website to share with friends and family. To access their project at home students must own a PC/MAC version of Minecraft. Tablet, phone, or game console versions of Minecraft are not compatible. Students will work in teams for most of the program.

Ages 8-11
07/08-07/19   2:35 pm-4:00 pm   LKD0046-023 $225.00

Python Programmers

Want to learn the world's fastest-growing programming language favored by Google, NASA, YouTube, and the CIA? Learn how to code with Python to create engaging apps and games. Each lesson takes you step-by-step on a programming path that will let you challenge friends with fun content you create from start to finish!? Returning students can create more advanced projects that build on previous years.

Ages 8-11, no class June 19
06/10-06/21   2:35 pm-4:00 pm   LKD0085-028 $215.00

Roblox: Coders and Entrepreneurs

Discover how to code in the Lua language while playing and designing worlds in ROBLOXreg, an online universe where you can create anything you dream of. This class combines game design concepts, coding, and fun! Young entrepreneurs will also learn how to navigate Robloxrs fast growing marketplace to publish their games. Games will be available on a password protected Black Rocket website to share with friends and family. You will work in pairs or teams for most of the program.

Ages 8-11
06/03-06/07   9:00 am-12:00 pm   LKD0086-022 $225.00

Ages 11-14
06/03-06/07   1:00 pm-4:00 pm   LKD0086-023 $225.00

Robots Do What?

You want to find out cool stuff when working with LED lights, 3V motors, and Lithium batteries creating paper circuits and robots then this is the class for you. Building fun origami robots ignite understanding and passion for basic robotics and coding. Parent supervision for projects coming home is required.

Ages 11-14, no class June 19
06/10-06/21   10:35 am-12:00 pm   LKD0307-001 $215.00

The Real World of Gaming

A Sylvan team member with real world gaming experience will share his experiences, focusing on how to: 1) create games that are genuinely entertaining, 2) discover your own niche in gaming, 3) cultivate your personality or brand, 4) ensure a healthy balance between school/other commitments and gaming. Students should have some experience in the gaming world.

Ages 11-14, no class July 4

06/24-07/05   1:00 pm-2:25 pm   LKD0328-001 $215.00

Virtual Reality: The Future is Now

Embark on an EPIC adventure in virtual reality! In this cutting-edge class, you will learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. Students may take the class without a headset, or use any headset that works with a mobile phone. VR projects will be available on a password protected Black Rocket website to share with friends and family.Compatible with MAC, Windows and Chrome OS.

Ages 8-11
07/08-07/19   9:00 am-10:25 am   LKD0087-024 $225.00

Ages 11-14
07/08-07/19   1:00 pm-2:25 pm   LKD0087-025 $225.00

YouTube Content Creators

Find your voice and leave your mark on the world! Whether you are six or sixteen, it is time to start a career as the next YouTube star. Explore the variety of content and personalities that exist on YouTube and how to find your own niche. Learn what is acceptable on the platform and how to practice good digital citizenship. Develop your on-camera presence, your own channel branding, and professional editing skills. Take home a plan for launching your own channel with the content created in class! Student projects will be available on a password protected Black Rocket website to share with friends and family.

Ages 8-11, no class June 19

Debate Camp

Debate, and especially the ability to communicate effectively to an informed audience, is a basic requirement in all academic disciplines. Whether you have no experience or are a seasoned veteran, you will benefit from becoming a better debater. This camp is an immersive experience that cannot be duplicated in the regular high school year. You will develop skills in goal development, event instruction, critical thinking, research expectations, case writing with individualized instructor revisions, block writing, responsive activities, tournament preparation, and competitive practice

Ages 14-18
07/22-07/26   10:45 am-3:30 pm   LHS0002-008 $275.00

Sylvan ACT Exam Prep

It's proven that students can increase their ACT scores in a matter of weeks. Harper partners with Sylvan Learning to offer the ACT exam prep at Sylvan locations within the Harper community. With small group instruction, practice tests, and the SylvanPrep online tool, students cover all areas of the ACT exam. Sylvan guarantees increased scores when students attend a minimum of 80% of scheduled in-class time and complete eight hours of online instruction. Students are awarded six complimentary hours of Sylvan instruction if they do not meet this goal.
Prerequisite: LAS 0003 ACT/SAT Practice 101.
Discount codes do not apply to this course.

Ages 14-17
06/30-08/11   2:00 pm-6:00 pm   LAS0001-030 $599.00

THE BASICS

Welcome!

After registering for InZone, visit harpercollege.edu/inzone and download your InZone Welcome Packet. The packet includes a welcome letter, waivers, and lunch options for 2024. The packet will be available online by May 22 and emailed prior to the start of program.

Questions? Email inzone@harpercollege.edu.

Contact Information
Help us keep in touch! Make sure we have your current email address and phone numbers. Call 847.925.6300 to update.

Location

All programs begin at Harper College's main campus at 1200 West Algonquin Road in Palatine.

Drop-Off/Pick-Up

Drop-Off/Pick-Up Site and Procedure

InZone's only designated and supervised drop-off/pick-up site is in the circular drive, in front of the Student Center (Building A), accessible from the Algonquin Road entrance.

Drop-off/Pick-Up Times

For safety reasons, children are not to be on campus unless accompanied by an adult or registered for InZone programs. Additionally, Harper College policy states that students cannot be on campus more than 15 minutes prior to their first class, and they must be picked up within 15 minutes after dismissal of their class.

Late Pick-Up Procedure and Offenses

Participants not picked up will be escorted to After Care in Building M, and remain until a parent/guardian comes in to pick him/her up. **NOTE: Repeated late pick-up offenses will result in termination from InZone without a refund.**

Avoid late pick-up issues! For your convenience, supervised Before and After Care is available.

Inclement Weather Policy

During inclement weather, InZone staff will coordinate with the Harper College Police to ensure the safety of your child. In situations of heavy rain, lightning and severe storms, staff will move children to the safest possible location according to the guidelines of the Harper Police Department. When these situations occur during pick-up time, the InZone program will be in lock-down mode inside of the Student Center, Building A or the Foglia Foundation Health and Recreation Center, Building M if the student is in a sports program. We ask that during these situations parents come into the building to pick up their children. Children will not be released outside during lock-down mode without a guardian present. There will be designated staff members near the pick-up location to provide information during these situations.

KEEPING YOU SAFE AND IN TOUCH

Safety: Program Aides Lead

We are committed to creating a positive experience for all students, and your child's safety is our number one concern. InZone program aides are at the forefront of keeping your child safe and happy during camp. Encouraging your child to take questions, concerns or problems to an aide and to look to aides for instructions will help us better meet your child's needs.

Harper College is an open campus during the summer. To maintain the safety of your children, InZone aides are strategically placed around campus to monitor InZone students as they travel between classes, during drop-off and pick-up, and alongside instructors during classes. All aides are easy to spot! Look for their official InZone t-shirts and identification badges.

Emergency Text Alerts

In the event of a campus emergency, it is vital that we contact you as quickly as possible. Sign-up for Harper Emergency Text Alerts by visiting getrave.com/login/harpercollege, to receive real-time information, in a text message, sent to your cell phone.

- Your name and phone number will not be shared outside of this system.
- Participation is voluntary and open to the public.
- You can cancel the service at any time.
- The service is free. (Consult your cell phone carrier. Standard message rates may apply.)
- Questions about Emergency Text Alerts? Contact the Student Service Desk.
- Emergency updates are also communicated via Harper College's general phone number 847.925.6000 and notices on harpercollege.edu.

POLICIES TO HELP US HELP YOU

Ages

Students must be **eight years old before September 1, 2024 in order to participate in InZone programs for students 8-14 years old.** The InZone curriculum is designed to be age-appropriate. It is the responsibility of a parent or guardian to ensure that his or her child is placed in an age-appropriate class. Select courses are open to students younger or older than InZone's standard 8-14 range. **Children must turn six years old by September 1, 2024 in order to participate in the InZone Junior Explorers Camps for students 6-8 years old.**

Class Capacity and Cancellations

In keeping with our mission to provide individualized instruction, InZone enrollment is limited to maintain our **8:1 ratio of kids to adults.** As a non-profit organization whose programs are self-supporting, InZone also requires a minimum number of enrolled students in order to run a class. To avoid inconvenience to students, InZone staff will cancel a course with low enrollment one full week in advance of the start date and offer students alternate classes, or a full refund. Avoid disappointment and register early!

Register Now at: harpercollege.edu/inzone

Program Details

Release Waiver: Required for Every Camper

All campers must submit a signed InZone Medical and Student Conduct Waiver before attending any InZone programs. After you have registered for at least one InZone 2024 program, scan the QR code below to complete the InZone Waiver. The InZone waiver will also be sent as part of the InZone Welcome Packet and emailed separately to the student's email associated with the account used for registration. For additional waivers, please contact us at inzone@harpercollege.edu or call 847.925.6876.

Scan me to submit an InZone waiver.

Absences and Extended Illnesses

Attendance is taken daily in all programs. If your child will be absent, call: **847.925.6941** or email: **inzone@harpercollege.edu**. Parents should report absences no later than one hour before the start of a program. Calls will be made to parents for any unreported absences. **There will be no make-up classes or prorated refunds for missed classes.**

Medication / Special Health Needs

Please let us know in advance if your student requires medication during InZone programs. Call 847.925.6454 after May 24 or email inzone@harpercollege.edu to notify us and obtain further information.

Students with Disabilities

In accord with federal and state law, Harper College makes every effort to provide reasonable accommodations to qualifying students with disabilities. To inquire about the process for receiving accommodations for InZone, please contact Access & Disability Services (ADS) to schedule an InZone intake appointment at 847.925.6266 voice or 866.327.1630 videophone. An ADS staff member will review medical and/or educational documentation and discuss with students and parents what possible accommodations may be reasonable. Personal services such as restroom assistance, support with mobility around campus, or direct one-to-one supervision are not provided. On rare occasions, it may be determined that requests for accommodation within InZone cannot be met if they pose a serious health or safety risk, or significantly alter the intent of the course or program. For additional information, contact ADS at 847.925.6266 voice or 866.327.1630 videophone, or Community Education at 847.925.6300.

Tax Credit

An employed parent or legal guardian may qualify for a tax credit for child care/dependent care for his/her child who attends InZone programs. As the law has specific regulations, interested parents will need to consult their tax advisor for details. Our Federal Tax ID number is 36-2582782.

We are not responsible for lost or stolen items

<u>**GET TO KNOW INZONE**</u>

Campus Orientation Tours

Families and students new to the InZone program are encouraged to attend an orientation tour. Returning families are also welcome to join us. An InZone representative will give an overview of the program and tour the campus facilities that make InZone a great educational and fun experience. Tours start in building Z, Room Z102. Parking available in Lot 3.
Tour Dates:
- Wednesday, May 29, 6 pm
- Tuesday, June 4, 6 pm
- Wednesday, June 26, 6 pm

SAVE $10 OFF EACH CLASS WHEN YOU REGISTER BY APRIL 21

Use coupon code "**inzone10**" to save $10 on each InZone class. This coupon code is available to use through **April 21, 2024** and is not valid with other discounts. In the shopping cart, for each class you intend to register, find the "apply a discount" box, select Coupon Code Discount, and type **inzone10** as the coupon code. The discount will be calculated automatically.

InZone is on Facebook

Hey parents! Like the Harper College InZone Facebook page and stay up to date with everything InZone. View photos and videos of classes in action, connect with other InZone families, and share our page with friends, relatives and your kids.
