

Web Maintenance and Design

Learn how to create and maintain a basic website using current tools and programming languages. The Web Maintenance and Design digital badge program is geared for people who want to create and maintain a website but who are not interested in a career in web development. You do not need prior knowledge of computer programming to design and maintain web pages. Please note: not all electives are offered every semester.

Prerequisites: Basic Internet and Microsoft Office skills

Required Courses:

- LCT0023 Introduction to HTML & CSS
- LCT0027 Intermediate HTML & CSS
- LCT0025 Web Design and Usability Techniques
- LCT0026 Web Maintenance and Design Portfolio Workshop*

***Each student will be required to pass the Web Maintenance and Design Portfolio Workshop after completing all of the required and elective coursework.**

Choose One Elective (when offered)

- LCT0022 Introduction to JavaScript Programming
- LCT0046 Introduction to WordPress
- LCT0003 Adobe Photoshop CC I

The Web Maintenance and Design digital badge program can be completed in one semester.

The Web Maintenance and Design badge is a Workforce Innovation and Opportunity Act (WIOA) approved program.

You are invited to attend Harper College's Spring 2019 CECT Information Session!

Join us on Wednesday, January 9th at 6pm in suite 2W at the Harper Professional Center in Schaumburg. Go to www.ce.harpercollege.edu to reserve a seat.

All Web Maintenance and Design classes are held at the Harper Professional Center located at 650 E. Higgins Road in Schaumburg.
