New this year! JUNIOR EXPLORERS CAMP — Ages 6-8. See page 24. Hands-on exploration and play, structured around science, technology and art.

SUMMER 2019

SESSION 1 .................. JUNE 3–7
SESSION 2 ............... JUNE 10–21
SESSION 3 .......... JUNE 24–JULY 5
SESSION 4 ................. JULY 8–19
SESSION 5 .... JULY 22–AUGUST 2
SESSION 6 .......... AUGUST 5–9
ATHLETICS AND AQUATICS
The newly renovated Foglia Health and Recreation Center is back—and awesome! Check out everything this new building has to offer as we get back on the courts with Harper Coaches Basketball, Volleyball and Wrestling camps and dive into the pool with the InZone Swim Camp. These camps will make you a better athlete and keep you cool too!

- Harper Coaches Basketball Camp: Girls (page 6)
- Harper Coaches Volleyball Camp (page 6)
- Harper Coaches Wrestling Camp (page 6)
- Inzone Swim Camp (page 7)

THE ARTS
You have a vision—now it’s time to make it come alive. InZone Art classes will let you tap into your creativity and explore many different mediums. You’ll be amazed at what you can make. Check out:

- Wonderful Watercolor Painting (page 4)
- Pet Portraiture (page 3)
- Skirt Madness Fashion Design (page 4)
- Weave It, Achieve It (page 10)
- Fantastic Beasts And How To Make Them (page 3)
- Hey, Cool Sculpture (page 3)

KITCHEN CREATIONS
These new cooking classes will make your taste buds sing with excitement and anticipation. Learn to create fabulous new recipes and open up a world of cooking you did not think was possible. Taste what your make, but also be sure to take some of the leftovers home for your family to enjoy.
Register for:

- Better Than Drive Thru (page 10)
- Cookies, Bars And Breads (page 10)
- From My Head To-Ma-Toes (page 11)

NEW FOR 2019:
INZONE JUNIOR EXPLORERS CAMP (PAGE 24)
This exciting new addition to the InZone program is for students 6-8 years and is rooted in hands-on exploration and play—structured around science, technology and art. Program dates are July 8-19 and July 22–August 2.
Why InZone?

InZone, Harper College’s summer enrichment and sports camp for kids ages 8-14, offers an incredible variety of indoor and outdoor activities with countless opportunities to learn and have fun.

Our personalized approach means you have choices. You choose the sessions and class times that fit your schedule, including before/after care and lunch options. Your excellent summer is definitely here.

Information on the InZone Junior Explorers Camp on page 24.

InZone is…

Safe
We are committed to ensuring your child’s safety. All instructors and staff working directly with campers have passed a statewide criminal background check. Our student to adult ratio is 8:1. We will know your child, and he or she will know us.

Because scrapes, bumps, and bruises happen when kids play and upset stomachs and dizziness occur in the heat, InZone also has a professional nurse on site to tend to all campers.

Unique
With both enrichment and sports, our morning campers can learn about the physics that will guide their afternoon basketball through the hoop. Nothing but net, baby!

Flexible and Full of Options
InZone offers a summer jam-packed with fun. Explore, create, run, discover, jump, experience. Pick from a variety of courses, including basketball, outdoor adventure, sewing, three-dimensional painting, website design, rocket building, writing and photography. It’s your choice!

- Classes are offered: Monday – Friday, 9 a.m. – 4:10 p.m.
- Before and After Care is available: 7 a.m. – 6 p.m.
- Lunch Options include: a prepaid meal plan, brown bag or buy your own. Registration required. See page 23.

Come for one class, one session or the whole summer. Combine classes for a half-day or full-day of activities. Our Before and After Care gives you options to do what works best for your family.

Kid-friendly Fun
It’s camp. How much more kid-friendly can you get? Relax, enjoy summer, have fun and meet new friends!

☐ RSVP for an InZone Orientation Tour. See page 37.
☐ Register early for the best selection. See inside back cover.
☐ Submit Your Waiver: Every camper must submit a signed Medical and Student Conduct release waiver to InZone prior to the start date of class. See page 27.
Classes

The Arts

Acme Inventors and the Third Dimension
If Wile E. Coyote can do it so can you. Create and build simple machines like an Acme Road Runner Catching Device. Experiment with kinetic art and design your own invention. Learn to sculpt with clay, wire, paper, and more surrounded by your favorite Chuck Jones Looney Tunes characters. This class takes place at 3 Monkeys and Aardvark Studios, 1244 Renimento Rd. Suite A Schaumburg. Campers are bussed from and return to the Harper campus each day. The bus leaves by 9 a.m.
Ages 11-14
7/8-7/19 9:00 AM-10:25 AM LKD0114-002 $249

Architectural CAD
Design your own house and other two and three-dimensional projects using commands and drafting techniques from AutoCAD. AutoCAD software is known worldwide as a premium design program that architects and engineers use when developing their ideas for houses, skyscrapers and other buildings. This class will also include an introduction to Sketchup software. No class 7/4
Ages 11-14
6/10-6/21 10:40 AM-12:05 PM LKD0004-004 $199
6/24-7/5 9:00 AM-10:25 AM LKD0004-005 $189
6/24-7/5 10:40 AM-12:05 PM LKD0004-006 $189

Be Your Own Artist
As you develop your identity as an artist it will be important for you to also develop versatility in your ability to draw, paint, sculpt and more. Find your personal art abilities and create more than you thought possible with the help of our instructor Daryl Harris. Your creativity will be brought out as you think about what you want to create and the techniques you will use to complete your projects. More important are your ideas so we will discuss which forms of art are best for you to use on your projects. Daryl Harris studied graphic design at the Milwaukee Institute of Art and Design and has taught art for over a decade.
Ages 8-11
6/3-6/7 9:00 AM-12:00 PM LKD0125-002 $189

Brush Strokes
Begin at your own level, and learn the secrets of still life. Use acrylic paints, watercolors and other materials to develop your personal style. Ages 8-11 and 11-14. No class 7/4
Ages 8-11
6/24-7/5 9:00 AM-10:25 AM LKD0113-003 $175
Ages 11-14
7/22-8/2 10:40 AM-12:05 PM LKD0113-004 $189

Build Your Own Doll House
Have you dreamt of living in a castle or a modern luxury home? Design your dreams with us! This class provides the creative environment for you to flourish and learn more about planning and designing of home space, color schemes and different styles: contemporary, modern, and traditional. Students build a 3D-model doll house scaled for an eight-inch American Girl Doll. This is a great opportunity for students to develop spatial (3D) sensitivity. You will learn to manipulate and plan exterior and interior spaces as you unwind your imagination and have fun manipulating space. Each student works on his/her own unique Doll House.
Ages 8-11
8/5-8/9 9:00 AM-12:00 PM LKD0042-002 $199

Clay Adventures
This class will focus on developing your creative side through the use of polymer clay. Using a hands-on approach, you will learn the art of layering colors with many different shapes to create animals, souvenirs, jewelry, and even famous characters from Minecraft and the Minions.
Ages 8-11
6/3-6/7 1:10 PM-4:10 PM LKD0067-002 $199

Clayology
By learning the hand-building techniques of clay sculpture, you will create your own art. You will also learn how clay is glazed and fired in this down and dirty clay class. Harper has a well outfitted three-dimensional art studio where you will make a music box, frame, mask or even a clock!
Ages 8-11
6/10-6/21 10:40 AM-12:05 PM LKD0011-007 $199
6/7-8/19 1:10 PM-2:35 PM LKD0011-010 $199
6/22-8/2 10:40 AM-12:05 PM LKD0011-011 $199

Creating Sidewalk Art
You will create a series of sidewalk and public art paintings that are interactive and allow the natural surroundings to become a part of the work. Paintings will begin with the simple and progress to the complex while studying the uniqueness of sidewalk art from all around the world. Learn about the power of art and how it interacts and affects people. You will design your works and develop as well for all the artists to participate in cultivating and creating.
Ages 8-11
6/10-6/21 2:45 PM-4:10 PM LKD0132-003 $189
Ages 11-14
7/8-7/19 1:10 PM-2:35 PM LKD0132-004 $189

Comic Book Creations
Do Wolverine or Batman inspire you to create a comic book series of your own? Join the pros! Develop your own characters and stories as you learn composition rules, the importance of detail, and the techniques of line, perspective and balance used in the graphic novel world of comic books. Learn to draw movements using watercolors, color pencils, ink pens and more. Basic drawing skills and previous figure drawing are helpful, but not required.
Ages 8-11
6/10-6/21 10:40 AM-12:05 PM LKD0011-008 $199
7/8-7/19 10:40 AM-12:05 PM LKD0011-009 $199
7/22-8/2 10:40 AM-12:05 PM LKD0011-012 $199

Design the City of the Future
Design your ideal city of the future, including everything from buildings and areas where people live and work to the transportation systems and natural spaces. Using large flat panels, you will plan building zones, explore recreational areas, and create a grid system for the streets as you bring your vision to life. Work with scales and measurements and add color to your booming metropolis as your city comes alive.
Ages 8-11
7/22-8/2 9:00 AM-10:25 AM LKD0057-003 $189

Find InZone online at: harpercollege.edu/inzone
Do It Yourself Picasso
Create your own paintings on canvas using real artists’ paintings as our guide. Every painting goes home with you and can be made into a t-shirt, flag, pillow, or framed for the wall. You will be introduced to various artists; study a variety of styles of painting; and learn how to create in those styles. The session ends with an art show where you can invite friends and family to interact with the pieces you have created. No class 7/4
Ages 8-11
6/10-6/21 9:00 AM-10:25 AM LKD0056-004 $175
6/24-7/5 1:10 PM-2:35 PM LKD0056-003 $189

Duct Tape Art
Tap into your creative side and let your imagination run wild in this fun class that uses duct type as the art medium. In this environment you will create such stand alone projects as jewelry, boats, animals and even Minecraft characters. Working with both 2D and 3D projects will you be simply amazed with what unleashing the power of duct tape can do.
Ages 8-11
6/10-6/21 1:10 PM-2:35 PM LKD0054-002 $189

Fantastic Beasts and How to Make Them, Year 1
Journey across the earth and discover magical beasts of myth, legend and imagination. The beasts we will focus on come from the textbooks, Care of Magical Creatures and The Monster Book of Monsters. As a First Year these particular creatures are reasonably small, however, if you are allergic to pixie dandruff or niffer fur you may just want to drink some potion before class begins.
Ages 8-11
6/10-6/21 9:00 AM-10:25 AM LKD0155-001 $189

Fantastic Beasts and How to Make Them, Year 3
Our adventure across the world continues with magical beasts of myth, legend and imagination. Since you have survived this far with all your body parts reattached, we have borrowed textbooks from Hogwarts’s restricted section of the library, none of which can be mentioned at this time because of Mr. Filch may be lurking outside the keyhole. In this class the beasts and the creations get bigger, much much bigger. Heavy leather gloves will not be required at this time, we think.
Ages 11-14
7/22-8/2 1:10 PM-2:35 PM LKD0156-002 $189

Hey, Cool Sculpture
Make amazing sculptures using wood, wire, paper, plastic, canvas, wire, and molding materials. The last 150 years have turned art on its head with materials and ideas never thought of before and now it’s your turn to create your own ideas. You will be introduced to various artists, study their different types of design and learn how to develop your own unique art in those styles.
Ages 8-11
6/10-6/21 2:45 PM-4:10 PM LKD0158-001 $189
Ages 11-14
8/5-8/9 1:10 PM-4:10 PM LKD0158-002 $189

Messy, Icky, Gooey Art
Welcome to the Mad Scientist’s World of weird science and crazy art! This is the happy partnership of Doctor Frankenstein and painter Jackson Pollock in a class where you fling the paint and combine non-traditional art projects with science. From creating projects that glow in the dark to galaxies in a jar, this is one class you might NOT want to do at home. No class 7/4
Ages 8-11
6/10-6/21 1:10 PM-2:35 PM LKD0107-003 $189
Ages 11-14
6/24-7/5 2:45 PM-4:10 PM LKD0107-004 $175

Mix It Up and Paint Like a Pro
Enjoy learning drawing, painting and collage techniques, through color, tools, texture, shape and brush strokes. Projects include splatter creatures, drawing, color mixing, still life and more. Our teaching artists will unleash your potential in the style of legendary Oscar® winning, animation director Chuck Jones. This class takes place at 3 Monkeys and Aardvark Studios, 1244 Remington Rd. Suite A, Schaumburg, Campers are bussed from and return to the Harper campus each day. The bus leaves by 9 a.m.
Ages 11-14
6/10-6/21 9:00 AM-10:25 AM LKD0174-001 $249

My Dream Room: Designing Indoor Spaces
Interior design is about the spaces where you live, work, and play. Create a three-dimensional interior scale model of your dream room or fashion studio. Learn contemporary, modern or traditional styles that best fit your personality. You will work with scale and measurements, attend to color and detail, and use various mediums and materials. No class 7/4
Ages 8-11
7/8-7/19 10:40 AM-12:05 PM LKD0028-004 $199
Ages 11-14
6/24-7/5 9:00 AM-10:25 AM LKD0028-003 $185

Pencil Power
Yes! You CAN draw! This class will take the mystery out of drawing and you will learn how to make a direct connection between what you see and what you draw. See how a few tricks, tips and practice let you tap into the power of the pencil. Use pencils and colored pencils as we explore the world around us.
Ages 8-11
7/8-7/19 9:00 AM-10:25 AM LKD0118-004 $179
Ages 11-14
6/10-6/21 10:40 AM-12:05 PM LKD0118-003 $179

Pet Portraiture
In this art class pets are the muse. Study the features of different pets and learn what makes them unique in the world of art. A fun part of this class will be creating a great portrait of your own furry friend using a variety of different forms of media. If you don’t have a pet of your own, it is totally ok. You can select your own animal to bring into to life through art. No class 7/4
Ages 8-11
7/22-8/2 1:10 PM-2:35 PM LKD0177-002 $189
Ages 11-14
6/24-7/5 10:40 AM-12:05 PM LKD0177-001 $175
Classes

Point and Shoot Photography I
Learn the basics of photography including lighting, composition, and color. For inspiration, we’ll also examine the work of famous photographers. NOTE: Participants must bring a digital camera to every class. (No SLR or film cameras, please.)

- Ages 8-11
  - 6/10-6/21 1:10 PM-2:35 PM LMY0055-004 $225
  - 7/8-7/19 2:45 PM-4:10 PM LMY0055-005 $225
  - 7/22-8/2 10:40 AM-12:05 PM LMY0055-006 $225

Point and Shoot Photography II
If four people take a photograph of the same object, each will tell a different story. Discover how to make your photographs capture the story in your imagination by learning advanced techniques for exposure, lighting, and composition. Learn the history of this art form and gain insight into its future. Receive feedback on your work to help you develop your artistic skills. Please bring a point-and-shoot camera with full manual settings or a digital SLR camera to all classes. Previous point-and-shoot photography experience is encouraged, but not required. Ages 11-14.

- Ages 11-14
  - 7/8-7/19 10:40 AM-12:05 PM LMY0056-002 $225

Skirt Madness Fashion Design
If fashion is your passion than this class is for you! Create one or two absolutely fancy skirts with pockets, pleats, ruffles, and zippers as well as a fashion accessory. This class does require experience sewing as you will work independently on a sewing machine to make your desired projects.

- Ages 11-14
  - 7/8-7/19 2:45 PM-4:10 PM LKD0178-002 $199

Spin Off
Is life throwing you a curve? Then learn to throw one back by making bowls and pots! Go beyond Clayology to wheel-throwing and more advanced clay techniques.

- Ages 11-14
  - 6/10-6/21 2:45 PM-4:10 PM LKD0024-004 $199
  - 7/8-7/19 2:45 PM-4:10 PM LKD0024-005 $199
  - 7/22-8/2 2:45 PM-4:10 PM LKD0024-006 $199

Sylvester Presents Cartooning and Jr. Animator
Bring characters to life and learn how to use shape, expression, and exaggerated poses to create your own scene in cartooning. Our teaching artists will take you into the world of animation as you learn how to draw Marvin the Martian, develop your own character using Chuck Jones techniques, create your own flip book, and produce your very own animation cell. This class takes place at 3 Monkeys and Aardvark Studios, 1244 Remington Rd. Suite A, Schaumburg. Campers are bussed from and return to the Harper campus each day. The bus leaves by 9 a.m.

- Ages 11-14
  - 7/22-8/2 9:00 AM-10:25 AM LKD0115-002 $249

The Art of Fashion Design
Do you dream of designing and making your own clothes? Develop the skills necessary to build your future as a fashion designer. Learn the principles of stretching and pattern-making, along with the special techniques the top designers use. You will have a wide variety of materials available as you work in small teams to develop portfolios highlighting your creations. You will complete the class as part of a class fashion show highlighting your designs. Ages 8-14.

- Ages 8-11, No class 7/4
  - 6/24-7/5 2:45 PM-4:10 PM LKD0008-003 $185

The Art of Graphic Design
Graphic design can be both a career and an art form. Get an introduction to the development of visual communication solutions as they pertain to art. We will utilize techniques for drawing on paper and digitally creating graphics. The class will focus on making projects such as infographics, movie posters, menus, logos, and more. No class 7/4

- Ages 11-14
  - 6/24-7/5 1:10 PM-2:35 PM LKD0026-002 $199
  - 7/22-8/2 10:40 AM-12:05 PM LKD0026-004 $199

The Avengers Academy
Welcome future heroes to your first year at The Academy. Whether you come from a family of supers, supernaturals or muggles - all are here on their individual qualities. You are wondering, Did I make the right choice? (Without a doubt). Is this worth the sacrifice? (Absolutely). You will find your own unique abilities, practice your powers, discover your true potential, hone your secret identities, crime-solve, design your superhero costumes and more. As an added bonus, super hero movies will at times be played in the background as you create your projects and develop your alter ego.

- Ages 8-11
  - 6/10-6/21 10:40 AM-12:05 PM LKD0157-001 $189
  - 7/22-8/2 10:40 AM-12:05 PM LKD0157-003 $189

Wonderful Watercolor Painting
The medium of watercolor painting will expose you to an area of art that can help create interests that can last a life time. You will learn various watercolor tips and techniques while creating paintings that will include landscapes, abstract, and still life. No class on 7/4

- Ages 8-11
  - 6/24-7/5 9:00 AM-10:25 AM LKD0176-001 $175

Young Architect: Vila Victoria
In this architectural class, you will design very colorful and exotic houses as you learn how to turn the organic tradition into a mother accent in your interior and exterior/outdoor space. You will gain new skills while building modern and exotic houses that will incorporate the beauty of tropical flora and South African traditional patterns.

- Ages 8-11
  - 7/22-8/2 10:40 AM-12:05 PM LKD0173-001 $199

Find InZone online at: harpercollege.edu/inzone
Young Architects: Frank Lloyd Wright
Focusing on the works of legendary architect Frank Lloyd Wright as an inspiration, you will build a three-dimensional scale model of the interior and exterior of your very own home. This will be a great opportunity to develop spatial sensitivity while learning to work with scales and measurements. You will develop your plan using different color schemes, media and materials.

Ages 8-11
6/10-6/21 9:00 AM-10:25 AM  LKD0058-003 $199

Ages 11-14
6/10-6/21 10:40 AM-12:05 PM  LKD0058-004 $199

Young Architects: Glass House
Focusing on the works of legendary glass house architect Ludwig Mies van der Rohe as inspiration, you will build a three-dimensional scale model of the interior and exterior of your very own home. This will be a great opportunity to develop spatial sensitivity while learning to work with scales and measurements. You will develop your plan using different color schemes, media, and materials. Glass will not be used on the projects.

Ages 11-14
7/8-7/19 1:10 PM-2:35 PM  LKD0080-002 $199

Young Architects: Modern Design
Focusing on modern architectural design as inspiration, you will build a three-dimensional scale model of the interior and exterior of your very own home. This will be a great opportunity to develop spatial sensitivity while learning to work with scales and measurements. You will develop your plan using different color schemes, media, and materials. No class 7/4

Ages 8-11
6/24-7/5 10:40 AM-12:05 PM  LKD0079-002 $185

Young Architects: Prana Imperial Palace
You will learn about the history and cultural influences incorporated in building The Grand Palace. You will develop skills based around spatial relationships, scale and color combinations as you will use different materials used building the interior and exterior of the palace. You will have a great time building own palace and will get the opportunity to explore Chinese architectural traditions.

Ages 8-11
7/22-8/2 9:00 AM-10:25 AM  LKD0172-001 $199

Zendoodling
Zen doodling is an easy-to-learn, relaxing and fun way to create amazing art by using structured patterns and steps as you draw. Increase your focus and expand your creativity as you doodle beautiful images. You will develop expressive pieces that are yours and yours alone, no two are ever alike! No class on 7/4

Ages 8-11
6/10-6/21 9:00 AM-10:25 AM  LKD0032-003 $189

Ages 11-14
6/24-7/5 10:40 AM-12:05 PM  LKD0032-004 $175

Athletics/Sports
Basketball League and Game Play
Take it to the boards with 3-on-3, 4-on-4 and 5-on-5 team games. Daily instruction will center on team play, motion offense footwork and timing for jump shots, three-point shots and free throws. Players will change teams within their skill group. Open to any level of player.

Ages 8-14
6/24-7/5 1:10 PM-4:10 PM  LPK0022-001 $199

Basketball: Skills and Competition
This camp is perfect for players of any level. In this energetic camp, you will develop solid fundamental skills, including: footwork, stance, setting and using screens, passing and receiving, live ball moves, layups, shooting and game competition. Campers will be grouped according to their skill level and age.

Ages 8-14
6/10-6/21 1:10 PM-2:35 PM  LPK0026-005 $185
6/10-6/21 2:45 PM-4:10 PM  LPK0026-006 $185
7/8-7/19 1:10 PM-2:35 PM  LPK0026-007 $185

Special Camp
Chicago Cubs Baseball Camp
It is the bottom of the ninth, bases are loaded, and you step up to the plate wearing the coveted blue and white uniform of the Chicago Cubs. No, it is not a dream. You are attending the Chicago Cubs Baseball Camp!

The Cubs coaching staff will provide on-field instruction to build your skills, develop character and teamwork, and instill confidence. Best of all, you will receive exclusive access and privileges during the week, including Cubs player visits and autographs, an exclusive all-access VIP tour of Wrigley Field, an official Cubs uniform, and an invitation to participate in the annual on-field Camper Parade during a Cubs home game at the end of the summer.

NOTE: The cost for this camp is $525.00, and registration is online only at cubs.com/camps. This is a one-week camp.

Ages 5-13*
7/15-7/19 9:00 AM-3:00 PM  LPK0001-002 $525

* This course is open to students younger or older than InZone's standard 8-14 range. In most cases, students will be placed in sections according to skill.

Fishing
Have fun developing your fishing skills with on-the-water sessions and hands-on instruction in spin casting, spinning, bait casting, and rods and reels. Participants will practice at the lake on Harper’s campus. NOTE: Bring your own fishing pole. This program meets in the classroom on the first day of the session and whenever weather will not allow for outside activities. No class 7/4

Ages 8-14
6/24-7/5 9:00 AM-10:25 AM  LPK0016-003 $175
6/24-7/5 10:40 AM-12:05 PM  LPK0016-004 $175

Classes

**Golf**
Improve your swing with irons and woods as you work on your grip, stance and balance. Instruction is provided in both a group and individual setting. NOTE: All fees are included in the cost of the class. Bring your own clubs. A Harper College InZone staff member will transport participants to/from Harper to Highland Woods Golf Course, leaving from Harper Parking Lot #1. No class on 7/4.

Ages 8-14
6/24-7/5 1:10 PM-2:35 PM LPK0012-002 $189

**Harper Coaches Basketball Camp: Boys**
Basketball players are made in the off-season! Let the Harper College's basketball coaches help you become the best player you can be. This class will drill you on the basics and challenge you to reach your potential. You will work on fundamentals, including: ball handling, passing, shooting, footwork, and rebounding. You will participate in individual and group drills as well as game play between appropriate skill levels, finishing with a better understanding of how to be a well-rounded player. This camp is for all levels of player. No class on 7/4.

Ages 8-14
6/24-7/5 9:00 AM-10:25 AM LPK0006-002 $199
7/22-8/2 10:40 AM-12:05 PM LPK0006-003 $199

**Harper Coaches Basketball Camp: Girls**
Under the guidance of the Harper Colleges basketball coaching staff, you will develop the skills you need to take your game to the next level. You will learn the fundamentals of the game, including: ball handling, passing, shooting, footwork and rebounding. Drills will be individual and group-based, with game play between appropriate skill levels. This camp is for all levels of player. No class on 7/4.

Ages 8-14
6/24-7/5 10:40 AM-12:05 PM LPK0021-003 $189
7/22-8/2 9:00 AM-10:25 AM LPK0021-004 $199

**Harper Coaches Cross Country Camp**
Are you planning on running cross country this fall at your school, or are you interested in learning the training techniques to become a distance runner? Under the guidance of the Head Coach of the Harper Cross Country team, you will develop proper training styles to get the most out of your running. This class is a perfect introduction for every level of runner. No experience necessary. You should wear comfortable shoes designed for running and appropriate clothes for exercise.

Ages 8-14
7/22-8/2 9:00 AM-10:25 AM LPK0007-002 $199

**Harper Coaches Soccer Camp**
This camp will encourage young and emerging players to develop their skills through the guidance of the Harper College women's soccer coaching staff. Participants will build the skills, tactics, and fundamentals needed to perform in matches and strengthen their overall game. This camp will include both offensive and defensive skill development.

Ages 8-14
6/10-6/21 10:40 AM-12:05 PM LPK0013-004 $199
7/8-7/19 10:40 AM-12:05 PM LPK0013-005 $199
7/22-8/2 1:10 PM-2:35 PM LPK0013-006 $199

**Harper Coaches Softball Camp**
With the help of Harper College softball coaches, you will develop the skills necessary to become a well-rounded softball player. Focus is on swing improvement, slap bunting, base running, lead-offs, and sliding. Drills based in defense and pitching will also be covered. Players are grouped according to age and ability. Bring your own glove and wear softball-appropriate clothing.

Ages 8-14
6/3-6/7 9:00 AM-12:00 PM LPK0009-002 $199

**Harper Coaches Track Camp**
Directed by the five-time Men's National Championship-Winning Harper coaching staff, this camp will introduce you to a variety of events in track and field. You will learn about safety and proper techniques for engaging in shot put, discus, high jump, long jump and hurdles.

Ages 8-14
6/10-6/21 9:00 AM-10:25 AM LPK0003-003 $199
7/8-7/19 9:00 AM-10:25 AM LPK0003-004 $199

**Harper Coaches Volleyball Camp**
Learn from the College's volleyball coaching staff while you master or reinforce basic skills, team fundamentals and how to play at higher levels of competition. You'll practice serving, passing, defensive positioning, setting and attacking. Camp includes daily instruction on the court, along with game-like situations where you can apply the skills you are learning. This camp is for all levels of player.

Ages 8-14
6/10-6/21 9:00 AM-10:25 AM LPK0020-001 $199
7/8-7/19 2:45 PM-4:10 PM LPK0020-002 $199

**Harper Coaches Wrestling Camp**
The sport of wrestling is much more than what you may have seen on TV. Wrestling teaches self-discipline, respect for others and is a great workout. Learn wrestling strategies from the Harper College wrestling coaching staff as you compete against opponents of the same age and weight class. The camp will introduce you to take downs, escapes, reversals, and pinning combinations; all the skills you need to develop into a competitive wrestler. This camp is for all skill levels and is a great introduction for those new to the sport or an excellent way for experienced wrestlers to gain an advantage.

Ages 8-14
7/8-7/19 1:10 PM-2:35 PM LPK0023-003 $199

**Harper College Coaches Baseball Camp**
This specialized baseball camp will focus on essential skill development for all aspects of the game. Under the guidance of Harper's baseball coaching staff, this camp will emphasize hitting mechanics to become a better hitter and defensive skills to take your game to the next level. You will also receive instruction in bunting, base running, and sliding in addition to throwing and pitching. Players will be grouped according to age and ability. NOTE: Bring your own equipment and wear comfortable clothing.

Ages 8-14
6/3-6/7 9:00 AM-12:00 PM LPK0010-002 $199
InZone Sports and More
This camp will focus on strengthening a variety of different sports skills in a fun environment through game play and organized drills. Participants will be divided into groups and moved throughout different activities and stations each day. Use of the Harper pool will be included in this camp. Pool schedule will be shared on the first day of camp. If you prefer to not participate in the pool option, other activities will be provided.

Ages 8-14
6/3-6/7  1:10 PM-4:10 PM  LPK0024-001  $179
8/5-8/9  9:00 AM-12:00 PM  LPK0024-002  $179

Jim Schwantz Football Academy
Join former Chicago Bear and Super Bowl Champion, Jim Schwantz, and his highly qualified staff from the Northwest Flag Football League (NWFL) for this exciting flag football camp. NWFL believes all kids should learn the fundamentals of flag football before putting on the pads. This innovative camp will teach both boys and girls the basics of playing quarterback, wide receiver, tight end, offensive and defensive lines, and in special teams. Equal playing and practice time at all positions are guaranteed for every participant. All practices and games will be led by former and current high school coaches. Teams and divisions will be based on age and ability.

Ages 8-11
7/8-7/19  9:00 AM-10:25 AM  LPK0002-002  $199

Multi-Sports
This is the perfect class to get involved in a variety of different sports activities. Activities will be determined by the interest of the group and input from the instructors and will include kickball, dodgeball, whiffleball, soccer, and flag football among many other activities. Emphasis will be on participating in fun group activities while learning and playing. No class 7/4

Math, Science and Games

A Matter of Chemistry

Elephant Toothpaste? Bath Bombs? What do these have to do with Chemistry? Chemistry is about relationships that matter. Some matter plays nicely together while others create explosive pairings. You become the chemist mixing and measuring to explore physical and chemical reactions in the college chem lab and what really causes that explosion? You will be the scientist experiment with different amounts (variables) to find just the reaction you like. We will (safely) explore the 4 states of matter (yes, there are really four!), as well as acids and bases, and design your own t-shirt using chemistry!

Ages 8-11
7/22-8/2  9:00 AM-10:25 AM  LKD0023-003  $199

Ages 11-14
7/22-8/2  10:40 AM-12:05 PM  LKD0023-004  $199

All About Astronomy

Daylight is nice but the night sky can be amazing! Some things can be seen while the sun is up, but the really stellar objects are found after the sun goes down. We will learn how our solar system works and discover how to see other matter on a clear, dark night.

Ages 8-11
7/8-7/19  1:10 PM-2:35 PM  LKD0140-002  $189

Ages 11-14
6/8-6/19  9:00 AM-10:25 AM  LKD0128-006  $185

Biotechnology

Many people may not realize our lives have improved because of biotechnology. We have new medicines, food, and alternative fuels because of work in the fields of biochemistry and bio-engineering. Lots of hands-on activities gets kids involved with the science behind this exciting and burgeoning field. We’ll actually capture samples of DNA; learn about what goes into bio-robotic coding that is used to create new medicines; and make exciting chemical reactions that overlap with bio-engineering. Kids love the popular cryptography challenge!

Ages 11-14
7/8-7/19  2:45 PM-4:10 PM  LKD0071-003  $199

7/22-8/2  1:10 PM-2:35 PM  LKD0071-004  $199
Classes

Bones and Blood
How many bones are there in your body? Why is your blood red? Why do you burp? What happens inside you when you get the flu? These are just a few of the questions you will be discovering the answers to in this exciting class. Join our team to discover how the human body is put together and how it works.
Ages 8-11, No class 7/4
6/24-7/5 1:10 PM-2:35 PM LKD0126-002 $175

Brain Games
It has never been more fun to learn and play games. You'll develop your logic skills and improve the way you strategize, as you challenge yourself and push your brain that extra step - all while playing and having a bunch of fun.
Ages 8-11
7/8-7/19 1:10 PM-2:35 PM LKD0133-003 $189
7/22-8/2 9:00 AM-10:25 AM LKD0133-004 $189

Camp Ooey Gooey: Potions
Flubber Goo, Gak, Orbs, and Thermochromic slime! Polymers are all around us and are an important part of our lives. This class kicks off chemistry and material science with hands-on activities and real-world applications. You will create and design your own t-shirt with chromatography and painting with latex and explore many more of those magic potions in the world of Ooey Gooey-ness! Be prepared to get SLIMED! No class 7/4
Ages 8-11
6/3-6/7 9:00 AM-12:00 PM LKD0034-004 $199
6/24-7/5 1:10 PM-2:35 PM LKD0034-005 $189
6/24-7/5 2:45 PM-4:10 PM LKD0034-006 $189

Checkmate Chess
Learn the basics of chess by focusing on strategy and competition. Practice different openings, blocking combinations and game strategies for effective control of the chessboard! No class 7/4
Ages 8-11
6/24-7/5 1:10 PM-2:35 PM LKD0038-005 $175
7/8-7/19 10:40 AM-12:05 PM LKD0038-008 $189
Ages 11-14
6/24-7/5 2:45 PM-4:10 PM LKD0038-006 $175
7/8-7/19 9:00 AM-10:25 AM LKD0038-007 $189

Crime Scene to Courtroom: Order in the Court
Once the CSI team has collected the evidence and the police finish their investigation, it is time for the case to enter the judicial system. Learn what it is like to be a part of the proceedings through three different court cases designed to let you experience all the roles associated with a case. Take turns developing statements and arguments as a prosecutor or defense lawyer. Control the court events without bias as the elected judge. Be part of the jury to determine the verdict after all the forensic materials have been presented. Innocent or guilty?
Ages 11-14
8/5-8/9 9:00 AM-12:00 PM LKD0059-002 $189

CSI: Observe, Collect and Inspect
Crime Scene Investigation (CSI) combines the work of many professionals to ensure that all crime scene evidence is collected and no details are overlooked. The class studies professions such as K-9 units that do evidence searches, pathologists for fingerprint analysis, psychiatrists for human profiling, and many more. Learn skills in handwriting and shoe print analysis, and other evidence evaluation techniques as you and your classmates investigate to help process crime scenes in the Harper College Crime Lab.
Crimes scenes change each year.
Ages 11-14
6/10-6/21 1:10 PM-2:35 PM LKD0136-003 $189

Engineering Roller Coasters and Mag Lev Trains
Trains powered by magnets? Roller coasters and science? Yes! You will make all kinds of important discoveries in this exciting session while exploring the science behind roller coasters and trains that work with magnetic levitation. This is an awesome STEM class. Roller coaster materials are for in-class only. You will take home your own mag-lev train system.
Ages 8-11
6/10-6/21 1:10 PM-2:35 PM LKD0033-003 $199
Ages 11-14
7/8-7/19 1:10 PM-2:35 PM LKD0033-004 $199

Engineering: Bridge Design
The professionals at Sylvan Learning will help you learn engineering basics like force, stress, tension, and compression while building seven different types of bridges. Incorporating key STEM and architecture concepts into the work, you will figure out what handles the most load and which bridge is right for different situations. In the process, you will learn how to design, brainstorm, collaborate, problem-solve, and present your ideas to others.
Ages 8-11
7/22-8/2 1:10 PM-2:35 PM LKD0065-002 $199

**Girls and Stem: Super Stem**

Each day will bring new hands-on activities that illustrates the sophisticated world of technology around us in ways that you can relate to and get excited about through making things, finding out how it works, playing with and improving upon them. We will celebrate the 50th Anniversary of the Apollo program by making and launching rockets. In addition, we will explore the world of physics, create light up LED cards and learn some chemistry. All that will surely make this class a high adventure in discovery.

No class 7/4

Ages 11-14
6/3-6/7 10:40 AM-12:05 PM  LKD0040-002  $199

8/5-8/9 1:10 PM-4:10 PM  LKD0045-006  $199

**Let’s Build It**

This exciting class takes a hands-on approach to engineering, allowing you to directly engage with basic engineering concepts through a variety of fun and educational activities. As part of this class, you will improve your problem solving, math, and physics skills – all while engaging in exciting building projects.

Ages 8-11
6/3-6/7 1:10 PM-4:10 PM  LKD0045-004  $199
7/22-8/2 1:10 PM-2:35 PM  LKD0045-005  $199

**Let’s Code It**

You will have a blast in this exciting new STEM based program. Our innovative approach to coding is sure to spark your interest in computer science. This fun-filled curriculum is designed around the block-based system called Scratch and stresses critical thinking, creativity, confidence, teamwork, and problem solving skills. Class topics will include video game design, loops, control structures, object-oriented design concepts, data structures, and variables as well as mathematical conditional expressions, control statements, object-oriented design topics will include video game design, loops, control structures, creativity, confidence, teamwork, and problem solving skills. Class block-based system called Scratch and stresses critical thinking, computer science. **Lift Off Engineering**

Did you know that most cell phones today are more powerful than the rockets that put people on the moon? If you like blasting rockets into the air and parachutes floating to earth, then this class is for you! We will be working with many projectiles (safely) and discovering the world of flying objects. You will build and test rockets and airplanes, hovercrafts and catapaults to discover what makes a successful launch. We will highlight NASA’s 50th Anniversary of the Apollo program and Survival in Space. Who knows? Maybe YOU will become the first astronaut to visit Mars!

Ages 8-11
6/10-6/21 10:40 AM-12:05 PM  LKD0020-002  $199
8/5-8/9 1:10 PM-4:10 PM  LKD0020-003  $199

**Maker Missions: Explore Science**

Sylvan Learning Center staff will help to introduce you to the makerspace phenomenon. Learn to create, tinker, and explore new concepts with cool materials. You will go on three Maker-Missions to explore the scientific concepts behind flight, forces, electricity, air, and magnetism — all to inspire your own creativity!

Ages 8-11
6/10-6/21 10:40 AM-12:05 PM  LKD0102-003  $199
7/22-8/2 2:45 PM-4:10 PM  LKD0102-004  $199

**Math Edge**

Become a Math Whiz and Master Problem Solver through challenging and kid-friendly activities. In partnership with Sylvan Learning, this class will help avoid the summer slide in math skills while challenging you to start next school year at a higher level. Math Edge kids increase confidence by building math proficiency and fluency, but also by becoming master problem solvers and independent thinkers. This five-step approach ensures that you will successfully master math concepts while developing self-learning techniques that drive independence. In addition, there are math challenges, puzzles and brainteasers that you work on in small groups to build problem solving, logic, reasoning and collaboration skills. Most importantly, we make it fun! Sylvan will gather parent input prior to the class to customize math topics based on that input.

Ages 8-11
7/8-7/19 10:40 AM-12:05 PM  LKD0044-002  $199

**Mighty Mathematicians**

Like math? Want to improve your skills so you can become the math whiz of your class? In this class, you will learn tricks and hints to help make you a mighty mathematician.

Ages 8-11
7/8-7/19 2:45 PM-4:10 PM  LKD0119-003  $189
7/22-8/2 10:40 AM-12:05 PM  LKD0119-004  $189

**Natural Disasters**

Volcanoes, Earthquakes and Tornadoes, OH MY! Experiencing a natural event can be overwhelming, but by understanding these events they can become manageable and less scary. Through discussion, hands-on activities, experiments, and CERT (Community Emergency Response Team) exercises, you will learn fascinating facts about natural disasters such as fire tornadoes, sand volcanoes, and the “Ice Finger of Death!” Yes, there really is such a thing, and it is cool. No class 7/4

Ages 8-11
6/24-7/5 1:10 PM-2:35 PM  LKD0135-003  $175
7/22-8/2 2:45 PM-4:10 PM  LKD0135-004  $189
**Classes**

**Pokemon: Mastering the Card Game**
Almost every kid has collected “Pokemon Cards” at some point, but few actually know how to play the game the cards are based on. This class will provide a fun environment where you will learn the basics of gameplay, get tips and strategies for deck building, and compete in friendly competitions with other students for small prizes and bragging rights. The goal of this class is to enlighten kids with a fun, robust, and already popular game; while also promoting healthy and respectful competition. Pokemon cards will be supplied during class, but you are encouraged to bring your own collection as well.

*Ages 8-11*
- 6/3-6/7 1:10 PM-4:10 PM LKD0018-003 $179
- 7/22-8/2 2:45 PM-4:10 PM LKD0018-004 $179
- 8/5-8/9 9:00 AM-12:00 PM LKD0018-006 $179

**Pre-Algebra Edge**
Sylvan Learning Center staff helps you build math proficiency and confidence by connecting algebra skills to real-life scenarios and applying skills to word problems. Topics include integers, variable expressions, inequalities, ratios/proportions and linear functions. Develop a stronger math base for middle and high school by reviewing pre-algebra and algebra concepts on a state of the art digital platform designed to engage and spark your algebra knowledge base. Sylvan will gather parent input prior to the class to customize math topics based on that input.

*Ages 11-14*
- 7/8-7/19 9:00 AM-10:25 AM LKD0105-002 $199
- 7/22-8/2 10:40 AM-12:05 PM LKD0105-003 $199

**Science Investigation Lab**
Led by professionals from the Sylvan Learning Center, you will use Lego™ Robotics resources to dive into the world of science with hands-on exploration of real-world environmental concepts. Use robotics to become detectives, investigating and answering questions about physics, life-cycles, nature conservation, and natural disasters. Working in teams, you will also learn problem solving, collaboration, and project management skills. No class on 7/4

*Ages 8-11*
- 6/24-7/5 2:45 PM-4:10 PM LKD0063-004 $185
- 6/24-7/5 1:10 PM-2:35 PM LKD0063-003 $185

**Super Summer STEM Blast**
Each day will bring new hands-on activities that illustrates the sophisticated world of technology around us in ways that you can relate to and get excited about through making things, finding out how it works, playing with and improving upon them. We will celebrate the 50th Anniversary of the Apollo program by making and launching rockets. In addition, we will explore the world of physics, create light up LED cards and learn some chemistry. All that will surely make this class a high adventure in discovery.

*Ages 8-11*
- 6/3-6/7 1:10 PM-4:10 PM LKD0162-001 $199
- 8/5-8/9 9:00 AM-12:00 PM LKD0162-002 $199

**Music**

**Beginner Harmonium**
Tune in to melodious sounds of India. In this class you’ll explore the basics of North Indian Ragas (melodic framework for improvisation) and Taals (basic rhythms or beats), played on the Harmonium. This course will expose the students to North Indian classical music and rhythms, how those are played on Harmonium, musical scales, comparison to western musical notes, playing embellishments, etc. Students will learn to play selected classical/devotional songs and simple ragas. By the end of the course students are expected to have basic understanding of Ragas and Taals, Taans, understand terminology and be able to play a Bandish (main composition) with taans, variations and create their own melodies. Ages 8 to 14.

*Ages 8-14*
- 6/10-6/21 10:40 AM-12:05 PM LMY0067-004 $189
- 7/8-7/19 1:10 PM-2:35 PM LMY0067-003 $189

**Broadway Musicals for Beginner**
Get ready for your big break on Broadway, the place where musical theater lives! The Broadway musical is a unique American contribution to literature and performing arts. Through audio, video, theater games, movement and live performance, this course will enhance your vocal technique, stage experience and confidence. Participants will present a performance for parents and friends during the last class session. Ages 8-14. Book and material are included in the price. No class 7/4

*Ages 8-14*
- 6/10-6/21 9:00 AM-10:25 AM LMY0037-007 $225
- 6/10-6/21 10:40 AM-12:05 PM LMY0037-008 $225
- 6/24-7/5 9:00 AM-10:25 AM LMY0037-009 $215
- 7/8-7/19 9:00 AM-10:25 AM LMY0037-010 $225
- 7/8-7/19 10:40 AM-12:05 PM LMY0037-011 $225
- 7/22-8/2 9:00 AM-10:25 AM LMY0037-012 $225

**Broadway Musicals: Continuing**
You will continue exploring Broadway musicals and expand the repertoire to encompass more challenging songs and incorporate a higher level of expression. Through audio, video, theater games, movement and live performance, this course will continue to enhance your vocal technique, stage experience and confidence. You will present a performance for parents and friends during the last class session. Ages 8 to 14. Book and material are included in the price. No class 7/4

*Ages 8-14*
- 6/10-6/21 1:10 PM-2:35 PM LMY0038-003 $225
- 6/24-7/5 10:40 AM-12:05 PM LMY0038-004 $215
- 7/22-8/2 10:40 AM-12:05 PM LMY0038-005 $225

Classes

Disney Singers
Sing along to your favorite Disney songs. This class will focus on music and incorporate dance from a variety of Disney movies. You will learn singing warm-ups, Kurwin hand-signs, solfeggio, basic note identification, rhythms, and simple dynamic markings through the use of hands-on activities and written work. By the end of the session, you will have the songs memorized and ready for performance. The book Disney Solos for Kids will be used for this course. A few additional songs from Disney’s Frozen and Tangled will be learned as well! Ages 8-14. Book and material are included in the price. No class 7/4
Ages 8-14
6/24-7/5 1:10 PM-2:35 PM LMY0036-003 $189
6/10-6/21 1:10 PM-2:35 PM LMY0036-004 $225

Exploring Singing Styles
Experience singing in the musical styles of Musical Theatre and Pop. Learn vocal technique and how to apply it to the different styles. You will learn stage presence, choosing the right song for your voice, gestures, and acting out the song. Please prepare two vocal selections from Musical Theatre and Pop. Students will sing for family and friends during the last class session. Disney songs are encouraged. No experience necessary. Ages 8-14. Book and material are included in the price.
Ages 8-14
7/22-8/2 1:10 PM-2:35 PM LMY0035-002 $225

Group Guitar for Beginners
Never played any instruments before? No worries. Played a little, but need a little more push? Join in! Learn basic picking, simple strumming skills, notation and chord charts, and basic right and left hand techniques in a fun, relaxed, and supportive environment. You may bring their own guitar (acoustic or electric); otherwise, classical guitars will be provided for the duration of the course for no additional fee. Ages 8-14. Book and material are included in the price.
Ages 8-14
6/24-7/5 1:10 PM-2:35 PM LMY0036-003 $215
7/22-8/2 1:10 PM-2:35 PM LMY0036-004 $225

Group Piano for Beginners
Learn to play the piano! This class is designed for absolute beginners, and no piano or extra practice at home is needed. You will start at the very beginning and will have fun playing songs and lots of music games and activities every day. Piano books are provided and you will have your own piano and headset. If you’ve always wanted to try the piano, now is the time! Ages 8-14. No class 7/4
Ages 8-14
6/24-7/5 1:10 PM-2:35 PM LMY0040-003 $179
7/22-8/2 9:00 AM-10:25 AM LMY0040-004 $189

Group Guitar: Continuing
Continue learning the guitar and dig deeper into its repertoire. Your focus will be on enhancing playing technique; developing listening skills, developing rhythmic accuracy, and learn new chord progressions. The group will expand the variety of genres covered in the beginners class and add variations to what has already been learned. You may bring your own guitar (acoustic or electric); otherwise, classical guitars will be provided for the whole duration of the course for no additional fee. Ages 8-14. No class 7/4
Ages 8-14
6/24-7/5 1:10 PM-2:35 PM LMY0041-005 $189
7/22-8/2 9:00 AM-10:25 AM LMY0041-006 $179
6/24-7/5 10:40 AM-12:05 PM LMY0041-007 $189
7/22-8/2 9:00 AM-10:25 AM LMY0041-008 $189

Group Piano: Continuing
Continue learning the piano and dig deeper into the classical repertoire. Further enhance your playing technique; develop listening skills, rhythmic accuracy, and expression. The group will expand the repertoire it covered in the beginners’ class; add variations to what has already been learned; and will continue playing music games and learning new fun songs. Piano books are provided and you will have your own piano and headset. Ages 8-14.
Ages 8-14
7/22-8/2 10:40 AM-12:05 PM LMY0042-004 $189

Group Ukulele for Beginners
The ukulele, that lovable little four-stringed instrument, is everywhere in pop music today. From George Harrison to Train to Bruno Mars to Jason Mraz and Zooey Deschanel, we can’t get enough! Learn to play the uke and get a great introduction to other fretted instruments including guitar, mandolin and banjo. Students will enhance their playing technique; develop listening skills, rhythmic accuracy, and learn chord progressions. The group will cover a variety of genres that can range from country, folk, and blues to bluegrass. No experience required. Ages 8-14. No class 7/4
Ages 8-14
7/22-8/2 10:40 AM-12:05 PM LMY0032-008 $189

Classes

Hand & Stick Drumming
Group hand drumming classes are designed to be a fun way to explore a variety of rhythms from around the world. You can expand your musical abilities through rhythmic games, listening, playing pieces, and hands-on drills. You will develop a basic understanding of various rhythm patterns as well as the basic, related terminology. The main instrument used will be the West African djembe. Instruments will be provided. No previous experience is necessary to participate. Ages 8-11.
Ages 8-11
7/22-8/2  1:10 PM-2:35 PM  LMY0043-002  $189

Make Music on Your Computer I
Explore how a song evolves from an idea into a hit. You will learn the basic elements of music production for Rock, R&B, Country, Dance, Hip Hop or Pop styles. Hands-on activities will help you recognize major and minor keys and harmonies and how to create catchy melodies. You will use software, MIDI keyboards, and virtual guitars as your main composing tools. Learn how to utilize hundreds of virtual instruments and create ringtones, mixes and customized loops. No previous music experience required. This is for anyone who wants to learn about making music using computers. Ages 11 to 16. No class 7/4
Ages 11 to 16
6/10-6/21  9:00 AM-10:25 AM  LMY0034-004  $225
6/24-7/5  9:00 AM-10:25 AM  LMY0034-005  $225
7/8-7/19  9:00 AM-10:25 AM  LMY0034-006  $225

Make Music on Your Computer II
Want to quickly get up to speed with Apple’s friendliest music-creation software? You don’t need any musical training to record your own songs. In fact, you’ll only need a few minutes to start using the GarageBand program. Begin with an overview of the software interface and then cover topics such as looping, MIDI tracks, and recording real instruments. You’ll learn how to assemble components, mix your songs, and export them to iTunes. Students must have taken CREATING MUSIC ON A COMPUTER I, or have equivalent experience. Please call 847-925-6659 for more information. Ages 11-16.
Ages 11-16
7/22-8/2  9:00 AM-10:25 AM  LMY0054-002  $225

Music Fun & Games
This class will be invigorating and exciting, with students on their feet playing a variety of music games and having fun while learning the basics of music. No previous musical experience is necessary. Competitive spirit welcome, but fun for all. Ages 8-11.
Ages 8-11
6/10-6/21  10:40 AM-12:05 PM  LMY0060-003  $189
7/8-7/19  9:00 AM-10:25 AM  LMY0060-004  $189

School of Rock Ultimate Rock and Roll Performance Camp
Our new partnership with the School of Rock Arlington Heights brings you this intensive rock ‘n roll boot camp. You receive small-group instruction from the expert School of Rock and Harper College instructors. This year’s theme is Music in Film. From Elvis gyrating in prison stripes in Jailhouse Rock to Prince putting Apollonia on the back of his bike in Purple Rain, rock and roll and movies have been inseparable for going on 60 years. This exciting camp will highlight some of the great music that has played in movies such as the Blues Brothers, This is Spinal Tap, Purple Rain, Rock and Roll High school, Pulp Fiction, Dazed and Confused. On the last Friday night of the session, you will perform with your band at a public venue. All ability levels are welcome, but these camps are limited in size and by instrument. Sign up early to secure your spot! Ages 8-14. No class 7/4
Ages 8-14
6/24-7/5  1:10 PM-4:10 PM  LMY0050-002  $379

Silly Band: Brass and Woodwind
Calling all brass and woodwind instrumentals at the junior high school level to join SILLY BAND. We’ll emphasize fun as you explore various types of music to build your repertoire, while learning more about what your instruments can do. There will be a short recital at the end of the session. Open to ages 11-14. Ages 11-14
6/24-7/5  2:45 PM-4:10 PM  LMY0052-002  $179

Songwriting for Teens
Dig into the craft and artistry of songwriting using piano/keyboard or string instruments and singing to develop your own songs. You will focus on contemporary music including folk and blues elements, which are the basis for pop, hip-hop, country and jazz. Each day, your instructor will give individual guidance as you listen and study great songs from these traditions. Then, you will create and record your own compositions, assisted by a professional sound engineer. Perform your own or other students’ work at the end of the course. Students should be able to play a piano/keyboard or chordal instrument and be familiar with traditional music notation or tablature. Ages 13-16.
Ages 13-16
6/24-7/5  9:00 AM-10:25 AM  LMY0051-002  $215

Stage/Sound/Screen
Become a YouTube Sensation
So you created your own YouTube page, but what’s next? In this class, you will learn that while video views are important, there is so much more to creating an eye-catching site that people will return to again and again. Learn the importance of video length, camera angle, finding your voice, and many other tricks to video-making that will have you ready to be a YouTube sensation. Ages 8-14.
Ages 8-14
6/24-7/5  1:10 PM-2:35 PM  LKD0110-003  $179
7/22-8/2  2:45 PM-4:10 PM  LKD0110-004  $189

Classes

Film Acting Camp-Quiet on the Set
Learn film production from professionals at this intensive camp, where everyone will get in front of the camera to star in a short film, and go behind the scenes to find out what movie-making is all about. Learn about script creation, acting on film, and all the preproduction activities of a working set, including camera techniques, on-location shooting, wardrobe, make-up and editing. All participants will have roles based on their preferences. Either on film, behind the scenes and in most cases both. Experience and learn everything from producing and directing to acting and editing. We will premiere the film at Harper College for family and friends after editing is finished. This will likely occur shortly after the class has been completed. No class 7/4.
Ages 8-14
6/10-7/5 9:00 AM-12:00 PM LKD0025-002 $525

Improv Games
Ever play an old game a new way, with your own rules or no rules? Sometimes we have the most fun when we ‘think out of the box’ and let our imaginations run wild. That is improv! Improv lets you live in the moment, and it can be very funny to see what comes next. Develop your improv skills through fun techniques and games. No class 7/4.
Ages 8-14
6/24-7/5 2:45 PM-4:10 PM LKD0016-003 $179
7/22-8/2 1:10 PM-2:35 PM LKD0016-004 $189

Making Documentary Films
Documentaries capture the real life stories of real people like you. This class will specifically document the experiences that kids have in the InZone program. You will learn film production from professionals as you move around the campus filming InZone classes. You will learn to create a storyboard and receive tips on how to conduct good interviews. You will be involved in all the pre-production activities of a working set including camera techniques and on-location shooting. All participants will participate in a variety of roles both on and off camera ranging from producing and directing to acting and editing. At the end of class, we will premiere the completed film at Harper for family, friends and the public. NOTE: While the goal is to premiere the completed film the last week of InZone, if more editing is required, we will show it at a later date.
Ages 8-14
6/10-6/21 1:10 PM-4:10 PM LKD0147-002 $275
7/8-7/19 9:00 AM-12:00 PM LKD0017-002 $275

Secrets of Magic
Gain the skills and develop the confidence needed to perform fantastic magic tricks and illusions that will amaze your friends and family. In this class, you will be stunned as you learn how to perform magic with props and everyday objects that are based around the important principles of presentation techniques, team cooperation and improving group dynamics. Taught by a professional magician, you will be surprised at the amount of tricks you will be able to demonstrate at the end of this awesome class.
No class 7/4.
Ages 8-11
6/24-7/5 9:00 AM-10:25 AM LKD0120-003 $175
7/22-8/2 10:40 AM-12:05 PM LKD0120-006 $189
Ages 11-14
6/24-7/5 10:40 AM-12:05 PM LKD0120-004 $175
7/22-8/2 9:00 AM-10:25 AM LKD0120-005 $189

Smartphone Filmmaking
Smartphones have come a long way and the technology will keep getting better as we move into the future. The course will help students utilize the technology in smartphones to capture great image and audio quality. Each participant will produce a 5-10 minute film in one of the following categories: educational, community, cinematic, journalism & current events, nature, and general. No experience necessary. Must bring your own smartphone. Ages 11-14.
Ages 11-14
6/10-6/21 1:10 PM-2:35 PM LMY0053-003 $225
7/22-8/2 1:10 PM-2:35 PM LMY0053-004 $225

Stars of the Stage
Fully experience every element of creating a theatrical project. Start by learning the language of theater, from the basics like stage right and stage left to more advanced concepts like arc of the narrative and raising the stakes. Utilizing a collection of short plays, you will participate in an audition, a blocking rehearsal and a technical rehearsal. The result will be a performance of live theater to share what you have learned over the course of the class.
Ages 8-14
7/8-7/19 9:00 AM-12:00 PM LKD0027-002 $275

Tech Knowledge

3D Printing and the World of Harry Potter
Take your love of Harry Potter to a whole new level when you learn the basics of 3D printing while completing Harry Potter themed projects. You will learn to use Computer Aided Design (CAD) to create and print 3D objects right before your eyes. Projects include Wands, a Deathly Hallows necklace, a Time Turner, and various Hogwarts house items. In addition, your Harry Potter themed activities will include a potions lesson and a Quidditch match.
Ages 11-14
6/10-6/21 10:40 AM-12:05 PM LKD0091-002 $249

3D Printing Puzzles and Escape Room
Begin your exploration into the world of 3D printing through activities based around exciting 3D printed projects including brain teaser puzzles and a marble maze. You will be also be challenged to complete an instructor made escape room and work in teams to create your own escape room.
Ages 11-14
7/8-7/19 9:00 AM-10:25 AM LKD0152-003 $249

3D Printing Through Art and Architecture
Focus on the artistic aspects of 3D printing as you learn about the amazing art creations that can be developed through the use of a 3D printer. Create computer-aided-design (CAD) artworks using the TinkerCAD system and then print them in 3D right before your eyes. Projects examples include sun catchers, necklace pendants, the Eiffel Tower, and more.
Ages 11-14
7/8-7/19 10:40 AM-12:05 PM LKD0075-002 $249

Classes

3D Printing Through STEM
Get a great introduction to the exciting world of 3D printing by learning how to use the TinkerCAD computer-aided-design (CAD) system to create and print 3D, kid-friendly projects. Explore the world of science and engineering with hands on STEM projects including Pokémon and Minecraft characters which you’ll take home.

Ages 11-14
6/10-6/21 9:00 AM-10:25 AM  LKD0074-002  $199

Adventures in Robot Building
The staff at Robot City Workshop return to lead you through an intensive robotic adventure where you will learn the basics of electronics and mechanical science, from gears and motors to the types of energy used to power robots. This year, a series of all new, programmable STEM robot projects will include Edison, Smart Cleaner Robot, and LittleBits. Use science, technology, mechanics, and STEM arts to create projects you can take home for further experimentation. No class 7/4

Ages 8-11
6/24-7/5 2:45 PM-4:10 PM  LKD0180-002  $189
8/5-8/9 9:00 AM-12:00 PM  LKD0180-004  $199
Ages 11-14
6/24-7/5 1:10 PM-2:35 PM  LKD0180-001  $189
7/8-7/19 9:00 AM-10:25 AM  LKD0180-003  $199

Coding with Drones
This exciting course will allow you to program fun and useful missions using block programming on a Tello drone. You will command the drone to perform a variety of different missions as you learn how to use geometry to determine the best angle to tilt the drone camera, how to loop commands, how to fly in a star pattern, how to take panoramas using the drone camera, and much more. Students will use drones during class times, but do not get to keep their own drones at the completion of the class. You will work in small groups on all projects. No class on 7/4

Ages 8-11
6/24-7/5 2:45 PM-4:10 PM  LKD0180-002  $189
8/5-8/9 9:00 AM-12:00 PM  LKD0180-004  $199
Ages 11-14
6/24-7/5 1:10 PM-2:35 PM  LKD0180-001  $189
7/8-7/19 9:00 AM-10:25 AM  LKD0180-003  $199

Coding: Animation Studio
The Sylvan Learning Center teachers will help you create animated cartoons just like the pros. Learn the basics of animation as you draw your own characters and bring them to life through Coding. You will use visual programming to control the speed and type of animation as you add animals, dragons, monsters and avatars to your projects. Create animated games, cartoon strips, music videos and interactive worlds to share with friends. No Coding experience required.

Ages 8-11
6/10-6/21 1:10 PM-4:10 PM  LKD0154-001  $199

Coding: Augmented Reality
Sylvan Learning Center teachers help your child learn Augmented Reality: a way to extend coding beyond the screen, using motion recognition, physics and special effects. You will discover how to use the webcam to build interactive experiences that blend the real and virtual world. Physically stand in front of the camera and participate in games thru movement. Build and play games like Human Pong, Brick Breaker and Fruit Ninja.

Ages 11-14
6/10-6/21 2:45 PM-4:10 PM  LKD0153-001  $199

Creative Coding
Go beyond the coding basics and incorporate sound, animation and drawing into your game creations. You will develop creativity and problem solving skills just like coders do in the real world. Staff from Sylvan Learning bring their expertise to take you into the world of coding. No class 7/4

Ages 11-14
6/24-7/5 9:00 AM-10:25 AM  LKD0050-002  $185

Digital Animation
In this exciting class you will develop your graphic art skills as you create a digitally-animated presentation using Adobe Photoshop and Flash. You will create several animations, build web applications, and enhance your work by learning how to add animated symbols and build in navigational templates. You will also study techniques used for producing simple action scripts and how to manage photos and videos.

Ages 8-11
6/10-6/21 9:00 AM-10:25 AM  LKD0022-004  $199
Ages 11-14
6/10-6/21 10:40 AM-12:05 PM  LKD0022-005  $199

InZone Junior Explorers Camp
(ages 6-8)
This exciting new addition to the InZone program features hands-on exploration of science, technology, art and play, and runs July 8 – August 2. Visit harpercollege.edu/inzone to learn more, or visit page 38, and schedule your summer fun.

Find InZone online at: harpercollege.edu/inzone
Engineering Through Robotics
Have fun while you learn the principles of engineering and how to use LEGO® Robotics technology. Working in groups and using math and physics concepts, you will explore this exciting technology. Although you will not take the completed project home at the end of the class, you will engage in robotic challenges and problem-solving experiments.

Ages 8-11
7/22-8/2 2:45 PM-4:10 PM  LKD0030-004  $199
Ages 11-14
7/22-8/2 1:10 PM-2:35 PM  LKD0030-003  $199

Game Generator
Does your dream include working for PlayStation or Nintendo? Start building your resume now! Come learn how to design action-packed computer games using Clickteam Fusion 2.5 software and your imagination. No class 7/4

Ages 8-11
6/24-7/5 10:40 AM-12:05 PM  LKD0014-006  $185
7/22-8/2 1:10 PM-2:35 PM  LKD0014-007  $199
Ages 11-14
6/3-6/7 9:00 AM-12:00 PM  LKD0014-005  $199

Game Generator II
Take your game-building skills to the next level. Design action-packed computer games with even more complexity. NOTE: This class is intended for students who have already taken Game Generator or who have previous game design experience. This class uses Clickteam Fusion 2.5 software to help you develop your dream game. No class 7/4

Ages 11-14
6/24-7/5 9:00 AM-10:25 AM  LKD0049-002  $185

Girl Power: Technology for Girls
Along with other girls who are interested in technology, you will explore graphic arts, multimedia, video creation and networking. You will also learn about a variety of computer-based careers from a woman who is successful in the technology field. No class 7/4

Ages 8-11
6/24-7/5 2:45 PM-4:10 PM  LKD0005-003  $185
Ages 11-14
7/22-8/2 9:00 AM-10:25 AM  LKD0005-004  $199

Innovative Robot Building
The robot revolution has arrived from the future, and a new generation of artists and engineers must be prepared! Explore robotics led by the Robot City Workshop staff. Learn the concepts of electricity, mechanics, sensors, programming, and how to apply them artistically while building Do-It-Yourself robot kits that you get to take home! This year will feature a number of the newest interactive educational robot projects such as Edison, Solar Space Fleet 7 in 1 and the Tumbling Robot. You will build multiple robots and get to take them home for further experimentation. 
No class 7/4

Ages 11-14
6/3-6/7 9:00 AM-12:00 PM  LKD0048-003  $299
6/24-7/5 10:40 AM-12:05 PM  LKD0048-004  $275
7/22-8/2 9:00 AM-10:25 AM  LKD0048-005  $299

Lego Battlebots
Seek and destroy! Use strategy and problem-solving skills as you design your Lego® motorized battle vehicle. Your team will develop your bot with one thing in mind: beat all the other bots and become the champion of the battlebot arena! Get an introduction to engineering of robots using principles of math and physics as your group builds its battlebot. Although you will not take the completed project home at the end of the class, you will have a blast engaging your battlebot in the arena. Will you reign supreme? No class 7/4

Ages 8-11
6/24-7/5 10:40 AM-12:05 PM  LKD0029-006  $185
7/22-8/2 9:00 AM-10:25 AM  LKD0029-007  $199
Ages 11-14
6/24-7/5 9:00 AM-10:25 AM  LKD0029-005  $185
7/22-8/2 10:40 AM-12:05 PM  LKD0029-008  $199

Lego Bot Labs
In this exciting class the educators from Sylvan Learning will help you build Lego’s Robots and program them using Lego WeDo software. Course includes 36 new builds, including both WeDo 1 and WeDo 2 kits and software. You can pick from Safari, Space and City themes, learning to build, program and problem solve while incorporating STEM concepts. If you are new to Lego’s and WeDo, or an experienced builder, the fun and learning are all rolled into one!

Ages 8-11
6/3-6/7 9:00 AM-12:00 PM  LKD0051-003  $199

Make a Multiplayer App
The hottest new Apps are IO apps! If you like to play Agar.io or Slither.io you will love this class! Become the creator of the next viral web app and share with family and friends! In this class, you will explore the most popular .IO apps, design your own multiplayer experience, and learn how to code your own. Students will work in pairs or teams for most of the program.

Ages 8-11
7/8-7/19 10:40 AM-12:05 PM  LKD0089-005  $199
Ages 11-14
7/8-7/19 9:00 AM-10:25 AM  LKD0089-004  $199

Make Your First Fortnite® Style Video Game
Fans of Fortnite we need you! Instead of playing the game, design your own. Using a professional 3D game development software, build levels and assets inspired by popular battle royale games like Fortnite. This course includes cartoonish action and battle sequences. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Please note, this class uses Fortnite for inspiration, but you will not be playing Fortnite as part of the curriculum. You will work in pairs or teams for most of the program.

Ages 8-11
6/10-6/21 10:40 AM-12:05 PM  LKD0168-002  $199
7/8-7/19 2:45 PM-4:10 PM  LKD0168-004  $199
Ages 11-14
6/10-6/21 9:00 AM-10:25 AM  LKD0168-001  $199
7/8-7/19 1:10 PM-2:35 PM  LKD0168-003  $199

Classes

Making More with Digital Animation
This digital animation class is designed for students with some previous experience in the subject or an understanding of Adobe Photoshop or Animate. You will work on projects based around movie editing, trimming and sound effects as well as create an animated commercial ad. This is the perfect class to build upon your already existing skills and create something great.

Ages 11-14, No class 7/4
6/24-7/5  1:10 PM-2:35 PM  LKD0179-001  $185

Minecraft Modders
Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mod! Introductory coding will also be taught through a simulated environment inspired by Minecraft.
Your projects will be available on a Black Rocket website to share with friends and family. To access their project at home students must own a PC/MAC version of Minecraft. Tablet, phone, or game console versions of Minecraft are not compatible. Students will work in teams for most of the program. No class 7/4/22

Ages 8-11
6/24-7/5  9:00 AM-10:25 AM  LKD0046-003  $189
Ages 11-14
6/24-7/5  10:40 AM-12:05 PM  LKD0046-004  $189

Photoshop
Expand your ability to make fine art photography with Adobe Photoshop as you develop an understanding what each tool means and how it fits into the process. Through daily projects, you will practice utilizing the different tools in Photoshop to create unique images.

Ages 8-11, 6/3-6/7  9:00 AM-10:25 AM  LKD0122-004  $199
Ages 11-14, 6/3-6/7  1:10 PM-4:10 PM  LKD0086-005  $199

Python Coding
 Sylvan Learning Center staff will introduce you to Python syntax and programming logic as you solve fun puzzles, build your own projects and stories, and create a portfolio of Python games, including Connect 4, Snake and Tetris. By learning Python, you get a taste of what people who code for a living use in the real world.

Ages 11-14
6/10-6/21  1:10 PM-2:35 PM  LKD0104-003  $199
7/22-8/2  9:00 AM-10:25 AM  LKD0104-004  $199

Python Programmers: Make Your Own Multiplayer Game
You Tube, Google, Instagram and Spotify — what do they have in common? They were all created with the Python programming language. Learn how to code with Python and create your first multi-player adventure game. Each lesson is one step along a path that will let you challenge friends and family with a fun game that you built from start to finish!

Ages 8-11
7/22-8/2  1:10 PM-2:35 PM  LKD0085-004  $209
Ages 11-14
7/22-8/2  2:45 PM-4:10 PM  LKD0085-005  $209

Roblox Makers
Unlock the power of ROBLOX Studio, the world creation tool used by real-world ROBLOX developers! Learn how to build 3D models and create an adventure in your ROBLOX world. Bring characters to life with unique animations you design. Student-created projects will be available on a password protected Black Rocket website to share with friends and family. You will work in pairs or teams for most of the program.

Ages 8-11
7/8-7/19  10:40 AM-12:05 PM  LKD0171-002  $199
Ages 11-14
7/8-7/19  9:00 AM-10:25 AM  LKD0171-001  $199

Roblox: Coders and Entrepreneurs
Discover how to code in the Lua language while playing and designing worlds in ROBLOX®, an online universe where you can create anything you dream of. This class combines game design concepts, coding, and fun! Young entrepreneurs will also learn how to navigate ROBLOX’s fast growing marketplace to publish their games. Games will be available on a password protected Black Rocket website to share with friends and family. You will work in pairs or teams for most of the program.

Ages 8-11
6/3-6/7  9:00 AM-12:00 PM  LKD0086-004  $199
Ages 11-14
6/3-6/7  1:10 PM-4:10 PM  LKD0086-005  $199

STEM Camp Explorers: Robotics and Coding
This Sylvan Learning Center class combines STEM learning and fun through its partnership with Lego™ Robotics and Tynker™ Coding/Game Design. You will learn object-oriented program design, robot-making, and how to create other structures that are built to come to life. Expand on those programming basics through coding and create avatars, build worlds, and design video games — all while collaborating with your friends!

Ages 8-11
6/3-6/7  1:10 PM-4:10 PM  LKD0103-003  $199
7/8-7/19  2:45 PM-4:10 PM  LKD0103-004  $199

The Grand STEM Challenge
Sylvan Learning Center staff will help you develop the tools to enter a project in a national competition called The Grand STEM Challenge. You will learn how to solve real-world problem just like engineers do. In the past, teams have designed a K’Nex™ car that would hold an egg in place securely while the car rode down a ramp and crashed into a barrier. Videos of student presentations will be submitted for judging on a national level. Winners have even taken home iPad minis and K’Nex™ gift cards.

Ages 8-11
6/10-6/21  9:00 AM-10:25 AM  LKD0064-003  $199
7/8-7/19  9:00 AM-12:00 PM  LKD0064-004  $199
Video Game Animation
Take your game design skills to the next level by creating and animating your own character sprites, objects, and backgrounds. Start with a name, develop the character's personality, signature moves, special powers, and a storyline. Finish with a fully animated character to be used in your very own game. Students do not need any prior experience in game design, animation, or sketching. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers; Mac versions can be created after the program for $15.00 conversion fee. You will work in pairs or teams for most of the program.
Ages 8-11
7/22-8/2  
10:40 AM-12:05 PM  LKD0170-002 $199
Ages 11-14
7/22-8/2  
9:00 AM-10:25 AM  LKD0170-001 $199

Virtual Reality: The Future is Now
Embark on an EPIC adventure in virtual reality! In this cutting edge class, you will learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. At the end of the program, take home your first cardboard VR headset to show friends and family the new worlds you created. VR projects can be viewed on a website or a mobile device. Students do not need a mobile device to take the class, but to use the VR headset at home a camper will need access to an Android or Apple mobile device. Students will work in pairs or teams and VR Games will be available on a password protected Black Rocket website to share with friends and family.
Ages 8-11
8/5-8/9  
1:10 PM-4:10 PM  LKD0087-005 $199
Ages 11-14
8/5-8/9  
9:00 AM-12:00 PM  LKD0087-004 $199

YouTube Streamers and Gamers
Whether you want to be the next pro gamer, streamer, or gamecaster this course will teach you the basics to get started! No longer just a hobby, eSports is the fastest growing career for the next generation. Over 400 million people watched YouTube videos and Twitch streams of video game competitions this year alone! In this course, you will develop competitive game-play skills in Black Rocket’s new eSports App, learn how to produce commentary for live tournaments, use professional streaming software, and most importantly practice online safety. You will gain full access to the eSports App and a video of the class tournament with commentary. Videos will not be broadcast publicly but will be shared with all students in the class. No class 7/4
Ages 8-11
6/24-7/5  
2:45 PM-4:10 PM  LKD0169-002 $189
Ages 11-14
6/24-7/5  
1:10 PM-2:35 PM  LKD0169-001 $189

The World Around Us
American Sign Language
Learn to communicate in a new way through sign language. You will explore deaf culture while you learn the manual alphabet and signs. No class 7/4
Ages 8-11
6/24-7/5  
2:45 PM-4:10 PM  LKD0003-002 $175
Ages 11-14
7/22-8/2  
1:10 PM-2:35 PM  LKD0003-003 $189

Japanese I
Learn the unique language of the Far East. Through the use of games, video, origami and calligraphy, immerse yourself in a culture based on ancient tradition. For some extra fun, you will earn classroom yen, the Harper version of Japanese currency, and experience a Japanese shopping event like you might find on the streets of Tokyo.
Ages 11-14
6/10-6/21  
10:40 AM-12:05 PM  LKD0137-003 $189
7/8-7/19  
9:00 AM-10:25 AM  LKD0137-004 $189

The Kindness Project
Random acts of kindness and senseless acts of beauty have become an international phenomenon and connecting force for good since 1982. Using ideas from the Kindness Projects and Compassion Games, our team will participate in a global community creating projects designed to promote compassion, empathy, connection, and surprise. There is no wrong way to play and everyone wins because even little things can make a huge difference in everyone’s lives, one person at a time. No class 7/4
Ages 11-14
6/24-7/5  
10:40 AM-12:05 PM  LKD0106-003 $175
Classes

Writing and Stories

**Aliens Abound: Science Fiction Writing**
Explore strange new worlds, seek out new life and new civilizations, and boldly go where no one has gone before! You will learn what makes a fantastic science fiction story, design your own planet, and create a story of exploration and wonder. Come join us as we delve into a universe of possibilities!

**Ages 11-14**  
6/10-6/21 10:40 AM-12:05 PM LKD0097-002 $189

**Create a Book**
“Once upon a time...” What comes next? You decide! From cover to cover, and everything in between, you get to be the author and book designer in this class for creative minds. No class 7/4

**Ages 8-11**  
7/22-8/2 9:00 AM-10:25 AM LKD0123-003 $189  
**Ages 11-14**  
6/24-7/5 1:10 PM-2:35 PM LKD0123-002 $175

**Enter The Hunger Games**
Do you have what it takes to be a tribute and represent your district? Practice your survival skills, try your hand at archery and visit the Capital for a make-over, Cinna style. We will discuss Suzanne Collins’ trilogy, The Hunger Games, and learn how the author came up with the idea for the books. You will even create a Hunger Games style competition. May the odds be ever in your favor!

**Ages 11-14**  
7/8-7/19 2:45 PM-4:10 PM LKD0031-002 $189

**Harry Potter: First Year**
First Year students! Pack your bags and head to Platform 9 ¾ for a trip to Hogwarts. Put on the sorting hat and become part of the Gryffindor, Ravenclaw, Hufflepuff or Slytherin house. Focusing on all the books in J.K. Rowling’s popular Harry Potter series, we will play games, make crafts and participate in fun science projects to keep your magic skills in order.

**Ages 8-11**  
6/10-6/21 9:00 AM-10:25 AM LKD0010-002 $189

**Harry Potter: Second Year**
As a Second Year Hogwarts student, you will sew a wizard hat, create a wizard chess set, start Quidditch practice and make your own Nimbus 2009. You will also attend classes, including The Care and Handling of Magical Creatures (with an introduction to Pygmy Puffs) and Potions and Transfiguration. Watch out! The traditional competition for the House Cup gets a bit more difficult.

**Ages 8-11**  
6/24-7/5 9:00 AM-10:25 AM LKD0052-002 $189

**Harry Potter: Third Year**
Third Year Hogwarts students create spell books to use in class and house badges. They also get to write for the wizarding newspaper (The Daily Prophet), finger-knit house book scarves, and attend classes like Advanced Care of Magical Creatures and The History of Hogwarts and Divination. The competition for the House Cup rivals the Tri-wizard tournament in difficulty!

**Ages 8-11**  
7/8-7/19 9:00 AM-10:25 AM LKD0144-002 $189

**Harry Potter: Seventh Year and Beyond . . .**
For Harry Potter FAN-atics who have read ALL the books, this is THE class! How did J.K. Rowling create the world of Harry Potter? What message does Ms. Rowling want us to get from the series? Has Harry Potter had an impact on our society? Watch an interview with the author, discuss the archetypes in her stories and learn the legends, myths and reality behind them. We will also try knitting house book scarves and stylizing our favorite Dumbledore quote, suitable for framing!

**Ages 8-11**  
7/8-7/19 1:10 PM-2:35 PM LKD0143-002 $189

**Into the Infinity: Avengers Assemble**
It’s time to assemble and choose your sides as the battle for domination comes to a head. Unearth all there is to know about the Earth’s Mightiest Heroes and some of the bad guys too. Created by Marvel Comics in the 1960’s, you will make Make Captain America’s shield, Thor’s Hammer, and transform into the Hulk. You will learn the history of the Avengers, from their conception through to the modern movie franchise. Create your own comic strip super-hero in this action-packed class. Marvel movies may be played in the background while you work on your projects.

**Ages 8-11, No class 7/4**  
6/24-7/5 10:40 AM-12:05 PM LKD0035-002 $175

**On the Case: Detective Fiction**
If bumps in the night, missing jewelry, or false suspects and crazy plot twists has you donning your best hat and searching for your spyglass, then this class is for you. Learn about different types of crime stories and the detectives who solve them. Then, try your hand at solving a few whodunits yourself. Play a game of Clue and create mysteries for your family and friends to solve!

**Ages 11-14, No class 7/4**  
6/24-7/5 1:10 PM-2:35 PM LKD0092-002 $179

**Percy Jackson and the Olympians**
Welcome to Camp Half-Blood! Enter the world of Rick Riordan’s Percy Jackson & the Olympians book series, where you will make your very own Riptide sword, play capture the flag, eat blue food, go on an InZone Quest and make Harper College safe from Cronus and his followers. Return to the real world with your own Camp Half-Blood bead necklace! NOTE: This course is inspired by the characters and events in the Percy Jackson & the Olympian series by Rick Riordan but are not endorsed by the author or publisher.

**Ages 8-11**  
6/10-6/21 2:45 PM-4:10 PM LKD0002-002 $189

**Tolkien’s World: The Hobbit and Lord of the Rings**
Join Bilbo, Frodo, and all their friends in the Shire! Create your own map of Middle Earth, learn how mythril is made, write a song for the dwarves, and learn a little Elvish. You will explore the mythology of Middle Earth and learn what inspired J.R.R. Tolkien to write The Hobbit and The Lord of the Rings.

**Ages 11-14, No class 7/4**  
6/24-7/5 2:45 PM-4:10 PM LKD0093-002 $175
**Before and After Care**

Extend the fun with InZone's Before and After Care program. Organized activities will be provided under the supervision of InZone staff. Choose Before Care, After Care or both. Register for Before and After Care just as you register for other InZone programs. **NOTE:** Students will meet in the Foglia Foundation Health and Recreation Center (Building M) for both programs. Staff will be on hand to provide help with scheduled program locations. No care 7/4

**Ages 8-14**

Special Offerings

The Amazing Voyage through STEM Camp

Come experience a wonderful new camp in partnership with District 214 Community Education Program in Arlington Heights. Staffed by Harper College InZone employees, you will explore new things, develop new interests, and strengthen existing skills as you make new friends in a fun environment?

Learn to build multi-level video games using Micro Media Fusion, get an introduction to engineering through hands-on work and develop coding skills designed to impress are just a few of the subjects touched upon. You’ll get to take your game home to play and keep adding to the levels created in class. This is primarily a computer based STEM camp experience, but campers will also participate in fun engaging learning in an outdoor setting based around STEM themed activities. Students will be separated into activities by age.

Open to ages 8-14. This is a Monday-Thursday camp.

Each 2-week session will include new activities and experiences. Children should bring their own lunches each day. Vending machines will also be able for use.

This camp takes place at District 214 Community Education building, 2121 S. Goebbert Rd., Arlington Heights, IL 60005.

Meets:
July 8-18 9:00 AM-4:00 PM Course # LKD0181-001
July 22-Aug. 1 9:00 AM-4:00 PM Course # LKD0181-002

Location: District 214 Community Education Building
2121 S. Goebbert Rd., Arlington Heights

Tuition: $449

InZone Junior Explorers Camp

This exciting new addition to the InZone program is designed for students 6-8 years of age and is intended to focus on the already established principles of the InZone camp for older students. Rooted in hands-on exploration students will participate in activities structured around science, technology, art and play.

The program will be designed to rotate between multiple topics on a daily basis with some projects spanning a number of days before completion. Students will be placed in groups and assigned specific staff members throughout the session. This program will be housed in a specific location on campus and does not involve the students moving from building to building like the InZone students.

Students staying on campus during the lunch period will be walked by staff members to the cafeteria and supervised at all times. Participants in this program will have the opportunity to sign up for the InZone Pre-Paid Lunch Plan. Open to ages 6-8.

Meets:
July 8-19 9:00 AM-12:00 PM Course # LKD0182-001
July 8-19 1:10 PM-4:10 PM Course # LKD0182-002
July 22-Aug. 1 9:00 AM-12:00 PM Course # LKD0182-003
July 22-Aug. 1 1:10 PM-4:10 PM Course # LKD0182-004

Location: Harper College Main Campus
Tuition: $249

Before and After Care

Extend the fun with InZone's Before and After Care program. Organized activities will be provided under the supervision of InZone Junior Explorers Camp staff. Choose Before Care, After Care or both. Register for Before and After Care just as you register for other InZone programs. NOTE: Students will meet in the Foglia Foundation Health and Recreation Center (Building M) for both programs. Staff will be on hand to provide help with transitioning to and from the Junior Explorers Camp.

Ages 6-8

### Debate Camp

Debaters, both novices and veterans, will benefit from sharpening the critical skills needed to become more successful competitors. This new camp is designed for students entering 8th grade or high school this year.

Harper Debate Camp 2019 covers:
- Analysis of burdens of proof
- Elements of an argument
- Providing and refuting claims
- Effective legislation
- Credibility and bias in research
- Listening and note taking
- Effective organization
- Strategic questioning
- Enhancing message with delivery

Our instructors are Illinois Congressional Debate Association (ICDA) coaches. ICDA will provide a partial scholarship to ICDA members who complete the camp.

**Meets:**
- July 22-26, 10:45 AM-3:30 PM  
  Course # LHS0002

**Location:** Harper College Main Campus

**Tuition:** $249

Register online at ce.harpercollege.edu

### Drivers Education

New to driving and need all the basics? Experienced driver who needs a brush up before the renewal test? Our Driver Education Program has a class for you. Behind the wheel and in the classroom, we’ll get you ready for your DMV test and Illinois driver’s license.

**Get Ready**

Complete the Driver Education Information Form at harpercollegece.com/drive or send an email to Pawel at pkajdas@harpercollege.edu. You will be contacted by phone within one business day so we can help you complete your registration.

**Get Set**

We will work with you to select the best course for you and your schedule.

**Go**

Register for the right Driver Ed course and get the preparation you’ll need to get or renew your license.

Things Parents Should Know

THE BASICS

Welcome!
After registering for InZone, visit harpercollege.edu/inzone and download your InZone Welcome Packet. The packet includes a welcome letter, extra waivers and behavior contracts, and a lunch menu. The 2019 packet will be available by May 15. Questions? Email khahn@harpercollege.edu or inzone@harpercollege.edu.

Days, Dates and Hours
InZone programs are scheduled in one and two-week sessions, Monday through Friday, with classes offered from 9 a.m. to 4:10 p.m., including a lunch period. Choose from a variety of programs to create a half-day or full day of activities. Before and After Care is also available from 7 a.m. to 6 p.m.

Location
All programs begin at Harper College’s main campus at 1200 West Algonquin Road in Palatine. As noted in class descriptions, some classes include InZone-staffed transportation to/from other area facilities.

The Amazing Voyage through STEM Camp takes place entirely at District 214 Community Education located at 2121 S. Goebbert Rd., Arlington Heights, IL. Transportation is not provided to this camp.

Drop-Off/Pick-Up

Drop-Off/Pick-Up Site and Procedure
InZone’s only designated and supervised drop-off/pick-up site is in the circular drive, in front of the Student Center (Building A), accessible from the Algonquin Road entrance. Note that Harper College does not allow parking or waiting by the fountain located near the drop-off and pick-up area.

Drop-off/Pick-Up Times
For safety reasons, children are not to be on campus unless accompanied by an adult or registered for InZone programs. Additionally, Harper College policy states that students cannot be on campus more than 15 minutes prior to their first class, and they must be picked up within 15 minutes after dismissal of their class.

Late Pick-Up Procedure and Offenses
Participants not picked up will be escorted to After Care in Building M, and remain until a parent/guardian comes in to pick him/her up. NOTE: Repeated late pick-up offenses will result in termination from InZone without a refund.

Avoid late pick-up issues! For your convenience, supervised Before and After Care is available.

Inclement Weather Policy
During inclement weather, InZone staff will coordinate with the Harper College Police to ensure the safety of your child. In situations of heavy rain, lightning and severe storms, staff will move children to the safest possible location according to the guidelines of the Harper Police Department. When these situations occur during pick-up time, the InZone program will be in lock-down mode inside of the Student Center, Building A or the Health and Recreation Center, Building M if the student is in a sports program. We ask that during these situations parents come into the building to pick up their child(ren). Children will not be released outside during lock-down mode without a guardian present. There will be designated staff members near the pick-up location to provide information during these situations.

KEEPING YOU SAFE AND IN TOUCH

Safety: Program Aides Lead
We are committed to creating a positive experience for all students, and your child’s safety is our number one concern. InZone program aides are at the forefront of keeping your child safe and happy during camp. Encouraging your child to take questions, concerns or problems to an aide and to look to aides for instructions will help us better meet your child’s needs.

Harper College is an open campus during the summer. To maintain the safety of your children, InZone aides are strategically placed around campus to monitor InZone students as they travel between classes, during drop-off and pick-up, and alongside instructors during classes. All aides are easy to spot! Look for their official InZone t-shirts and identification badges.

Contact Information
Help us keep in touch! Make sure we have your current email address and phone numbers. Call 847.925.6300 to update.

Emergency Text Alerts
In the event of a campus emergency, it is vital that we contact you as quickly as possible. Sign-up for Harper Emergency Text Alerts on our website, harpercollege.edu, to receive real-time information, in a text message, sent to your cell phone.

• Your name and phone number will not be shared outside of this system.
• Participation is voluntary and open to the public.
• You can cancel the service at any time.
• The service is free. (Consult your cell phone carrier. Standard message rates may apply)
• Questions about Emergency Text Alerts? Contact the Student Service Desk.
• Emergency updates are also communicated via Harper College’s general phone number 847.925.6000 and notices on harpercollege.edu.

Emergency Evacuation Plan
In the event of an all-campus evacuation during program hours, InZone, in coordination with the Harper Police Department, has an evacuation plan, available in detail at: harpercollege.edu/inzone.

ADDITIONAL CLASS OPTIONS

Before and After Care Supervision
Register for Before Care and After Care at the same time you register for InZone classes. Supervision is provided Monday through Friday, from 7 to 9 a.m. and/or 4:10 to 6 p.m. Students should be dropped off in front of Building M and will be escorted to the meeting location by InZone staff members. Attendance is taken in After Care and children must be signed out. Parents must report any changes in a child’s After Care schedule to our student absence number: 847.925.6941.

Lunch Program
We offer three options:
• Order a prepaid meal plan.
• Bring a brown bag lunch.
• Bring money (recommended: $6-7 daily) to purchase a lunch of your choice in the cafeteria.

Supervision during lunch is provided free, regardless of lunch option, however students who elect to bring a lunch or money for the cafeteria must sign up for Cafeteria Attendance. See page 23.
Relaxation Station
With a special supervised area featuring a variety of activities, from board games and videos to arts and crafts, Relaxation Station is just the thing to fill time-slots between scheduled classes. Students are allowed to register for up to one Relaxation Station period per day. See page 23 for details.

WHO WE ARE
The InZone Team
The InZone staff is passionate about providing a welcoming, safe camp that inspires and cultivates everyone’s interests. Our qualified, caring and competent instructors and program aides believe that offering an innovative, active education is key to enriching a child’s mind, body and spirit.

InZone instructors are teachers or professionals in their field. Program aides are college students who have participated in extensive orientation and training workshops, and many plan to pursue careers in education. The aides support instructors in creating an inclusive environment with opportunities for individualized instruction.

Employee Background Check
All InZone instructors and staff have passed a statewide criminal background check.

POLICIES TO HELP US HELP YOU
Ages
Students must be eight years old before September 1, 2019 in order to participate in InZone. The InZone curriculum is designed to be age-appropriate. It is the responsibility of a parent or guardian to ensure that his or her child is placed in an age-appropriate class. Select courses are open to students younger or older than InZone’s standard 8-14 range. In most cases, students will be placed in sections according to skill. Children must turn six years old by September 1, 2019 in order to participate in the InZone Junior Explorers Camp.

Class Capacity and Cancellations
In keeping with our mission to provide individualized instruction, InZone enrollment is limited to maintain our 8:1 ratio of kids to adults. As a non-profit organization whose programs are self-supporting, InZone also requires a minimum number of enrolled students in order to run a class. To avoid inconvenience to students, InZone staff will cancel a course with low enrollment one day in order to run a class. To avoid inconvenience to supporting, InZone also requires a minimum number of enrolled adults.

As a non-profit organization whose programs are self-designed to be age-appropriate. It is the responsibility of a parent or guardian to ensure that his or her child is placed in an age-appropriate class. Select courses are open to students younger or older than InZone’s standard 8-14 range. In most cases, students will be placed in sections according to skill. Children must turn six years old by September 1, 2019 in order to participate in the InZone Junior Explorers Camp.

Release Waiver: Required for Every Camper
All campers must submit a signed InZone Medical and Student Conduct Waiver before attending any InZone programs. Beginning the second week of May, all InZone registrants will receive emailed release waivers to complete, sign and return electronically. For additional waivers, please email us at inzone@harpercollege.edu or call 847.925.6876.

Absences and Extended Illnesses
Attendance is taken daily in all programs. If your child will be absent, call: 847.925.6941 or email: inzone@harpercollege.edu. Parents should report absences no later than one hour before the start of a program. Calls will be made to parents for any unreported absences. There are no make-up classes.

Medication / Special Health Needs
Please let us know in advance if your student requires medication during InZone programs. Call 847.925.6454 to notify us and obtain further information.

Students with Disabilities
In accord with federal and state law, Harper College makes every effort to provide reasonable accommodations to qualifying students with disabilities. To inquire about the process for receiving accommodations for InZone, please contact Access & Disability Services (ADS) to schedule an InZone intake appointment at 847.925.6266 voice or 866.327.1630 videophone. An ADS staff member will review medical and/or educational documentation and discuss with students and parents what possible accommodations may be reasonable. Personal services such as restroom assistance, support with mobility around campus, or direct one-to-one supervision are not provided. On rare occasions, it may be determined that requests for accommodation within InZone cannot be met if they pose a serious health or safety risk, or significantly alter the intent of the course or program. For additional information, contact ADS at 847.925.6266 voice or 866.327.1630 videophone, or Continuing Education at 847.925.6300.

Tax Credit
An employed parent or legal guardian may qualify for a tax credit for child care/dependent care for his/her child who attends InZone programs. As the law has specific regulations, interested parents will need to consult their tax advisor for details. Our Federal Tax ID number is 36-2582782.

We are not responsible for lost or stolen items.

GET TO KNOW INZONE!
Attend an Orientation Tour
Free campus tours are available to all InZone campers and their families. Tours are strongly recommended for all new campers. An InZone representative will conduct each hour-long tour.

InZone Tours are available:
Wednesday, May 29, 6 p.m.
Monday, June 3, 6 p.m.
Wednesday, June 5, 6 p.m.

Tours meet in Building Z, Room Z102. (Parking in Lot 3)

InZone Junior Explorers Orientation:
Monday, July 1, 6 p.m.
Orientation meets in Building M, Lobby. (Parking in Lot 1)
Learn more and RSVP online at harpercollege.edu/inzone.

Register Now at: harpercollege.edu/inzone
### Planning Guide

This Planning Guide lists all programs and course numbers except: Before/After Care, Lunch Meal Plan, Cafeteria Attendance, and most programs not held during standard InZone course times.

Course numbers for Before/After Care, Lunch Meal Plan and Cafeteria Attendance are listed on the Worksheet following the Planning Guide. Course numbers are required for registration.

Download this guide and worksheet at harpercollege.edu/inzone.

Get to Know InZone?

Attend an Orientation Tour
Free campus tours are available to all InZone campers and their families. Tours are strongly recommended for all new campers. An InZone representative will conduct each hour-long tour.

InZone Tours are available:
Wednesday, May 29, 6 p.m.
Monday, June 3, 6 p.m.
Wednesday, June 5, 6 p.m.

Tours meet in Building Z, Room Z102.
(Parking in Lot 3)

InZone Junior Explorers Orientation:
Monday, July 1, 6 p.m.
Orientation meets in Building M, Lobby.
(Parking in Lot 1)

Learn more and RSVP online for tours at harpercollege.edu/inzone.

InZone 2019 — How to Register
General registration for InZone 2019 courses begins March 4, 2019.

1. ONLINE
VISIT ce.harpercollege.edu and follow the instructions. This updated registration system enables you to register, pay and manage your child’s account entirely online.

2. ESTABLISH YOUR CHILD’S EMAIL ADDRESS
As part of the new process, each child that participates in the InZone program will need to have their own unique email address. This email address will become the user name for your child and will be used for any programs when registering through the Continuing Education department. If your child does not have their own email address, you can create one at such providers as gmail.com or yahoo.com. If you have multiple children in the program each child will need their own specific email address.

3. QUESTIONS
For questions regarding the registration process, please call Continuing Education registration desk at 847-925-6300 between 8:30 a.m.-4:30 p.m. Monday-Friday.

INZONE WAIVER
All campers must have a signed release form returned to InZone prior to the start date of a class in order to participate. Prior to the beginning of camp, all InZone registrants will receive emailed release waivers to complete, sign and return electronically. For questions about waivers, please email inzone@harpercollege.edu or call 847.925.6300.

AGE-APPROPRIATE CLASSES
Parents are responsible for enrolling their children in age-appropriate classes.

DROPS AND WITHDRAWALS
A student must drop a class no later than 24 hours before it begins to receive a full refund. If it is less than 24 hours before the class begins or it has already begun, a student may still withdraw; however, there are no refunds for withdrawals.

Drops or Withdraws Three Ways:
• online: VISIT my.harpercollege.edu and select My Registration on the My Harper tab.
• by phone: CALL 847.925.6300
• on campus: DROP BY the Registration Desk, Wojcik Conference Center Lobby (Building W).

For questions regarding drops and withdrawals email inzone@harpercollege.edu

PAYMENT OPTIONS
For information regarding InZone payment options visit ce.harpercollege.edu

CANCELLATIONS AND REFUNDS
There is a 100 percent refund given for canceled classes. If Continuing Education cancels a class for any reason, a full refund will automatically be granted to reflect the customer’s original payment method. There are no refunds for withdrawals.

APPEALS
Appeals to the refund policy may be submitted via email to ce.harpercollege.edu
THE AMAZING VOYAGE THROUGH STEM CAMP (PAGE 24)
InZone has partnered with District 214 Community Education Program to bring the same great camp experience to a new exciting location. Taught and organized by InZone staff members, this exciting camp utilizes the wonderful facilities at District 214 Community Education building located at 2121 S. Goebbert Rd., Arlington Heights, IL. The all-day STEM camp provides hands-on interaction that advances skills and sparks new interests.

YOUTUBE STREAMERS AND GAMERS (PAGE 21)
eSports is the fastest growing career for the next generation with more than 400 million people watching YouTube videos and Twitch streams of video game competitions this year alone! Whether you want to be the next pro gamer, streamer, or gamecaster, here is where you will get the basics to get started.

CODING WITH DRONES (PAGE 18)
Learn coding basics that will allow you to program fun and useful missions using block programming on a Tello drone. Command the drone to perform a variety of tasks such as loops and star patterns.
